WESTERN AUSTRALIAN
AMATEUR FOOTBALL LEAGUE

BRIEF HISTORY & OUTLINE

WAAFL 1922 – 2006

- Formed in 1922 with five teams as the Mercantile Football Association
- 1924 – name changed to the Perth Districts Football Association
- 1929 – name change to the W.A Amateur Football Association
- 1971 – name changed the W.A Amateur Football League (Inc.)

In 2006 the WAAFL is in its 85^h year of operation, having sustained its experience through the war years and the turmoil in the football industry during the 1980's.

With 42 clubs, 150 teams and over 9,000 registered players, the WAAFL has grown from a four team competition to the largest single organised football league in WA, catering for players from the age of 16 years, as well as considerable volunteer personnel and social supporters.

The WAAFL is an important part of the metropolitan based community football with the stringent amateur standard set down for players.

The WAAFL is a member of the Community Football Council with other members including the Sunday Football League, Peel Football League, WA Football Association, Masters WA and Women's Football League.

VALUE OF AMATEUR FOOTBALL

The WAAFL provides organised football on Saturdays where anyone whatever ability, can participate or contribute to the football industry.

The system in place allows players to play in senior football at any level they are capable of achieving. Colts (U19) learn the fundamentals of amateur football and its responsibilities after graduating from junior ranks. While the WAAFL also provides a quality high standard competition for those players not wishing to endue the commitment to WAFL (second tier state competition) training due to study or career commitments or simply a lifestyle that considers football a recreational pursuit, it is, however is in a position to bridge the gap between amateur football and the Champions of tomorrow.

Many well known WAFL and AFL personnel began their careers in the WAAFL. Former West Coast Eagles and Hawthorn coach Ken Judge began his coaching career at an A Grade amateur club. Former Dockers coach Gerard Neesham played several seasons of amateur football and played at state amateur level.

Other high profile players starting in the Amateurs include Troy Wilson (West Coast Eagles), Gary Buckenara (Hawthorn), Shane Parker (Fremantle), Simon Beasley (Western Bulldogs), Sandover Medallists Ian Dargie, Alistair Pickett and Shane Beros.

Former Amateur players who have gone on to be senior administrators include former Chairman of the WA Football Commission Dr Peter Tannock, current WA Football Commission Chairman Dr Neale Fong (a triple A Grade Fairest & Best medallist with the WAAFL), current Chairman of Sydney Swans Richard Colless and former West Coast Chairman and AFL Commissioner Terry O'Connor are just a few who have gone on to contribute to football at a higher level.

The WAAFL is continuing to focus on the future and how the league uses its leadership and resources to set new standards of excellence and relevance for its member clubs' and various committees. The League's Strategic Plan for the last 3 years was implemented in 2003 and has been successful in stabilising the League's financial position and the establishment of a Club "culture" that will ensure a long and viable competition.

The future strategic plan will build on this strong foundation and ensure that the WAAFL continues as the main contributor to Community football.

PRESIDENT'S REPORT

The 2006 season of the Western Australian Amateur Football League was another of challenges, successes, highs and lows. However, we continue to stand the test of time to provide the opportunity for all standards of footballers to participate in a well organised, competitive and quality competition.

The first challenge to the League was the sudden and tragic passing of our beloved and greatly respected Chief Executive Officer Ron Webster, before the start of our 85th season. Since his appointment, through his vast experience in football, hospitality and business, he had with the co-direction and support of the Board, worked the Amateurs into a very professional football organisation. We are indebted to his ability to have achieved the results he did in such a short time.

Before the appointment of a new C.E.O, the WAAFL was run on a care taker basis under Football Operations Manager, Geoff Palmer. His untiring efforts especially were appreciated in conducting the affairs of the League with the staff members Matt Henson, Natalie Couch, Tarryn Kailis and Paulyne Webster. Various members of the Board stepped up to provide ongoing hands on support in the busiest time of our League. The West Australian Football Commission as custodians of football at all levels statewide, gave unqualified support throughout the period until a new appointment. We are sincerely thankful for their back up.

Through the process Brendan Cullinan was appointed as Chief Executive Officer. His vast experience at all levels of football administration over an extended period of time has already shown through making his individual mark on our League. We look forward to a long and rewarding association.

Over the past twelve months there has been a greater emphasis with all sections of the League to work closer together, particularly club administrators, in respect to financial viability, positive attitudes, greater and more effective efforts and rewards in administering their responsibilities. With information and administration courses for club volunteers provided during the season, I believe that those attendees are in fact finding their elected club roles more enjoyable. While running a club continues to be a daunting one, the fact that the Board, through prudent budgeting and increasing support from sponsors and the W.A.F.C, did not increase the costs to the stakeholders again in 2006, has taken some pressure off the clubs.

The WAAFL is supported gratefully by partnerships from various leading organisations. With major contributions made by Foster's Australia, with the League and clubs sharing substantial cash and products benefits, the West Coast Eagles contributed funds that were directed towards the Colts competition and the successful Under 23 State team program. Our key support sponsors have continued with their contributions; Metisc Computing, Park Auto Centre, Beiersdorf Australia, Cougar Sportswear, Sherrin, Quill Stationary, Toyota Genuine Parts & Service and Mouse Promotions have all provided assistance to the League and clubs.

The West Australian Football Commission has given valuable assistance over many years. In particular this season they have provided the Amateurs with support second to none. Last year's appointment of a Manager of Community Development is now starting to prove a great initiative by conducting several courses supported by the League and also individual clubs seeking out advice and support to improve their administration and future directions. With the WAAFL continuing to achieve designated outcomes, the help from the WAFC both directly for our administration support and also through the Community Football Council has been maintained at \$159,000. Our thanks to Wayne Bradshaw, Michael Hnatjko and the Commissioners for their assistance along with Grant Dorrington who continue to allow us to function in the best interest of community football.

In recognition of its 85th season of contribution to

Western Australia and Community Football, the WAAFL was acknowledged with a special presentation on Sandover Medal Night. We greatly appreciate the Western Australian Football Commission's gesture.

The League's Board consists of some very talented and dedicated members who continue to give freely of their time and expertise. They have all listened, evaluated and acted responsibly in all key issues presented to them. I have enjoyed support from Vice President Milton Sanders, Secretary Bruce Wainwright, Treasurer Brett Fullarton (Executive Committee) along with Peter Grosser, Mark Herron, Lionel McQueen, Trevor Howard, Bill Armstrong and Simon Growden. Many thanks to their valuable contributions and attendance at the League's many functions.

Our Under 23 State team, under all Australian Coach Wayne Langborne, performed exceptionally with great performances locally against WA Country Football and Sunday Football League. Their success against a Victorian Amateur Football team was an historic one. Besides being the first WAAFL State team to win on Victorian soil, we now are in a strong position to win the Tri Annual Carnival Championship conducted between Victoria, South Australia and West Australian Amateur Under 23 teams. The selection of nine players in the all Australian team is the largest number of WAAFL players ever. We congratulate all those who represented the WAAFL in any of the representative games this year. You and all state team personnel have done us proud. The West Coast Eagles ongoing support of our State Under 23's has played a big part in that success.

The League consists of several independent operations that form part of our day to day business. Sincere thanks to all those who as volunteers contribute valuable service to make up sub committees such as P & D Tribunals, Investigative Tribunals, media personnel, state football, Reinstatements Committee, volunteer awards, the quiz night, finals functions, Community Football Council and District Development Councils. They are all necessary participants in the good governance of the League.

Sincere thanks to our valued and dedicated Community Umpires Coaching and Management Panel consisting of Tim Priest as Development Manager, Des Morgan, Greg Gilbee, Terry Tomlinson, Paul Smith, Adam Hollingsworth, Matt O'Mara and Seamus Rafferty. They have worked hard to put on the field competent umpires whose performances have been commendable throughout the season.

We continue to play a key role in the Community Football Council along with the Sunday Football League, Peel Football League, Masters Football, Women's Football League and the rejuvenated Western Australian Football Association. All associated bodies have worked closer together this season, all for the good of local and community football covering the metropolitan area.

The WAAFL continues to look closely at its structure and ability to carry out its mission to provide football across the metropolitan area. At the end of this season we drew up a new Constitution which we trust will govern us more effectively and expeditiously. The major changes were to go from a Management Committee to a Board Structure. The positions of Treasurer and Secretary were made redundant, as these roles are carried out on a daily basis by our CEO and staff. The numbers of Board members were reduced from eight to six with an option to second up to two people for specific purposes.

As mentioned earlier, our ever diligent office staff carried out their responsibilities in assisting and working with club officials. Season 2006 was a difficult one to begin with and the exceptional effort by them is acknowledged.

Congratulations to all clubs winning premierships, players who gained state selection, won individual League awards and volunteering administrators who were presented with Merit Certificates for long service

In conclusion many thanks to all the clubs and the many volunteers involved, for your cooperation with your League over the season. Your time and effort in assisting with operation of the WAAFL has contributed to make us a better football and sporting organisation.

CEO'S REPORT

Season 2006 will be a memorable season both for sad and triumphant occasions. Since being appointed to the position of CEO in May this year, I have been extremely impressed with the level of commitment and professional manner in which the League and the member Clubs are administered.

This professional and responsible administration is the legacy that Ron Webster has left the League and has provided a solid foundation for the League and Clubs to seek opportunities for continued improvement and growth in years to come.

Season 2006 unfortunately commenced on a sad note with the passing of Ron but from this major setback the WAAL Board and Clubs rallied together to ensure the standards set by Ron were maintained. The competition continued to expand with two Clubs, Beechboro and Swan Valley, joining the League. Congratulations to Beechboro which went on to win the D Grade premiership.

National pride was again on the line with the State U23s Carnival and for those fortunate to be in Victoria in June, witnessed an historic event with WA beating the Vics for the first time in their state. All involved should be congratulated on this momentous occasion. Nine WA players and coach, Wayne Langborne, should also be congratulated for achieving All Australian selections.

The League would not enjoy the strong financial position that currently exists without the support of key corporate partners. All key partnerships were retained during 2006 with additional opportunities being identified. Strong financial and management support was provided again by the WA Football Commission with special mention to Director of Finance & Administration, Michael Hnatojko, Director of Football, Grant Dorrington, Manager of Community Development, Warren Nel, and the Umpire Department of General Manager, Steve Hargrave, Development Manager, Tim Priest, and Coordinator, Des Morgan. Their support under the leadership of CEO Wayne Bradshaw ensures that our League continues to be recognized for the major contribution it plays in West Australian community football.

The main portion of the WAFC's financial support is provided to our League via the Community Football Council Grant. As an affiliated

body of the CFC, the WAAFL would like to acknowledge and thank the CFC Chairman, Gerry Stokes, for his support.

Ongoing support from our other major partners, Foster's Australia with Carlton Draught, and the West Coast Eagles Football Club, provide both financial and professional support for our League. The League is grateful for the support from Foster's through Dean Turner, Toby Cocks, Ross Poultney and Sally Williams.

Congratulations to our reigning AFL Premiers, West Coast Eagles, who under the leadership of CEO, Trevor Nisbett, has continued to provide tremendous support for the League in various ways with assistance from Dean Pieters, Nadia Katich and Ian Miller.

Other partners who the League would like to acknowledge and sincerely thank include:

- Kevin Cooklsey at Cougar Sportswear
- Derek Williams at Sherrin
- Dennis Baker & Tom Hansell at Beiersdorf Australia
- Phil Doherty and Greg Norris at Park Auto Centre
- Ron Jones, Phil Nelligan & Steve Porter at Toyota Autoparts
- Graham Hill at Metisc
- Brian Burgess at Quill Stationery, and
- Mouse from Mouse Promotions

Through prudent financial management and without any increase in Club affiliation fees again this year, the League has recorded another profit adding to its cash reserves and supporting the financial strategy of utilizing interest earned from increased investments to off-set any increase in cost.

Our major events throughout the year were well supported by all Clubs. The annual Quiz night was a huge success with over 400 people attending and support for prizes from many organisations. Thank you to Phil Hayes for his contribution as Quiz Master.

The Annual Awards night was held at the Hyatt Regency with attendance exceeding 500 people. Representatives from all Clubs, WAFC, WAFL, WCE, Foster's and other key stakeholders enjoyed what was a very successful evening. The increased attendance may require the securing of an alternative venue for next season.

Our final series was also a great success although the unfortunate clash with the Eagles' finals game in Adelaide contributed to a lower than expected attendance at the A grade Grand Final. Nevertheless, approximately 10,000 people attended the final series with some memorable games. Congratulations to the North Beach FC for winning its third successive premierships and best wishes for all teams that will be promoted next season.

With increased Club growth, strong partnerships and financial stability, the platform is now well established from which to launch a new direction for WA amateur football. While maintaining the history and strong tradition of the League, strategies aimed at further embracing information technology to enhance the effective and efficient promotion and administration of the League; recruiting, developing and retaining quality umpires at all levels; quality facilities; ensuring quality environments at all Clubs that will attract and retain players, spectators and sponsors; and ongoing support and guidance for our most valuable assets – Club Volunteers -now need to be further embraced to ensure the strong growth and long term viability of our competition at all grades.

Of course, all of this would not be possible without the wonderful people involved in our League. Thank you sincerely to our many volunteers involved with our Clubs from committee members to sports trainers, team managers, coaches and players.

To John Davies, our President, who continues to be a great leader and ambassador for our League, and fellow Board members in Milton Sanders, Bruce Wainwright, Brett Fullarton, Mark Herron, Trevor Howard, Peter Grosser, Bill Armstrong, Lionel McQueen and Simon Growden, appreciation for your tireless commitment and ongoing support.

And to the people behind the scene who work many hours to ensure each week that the administration of the League runs smoothly - Geoff Palmer, Matt Henson, Natalie Couch, Tarryn Kailis, Melanie Thomas and Paulyne Webster before her resignation – thank you for your professionalism and the pride you take in ensuring that our League maintains its high standards.

Season 2007 promises to be another exciting year for all involved with the WA Amateur Football League. I look forward to working closely with all key stakeholders of the League to embrace the challenges ahead and to grow and promote the only true Australian game.

OPERATIONS REPORT

The 2006 season started tragically with the sad loss of our CEO, leader and friend Ron Webster. Ron's loss was hard on the staff however they found solace in their work and made sure the season started as Ron would have liked. I would like to thank all clubs for their thoughts and offer of assistance during this time. It was greatly appreciated

by both myself and the staff.

This season we had two new clubs join the League. To Swan Valley and Beechboro I trust you enjoyed the season and we look forward to a long term relationship.

A highlight of the 2006 season was the success of our State U/23's against the Vic's in Victoria in early June. From the start of this year's program you could sense everyone was totally committed to the cause. The coaching panel worked tirelessly throughout and the player group was fully focused in their desire to achieve the ultimate result. To Wayne and his staff, players and all involved in the program, you should

feel proud of what you achieved. Thank you to all involved. It was a pleasure to be part of this great achievement.

To all the Protest & Disputes board members I take this opportunity to thank you for giving up your Tuesday nights during the season. Your efforts are much appreciated by all involved in the League and trust you can find time to assist us in 2007.

I congratulate all teams who participated in finals this year and to all Premiers. Well done in achieving the ultimate prize. Congratulations also to all medal winners for the 2006 season.

In closing I wish to thank all of the office staff for their efforts during the season. It wasn't easy at the start but we got through. They are an incredible bunch of people who enjoy each others company and the job they do. To Nat, Tarryn and Matt thank you. Your dedication and assistance given was invaluable to me. To our newest staff member Mel, welcome and I trust you'll enjoy your time with us.

Merry Xmas, have a prosperous new year and all the very best to everyone in 2007.

VALE RON WEBSTER

On the 18th January 2006, the WAAFL sadly and most unexpectedly lost our CEO Ron Webster who suddenly passed away.

Ron in the very short time of 3 seasons took the WAAFL from "an amateur football organisation to a very professional Amateur football organisation".

His ability to attract support from the business sector for the WAAFL was very significant, given the competition even within our own code. It is a great testament to the respect with which he was held by his business associates that they supported fully Ron's endeavours to present the WAAFL as a professional organisation and one with which they wished to be associated.

His willingness to provide support to our member clubs at all levels was a hallmark of his determination to provide a "customer service" approach to our members. He treated them as the leagues greatest assets and did everything to ensure they were confident that their efforts were making a difference.

His business acumen provided great guidance for the Executive and Management Committee to confidently make decisions that were not only a benefit to the WAAFL but also were strategically important for community football.

The latter were also great beneficiaries as Ron guided the revitalisation of the WA Football Association and supported the Sunday Football League to embrace the benefits we could all enjoy through a co-operative approach to providing a game of footy at any level, anywhere in the metropolitan area.

A confidant, friend and great mate to many, he even embraced those blokes from across the border, and Ireland!!, and was the focus of a very loving family, Paulyne, Ryan and Luke, with whom we shared this loss.

We were so grateful we could share his passion for our great game and we will move forward confidently, along the path he has paved for us.

STATE UNDER 23 PROGRAM

This year's state program saw the continuation of the modified selection criteria where only players 23 years of age and under are eligible to represent our competition.

Although this was the third year WA has selected sides under this criteria it was officially the second year of the triennial round robin State competition between the three major Amateur football states in Victoria, South Australia and West Australia. With the dominant Victorians playing host to the other two states in 2006 we commenced training the week after Easter in full knowledge of the daunting challenge facing us.

Once again the foundation of this year's squad was made up of players who were still eligible from the 2005 and in some cases the 2004 sides, yet over 80 invited players attended the seven week Wednesday nights lead up training program.

Tim Hall

As it does with any representative side, a huge emphasis was placed on talent along with commitment to the program and match day club performances. Prospective players were being monitored by a team of dedicated selectors along with their respective club coaches who offered essentially required quality feedback.

Besides the numerous training sessions there were the annual night

games against the WA Country Football League open age squad and the Sunday Football League under 23 year squad, where a narrow loss to the country and a narrow win against the Sunday league were recorded. Both lead up games were very important in our preparation and selection strategies to take on formidable Victorians, who in 85 years of interstate games had never been beaten by WA at home.

In contrast to previous years we deliberately selected a very big and physically strong side to take to Melbourne and we were fortunate a number of mature bodied players were still eligible to play for us this year. The reason for this selection strategy was because we felt the smaller, heavier Victorian ground didn't suit the typical WA Amateurs open playing style and as such we needed to take in specific player types capable of playing a physically aggressive and super disciplined game plan. As it turned out there were 12 boys making their representative debuts.

The game itself was a beauty and although we were

getting our fair share of the ball, at the fifteen minute mark of the first quarter we found ourselves 5 goals to 1 down and were looking down the barrel of another potential pasting against the seemingly invincible Victorians.

Wayne Langborne, John Davies & Bruce McTaggart (VFA President)

Then all of a sudden the players, who were working very hard to the letter of our game plan and player strengths, kicked two late goals and the feeling at quarter time was that we were in with a chance.

The second quarter saw us dominate the clearances at stoppages and by maintaining the physical approach to the ball and a direct style of play to our tall forwards we had the Vics on the back foot kicking 5 goals to 1 to take a handy 2 goal lead in at half time.

The third quarter saw some wonderful team and individual efforts and although we were leading by 6 goals at three quarter time you can never discount the fighting spirit of any Victorian side and we knew we were in for one hell of a last quarter.

The final quarter was a goal for goal affair and with the WA boys never allowing the Vics the opportunity to get their renowned running game into gear, the WAAFL eventually ran out very worthy 6 goal winners.

When the siren sounded the feeling was like winning a grand final, and in some ways even better given the historical significance, and did the players celebrate!

On top of this I've never seen bigger and more satisfied smiles than what our WAAFL executive and committee wore post game and it was a testament to their courage and convictions that the under 23 interstate concept didn't fall over at the first hurdle when we copped a thrashing in the 2003 inaugural year. Big Ronny Webster would have been looking down on us with the biggest grin of all and should we be successful against South Australia in Adelaide next year, WA will win the coveted triennial series for the first time.

Brent MacPherson

Once again the State game was a magnificent

advertisement for Amateur football and all the players from both States were a credit to their respective competitions. Besides the history making result, which every player should justifiably feel very proud of his achievements, from a coach's perspective I was most pleased for the record nine WA players who were awarded All Australian honors. These players, along with next year's All Australian selections, are in the mix to travel and play against Ireland in the 2007 International Rules matches. This is a real reward for the best players in our competition and hopefully it will inspire more players from more clubs to try out for future State squads.

Kyle Riemann

Finally I'd like to sincerely thank John Davies and his Board for once again showing faith in me this year and in particular League Chief Executive Officer Brendan Cullinan, Operations Manager, Geoff Palmer, and State Team Coordinator Peter Grosser, whose tireless support has been fantastic.

I'd also like to thank my own team who have been with me throughout the past three years and are significant in the success achieved: assistant coach/selectors Andrew Maiorana, Chris Wiess and Kym Robertson, Chairman of Selectors Glenn Stephens, Property man extraordinaire Guy Ziati, and our team of physios in Barrel, Meaghan, Brodie, Stephanie

and Leslie.

In closing special mention must go to all the players, coaches and their WAAFL clubs as without their input and support, State Representative Amateur football wouldn't be as alive, vibrant, and now we can add successful, as it is today.

UMPIRING REPORT

Congratulations to all players, coaches, administrators, support staff and umpires for their Community Football participation and achievements in 2007.

The development and achievements in respect to the senior community umpiring group has been significant on a number of fronts during this season.

I was delighted to secure Hamer Park and the associated building facility for the training and coaching development of the umpires. This arrangement has a security of tenure in that a Memorandum of Understanding has been agreed amongst the key parties for three seasons. This stability will benefit the learning outcomes of all umpires developing their craft..

Drew Banfield Colts Grand Final:

Pleasingly there has been approximately 40 Field Umpires, 113 Boundary Umpires and 25 Goal Umpires being newly appointed senior community umpires in season 2006. Further, the

field umpires development squad has increased from 12 last year to 27 in season 2006.

The above recruitment numbers are outstanding. Retention of these umpires now becomes critical for the welfare of the competition.

I thank all community coaching staff responsibly lead by Greg Gilbee (Field and Boundary Community Coach) and Terry Tomlinson (Goals) Sav Borg and Terry Battle (Development Squad) Adam Hollingsworth (Fitness) Paul Smith (Accreditation) and all assistants and match day coaches, for their efforts to improve umpire performances. Hands on skill development by current and former AFL um-

B Reserve Grand Final:

pires to the community umpire group was gratefully received throughout the season.

Thank you to Des Morgan for his efforts as Community Umpiring Coordinator, alleviating some workload to allow my further focus on Statewide Development Programs.

The continued support of the WA Amateur Board and Administrative Office is welcomed and remains integral to the continued advancement of its competition umpires.

Key strategies ahead include improved coaching and skill development of all umpires. Suggested initiatives forwarded to the Community Office include acknowledgment of club umpires prepared to involve themselves in ongoing umpire training skill development.

As always, any current or former players are encouraged and most welcome to join the umpiring ranks in season 2007 as a great way of remaining actively involved in community football.
