A MESSAGE FROM THE WACFL

On behalf of the WACFL, I'd like to welcome everyone to the second component of this year's Nutrien Ag Country Football Championships. 2022 marks the 57th year of the Championships and the 48th year of support from our fantastic partners, Nutrien Ag Solutions.

2022 also marks the third edition of the Women's Country Football Championships. We also welcome aboard Rio Tinto as the naming rights partner of the Women's Division for the first time. Thank you to both Nutrien Ag Solutions and Rio Tinto for their partnership with Country Football. Without partners such as these we would not be able to run programs and events such as the Championships.

Throw back 12 months and we witnessed South West claim their second Women's Championships in a re-scheduled Championships. This year we welcome an additional two sides in the to Rio Tinto Women's Division with the Great Northern Football League returning and a combined Kimberley team competing for the first time. It is also exciting to see two sides from the Goldfields taking part with Esperance Districts Football Association and Goldfields Football League sending standalone teams.

This means we have eight teams pressing their claims for the Championships which is a brilliant demonstration of how strong our women's competitions are right across the state and I wish them all the best of luck.

This Championship aims to provide a great avenue for our senior female participants to showcase their talents at a representative level with and against the best players from Country WA. With the recent expansions of the WAFLW and AFLW, this Championship plays a key role in providing our country players with an opportunity to put their names up in lights.

A big thank you to the Peel Thunder Football Club for hosting us at your fabulous facility. We look forward to a great week of Country Football and wish all the players, coaches, umpires and support staff the very best. As always, please don't forget to *Belt up.* and drive safely!

NEW HOLLAND WA STATE COUNTRY TEAMS

The New Holland State Women's program has concluded for 2022. This season we held the second edition of the State clash against the Perth Football League being held on June the 24th. In a nail-biting finish the Country side went down by 3 points.

Donnybrooks Charli Wicksteed was recognised for her performance with the Best on Ground Medal for WA. The players will now begin to prepare themselves for the Rio Tinto Women's Championships which will be held in September.

Men's State Country Football made its return to Adelaide Oval in a clash against South Australia at the end of July. Unfortunately, the 'Crow Eaters' jumped away to an early lead and could not be

reeled in, running out 26pt winners. Kalannie's Daniel Acres was superb for WA claiming the Terry House Medal as WA's best player.

Thoughts have already turned to the 2023 State program with some exciting prospects on the horizon, including a State Women's game against South Australia.
