<b>Summary:</b> Perth Football League matches are cancelled for the weekend 24 <sup>th</sup> April 2021.	<b>Action:</b> Information only
---	------------------------------------

As per the WA Government announcement this afternoon, community sport is cancelled for this weekend.

- **This means that all Perth Football League matches are cancelled for this weekend.**
- **Players are not permitted to train at their club during this lockdown period**
- **Clubs, as licensed and recreational venues, cannot open during this lockdown period.**

At this stage, no decision has been made by the League on replaying the fixtures scheduled for 24<sup>th</sup> April 2021, or if equal points are awarded to both teams or all matches are treated as an abandoned match.

We will wait for any potential community spread of COVID-19, possible extension of lockdown restrictions and WA Government directions next week.
