PRESIDENT'S REPORT

GRANT POVEY

The highlight of the year, in a condensed season, was the Club fielding 3 teams in the Grand Final and winning the prestigious Rodriguez Shield.

I'm proud that the Board worked together to make hard decisions in February to reduce costs, and manage our financial commitments during the Pandemic. The Board is appreciative of all our sponsors, patrons, platinum members and members who stuck with us during the tough times.

The Board's vision for the next 5 years is to:

1. Be the powerhouse Club of the WAFL, on and off the field;
2. Invest in our Talent Pathway to ensure that 90% of our league side is comprised of players developed from within our zones;
3. Be a community hub for our junior football teams; and
4. Have sustainable, strong financial performance, with no debt

The Football Affairs Committee, comprising Darcy Coffey (CEO) Kepler Bradley (FM) Tony Evans (Football Director), Brian Beresford (VP), Darrel Panizza and myself carried out a review to determine what the Club required for the next 5 to 10 years - in the context of a changing football environment. Following this review, and upon the completion of Darren Harris' contractual commitment with the Club, the Board unanimously determined to seek a new Coach rather than offer Darren a new contract. These decisions are never easy, but it was made with the best interests of the Club at heart.

We would like to thank Darren for his efforts over the last 4 years, which culminated in the narrow Grand Final loss, and we wish him all best for the future.

The Board is excited to have appointed former Claremont player and Coach, Ash Prescott, as our Coach for the next 3 years. Ash returns to the Club with an impressive resume. Ash has spent the past 13 years (since leaving Claremont in 2007) coaching within the AFL system,

including holding Senior Assistant roles at Essendon, Fremantle and Gold Coast.

I know that Ash has already made an impact on the players that have had the chance to meet him. I am confident that the players are ready for the next chapter of their careers and will be striving to take that next step together to get the ultimate success.

I would like to thank my fellow board members. (My philosophy is to surround myself with people who are smarter than me!)

- Brian Beresford (VP and Finance Director)
- Tony Evans (Football Director)
- Tim Sullivan (Finance Committee)
- Jenny Rogers (Raffle/Auction/Events Director)
- Darrell Panizza (Talent Director)
- Jeremy Sims (Infrastructure Director)
- Rachel Asquith (Women's Football President)

The WAFL industry is envious of the quality of our Board. I take great pride in the fact that we have robust, honest discussions around the board table, and we are all prepared to listen to the views of others.

FINANCES

The Club has recorded a nett operating surplus of \$562,292 for the financial year ended 31 October 2020. This is an outstanding result, although we are conscious of the vulnerability of our revenue streams to a potential future COVID related lockdown. Our strong result was aided by Government Assistance programs, including Job Keeper, PAYG incentives, that were put in place due to COVID. The shortened season, and a corresponding reduction in player payments that was mutually agreed by the WAFC with the COP that also contributed to the strong financial result.

The pleasing financial result means that we ended the year with no outstanding bank debt, having paid down the 5 year term loan almost 2 years ahead of schedule, and with our overdraft facility being undrawn.

Nevertheless, the Club is still very much reliant on the continued support of our members, sponsors and volunteers. The Club would simply not exist without your continued support.

COACHES AND PLAYERS

I would like to also thank all the coaches, managers, support staff, medical teams in all 3 grades for their amazing efforts during an extraordinary season. To make the Grand Final in all 3 grades was an outstanding effort by all involved.

VOLUNTEERS

We are indeed fortunate to have a team of loyal and passionate volunteers that give of their time to the Club.

I would like thank:

- Monday's Dad's Army led by Ian Haggerty, for keeping the club in order as well as keeping me accountable. We all thank you for your hard work with anything that needs to be done;
- The Ladies' Committee for feeding Dad's Army and the players; and
- Past Players and Officials, led by Les Gillies, for organizing the past player events and raising much needed cash for the Club.
- Medical trainers, trainee physio's that help with all three grades.

SPONSORS, PATRONS, PLATINUM

It's vitally important that we run this Club within the resources we have available to us. Without our Sponsors, Patrons, and our Platinum Club, our great Club would not exist. All these very loyal and generous organisations and people are listed in this report.

I would like to particularly mention our Stadium Sponsor and biggest tenant, "REVO FITNESS" and thank the team behind REVO, Andrew Holder and George Gelavis, for their massive contribution to the Club.

STAFF

I would like to thank Darcy Coffey (CEO). Darcy has shown he can handle any situation that is thrown at him and to be brutally honest I'm pretty sure that the last 2

years we have seen just about everything. We are very fortunate to have a young, enthusiastic, and smart CEO. I look forward to working closely with him in 2021

Kepler Bradley has been an excellent appointment as the Club's Football Manager. His ability to coordinate players, keep budgets, and to communicate with coaches and players has put the Club in a strong position on the field.

Lisa MacNeill (Finance) works very hard behind the scenes to keep our accounts up to date and accurate. We are blessed to have such an exceptional finance person working with us.

Holly Reed (Administration Assistant) who always has a smile on her face at reception and is always keen to help out behind the bar.

Pat Coffey for being a "jack of all trades" and looking after the building facilities and tenants.

Emma Woods (Event Manager) recently joined us and has been first class in her role to help coordinate events with Ari Kane & Mitch Lim taking on the huge task of managing the bar with their incredible casual bar staff team.

EXCITING NEWS

The Claremont Football Club has been very vocal behind the scenes to the WAFC to convince them that the Talent Pathway belongs back at the Club. I'm pleased to announce that this will be finally happening. As I write, the finishing touches are being put on the agreement between the WAFC and Clubs. This agreement will allow us to create one big community hub with coaches, staff and parents all aligned within the talent program.

I look forward to seeing everyone down at Tiger Land for a successful season in 2021.

Regards,

Grant Povey

WA's two most successful broking firms are proud to announce the creation of the state's leading financial services company.

CHIEF EXECUTIVE'S REPORT

DARCY COFFEY

Unprecedented – clearly the word of 2020 and an apt description of the year that was.

A pre-season that went for close to 8 months, a third of which was completed in isolation. Staff members losing their jobs as our function rooms became dormant indefinitely. Our changerooms empty and motionless at a time when they should have been full of life and activity. And people across the country were literally fighting over toilet paper.

Throughout April and May, as our Club implemented our own austerity measures in the face of the invisible threat to our livelihoods (e.g. Kep mowing the oval with his whipper snipper), the competition congregated over Zoom to determine how to commence the playing season with the health and financial constraints the globe was facing. Sacrifices were made, conditions were set, and then reset, and then tweaked again in the ever-shifting landscape.

Yet, how quickly things change. Be it luck, location, good management or some of each, the State bounced back to work quickly. Suddenly, the pause on life that the pandemic had created here seemed like a distant memory. Our single round season finally kicked off in July, and for all the restrictions in place, pretty much ran like clockwork. We witnessed some fantastic football across the 6 grades, we had some magnificent lunches and events, we saw the emergence of exciting new talent, attendances were up, and people were thirsty. Whilst Grand Final appearances across the three men's grades did not result in the cups we craved, we were able to earn our first Rodriguez shield in 7 years and this is certainly a measure of a strong club and something we can be very proud of.

But whilst separation was a near universal solution to the global events facing us, the sense of togetherness and community it inadvertently fostered should not be forgotten. The care and compassion people displayed for others during this time was profound. In the months of uncertainty between March and June, not one of our 1,500+ members asked for their money back. Not only that, but a couple of people even made some regular deposits to the Club for which we are extremely grateful.

Despite the economic impact of the pandemic, there was also little hesitation from our loyal sponsors to honour agreements in what ended up being a very different season to what they expected. Particular mention must go to our key partners during this extraordinary time;

- Sahib Singh from Foodies IGA
- Andrew Holder & George Gelavis at Revo Fitness
- Kevin Terry from Hertz Welshpool
- Harold Tracey from H&M Tracey Construction
- Lee Parker from SKG Radiology
- Angus & George Henderson from AGH Law
- Gary Johnson from Kimberley Regional Service Providers

Internally the leadership and operational impact of our Board cannot be understated. I know very few people have a true understanding of the financial, emotional and time investment they put into the Club. They are not paid for their services – they are elected by the members and are charged with providing governance and driving the strategic direction of the Club. Whilst incredibly supportive of our team's performance, they are not there to be fans – they have to cast a critical eye on performance across all elements of the Club, identify improvements and make tough decisions within their respective portfolios. And they take this responsibility very seriously. I believe they have handled the challenges of 2020 with incredible resilience and commitment and I would like to thank Grant, Brian, Tony, Tim, Darrell, Jenny, Jeremy & Rachel personally for their support and leadership through the trying times that this year has presented.

In relation to the club's staff, who have all endured plenty over the course of the year, I would like to thank:

- Darren – Thank you for your four years at the helm. Your care of players in particular was unquestionable and although not able to taste premiership success, much of what you fostered will help us continue to develop and grow as a Club.
- Likewise to our faithful coaching lieutenants in Steve, Brayden, Josh, Ryan & Dave for all their time and effort over the past year and previous campaigns.
- Matt, Ash and their respective coaching groups within the colts and futures programs. We have not had the highest percentage of locally zoned players at senior level for decades by accident – the work put in at this level is critical and I couldn't think of better custodians.

- Kepler, Jordan & Jodi have managed their playing groups through this disrupted and disjointed campaign. The impacts of the season's hurdles are far greater than football and even a physical perspective, so to help our playing groups and support staff navigate this was no small feat.

- Will, Zoe & Georgina who all left us throughout the year as a consequence of the Covid lockdown.

- Lisa, Holly & Pat who have picked up myriad responsibilities, taken everything in their stride and carried the Club through the year from an operational perspective.

- Ari, Mitch, and, more recently Emma, have taken on running the bar and function centre with aplomb – the feedback on their manner and level of service has been phenomenal.

Although shorter in number of games played than any other season in my lifetime, Season 2020 will leave a long and lasting impact on us all. As we look forward, I must congratulate Ash Prescott who takes the reins as our senior coach in 2021. Not only does he bring a wealth of experience from his time in the football industry, when going through the interview process Ash talked about taking the role would be tantamount to 'coming home'. You can make a dollar from rent, or over the bar at a function, but it's this connection to the Club that will take us forward into the future.

I would ask everyone who supports the Club to celebrate the positives of the season, and to harness the challenges we have faced to drive the Club forward. And in the spirit of how we tackled 2020, let's do it together.

GETTING OLDER NEVER LOOKED SO GOOD.

VALE

The Claremont Football Club pays tribute to the following members of the Tigers "family" who passed away during 2020

TULLY Collin, Player No. 644, who delighted Claremont fans in the early 1970s with his dashing play in the centre, died in Victoria this year at the age of 71. He joined Claremont in 1971 and made 53 appearances for the Tigers over three seasons before returning to Victoria.

BRADY Brian, Past CFC Player, passed away on the 13th May 2020. Brady played 59 Games during his time at the club from 1953 to 1956, as Player No.401.

MITCHELL Dawn, Nan of CFC Captain Kane Mitchell, as well as an inspiring person to many Claremont Players, passed away at the age of 91. Dawn's love for watching Kane play football was so strong throughout his entire career. She never missed a game and supported the Claremont Football Club specifically in so many ways.

JOHNSTON Rob, has been a supporter and member of the Claremont Football Club his entire life. He passed away at the age of 82. He was such a likeable character and the Dad's Army were so excited when he joined them 7 years ago.

LEACH Quenton, Player No. 881, played 61 games and won Best and Fairest in 1994. With heavy hearts we have lost 1993 Claremont premiership player Quentin Leach to cancer, aged 47. Tough as they come Quentin went on to become an inaugural Fremantle Docker and more recently has been involved back within the Tigers District at his boyhood club Marist JFC.

CLARKO Jim, a dedicated Claremont supporter and benefactor, died at the age of 87. He made a valuable contribution to the club, serving as a vice-patron for 22 years, from 1997 to 2018. He was much

loved by the club as an enthusiastic supporter at home matches and at club functions.

POWER Doreen, The Ladies Committee wish to express their sadness on the passing of a wonderful lady Doreen Power, a long-time volunteer of the CFC Ladies Committee. Her wonderful company and sense of humour will be sadly missed.

GOLDIE Ian, Player No. 454. Former Claremont footballer and club president Ian Goldie passed away this year, aged in his early eighties. Ian became Club President in 1986. He was a ruckman/forward who played in 24 league matches, making his debut against East Fremantle at East Fremantle Oval on June 9, 1956.

CLUNE Kevin, Player No.413 ("The Carnamah Kid"), who became a Legend, and one of the most popular players at our Club passed away this year. Clune played 231 games, being a two times Best and Fairest and a State Representative. Kevin's Funeral took place on 2 January 2020

LEWIS Irwin, Player No.493. A hard hitting, "no nonsense " player in the 50s and 60s, who played in the 1964 Premiership team. Irwin's three son's Cameron, Clayton and Chris, all played with distinction for Claremont, the latter becoming a star for the West Coast Eagles. Irwin passed away on 28 January 2020

CLUNE Gary, Kevin's son, passed away on 18 February 2020

HYDE John, Player No. 430, Captain/ Coach in 1955 and 1956. John played 37 games for Claremont, winning the Best and Fairest in 1955 and representing WA in the same year. He was previously an outstanding Dual Premiership Player and Best and Fairest player for Geelong in the 50s. John passed away on 26 March 2020.

FOOTBALL OPERATIONS MANAGER

KEPLER BRADLEY

After a gruelling 5-month pre-season which started in November 2019, the WAFL season was put on hold in March due to the global Covid-19 pandemic. This brought great uncertainty to not only the WAFL competition but to all competitions around Australia. When we notified the players that we wouldn't know if or when the season would start, the playing group led by our leadership group were straight on the front foot, asking what they could do to get the edge on other teams and help us win the next WAFL premiership. The players started training individually and then in groups of 5, then 10, then 20, until we got to a point where we could train as a whole group, adhering to the strict government protocols along each step of the way. The WAFL Commission eventually gave us the green light for the season start on Saturday 18th July. The hybrid season saw an 8-game home and away season with a top 4 finals series and when the fixtures were released our round 1 game was against reigning premiers Subiaco at Leederville oval.

To have all 3 grades (Colts, Reserves, League) finish top 3 on the ladder and eventually play in grand finals was an incredible effort despite not quite hitting the heights we were expecting. Our young Reserves team, led by first year coach Ryan MacKenzie, started the season slow having won 1 game of the first 4. Despite losing in round 5 against an unbeaten East Perth team, it was an encouraging display and with the leadership of senior players (Curren, Lee, Manuel, Ledger), it was the catalyst to winning the last 5 games including both Semi Final and Preliminary Final victories. A mature East Perth outfit got the better of us on grand final day but one thing our football department is confident of is that a number of young players have bright futures. Anthony Davis was best on ground in the grand final using his deadly kick to great effect. The development of key position players Jack Buller, Steve Miller, Billy Reilly and Max Minear has reassured us that we have the best talented talents in the competition. Charlie Malone looked dangerous up forward, while Max Spivee and Ben

Elliott had terrific seasons through the midfield, which saw Max eventually make his League debut and play in a League grand final.

The football played by the Reserves team late in the year certainly had a positive influence on where the League side finished on the premiership table. Our League side had a strong start beating Subiaco in Round 1, where we played 4 debutants and saw Ryan Lim achieve his 100 games milestone. We then had an indifferent period during the middle of the season until we played West Perth in our last game of the year needing victory to have any hope in finishing 2nd on the ladder and giving ourselves a double chance. We kicked 5 goals in the first quarter to set up victory while strangling West Perth's scoring opportunities throughout the game and eventually running out 31-point winners. Our attention turned to the last game of the year between West Perth and Subiaco where we relied on percentage to jump ahead of West Perth. West Perth at 3 quarter time were 46 points up and looked certain to finish in 2nd spot until a gallant Subiaco team kicked 5 of the last 6 goals to send Claremont into 2nd spot by just 0.2%.

With our tails in the air after an unlikely result we ventured down to Fremantle Oval to play South Fremantle in the 2nd Semi-final. A confident South Fremantle knowing they have had the better of us in 4 of the last 5 clashes were met by a determined Claremont side which held South Fremantle goalless to half time. The performances of Jye Bolton, Alec Watermen and Declan Mountford made sure Claremont went on to secure a grand final appearance. South Fremantle now had to beat West Perth in a preliminary final the following week which they were able to do.

The stage was set for a Claremont v South Fremantle Grand Final. It was a highly physical high-pressure game which saw the scores tight throughout. Heavy hits and gut running from both sides saw a range of injuries. Captain Kane Mitchell dislocated his shoulder in the first quarter and amazingly returned to the field to help his team mates out. Ben Edwards copped a heavy hit in the 2nd quarter which forced him off the ground until after half time where he returned and contributed well. With the game being played at high intensity both teams were fatiguing late in the game with a number of players from both sides cramping. In the dying minutes we had it locked in our forward line only needing a goal to lead. Ball up after ball up, tackle after tackle, we were unable to get a clear kick away. South Fremantle eventually got a clearing kick away and as Haydn Busher was running back in defence to gather the loose ball, the siren went. Although we were on the wrong side of the scoreboard no one can knock the effort of the 22 players that took their place on the field. Alec Watermen was impressive again up forward kicking 3 goals whilst Declan Mountford and Jared Hardisty worked tirelessly in the midfield and Bailly Rogers again provided bounce off half back. Rylie Morgan was a shining light with his best performance to date

at League level in his short career and Jye Bolton had an incredible game and was clearly the best player on the ground, winning the Simpson medal in a losing side.

There is a lot to like about our 2020 Tigers. 6 players made their League debut in a significantly shortened season. Tom Baldwin won best first year player playing all 10 games whilst Alec Waterman won his first E.B Cook medal after an outstanding year playing in the forward line. Recruit Ryan Nyhuis provided much needed leadership to our young group as well as playing multiple positions and Kimberley product Ed McGinty provided a spark around goals. Oliver Eastland was back to his best in the ruck whilst Declan Mountford, Jye Bolton and Jared Hardisty continue to be among the competition's elite midfielders. Bailey Rogers was used both in the midfield and across half back to great affect and Anton Hamp played a new role up forward where he looked dangerous. Callan England had an outstanding year playing both in the forward line and midfield. Haydn Busher and Declan Hardisty were ever reliable in defence and rarely got beaten.

As we look forward to 2021 there is a real excitement amongst the playing group. Key players Lachie Martinis (ankle) and Jack Beeck (ACL) will return after both missing the entirety of season 2020. New recruits Jason Carter, Francis Watson, Anthony Treacy and Isaiah Butters will strengthen both forward and backlines next year. I look forward to seeing these guys have great pre-seasons and add to an already talented and driven young group.

Some key facts and highlights of season 2020-

- We played 28 players in the League side with 6 players making their League debuts.

- 89% of players were local zoned, once again leading the WAFL competition with the next best at 71%.

- Top 3 in this years League B&F was Alec Waterman, Jye Bolton and Jared Hardisty.

- Top 3 in this years Reserves B&F was Tom Curren, Ben Elliott and Jack Buller.

- Jye Bolton won his 3rd Simpson Medal.

- Milestones achieved by Anton Hamp- 150 games (life membership), Ryan Lim- 100 games and Harry McCracken- 50 games.

A big thanks to all of our wonderful football support staff who contribute countless hours and truly have the club's best interest at heart. League Coaches Darren, Josh, Brayden & Steve did a terrific job leading the team to a grand final; Ryan, Dave, Aaron, Craig and Hunter for coaching the Reserves to a Grand Final; Keith and Murray as team managers; Jake, Emmett, Steph, Marlee & Alaina in S&C; Jess, Lou and the wonderful trainers; Macca leading physio; Lionel as matchday doctor; Jack Denton in your work with the property; Wayne and Dave as our League stats team; Jeremy for filming our training sessions; Frank, Andy, Tony and Ken as our Reserves stats team; Ian, Pat and the Monday Crew; and of course Carol & the Ladies Committee who not only came to the rescue for match day catering but have also supported the football department for decades. Special thanks to Tom Curren who worked with us helping with welfare and player development throughout the year.

The club is what the people make it, and the people we have are incredible. I look forward to getting stuck into 2021!

TALENT MANAGER

JORDAN SMITH

2020 was already a different year for the Claremont Talent Programs long before the COVID-19 Pandemic took hold. A new Talent Manager, a new Colts Coach, a new Futures Coach and a fresh and inexperienced Colts Squad all made for some exciting challenges, but through plenty of hard work by many amazing people, our programs were again able to achieve terrific outcomes both on and off the field.

WAFL COLTS

With only five players from last year's Colts Premiership team returning to our 2020 squad, our Colts group went into the season with many external observers doubting their credentials. A mixed bag of performances throughout our practice matches only served to enhance these doubts, however these had long been dispelled by the time the boys reached a 6-0 win-loss record to begin the home and away season.

At times leading up to then, there were doubts whether we would even have a season, and it must be said that the maturity and dedication with which the boys approached our enforced 10-week group training hiatus was outstanding. Led by Coach Matt Angus, the group remained in very regular contact throughout the break and kept each other's spirits up while training in smaller groups. I have no doubt that the work completed during the COVID break to keep our playing group connected (and in actual fact bringing them closer together) was a significant driver behind our eventual successes on the field once the season got underway.

The end result after the shutdown period was an 8-game home and away season, which was obviously a great outcome in comparison to other underage competitions such as the NAB League in Victoria which were unable to get any season underway, but clearly still frustrating in the limitations this placed on the number of players we were able to expose to Colts football throughout the season.

That being said, we were ultimately quite satisfied with still managing to play 36 players throughout those eight games, of which 24 were debutants throughout the season and another three had played only one game prior to this year. Within this 36, we were also proud to have played five players from our Great Southern zone and two from our Kimberley zone. Particularly in a 'COVID Year' where our regionally-zoned players were even more impacted by the 12-week shutdown than others by heading home over this period, these are figures we should be really satisfied with.

Our only home and away loss came in Round 7 against a highly talented East Fremantle side who managed to piece together one of the best quarters of Colts football by any team all year to see us down six goals to zero at quarter time. Outside of that, we had a mix of dominant and closely fought wins, which ultimately saw us finish on top of the ladder with a 7-1 record. Highlights were gutsy victories over more fancied opponents Subiaco and West Perth to bookend our home and away season, and two large triumphs in consecutive weeks over Swan Districts and South Fremantle in Rounds 2 and 3.

Our finals campaign kicked off with another brave victory over a gallant Subiaco side in the 2nd Semi Final, who went on to demolish East Fremantle in the Preliminary Final meaning they approached our Grand Final match-up with plenty of confidence. Unfortunately, Subiaco proved far too good on the day – a disappointing outcome

for our players and staff who deserved a positive result for their efforts all year, but credit to the Lions. They had been a formidable opponent in our two previous encounters where we managed to get over the line, so we were not surprised by their impressive performance on Grand Final Day.

While October 4th ended up becoming a somewhat sour day for the entire football club, as a Colts group we ultimately look back on the year incredibly satisfied with what we achieved and the manner in which we approached the year. We played an exciting brand of football and had an incredibly tight-knit playing group that have formed bonds that will last a lifetime. What the boys achieved together this year as a group stretches far beyond defeat in the last game of the year.

As would be expected in a minor premiership-winning side, we had several players who achieved a great deal of individual recognition at the back end of the year.

The absence of a U18 National Championships this year provided an increased number of players with the opportunity to take part in two NAB U18 All Star Matches during October. Well done to the following boys who achieved selection for these matches and all performed admirably: Samuel Alvarez, Jack Avery, Logan Guelfi, Kalin Lane, Jacob van Rooyen, Joel Western, Jake Willson and Logan Young. CFC Senior Player and 2019 Colts Premiership Player Max Spyvee was also selected after his outstanding season which shows the possibilities for what young players straight out of Colts football can achieve through plenty of hard work and dedication.

Congratulations are also due for the following players who were named in the 2020 WAFL Simply Energy Colts Team of the Year: Jack Avery (Centre Half Back), Samuel Alvarez (Wing), Jacob van Rooyen (Centre Half Forward), Logan Young (Rover) and Logan Guelfi (Interchange).

To close out our individual recognitions for the 2020 Colts Program, congratulations to Logan Young whose consistent season saw him named a thoroughly deserving winner of the Tom Richardson Trophy for the Colts Fairest and Best. After building his confidence and experience at the level throughout last season, Logan stepped up to become the competition's premier inside midfielder in 2020, leading the league for Contested Possessions, Clearances and Tackles. Logan edged out emerging defender Jack Avery, whose perfect 30/30 votes in our Grand Final defeat threatened to sway the result his way. Explosive midfielder Jake Willson was rewarded for his eye-catching season with a 3rd place finish. The Tony Evans MVP Trophy was awarded to Joel Western whose performances either side of a mid-year hamstring injury were as exciting as we've come to expect from Joel over the last three seasons. Reliable key defender Jacob Blight was acknowledged by his teammates with the Players' Player Award for his efforts in regularly shutting down the opposition's best key forward, while Leith Fitzpatrick received the WAFL Combined Past Players & Officials Association's Encouragement Award following a strong season playing across half forward.

A few important thank yous from a Colts perspective: Coach Matt Angus and his Assistant Coaches Benjamin Willett, Jake Colvin, Brett Bowker, Ashley Clancy, Tim Monkhouse and Specialist Coach Byron Schammer. Runners Matt Sofoulis and Chris Tan and Team Manager Bern Willett. Head Physiotherapist Kim Manolas for his magnificent work keeping our players on the park along with CFC Medical Team stalwarts Dr Lionel Lim and Anthony McEvoy. Head Trainers Kara Malkovic and Katie Hanrahan and their team, Head S&C Coach Andrew Jonson and his Assistant S&C Coaches Oliver Armstrong and Joel Young.

Finally, my sincere thanks to a few key football club volunteers who are the heartbeat of what we do and great supporters of the Colts program – Property Manager Jack Denton, Carol Millband and the Ladies Committee for the rolls after every home game, and Les Gillies, Frank Riccelli, Phil McGann and the Past Players & Officials Association for their monetary contributions to our program and the Thursday night Sausage Sizzles during the finals.

WAFL FUTURES

They say talent only gets you so far, and that was definitely the case for our Futures squad in the early stages of their season. A supremely talented group were given a great reality check in Round 1 but turned things around superbly from there under the guidance of new Head

Coach Ashley Clancy and his experienced team of assistants. This increase in highly credentialled coaches within our Futures Program was a big focus for this year and gladly paid significant dividends.

All Star Matches were also played at U16s level this year, with our Futures squad providing a remarkable 14 representatives for these fixtures. These were Edward Allan, Will Bailey, Mitchell Barron, Luke Brown, Harrison Cole, Alex Condon, Lewis Crump, Hugh Davies, Joshua Ledger, Rohan MacNeill, Dallas McAdam, Fletcher Netherway, Conrad Williams and William Wolf.

With such a talented group, our end of season awards were always set to be hotly contested, but in the end the following boys are to be congratulated: Encouragement Award – Julian Maceri, Tiger Award – Joshua Ledger, Most Consistent Award – Rohan MacNeill, MVP Award – Mitchell Barron and Emerging Talent Award – Luke Brown.

Thank you to Coach Ashley Clancy and his Assistant Coaches Ryan Pontifex, Craig Rogers, Declan Cormack, Sam Cousens, Ricki Smith and Scott Thornton, and Head S&C Coach Marlee Hedley and her Assistant S&C Coach Samantha Harvey for all their efforts with the 2020 Futures Program.

DEVELOPMENT SQUADS

Unfortunately, it was decided that 15s Development Squad Programs would not be able to go ahead across the WAFL in 2020. Our 14s Development Squad Program was able to take place in an abbreviated fashion though, packing nine sessions into a four-and-a-half-week period, which was a big effort for coaches and players alike. While shorter than our normal engagements, it was great to be able to get another new 'intake' of our next Claremont players and their families through the doors and introduce them to what we're all about.

My thanks to 14s Development Squad Head Coaches Benjamin Willett and Jake Colvin and their Assistant Coaches Sam Cousens, Craig Rogers, Chris Tan and Tony Fitzpatrick and also to our 14s S&C Coaches Oliver Armstrong and Joel Young. It is a credit to the work these men did in preparing the boys for games in such a short space of time that we put in three quality performances during early October which underlined what we hope will be a promising future for this group coming through our ranks in the years ahead.

REGIONAL DEVELOPMENT

It's been a challenging year for our regional academies, with all of their usual regional football carnivals cancelled.

From a Great Southern Storm perspective, we were luckily able to get a couple of engagements away either side of the COVID peak in WA. In February and October, a Storm side headed to Revo Fitness Stadium to take on our Futures and 14s sides respectively. Both matches were played in terrific spirits and showcased much of the exciting talent that we have coming through our metro and regional zones. A significant achievement for our Great Southern Storm program this year was the Storm putting a team together to represent Claremont in our Round 3 WAFL Futures match in March. The boys had a red-hot crack on the day in what felt like a watershed moment with regards to what our regional programs can achieve and I for one certainly hope we can make this an annual tradition moving forward.

We had some big plans this year for our Kimberley Spirit hub programs, however unfortunately these have had to be delayed into 2021. A great opportunity still existed for three Kimberley boys to head down to Perth during the July School Holidays to play two games for our Futures side. This trip would not have been possible without the support of H&M Tracey through their contributions to our Claremont House where the

boys stayed.

A big thank you to Darrell Panizza, Matt Bishop, Glynn Verbruggen and Jodie Paine down in the Great Southern and Carl Merrison and Eamon Rice up in the Kimberley, along with their respective teams, for all their efforts with our regional programs in 2020.

COMMUNITY RELATIONSHIPS

This year has certainly seen an improvement in our relationships with several key stakeholders throughout our Tigers District Community. I'd like to thank all twelve Tigers District Junior Clubs and also from a PSA Schools standpoint Anthony Lynch (Christ Church), Luke Bower (Hale) and Richard Foster (Scotch) whose preparedness to work together has been much appreciated this year.

A very important ally for our talent programs over many years has been that of the Clontarf Academy. This has been a relationship we've been delighted to foster further this year as it assists with being able to engage talented Indigenous players from our regional zones (particularly the Kimberley) who are attending the Clontarf Aboriginal College at their Waterford Campus. This year we have had two young men from the Academy training and in one case playing in our Colts team. I would like to extend my thanks to Michael Goss, Michael Russell, Matthew Bill and Andrew McGovern for their shared vision and collaboration in providing opportunities for these young Indigenous males and I look forward to seeing our relationship continue to grow into the future.

COACH DEVELOPMENT PROGRAM

An exciting initiative for our programs this year has been some avenues we've been able to create for our developing coaches within our programs. Providing opportunities for our coaches and staff to develop and progress is a key objective of what we do alongside the obvious development of our players. This year, the Head Coaches of the three teams across our 14s and Futures Programs were all Colts Assistant Coaches as well, giving these dedicated and passionate individuals a great opportunity to extend themselves and gain a variety of experiences both through Assistant Coaching under an experienced Head Coach at Colts level, and also through stepping up to take charge of their own team. Through the vision of Colts Coach Matt Angus, we are excited to expand our community presence when it comes to coach development over the coming years as well, to ensure that we are continuing to track, engage and develop the most promising coaching talent coming through our regions in the hope that one day they are ready to progress to being our next batch of experienced coaches at the Claremont Football Club.

THANK YOU

The amount of people I've already thanked in this report shows just how much manpower is required to run effective development programs, but I have a few other important acknowledgements to make in conclusion. Firstly, thank you to Grant Povey and his board, in particular Talent Director Darrell Panizza, CEO Darcy Coffey and FOM Kepler Bradley for their support throughout the year. Also to Holly Reed for her magnificent efforts in giving our Colts players the social media exposure they crave among many other vital contributions she makes to the day-to-day running of the club, along with everyone else who makes this amazing football club tick, such as the Monday Crew, for all their efforts week in, week out.

My sincere appreciation to Matt Angus for his unwavering personal support from the moment I stepped into this role, and from the WAFC Talent Team, thanks to Simon Moore-Crouch, Adam Jones, Michael Ablett and Ross McQueen for their guidance throughout this year.

It would be remiss of me not to mention the previous Talent Manager Warren Parker, whose eight years of service to the Claremont Football Club came to an end early this year when he accepted the Football Operations Manager role at East Perth FC. Warren left the Claremont Talent Programs in a great position through his tireless efforts over many years, and I thank him for his personal mentorship and quality handover of this role.

Finally, to the players and parents in all of our programs, a massive thank you for your efforts this year. It's been a challenging year for us all, but together we have achieved great things.

COLTS COACH

MATT ANGUS

It was a terrific honour to be asked to return again to coach the Colts here at the great CFC. Replacing long time mentor Ross McQueen and experienced TM in Warren Parker, meant that there was plenty of work to be done to maintain the existing high standards within our talent programs.

It's important to acknowledge the work done by the new Talent Manager in Jordan Smith. His work ethic is second to none, and his ability to form relationships with our players and parents was first class. Jordan was integral to the success of the program this year and has a long future in the industry – he was a great support to the coaches and we are lucky to have him at CFC.

This season was an unknown quantity in terms of talent and the focus from the coaches was to create the best environment possible and see what can happen. Only 5 players from the 2019 premierships side were returning, so the majority of players were going to be new to the level.

We can thank our S&C coach Andrew Jonson for the fantastic physical preparation in preseason and then rebuilding the boys again after the COVID break. For such a short season, the players threw everything at the competition and were only able to do so because of Andrew's program and the support of our Head Physio, Kim Manolas and our trainers.

From a football perspective we were delighted with nearly all of the season. We played a really attacking brand of footy when we had the ball and were fierce in our efforts to get it back. We were the number 1 contested side in the competition and led the competition for most of the key statistical elements.

Congratulations to our players who should take enormous credit for their successful season. Well led by Joel Western and the leadership team who ensured that positive training habits will be again transferred down the line.

I would also like to acknowledge the individuals who performed at the highest available level throughout

the year. Best of luck into your playing futures.

The highlight for me personally though, was the way the young men embraced our cultural program. The players set out a cultural charter through a number of workshops during the preseason, coming up with 6 main values they wanted to live by and be held accountable to over the season's duration. This non-physical element was undoubtedly the key element in the players performing well as a team and a direct link to their levels of enjoyment.

Another significant advancement this year was the "beefing" up of coaching stocks in the Colts team and having coaches represented throughout the talent squads. We wanted to create a coaching pathway where we have a model that enables us to draw in quality coaches within the Claremont zone and have them learn and develop in the Claremont way. Our coaching group had 3 coaches who were also head coaches of a Development Squad.

I would like to personally acknowledge the expertise, effort and support each of the coaches offered and look forward to working with them into the future at CFC. It was a great mix of experience, community, past players and quality human beings.

Brett Bowker – Coach Mentor

Ash Clancy – Assistant Coach (Head Coach Futures)

Ben Willett – Assistant Coach (Head Coach 14s)

Jake Colvin – Assistant Coach (Head Coach 14s)

Tim Monkhouse – Assistant Coach

Matt Sofoulis – Assistant Coach (Runner)

Byron Schammer – (Skills/Bench coach)

Finally, thanks to the continued support of the Ladies and Past Players and Officials Committees – it is such a vital link into the senior club and the extras that are provided to our future senior players are most appreciated.

PAST PLAYERS & OFFICIALS ASSOCIATION REPORT

Well what an unusual season we have had. I won't dwell on the Covid Crisis as I guess we are all sick of hearing about it.

Congratulations to the WAFL on actually getting a season underway, even though it was a shortened version. Having only four home games certainly took a strain on our Game Day Raffle ticket sales plus not being able to run our Colts Quiz Night which is our biggest money raiser for the season made it hard to consolidate our revenue, but we managed to do okay.

On behalf of the Past Players we would like to make mention of our League, Reserves and Colts teams on making the Grand Final, sadly though we couldn't manage to achieve the ultimate prize. To our coaches and staff, a job well done and I am sure we will go one better next year. To our Best and Fairest winner in all three grades:

League – Alec Waterman

Reserves – Tom Curren

Colts – Logan Young

To Jye Bolton winner of the Les McClements Trophy and Anthony Davis taking out the George and Stan Mell award. The Past Players and Officials sponsored both these trophies being \$500 and \$200 respectively. Also, a great effort by Jye for winning the Simpson Medal in the Grand Final. To all other trophy winners, a job well done and to Leith Fitzpatrick the recipient of the WAFL Combined Past Players Encouragement Award.

I won't delve into our finance as Frank Riccelli will cover that in the treasures report. I would also like to thank our sponsors for their kind donations throughout the year, it is greatly appreciated. To all the CFC Past Players Committee thanks for all your help and support throughout the year. A big thanks to Jordan and the Colts Players for assistance with the Game Day Raffle sales. To all the helpers for the finals sausage sizzles and in closing many thanks to Darcy and Holly in the office and also to Carol and her ladies for providing all the food for our half time fraternisation.

PRESCOTT AIMS TO ENTERTAIN

BY KEN CASELLAS

Ash Prescott, delighted to be back at Claremont after 13 years in coaching roles in the AFL system, declares that one of his priorities as the club's league coach is to provide a strong brand of football that entertains and is attractive to watch.

"Providing the members and supporters an attractive style of football with a team which is committed to playing together, really working hard, moving the ball fast and scoring goals," is one of my main aims said Prescott, who has been appointed as Claremont's senior coach for the next three years.

"I think that is part of coaching these days. As coaches we have a responsibility to provide a good product, and that's not necessarily being overly offensive or overly defensive. It's having a good balance between attack and defence, and, of course, being really hard at the ball.

"I'll require our players to play for each other; first and foremost that they work hard, and I don't think that it is always the person with the ball; it's about the person without the ball who is putting some protection on, whether it is a block or running to create some space for a teammate to run into.

"So, I'll be making sure that the players are working together. I watched a few Claremont games this year and the league team looked really competent. I also watched some colts and reserves football, and the club looks strong across all three grades.

"From an overall view it appears there's some really well-equipped young men and there looks to be a lot of depth and a lot of good young players coming through, as well as some senior players with good experience."

The 48-year-old Prescott has a wonderful affinity with the Tigers, with whom he represented in the 2003 season when he played in 18 league matches as a skilful and athletic midfielder and occasional half-back. He had the distinction of polling 29 votes and finishing equal third with Mark Seaby behind Shane Beros and Kris Miller in the Sandover Medal. He and Andrew Browne were the Claremont players chosen in the WAFL Team of the Year.

Prescott appeared in 90 AFL matches with Richmond from 1993 to 1998 before being drafted by the Fremantle Dockers, with whom he played 38 matches between 1999 and 2001 before accepting his first coaching appointment as the man in charge of the Claremont colts side in 2002.

In 2003 he had the arduous task of coaching the colts and also playing league football for Claremont. The seniors were defeated by East Perth in the first semi-final and the colts lost the grand final to South Fremantle.

"It was quite a big day on Saturdays for me that year, with the colts playing early in the morning and then playing for

the league side in the afternoon," Prescott said. "The ladies looked after me with some nice sandwiches and I also enjoyed an Arthur's burger after the colts games. Often, I'd have a bit of a sleep before the league match."

Prescott then was appointed Claremont's league coach, and in four seasons the club qualified for the grand final three times and finished third in 2006 after losing the preliminary final by three points. The Tigers were beaten by Subiaco in the grand finals in 2004 and 2007 and were beaten by South Fremantle in the 2005 grand final.

"They're memories tinged with disappointment, but also with the feel that we gave it our best shot," said Prescott. "We played with great spirit and a good style of play but came up against sides that were too strong for us on the day."

Prescott returns to Claremont with a wealth of knowledge after having played under many outstanding AFL coaches and then in the past 13 years working as an assistant to several more.

"At Richmond I played under Kevin Bartlett, Allan Jeans (who also coached my father David at St Kilda in the early 1960s), John Northey, Robert Walls and Jeff Gieschen," Prescott said. "With Bartlett it was just the passion and love for the Tigers, Jeans just had a great balance of being able to support you but challenge you as well."

After his four years at the helm at Claremont Prescott was snapped up as an assistant coach to his former Richmond teammate Matthew Knights at Essendon --- after the long-serving Kevin Sheedy had retired.

"I was the midfield coach and in charge of offensive defence (ball movement) for three years before Knights was moved on," said Prescott. "Essendon wanted me to stay,

but we (the family) had this pull to return to Perth, and the Fremantle Dockers gave me the opportunity.

"I did three years (2011-12-13) at Fremantle under Ross Lyon, who was assistant coach to Robert Walls when I was playing for Richmond and I respected him a lot as a coach. I worked with him with team defence and I was also in a development role, helping the players who were transitioning from the WAFL clubs."

Prescott joined the Gold Coast Suns in 2014 when Guy McKenna (his coach at Claremont in 2003) was there, along with Mark Riley, who coached the Claremont league side in 2001 and 2002.

"I thoroughly enjoyed my time with Gold Coast where I had a variety of roles over seven years, working with coaches Guy McKenna, Rodney Eade and Stuart Dew," said Prescott. "I had jobs as a midfield and forward coach and overseeing and running the development program."

When the coronavirus pandemic disrupted the 2020 season, the Suns were forced to drastically reduce their coaching staff, and Prescott, his wife Kate and their sons Xavier and Will returned to live in Perth.

"My No. 1 priority was to settle the family back in Western Australia because we had done too much travelling, which wasn't ideal for the boys," Prescott explained. "The Claremont job was a bit of a surprise. Obviously, I wanted to stay involved with coaching; that's what I love doing."

"I wasn't sure whether anything would be available. I was looking to becoming involved in any capacity, and then out of the blue I received a phone call from Claremont, checking whether I was possibly interested. And things progressed from there."

"It's really nice to be back; it's a great football club and I'm so grateful to the club for giving me an opportunity."

Outstanding midfielder Andrew Foster, a member of Claremont's premiership sides in 2011 and 2012, will join Prescott as an assistant, in charge of the midfield, while former Tigers stalwarts Darren Harper (coach) and Damian Crimmins (assistant) will be in charge of the reserves team.

"It's wonderful being back at Claremont where our major ambition will be to finish on top next year," Prescott said. "Our hopes have always got to be about winning premierships."

2020 LADIES COMMITTEE REPORT

Well what a strange, strange year Master Jack and our football season was like nothing we had ever experienced before but we got through it and hopefully back to normal in 2021.

Well done to all three grades for making it to the finals, a day of mixed feelings obviously so proud of all the boys for getting there. Well done to all the Coaching and Support Staff for a job well done.

Very different role for the volunteers of the Ladies Committee this year.

We did not run the kiosk therefore no substantial funds were raised but we still helped out with the Players Coaches and Support Staff to make sure they were properly nourished for our home games.

We catered for the PPOA half time event and afternoon tea for sponsors.

I would like to thank all those who volunteered again this year by making food at home and bringing it down on Saturday mornings of home games – we couldn't use the kitchen so those who could pitch in and did the cooking at home.

I would like to thank all those who came and helped on Saturday mornings, bought in cakes and pasta dishes you are all an amazing bunch of people and the club are so

lucky to have you.

Shirley, Bev and Garry, Helen, Carole and Barry, Trevor such devoted volunteers always willing to help out and couldn't have done anything over these past years without them.

Bettina Day, Ann Willis, Gabby Woodcock, Margaret Povey and Vicki McClements who all helped out in the kitchen whenever called upon.

Helen Mitchell has been an enormous help along with Heidi Hardisty, Mary Lim, Alison Rogers it was wonderful to see players mum's pitching in. Fiona Mountford, Wendy Eastland for making delicious sweets/cakes along with Heather Haggerty, Jane Somes, Pam Casellas and Kaye Maskiell.

Thanks to Holly for always being cheerful and helpful not an easy job this year. Again, thanks to everyone and as they say onwards and upwards. All the best for the festive season, have a safe and happy New Year and hope to see you all donning your aprons in 2021.

Carol Millband

President

WATERMAN IN RARE COMPANY

BY KEN CASELLAS

For Alec Waterman, a brilliant and powerful midfielder in his teenage years, to emerge from the depths of despair four years ago and reinvent himself as a dynamic forward for Claremont was one of the most heart-warming stories in football in 2020.

The 24-year-old left-footer joined a rare group when he was voted the winner of the E. B. Cook Medal as the fairest-and-best player in the league side after a dominant season in attack.

He joined Ian Richardson as only the second footballer in Claremont's 95-year history to be named as the fairest-and-best player in the same year as being the club's leading goalkicker when employed as a permanent forward.

Richardson, another skilful left-footer, won the Cook Medal when he was the club's leading scorer with 62 goals in 20 matches in 2008, his first season in the senior side.

In the abbreviated season of eight qualifying-round matches and two finals for the Tigers this year, Waterman stood out like a beacon with his superb play. He scored 26 goals and played a significant role in several others. He ended the season in a blaze of glory, scoring four goals in the side's final qualifying-round match against West Perth, four against South Fremantle in the second semi-final and three against the Bulldogs in the grand final.

His was a notable feelgood comeback to stardom after his career was in limbo in 2016 and 2017 when he was laid low with glandular fever which left him fatigued and exhausted both physically and mentally.

This was a serious blow to the young man who had represented Western Australia in the 2012 16s carnival and had shone for the State at the under-18 carnivals in the following two years, as well as earning the Mel Whinnen Medal as the best player with 22 disposals, seven inside 50s, two goals and five tackles when Claremont beat South Fremantle in the 2013 colts grand final.

Waterman was selected by the West Coast Eagles in the 2014 national AFL draft before being struck down by his debilitating illness the following year. He was unable to play in 2016, 2017 and 2018, and he now admits that he was concerned that he might not be able to play again.

"But I never gave up hope," he said. "However, I didn't think I'd be able to play the same footy as I used to play. I was okay with the prospect of being able to play a bit, here and there, and being a part of a team would be good. There were days when I thought that was possible.

"The first couple of years were pretty ordinary and I was in no-man's land before I started to feel a bit better towards the end of 2017, and I was most appreciative when Harro (coach Darren Harris), Darcy Coffey (football operations manager) and Kepler Bradley (player development manager) got in touch. I can't thank them for reaching out, showing me that love and understanding and not putting any pressure on me."

He started with a running program, and midway through the 2018 season he made his long-awaited return to action and played eight reserves matches for the Tigers. He began the 2019 season with the reserves before graduating to play in 12 league contests and kicking 19 goals.

This year Waterman was used in a variety of forward roles, playing at full-forward, at centre-half-forward and on a flank.

"This season was weird, with the interrupted pre-season and the late start," he said. "Then, in a couple of practice games I hardly got a kick and scored just one goal. Practice games are different, and you don't get a proper read on things."

"Then, in the round one game against Subiaco, I played a pretty good game, and we all did. And I kept building on that."

Regarding his outstanding form in the finals against South Fremantle, Waterman said: "It is something I pride myself on, to play well and have an impact in big games. Bolts (Jye Bolton) does it in big games when he wins the ball constantly. As a forward, a way to have an impact is to give your team an option and be strong, and when you get an opportunity, kick a goal."

Waterman admitted that losing this year's grand final by three points to South Fremantle was heartbreaking. "After the second semi-final (in which Claremont defeated South Fremantle by 47 points) we were really confident," he said. "We knew that they weren't at their best, and how it was in the grand final was exactly what we expected, tight football with lots of pressure."

"But we thought we were good enough to get the job done. It was one of those games in which the result could go either way, a flip of the coin. "Winning the fairest-and-best was awesome, and to have my name on the honour board alongside some of the best players who have played for the club will be pretty cool. But at the end of the day I would trade the medal for a premiership, every day."

Waterman, who is working for Turfcare as a turf

service operator, declared that he was feeling good and his body was in good shape.

"There's definitely plenty of football ahead of me," he said. "Talk that I may be drafted is not a burden," he said. "This time around, I'm not too fussed. If an AFL club comes knocking, it's great. But if not, it will not worry me at all; it's not the end of the day like it was for me five or six years ago. Now, it's still important, but it is not as critical."

"It's a win-win situation. If I don't get drafted, I get to play for Claremont. And I can't wait to do that."

RACHEL ASQUITH

What a year! 2020 has certainly thrown it's fair share of curve balls at us, but I am incredibly thankful for the opportunity we have had to play this season.

2020 preseason started early, but ground to a halt in mid-March as wide-spread restrictions came into effect. Along with the boys, our girls shifted to online team sessions with a focus on keeping them engaged and working on education. As restrictions eased, we formed pods and trained in small groups before eventually returning to full training at Claremont.

With our season shortened, each game had a significant impact on the ladder and you could tell in the way the game was played this season. It was fast-paced, high-pressure and very engaging to watch. Our new Club Captain, Ella Smith, along with our leadership group led from the front in motivating our players and keeping them focused on our team and club game plans.

We enjoyed having larger crowds at our home games, along with the support of the Stand'in Room in the kiosk and the bar open during and after our games. We have started a number of initiatives to build our community reach, including AusKick on a Sunday morning before our games start and Junior Football games during our League half time. We will continue to build on these into 2021 as we look to engage more young AFL players and female football fans in the Claremont District.

Over the course of the year, our League team fluctuated position on the ladder and didn't manage to hold onto 4th position in the final round of the season, narrowly missing out on finals. Our Reserves, however, had an outstanding season, winning their third Premiership in a row under the guidance of a first year coach, Sally Williamson. Our U18 Rogers Cup team of entirely local talent grew from strength to strength and are showing enormous potential for 2021. We welcomed 18 new players from local junior football clubs this year and we have one of the youngest teams

in the competition. One of our youngest players, Eva O'Donnell was a joint winner of the WAFLW Rogers Cup Fairest & Best at the 2020 Sandover. A huge achievement, congratulations Eva.

I'd like to thank the Claremont Football Club Board and the wider club community for welcoming our teams into the fold. I've thoroughly enjoyed my time on the Board this year and look forward to continuing to build the profile of the women's game and developing the entire club. As an inclusive club, we can attract a broader audience, engage our community more and provide more opportunities for young people to play AFL.

Our sponsors in 2020 have been incredible. Our major support and platinum sponsor Maxima Opportunity Group have supported us for the past 3 years and have been instrumental in our development to an elite WAFLW club. Returning sponsors Stand'in Room offered further support this year on top of their financial contribution to open up the kiosk on game day; an addition to our home game offering that helps us attract and retain crowds and build a better atmosphere on game day. We also have the ongoing support of The Athlete's Foot in Claremont, who have been strong supporters of ours for a number of years. This year we also welcomed Nail'd At Tiffany's as an event sponsor, a local business grown down in Albany who make eco-friendly nail polish, with profits donated to Polished to Plant, a subsidiary organisation which plants trees across our state.

As we look towards 2021, we're excited to see what we can build. The season was certainly a test for us, but our incredible team of staff and volunteers have kept our focus strong, morale high and continued to build towards our goals.

I look forward to seeing what we can build and I hope to see you at the footy next year!

CLAREMONT DISTRICT REPORT

SAM ROTHAM

Season 2020 was one unlike any other and will be one remembered for many years to come. It was always set to be a ground breaking season with the move to a simpler governance structure with enhanced competition management, however just as quickly as the season began it was suddenly placed on hold as COVID-19 began to impact our Community.

In March the idea of reaching Grand Final Day 2020 seemed impossible with the season placed on hold and WAFC staff stood down. For several months our dedicated Club Presidents and their Committees were challenged with the task of maintaining a connection with their players, families, coaches and volunteers through virtual means only. Without the possibility of physical contact or training groups our Clubs had to reimagine how football can connect with the Community and our Clubs did a sensational job of thinking outside the box.

As the pandemic continued to evolve, restrictions were slowly lifted and we were given the green light to recommence group training - much to the delight of thousands of players who had also missed not only training with footy friends but attending school. Thanks to the hard work, flexibility and dedication of the WAFC staff, Club Committees, officials and umpires we were able to hold a successful season – albeit a slightly shorter one than normal.

Season 2020 required significant resilience and patience from everyone involved and those efforts are certainly valued and acknowledged. As a result of the efforts, the Metro North region achieved a 98% player participation retention rate. When many other winter sports faced significant declining player numbers and volunteers, this is an incredible achievement in an unprecedented year.

2020 HIGHLIGHTS INCLUDE:

- 2020 Metro North Junior Club of the Year – West Coast Junior Football Club.
- 2020 Community Club Volunteer of the Year – Jodi Mills (West Coast JFC).
- 2020 Go for 2&5 AFL Junior Coach of the Year – Greg Hogan (Scarborough JFC).
- 2020 Further with Football Award – Wembley Junior Football Club
- 2020 NAB AFL Auskick Volunteer of the Year – Brodie McDougall (Wembley Downs JFC)
- A completed Female Football pathway, with the introduction of a Year 11/12 Youth Girls competition.
- Claremont District clubs once again took part in the Sock it to Sarcoma! round together with Claremont and West Perth Clubs collectively raising more than \$15,000.00 dollars for Sarcoma research.
- Quality Aboriginal football programs with record participation in the Kirby Bentley Cup and Nicky Winmar Cup led by Sam Rotham & Declan Cormack.

We have been blessed in the Claremont District to have the outstanding level of professionalism shown by all of our Clubs Presidents and their respective committees. Their tireless work and desire to embrace the Tigers District culture and all it stands for, is one of the reasons we can provide the outstanding competition we have for our players today and working to develop quality clubs within the community. Thank you to all of our Presidents and particularly to those that have reached the end of their presidential journey, we wish you all the best.

AFFILIATE CLUBS:

The Claremont District is the proud home of many wonderful football clubs. We thank all clubs within the Claremont District for their efforts in helping grow the game in 2020.

CLAREMONT JUNIOR FOOTBALL CLUBS:

- Claremont Junior Football Club
- Cottesloe Junior Football Club
- Dalkeith Nedlands Junior Football Club
- Marist Junior Football Club
- Mosman Park Junior Football Club
- North Beach Junior Football Club
- Scarborough Junior Football Club
- Subiaco Junior Football Club
- Swanbourne Junior Football Club
- Wembley Downs Junior Football Club
- Wembley Junior Football Club
- West Coast Junior Football Club

PERTH FOOTBALL LEAGUE:

- Cottesloe Amateur Football Club
- Collegians Amateur Football Club
- Mosman Park Amateur Football Club
- North Beach Amateur Football Club
- Scarborough Amateur Football Club
- University Amateur Football Club
- Wembley Amateur Football Club
- West Coast Amateur Football Club

METROPOLITAN FOOTBALL LEAGUE:

- Innaloo Amateur Football Club

WAFWL:

- Claremont Women's Football Club

AFL MASTERS WA:

- Wembley Veterans
- Western Whalers

Without Umpires we would not have a game and they do a fantastic job in what can be a very challenging environment. In the Claremont District we have been very fortunate to have the quality of Umpires we have, and this is a credit to the Umpire Management and Coaching group that is in place. This season the quality of our Umpires was on full display with MacIntyre Baddeley awarded the Claremont Umpiring Group Golden Whistle award, the peer elected Umpire of the Year award as well as the Metro North Umpire of the Year award. Ryan has been a member of the Claremont Umpiring group for the last four years and quickly solidified himself as a leader within the squad. The example set by this young man is one that fully embodies the exemplary Tigers District culture.

Whilst this season was the first to operate without the Claremont Junior Football League's Competition Committee, volunteers still play an enormous part in the running of our game. Thank you to our passionate Match Day Volunteers Rhys Mola and Jodi Haslinger, who continue to provide support and guidance to teams, coaches, parents, and players ensuring a wonderful game day experience for all. They continue to provide valuable knowledge and experience to improve our game and are highly valued volunteers within our Community.

Volunteers play an enormous part in the running of our game however behind the scenes, our WAFC team members put in an enormous amount of work. 2020 has been a difficult season for our staff with not only being stood down early in the season but then having to get a season back up and running in a very short time frame. Thank you to Andrew Ridley, Matt Neves, Kathy Monck, Danni Dix, Emily Ekert, Wesley Moran, Matt Debarro, Andy O'Brien and Kris Shannon for all your efforts this season.

Football is more than employment, it takes a real passion to do what you do both during and after business hours for local footballers, volunteers and stakeholders and the Claremont District are incredibly fortunate to have such a selfless and hardworking crew.

In what has been a disjointed season filled with additional challenges and responsibilities, we congratulate all award winners and premiership teams for their wonderful dedication and commitment to their important role in community football. 2021 will hopefully see the return to a more traditional season but we hope all volunteers take the opportunity to enjoy a well-earned break from football! Before you know it, the 2021 season will creep up on us again so stay safe and enjoy your break.

LITTLE LEAGUE REPORT:

Season 2020 saw 4 Movie Masters Little League games played where Junior clubs were given the opportunity to play at half time of Claremont FC home games.

Each games teams were given the full WAFL experience, where they donned WAFL colours for the game, given a tour of the changerooms, warmed up where WAFL/ WAFLW players would, formed a guard of honour and got to run out onto the ground to play in front of a crowd. The kids all had the best time and left with big smiles on their faces.

A very special thank you to all the Junior clubs, parents, coaches and volunteers involved this season for your involvement and support on the day, without this, the day would not run smoothly.

CLAREMONT BALL LEGENDS

The WAFL Match Ball initiative began in 2001, giving each club the opportunity to produce a special ball for their home games. Every year a player that is considered to have made a significant contribution to the club is placed on the ball. Selection is conducted by the CFC directors of the time by mutual agreement.

THE RP RODRIGUEZ SHIELD

The RP Rodriguez Shield honors a distinguished West Australian football administrator and respected contributor to WA Football, Pat Rodriguez. The Rodriguez Shield was introduced in 1957 and is presented to the most consistent team over the three grades of football. Rodriguez began his administrative career with Claremont, and later served terms as senior Vice President and President of the WANFL, and as President of the ANFC. A league team receives 10 points for a win, the reserves 4 points and the colts 4 points. It has been won by the following clubs:

1957	East Fremantle	1970	Subiaco	1983	South Fremantle	1996	East Fremantle	2009	South Fremantle
1958	East Perth	1971	East Perth	1984	South Fremantle	1997	East Fremantle	2010	Claremont
1959	East Perth	1972	Claremont	1985	East Fremantle	1998	East Fremantle	2011	Claremont
1960	West Perth	1973	Subiaco	1986	Subiaco	1999	West Perth	2012	Claremont
1961	East Perth	1974	Swan Districts	1987	Claremont	2000	East Perth	2013	Claremont
1962	Swan Districts	1975	Swan Districts	1988	Claremont	2001	South Fremantle	2014	Subiaco
1963	Perth	1976	East Perth	1989	Claremont	2002	West Perth	2015	Subiaco
1964	Perth	1977	East Fremantle	1990	Claremont	2003	Subiaco	2016	South Fremantle
1965	Swan Districts	1978	Perth	1991	Claremont	2004	South Fremantle	2017	Subiaco
1966	East Perth	1979	Claremont	1992	South Fremantle	2005	Subiaco	2018	Subiaco
1967	East Perth	1980	Swan Districts	1993	Claremont	2006	Subiaco	2019	Subiaco
1968	Perth	1981	Claremont	1994	Claremont	2007	Claremont	2020	Claremont
1969	East Perth	1982	Claremont	1995	Subiaco	2008	Subiaco

Independent Auditor's Report

To the Members of Claremont Football Club Inc.

Qualified Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Claremont Football Club Inc. ("the Club"), which comprises the balance sheet as at 31 October 2020, the income statement and the statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information.

In our opinion, except for the matters described in the Basis for Qualified Opinion section of our report, the financial report of Claremont Football Club Inc. presents fairly, in all material respects, the financial position as at 31 October 2020 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 of the financial report, and the requirements of the Associations Incorporation Act (WA) 2015.

Basis for Qualified Opinion

Revenue Recognition

As is common for organisations of this type, it is not practicable for the Club to maintain an effective system of internal control over cash receipts from gate takings (which has been reflected within "Facilities - Other Income") until their initial entry in the accounting records. Our audit relating to these items was therefore limited to the amounts recorded in the financial statements.

Redevelopment Activities

We draw attention to Note 4 in the financial report with respect to the Club's redevelopment activities. The funds received and spent on these activities have not been accounted for in this financial report (with the exception of amounts funded by the Club's loan facility as disclosed in Note 8), and as such our audit procedures have been limited to that of the Football Operations as presented in the financial report. As a result, we have not obtained appropriate audit evidence to provide a basis for an audit opinion on these activities and the effect of these has not been determined on the financial performance, position and cash flows of the Club.

Independent Auditor's Report

To the Members of Claremont Football Club Inc. (Continued)

We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis of Accounting

Without further modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Claremont Football Club Inc. to meet the requirements of the Associations Incorporation Act (WA) 2015. As a result, the financial report may not be suitable for another purpose.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 31 October 2020, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Directors' Responsibility for the Financial Report

The directors of the Club are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act (WA) 2015 and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Club to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our responsibility is to express an opinion on the financial report based on our audit. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- ▶ Evaluate the appropriateness of accounting policies used based on the accounting policies disclosed in Note 1 and the reasonableness of accounting estimates and related disclosures made by the directors.
- ▶ Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- ▶ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Club to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Club audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

CLAREMONT FOOTBALL CLUB (INC.)
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
YEAR ENDED 31 OCTOBER 2020

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a special purpose financial report, prepared to satisfy the financial report preparation requirements of the Associations Incorporation Act 2015 (AIA). The directors have determined that the club is not a reporting entity.

Basis of Preparation

The report has been prepared in accordance with the requirements of the AIA, and the following policies:

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical cost.

The following is a summary of the material accounting policies adopted by the club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Cash and cash equivalents

Cash on hand and in banks and short-term deposits are stated at nominal value.

For the purposes of the Statement of Cash Flows, cash includes cash on hand and in banks and money market investments readily convertible to cash within 3 months, net of outstanding bank overdrafts.

Bank overdrafts are carried at the principal amount. Interest is charged as an expense as it accrues.

(b) Trade and other receivables

Receivables are recognised at either cost less any Expected Credit Losses (ECL). The club has reviewed its impairment methodology under AASB 9 for financial assets under the new ECL model for all its assets held at amortised cost. There has been no change in the impairment impacts on the financial statements as a result of this change in methodology.

Receivables from related parties are recognised and carried at the nominal amount due. Interest is taken up as income on an accrual basis.

(c) Property, Plant and Equipment

Depreciation is calculated primarily on a straight line basis so as to write off the net cost of each fixed asset over its expected useful life.

Major depreciable assets are:

- * Leasehold improvements: 4-16 years
- * Plant and equipment: 4-20 years and
- * Furniture and fittings: 5-20 years.

(d) Inventories

Inventories are valued at the lower of cost and net realisable value.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement considered in the full and fair view of the lease.

Operating leases

Operating lease payments are treated with direct lease and benefit of ownership over the lease term. The right to the lease is an expense in profit or loss and the lease is classified with a lease term of 12 months or less, however the lease is not cancellable.

Contingent payments are recognised as an expense in the financial year in which they are incurred.

Finance leases

Leases which effectively transfer substantially all of the risks and benefits of ownership of the leased item to the club are classified as the financial year in which the payments are due. The leased property, plant and equipment under lease is treated and depreciated as if owned.

Capitalised lease assets are depreciated over the shorter of the estimated useful life of the assets and the lease term. With finance lease payments are allocated between interest expense and reduction of the lease liability, with the interest expense calculated using the interest rate implicit in the lease and charged directly to the statement of financial performance.

The cost of improvements to leased property is capitalised, the cost is based on the improvement's fair market value over the remaining term of the lease or the estimated useful life of the improvements, whichever is the shorter.

(c) Trade and other payables

Liabilities for trade and other payables are measured at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the club.

(d) Revenue recognition

Revenue is recognised at an amount that reflects the consideration to which the asset being transferred is entitled in exchange for transferring goods or services to a customer. Revenue is measured at fair value, net of discounts, allowances and returns. Revenue is recognised when control of the goods or services is transferred to the customer, which is the point in time when the performance obligation in the contract is complete, determines the transaction price, which is the fair value of the consideration received, and the time value of money affects the transaction price to the separate performance obligations. The basis of the relative stand-alone selling price of each distinct good or service to be delivered and measures revenue amount as each performance obligation is satisfied in the course of completing the transfer to the customer of the goods or services promised.

Variable consideration is included in the transaction price. Party effects considerations provided to the customer such as discounts, rebates and returns, any potential bonuses receivable from the customer, and any other contingent events. Such adjustments are determined using either the expected value or the most likely amount method. The measurement of the variable consideration is subject to an uncertainty principle which only amounts will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement is consistent with the principle of revenue recognition with the amount being determined and subsequently revised. Amounts received that are subject to potential change are recognised only when it is highly probable.

Contract costs

Contract costs are recognised on a liability basis at month end when the club's statement of revenue from the property manager.

Other income

Dividends, interest and other income is recognised when it is received or receivable.

Donations

Donations are recognised at the time the club's made.

Grants

Grants are recognised at the time they are received where there is no exchange of goods or services and all attached conditions will be complied with.

Interest

Interest income is recognised as interest income using the effective interest method. The effective interest method is the method of calculating the amortised cost of a financial asset or liability by allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly equates the present value of estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other income

Other income is recognised when it is received or when the right to receive payment is established.

CLAREMONT FOOTBALL CLUB (1947)
FINANCIAL STATEMENTS OF THE CLAREMONT FOOTBALL CLUB (continued)
YEAR ENDED 31/12/2020 (2019/2020)

3. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(F) Annual and Special Tax (SSC)

Overseas expenses and assets are recognised net of the amount of tax (e.g. capital gains tax) in the country of origin. A commercial rate of tax is assumed from the Australian Taxation Office. In any case a provision is made for the tax on overseas assets for the actual application of the local tax laws of that country.

Overseas assets are reported in the financial statements at their fair value.

Such tax is not presented in the Cash Flow Statement as a provision for the SSC is payable in the period of the actual application of the tax laws.

(I) Income tax

The financial statements have been prepared on the basis that income of the Club is not a profit for tax purposes.

(J) Going Concern

The financial reports have been prepared on a going concern basis, which has been assessed to be appropriate in the circumstances of the club and its activities and operations.

For the year ended 2020 the Club has a net asset of \$3,099,330 (2019/2020 net asset of \$2,784,330) comprising of fixed assets less non-current liabilities of \$1,774,244 (2019/2020 net asset of \$1,459,279) and current assets less current liabilities of \$1,325,086 (2019/2020 net asset of \$1,325,051).

During the year the Club has entered into a partnership with the owners of the Whispering Daisy Corporation. The partnership was set up for a term of 12 months from 2020. The club has a share of 25% in the partnership. The club has a maximum liability of \$400,000 to the partnership in the event of liquidation. The club has a guaranteed minimum dividend and therefore a right of first refusal to buy.

The Club has an overdraft facility of \$100,000 which is repaid over a 12-month period. The Club is not a member of any financial institution.

11. FINANCIAL INSTRUMENTS

Claremont Football Club (the club) operates within the sporting industry in Australia.

12. RELATED PARTY TRANSACTIONS

(a) The following are Claremont Football Club (inc) during the year ended:

- (i) Names
- (ii) B.S. 60000
- (iii) D.P. 1000
- (iv) Name
- (v) Address
- (vi) State
- (vii) Post Code
- (viii) Assets

(b) The following transactions have been made during the financial year in related parties:

A former player of FCFC in relation to the reimbursement of the fee.
 He has been reported to the relevant authorities.

A former player of FCFC in relation to the reimbursement of the fee.
 He has been reported to the relevant authorities.

13. FINANCIAL INSTRUMENTS

The club's accounting policy, including the basis and classification of each class of financial asset and liability, is set out in the accounting policy disclosures above.

(a) Trade receivables

Trade receivables are carried at nominal amounts due less any provisions for doubtful debts. A provision for doubtful debts is recognised when collection of the full amount is no longer possible.
 Credit facilities are on 30 day terms.

(b) Trade payables and accrued

Trade payables are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the club, on credit.
 Trade liabilities are normally settled on 30 day terms.

(c) Interest Rate Risk Exposure

The club's exposure to interest rate risk is considered minimal. The club's financial instruments subject to floating rates of interest pertain to the overdrafts in the bank which are maintained at the club's bank. All other bank loans are non-interest bearing.

(d) Fair Value

The carrying value of financial assets and liabilities is their reported value less any provision of the financial instrument as included in the balance sheet. There are no unrecognised financial assets or financial liabilities above their costs.

The following methods and assumptions are used to determine the fair value of financial assets and liabilities:

Carrying and Fair Value amounts

Basic bank deposits and cash at bank
 Trade receivables and payables
 Short term borrowings

The carrying amount approximates fair value because of the short-term nature of the carrying amount approximates fair value. The carrying amount approximates fair value because of the short-term nature of the carrying amount.

Long term borrowings

The fair value of long term borrowings are determined using discounted cash flow analysis based on current market interest rates and the similar rates of long term borrowings.

(e) Credit Risk Exposure

The club's maximum exposure to credit risk at balance sheet date is on deposits of cash at bank. (The club) controls the sensitive amount of the cash at bank and the status of financial position.

(f) Hedging Instruments

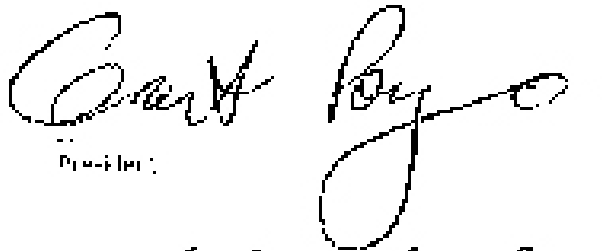

No hedging instruments were used by the club during the financial period.

CLAREMONT FOOTBALL CLUB INC.
ABN: 64 038 387 313
