Summary of Round 3

Round 3 saw teams travel to Rockingham and Wembley and by all accounts no cards in the metro fixtures, a pleasing result. However we did have 2 concussions reported, good luck with the recovery to those injured. We also had a Midwest carnival hosted by The Batavia Mariners, however, 2 red cards on the day soured a well run fixture.

Weekend Stats

Q: How many yellow/red cards were issued in round 3?

A: Zero (0) Yellow cards and two (2) red cards.

Q: How many cards have been issued in 2021 ?

A: 13 in total, 9 yellow cards and 4 red cards

"No one expects a spinal cord injury. Yet every day, someone, somewhere in Australia sustains this life changing injury.

2021 Team Sheet Requirements

Clubs must find the umpire after the game and ensure team sheet has been given the all clear. Team sheets must then be submitted online with the correct information outlined below.

Requirements before saving and finalising team sheet:

- ✦ Coach or no official selected (if you are unable to select the coach) – refer to Coach AFL information
- ✦ Players with the correct jumper numbers notated
- ✦ Match results set to 0-0 for player's games to be counted on the system
- ✦ Umpires selected or added to official's section
- ✦ Select team staff and write their role next to their name – team manager/first aid etc
- ✦ **Players 'evening up'** – all players MUST have a permit submitted either prior to the game, or on the Monday after the game. This is so these players can be added to your team sheet before it locks on Wednesday at 4pm.

If clubs have played an 'unregistered player' (player not registered to your club or playing for your club without a permit) and haven't added the player(s) to your team sheet prior to the Wednesday after the game, your club may be subject to 'club fines' outlined in the 2021 AFLMWA By-Laws

South West Country Carnival

Sunday June 6th, at Busselton Football Club, Fixtures have been released, refer to Sports TG.

National Carnival Registration

For those interested, the registration link has been opened for players wishing to play for WA at the upcoming National Carnival in Sep/Oct. WA is planning on having 20 teams, so plenty of opportunity to represent WA and play in the National Carnival. Refer to the AFLMWA website
