# THE WEST COAST EAGLES WANT TO ROCK YOUR SCHOOL

Since 2004, the West Coast Eagles 'Eagles Rock My School' program has delivered messages of respect, health and education to more than 400,000 WA students.

And thanks to the club's principal community partner, BHP Billiton, this program is provided FREE to schools!

**Eagles Rock My School** is a two-part program:

**Part One** is a talk to your entire school by an Eagles Rock My School team member, accompanied by everyone's favourite team mascot Rick the Rock Eagle. The talk focuses on resilience, smart choices and healthy lifestyles

**Part Two** is a follow-up visit by a West Coast Eagles player. You can choose either a reading or football clinic. The reading clinic includes an Interactive Whiteboard resource relating to our new book, 'Eagle Edge'. Activities from the resource are linked to the national curriculum.

## PLUS!

By completing a brief on-line survey at the end of the talk, your school will enter the draw for a **SIGNED WEST COAST EAGLES FOOTBALL** (with one-in-five chance of winning). Then at the end of each semester, two schools will win a **SIGNED WEST COAST EAGLES GUERNSEY**.

Book the West Coast Eagles to rock your school today!

## PREFACE

During term 2 and term 3 of the primary school sporting calendar the WAFC and the West Coast Eagles showcase the Eagles Cup competition. Eagles Cup provides a fantastic opportunity for primary school students to participate in a well organised and enjoyable interschool football competition. Entering its twenty first year reflects the increased popularity and profile of program.

The WAFC and West Coast Eagles are totally committed to the Eagles Cup concept. This partnership will always provide a clear direction for the provision of appropriate pathways for all boys and girls whilst learning and developing the skills of our great Australian game.

The West Australian Football Commission, in partnership with the West Coast Eagles, is instrumental in ensuring Australian Football is promoted. Continued high participation numbers indicate the Eagles Cup has sustained its growth over a long period of time. Proving the program has provide a very positive impression upon students, teachers and the whole school community.

## FOREWORD

My football career began when I was seven years old, playing for the Deanmill Football Club in Manjimup. Later, when my family moved to Perth, I joined the Sorrento Duncraig Football Club, where I played until I was 16. I loved being part of a team and have many fond memories of my days as a fledgling player.

I began pursuing my dream of playing footy at the highest level when I joined the Subiaco Football Club development squad and moved through the ranks until I played my first league game in 2003.

At 20, my dream was realised when I was drafted by the West Coast Eagles. I was honoured to receive the Sandover Medal in 2006 which is given to the best player in the WAFL competition and thrilled to win the Brownlow Medal in 2014 for the best and fairest player in the AFL.

Since 2008, I have been a member of the West Coast Eagles leadership group. I now have two daughters, both may in the future participate in Eagles Cup and Eagles Faction Footy.

I believe it is important to never lose focus on the countless benefits of participating in junior sport, including being active and healthy from a young age and being part of a team. Junior football is an ideal sport to reflect these values.

The Eagles Cup and Eagles Faction Footy is the perfect way to introduce kids to footy in a fun competition, where playing for enjoyment is the focus.

Here's to a footy-filled 2015.

## INTRODUCTION

**EAGLES CUP** is a specially designed primary interschool football competition for upper primary students. The special modified rules (AFL Junior Rules) allow for **maximum participation, enjoyment and skill development**. The emphasis should always be on **playing for fun** rather than on **winning**.

It involves schools combining with other schools of similar size (enrolment) and in close proximity to each other to form a group or association\* to conduct interschool matches. These groups then become divisions within each of the metropolitan WAFL districts. This fun and interactive competition is conducted in term 2 and term 3 of the school year.

*\* This association may already exist where schools are regularly participating in interschool competition in the major winter and summer sports.*

In 2014 a total of 478 schools participated in the **EAGLES CUP**; 370 metropolitan and 108 regional schools.

## INFORMATION

Schools receive the following support as part of their involvement:

1. An Eagles Cup junior league match ball.
2. Eagles Cup participation certificates and Eagles posters.
3. Eagles Cup trophy for division winners.
4. A West Coast Eagles player to present the Eagles Cup trophy (metro only), to the winning schools.
5. Eagles Cup on-line handbook prior to the commencement of competition.

# EAGLES CUP RULES FOR 2015

## U/10 (year 5) and U/11 (year 6) Age Group

Prior to the game, all players and officials shall be informed of the rules (especially the tackling interpretation). The emphasis is on **participation and fun**.

1. The playing ground shall be approximately 2/3 standard senior size. 110m x 80m is recommended.
2. Each team will:
  - Consist of 15 players and any number of reserves.
  - Have no rucks or rovers.
  - Make use of interchange players at any time.
  - Rotate positions so students experience the role of a forward, centre and backline player.
  - All players must receive at least half a game.
3. To start play or recommence play after a goal:
  - The ball shall be thrown up between two centreline players in the centre of the ground.
  - The players contesting the ball up should be of approximately equal size.
  - A player must not grab the ball and play on. They must knock, palm or punch the ball to a teammate or open ground and may not play the ball again until it has either been touched by another player or hits the ground.
  - No more than three players from each team shall be closer to the ball-up than approximately 20 metres.
4. Where a scrum develops the umpire shall stop play, send players back into their positions and nominate a ball-up between two opponents of approximately equal size.
5. When a ball goes out of bounds:
  - From a kick, a kick-in shall be awarded to the nearest opponent.
  - If there is doubt as to which team kicked the ball, the umpires shall call a ball-up five metres from the boundary.
  - If off hands or body the umpire calls a ball-up as above.
  - Full possession is not allowed at ball-ups.
6. A WRAP AROUND tackle is permitted. Aggressive tackling and slinging are not permitted. Before games umpires and coaches must remind players to attempt to dispose of the ball immediately when tackled.
7. A player can:
  - Knock the ball out of the opponents' hands.
  - Steal the ball out of the opponents' hands.
  - Push the player in the side.
  - Shepherd an opponent within 5m of the ball.

8. A mark shall be awarded to a player catching the ball directly from a kick, provided the ball has travelled a minimum of 10 metres.
9. A player may bounce the ball once or twice before disposing of it by hand or foot.
10. A player is not permitted to deliberately kick the ball off the ground.
11. Coaches may move on to the field to assist a player where necessary but must leave as soon as assistance has been provided.
12. At the conclusion of the game the umpire shall call all players into the middle of the ground, comment on the game and ask players to shake hands with opposition players.

## EAGLES CUP - GUIDELINES FOR 2015

The competition shall be conducted over an agreed period depending on number of teams, during second term of the school calendar year. Teams competing in each district may be directed into divisions comprising anything from three (minimum) to eight teams in each division. The competition will be run on a round robin format. A minimum of three games per school must be played (**Metropolitan one day lightning carnivals DO NOT qualify as round robin fixtures**).

*Each division competing must appoint a coordinator. Division Coordinator responsibilities can be seen on page 18.*

### TEAMS

The team shall consist of up to a maximum of 15 players who take the ground at any one time and any number of reserves.

**\* Optional: Small sided games such as nine or twelve-a-side are recommended for smaller schools.**

### PLAYING TIME

The game shall consist of four quarters of no more than 15 minutes each. (Therefore time is optional up to a maximum of 15 minutes).

### **SUGGESTED FORMAT FOR POINT SCORING AND GAMES**

Teams participating shall receive points for the following criteria:

1. 3 points for a win.
2. 2 points for a draw.
3. 1 point for a loss.
4. Behaviour points, 2 points per team per game.
5. 2 points shall be deducted for misbehaviour by a player during the game.
6. 1 point shall be deducted from team if a player is sent off the field during the game. This concept shall apply for all games played.  
\*NO PERCENTAGE IS TO BE KEPT. IF A TIE OCCURS, THE SCHOOL THAT WON THE QUALIFYING GAME WINS THE TROPHY.

The following shall apply to all games:

1. Umpires to address both teams.
2. Shake hands prior to and after each game.
3. Player sent from ground for violation shall remain off for the duration of game but can be replaced.
4. **Players must be rotated and can't play in the same position all game.**
5. **All players to be given equal playing time, to ensure maximum participation.**

### **PUBLIC LIABILITY**

The WAFC has arranged public Liability Insurance for a sum insured of \$20,000,000 to cover its legal liabilities. The WAFC expects each school involved in Australian Football programs to maintain public liability insurance to sufficiently cover its legal liabilities. At its own discretion each school may want to consider purchasing personal accident insurance to protect against claims for non-Medicare medical expenses arising from this Australian Football program, or any other school program.

### **MOUTH GUARDS**

It is recommended that all players wear a mouth guard when either, training or playing Eagles Cup football.

### **CONCUSSION**

Concussion occurs when, after a blow to the head, there is brain injury with some immediate disturbance of brain function. Any player showing the signs or symptoms of concussion should be removed from the field immediately and referred to a medical practitioner. A player who has suffered concussion with or without loss of consciousness should not participate in any match or training session until he/she is fully recovered and has been cleared by a thorough medical examination. All players sustaining a concussion require a medical clearance before resumption of their sport. <http://www.aflcommunityclub.com.au/index.php?id=66>
