WA DAY

In 2017, I was again pleased to be part of the committed Board and group of volunteers at our great club that is working hard to ensure the Club's success both on and off the field. This year it was a balance of making sure the Club presents itself strongly, and operates as effectively as possible, while also remaining committed to a long-term vision for what this Club will become in the next few years and well into the future.

Whilst understanding that 2017 was disappointing 'on field' and no doubt very disappointing from a senior perspective, the future is heading in the right direction with our colts winning the 2017 premiership in the end. We will continue to challenge every area of the club for success with our values driving how we do this.

I find it most difficult to detail in this brief report all that our Club has achieved this year. As you read the more than twenty reports submitted by directors, club leaders and committee chairs, I am sure you will agree with me that our directors, staff, committees and members have all been very active and productive. Given this, and knowing full well the perils of singling out a few individuals and activities, I opted to go ahead anyway and reflect on a few outstanding contributions.

The on-field season was disappointing and this became harder as our key players were absent through injury. This showed that we will need to recruit better depth to compete in finals moving forward. This work is underway.

■ 2017 FINANCIAL REPORT

As can be seen from our financial report we managed a small profit of \$8,113 after depreciation in 2017 and all involved will be keen to take further steps to improving this in the coming year's.

■ CLUB LEGEND

Since 2000 the WAFL has celebrated a 'Legend' from each club. The match ball is used at all home games throughout the season. This year's ball legend was Ken Judge what an amazing contribution

Ken gave to our club. I would like to express our appreciation to Annette and the family. Ken was a great club person and we continue to miss him.

I am proud to announce that Len Anderson is our 2018 legend on our match ball. Len has done everything you could possibly do at a Football Club. A Premiership player, Leading goal kicker, Vice President, Director, Coach, Team Manager and Life Member and by far his greatest asset is just being an outstanding citizen. Congrats Len, well deserved.

■ OUR PATRONS

To our Club Patron Tony Buhagiar. To our Vice Patrons, Ray Meadowcroft, Con Tripi, Len Hitchen, Hon. Richard Lewis, Peter Lynn, Arthur Marshall, John McGrath, Simone McGurk, Harry Morgan, Hon. Dean Nalder, Hon. Simon O'Brien and Hon. Glenn Sterle whose knowledge and influence is so important to our great Club. I personally would like to thank our No.1 Ticketholder, Ron Alexander for his time helping us with our sub-committee in pursuit of better facilities for the East Fremantle Football Club.

■ PAST PLAYERS & GREY POWER

Our sincere appreciation and thanks to the hardworking Past Players & Officials led by the amazing President Mick Jez who continues to dedicate his time each season. We are blessed to have the commitment of this group of volunteers who continue to give so much to our great Club.

We also appreciate the hard work and dedication of all our "Grey Power" volunteers led by Gary Stockden. Their hard work and tireless efforts do not go unnoticed by everyone at the Club, a big thank you Gary and to your team.

To our wonderful match day ladies, how can we thank you? Words are not enough for your home game afternoon teas; they are legendary in the WAFL, Daphne I miss those pumpkin scones.

Leanne and Mark Stewart

■ ONFIELD

A big thank you to all our coaches, League Coach Robert Wiley, Development League Coach Mark Pashby and a big congratulations to Clay McLernon and the team on the colts Premiership. All selectors, Team Managers and assistants for an outstanding season. We thank you for your efforts throughout what has been a trying year, and for your ability to never give up in difficult circumstances. To our professional and diligent support staff, our Trainers, Strength & Conditioning staff, Property Managers and all other volunteers who help our players take to the field each week. Heartfelt thanks for all your time and support, our club is blessed to have such dedicated, wonderful volunteers who offer their time each week.

Thank you to Geoff Wolfenden. our District Chairman and our, District Development team, Bradd Gardiner, Tom Atkinson, Daren Bell, Helen Hunter and Liam Anthony. I would like to make special thanks to Mark Murphy, Chartered Accountant, who has given his time in overseeing our Club's finances and giving his professional advice to our CEO, Kerryn Batten and Julie O'Brien.

■ OUR STAFF

Also, a huge thank you to our Staff! We have had fantastic feedback all year for our functions and events and your professionalism and organisation has been terrific. To Renee Ciesla, Judi Miles and Julie O'Brien, my sincere thanks for all your hard work. Thanks also to Darryn Fry, our Football Manager, for the

great service and work in the football department, handling the enormous number of volunteers from week to week. A special mention to two great servants who have been recovering from illness, Maureen Gathercole and Len Anderson with special mention to Len for his nomination for the Volunteer of the Year Award

To the Left Bank, led by Peter Watts, your team has been very good and we look forward to the years to come.

To Numero Uno, Guido & Linda you both have been outstanding with exquisite and professional catering for our club throughout the year. We look forward to Numero Uno continuing their services for 2018.

Nine Seeds have also taken over running our kiosk on game day plus their wonderful coffees on those cold winter's day. Thank you to Neale and Amrit.

Having the Left Bank, Numero Uno and Nine Seeds is not only about having good people and product, this is about the club engaging with the community, something that we are about and will continue to do.

I would also like to thank all of our many sponsors for their continued support and the contribution they give each year to the East Fremantle Football Club. Our Board will continue to engage with you and help you connect with our community organisations.

■ TOWN OF EAST FREMANTLE

To Jim O'Neil, Gary Tuffin and the town of East Fremantle councillors, thank you for your support

Funding roof repairs in 2017, plus ongoing ground maintenance of East Fremantle Oval.

My appreciation goes to my fellow Board Members who have served our club in a very professional and united manner. Thank you to Vice Presidents Bob Uittenbroek, John Ipsen, Directors Kerryn Batten, Steve Nugent, Kim Chatfield, David Edinger, Steve Miguel, Michael Stork and Michael Brennan. All have given and will continue to give their valuable time and professional contribution to our Club.

Our future is in our own hands and I am confident that we now have the culture and people in place to return the East Fremantle Football Club to success. The higher profile recruitment of senior players is a clear sign of where the board intends the club to go. To our senior coach, Rob Wiley your perseverance determination and most importantly the trust that you place in the people and players around you, are why the board chose you to lead our senior players.

The Board will continue to engage with the Town of East Fremantle and the City of Fremantle in identifying the future ideal location to ensure the club's future. Members please be assured as I stated last year the Board is and will continue to work for what is best for the club. The East Fremantle precinct will forever be in our DNA as I stated not only last year but will continue to do. I commend our management team for its

hard work and commitment in 2017 and thank you, our loyal members, for your ongoing support. On a personal note, it has been an absolute joy to continue to work alongside such a professional well respected person within the football community, Todd you are a true professional and I look forward to working with you in the coming season.

To my amazing wife Leanne as you continue your journey along with our daughters Mikaela, Chelsea & Jasmyn, thank you for your support over the many years at East Fremantle Football Club.

This year there have been a lot of changes within the club as it moves forward under the influence of so many value driven people. I urge all members to stay strong as we will be rewarded with success in the near future.

As I discussed at a recent game day lunch we are our brother's keeper, we are our sister's keeper, as we engage with our community we will continue to be great as long as we continue helping our young people stay on track by providing the support they need to think more broadly about their future. Building on what works, when it works in those life changing moments. Our young people are our future and as we continue to engage with our community this has to be our first thought.

Finally, I would like to take this opportunity to thank you all as members and wish all of you and your families a very healthy, happy and prosperous 2018.

Chief Executive Officer

by Todd Shimmon

Not a good year on the field for our Seniors, with injuries to experienced players curtailing our finals push early in the season.

What we have been able to do, is focus on bringing through our talented youth to play senior football, and set up new structures and processes which we think will be very beneficial for our playing group in the future.

The statistics below show us that talent is progressing through at the required rate.

- 20 players made their league debut in 2017:
- 12 players progressed up from Colts to Seniors in 2017
- And our Colts won the Premiership with 55 players playing throughout the year.

With the good young talent coming through our grades consistently, we still need to recruit 5 or 6 experienced players to offset the loss of: Andrew Stephen, Brett Peake, Jesse Crichton and Matthew Watson.

The signing of Jon Griffin, Jarred Jansen, Nick Kommer and Cameron Loersch will fill positions that we have identified were lacking in 2017.

Thank you to entire football department for their dedicated work in progressing our talented youth to the next level. To our 3 senior coaches in Rob Wiley, Mark Pashby and Clay McLernon who worked tirelessly in this area and hopefully we will see the benefits of this years' youth development, come to fruition in years to come.

A big thanks to Michael Brennan for his guidance over the football structure in a very difficult year, and especially to Darryn Fry for his dedicated work in changing and managing players, support staff and volunteers through a very challenging year.

I would also like to thank Andrew Dodd for his work in our talent development system over the last 2 years. Andrew is a passionate Sharks man and we wish him all the best in his future endeavours.

■ BAR & HOSPITALITY

In 2017 the Club changed its hospitality contract from Delaware North running all bar and hospitality, giving local hospitality contractors the opportunity to provide the service.

We contracted 3 local hospitality operators to the Club who have done a wonderful job in their first year: Left Bank, Numero Uno and Nine Seeds.

- Left Bank Hotel – Running the Club's Bars with Peter Watts managing staff and rosters.
- Numero Uno – Function Catering – Guido and Linda Micalizzi running all function catering for the Club.
- Nine Seeds Café – Running our Coffee Carts and Kiosk for all game day food.

■ FACILITY UPGRADE

Since October last year the Club along with the Past Players group, and with good support from East Fremantle Town Council have worked closely as a team on upgrading the facility.

The following was upgraded in 2017.

- New Hot Water Tanks for Changerooms - \$13,000 funded by ToEF
- Repairing box guttering leaks in Grandstand and Main Hall – total bill \$42,000 of which \$26,000 is funded by ToEF.
- Removal of Asbestos from the roof.
- Merchandise Store set up next to Can Bar.
- New Carpets for Trainers Room, Locker Room, stairs and hallway. Value \$10,000

■ FINANCIALS

I'm pleased to announce a small surplus after depreciation of \$8,113 for the 2017 season.

A big thank you to Finance Sub Committee of Kerry Batten, Mark Stewart, Bob Uittenbroek, Mark Murphy and Darryn Fry.

■ SPONSORSHIP

Renee Ciesla commenced work in the Business Development role in December 2016 and has performed an excellent job in the sponsorship area and maintaining communication to all our members over this period.

Sponsorship continues to be our strength in a difficult financial market. A big thank you to our Business Development Team of Renee, Kim Chatfield and Dave Edinger for all their work in this area.

■ JUNIOR DISTRICT

Our Junior Districts Clubs continue to provide excellent talented players for our development squads. Thank you to the chairman of the District Council in Geoff Wolfenden for his guidance to the District Admin team of Bradd Gardiner, Tom Atkinson, Daren Bell and Liam Anthony throughout the year.

Our Junior Competitions still run at a high standard, but further work is needed in coaching and support networks throughout Junior Clubs in our District.

Kim Chatfield, Todd Shimmon, Mark Stewart, Bob Uittenbroek, John Ipsen

Special acknowledgement to Anthony Doig for his work as the Junior competition director this year, and to Kim Beasland for his work in the Junior Coaching area, visiting a record number of Junior Club coaches and giving assistance.

■ COUNTRY ZONE

Our Country zone of Geraldton continues to provide excellent talent for our top 3 grades and development squads. At present we have 19 players from the Mid West playing in our top 3 grades. A big thank you to Craig Walker for their excellent work in this area.

The Club is working closely with the GNFL through President Colin Cox and his team to provide a better transition for players coming to Perth and players returning to Geraldton and how we can assist with flights, accommodation regular updates on Midwest player development.

The Club is working with the WAFC to provide a EFFC home game in Geraldton for the 2018 season.

■ WOMEN'S FOOTBALL

Women's Football within the district continues to grow with large increases in participation numbers. A big thank you to Kate Argent and her executive team for their work in developing Women's football throughout our district. With the likely announcement of a new women's structure and competition for 2018 we are keen to work with our East Fremantle women's teams to provide a good home base at East Fremantle Oval for the future.

Congratulations to the League and Reserves Teams who participated in finals again this year.

■ VOLUNTEERS

Please see page 19 for the list of our wonderful Volunteers, instead of everyone trying to thank them in their reports. A big thank you to Mick Jez and his Past Players, who continue to do an excellent job for the Club in catering, maintenance repairs, and equipment for our footballers. They have raised over \$40,000 for the Club again this year. Thank you to Gary Stockden and the Grey Power for their work cleaning up the facility each week. And finally Maureen Gathercole for her work on this Annual Report and her support on any historical statistics needed by the Club.

■ BOARD AND STAFF

A big thank you to Mark Stewart and the Board, for your continual guidance and support to all staff members, players and supporters. The current Board is a united group with a good vision for the future. The changes in hospitality, talent development and now senior football over the last 2 or 3 years will hopefully see the Club prosper over the next few years.

And finally a big thank you to the administration staff of Judi Miles, Julie O'Brien, Renee Ciesla, Darryn Fry, Andrew Dodd and Rob Wiley for their

outstanding commitment to the Club. Football Clubs give you many highs and lows, but it's those difficult times you will reflect on when you reach the highs. Thanks to all staff for their professionalism and commitment in a difficult year.

To all Members and supporters, I hope you have a Merry Christmas and a Happy New Year, and look forward to seeing you at Shark Park in 2018.

Get Out of the Water, The Sharks are circling.

FINANCIAL SUMMARY FOR 2017

The Club is pleased to announce a small surplus for 2017.

Coming off a disappointing loss in 2016, the Club made changes to our hospitality area to reduce costs and risks. These changes happened five months into the 2017 year and we will hopefully see further efficiencies in expenditure in the 2018 season.

Our senior side's performance in 2017 effected income in the areas of Membership, Bar Turnover and Gate Attendance. Income in these areas reduced the overall surplus we had projected for 2017.

Looking to the future, in 2018 the WAFC will take over the full costs to run Talent programs across all of the WAFL Clubs.

This will allow us to make significant savings in expenditure in our Talent programs.

The Club has some challenges in the future with the establishment of elite talent program for women in 2019. The Club will work closely with East Fremantle women's teams to supply appropriate facilities and structures within the Club for women's football to grow over the next few years.

Below is a summary of our results in each category, along with a comparison to the 2016 financial year.

2017 was another fantastic year on the sponsorship front. In my first year with the club I was absolutely blown away with the generosity and support from our diverse mix of sponsors. Despite tough economic times, these dedicated sponsors both new and old continue to invest in our football programs and community initiatives.

We welcomed a number of new sponsors this year: Trevors Carpets, SINWA, Aquanita Racing, PSC McKenna Hampton, PSC Insurance Brokers, Stokes and Renk, CNW Electrical Wholesalers, Hillseez Trim Repairs, National Storage, My Cargo, Inspirations Paint and Gerard Daniels as well as three new Platinum Partners in Scoop Property, Watershed Wines and Air Roofing.

A massive thank you must go to this year's Major Sponsors Titan Ford, who are in the 24th year with the club and New Choice Homes. Our continuing Platinum Partners Copyworld, The Left Bank, Retravision and Thrifty are vital supporters of the Club and we thank them too for their support alongside our ever-growing list of Official Partners.

This year we introduced a new initiative with the hopes of bringing our vast number of sponsors together. These

Harmony Day Entertainment

Networking Breakfasts held throughout the year were an opportunity to facilitate introductions and encourage supporters of the club to use each other. Thanks to The Left Bank and The Tradewinds for hosting us on these mornings. As we bridge the gap between our corporate partners, a focus of 2018 is to create a better link between our sponsors and members. Please have a read through our sponsors list, and have a think about who you can support. When times are tough it is great to be able to look out for the people who constantly back the club we all love.

Our sincerest thank you to the sponsors, directors, members and staff that introduce new businesses to the club. Many of our sponsors are introduced by referrals so if you know of any interested parties, please send them our way.

We cannot thank our sponsors and partners enough for their continued support of the Club. We wish you all the best for 2018 and look forward to working together for the success of your business and the Club.

MARKETING AND FUNDRAISING

Our Gala Auction continues to be the fundamental fundraising event on the Sharks Calendar. A phenomenal \$150,000 was raised which was a net profit of \$95,000, made possible thanks to the generosity of our auction donors and those who purchased items in support of the club.

The online system GalaBid enables not only those in attendance to bid, but everyone at home with access to the internet and provides our donors with even more exposure. The theme Monopoly was a success with everyone enjoying their seat at a 'property' inspired table.

The Corporate Golf Day was another successful and crucial fundraising event held at Royal Fremantle Golf Course. Congratulations to the winners Classic Contractors and those who sponsored the day.

Social Media is now one of our prime means of communication with Sharks fans. We hit 10,000 likes on our page this year, but unfortunately, we've just lost second spot for the most 'liked'

W AFL team. If you haven't already got onboard with the Sharks Facebook page make sure you do and be sure to engage with our posts. East Fremantle is also on Twitter and Instagram to keep you up to date with all things Blue & White.

COMMUNITY ENGAGEMENTS

HOLIDAY CLINIC- East Fremantle's holiday clinics continue to be a success with over 350 children attending the days held in April and July. The West Coast Eagles were the feature taking part in drills and of course photo opportunities and signings at the end. Our East Fremantle and AFLW players also helped throughout the day.

DRIVE FOR MND- In support of our major charity partner, The Motor Neurone Disease Association of WA, The Sharks hosted the launch of their annual drive in November. Our Past Players provided a big breaky to keep the drivers full on day one of their journey. Congratulations to the teams for raising over \$91,000!

REAL MEN WEAR PINK- A WAFL wide initiative in 2018 was the Real Men Wear Pink Campaign in partnership with the Nation Breast Cancer Foundation. The Sharks were excited to get behind the cause, which saw our league players run out in pink socks against Subiaco. Our President's Lunch turned pink and we were lucky enough to hear from cancer survivor Melina Dichiera who certainly put things into perspective for everyone in the room, especially the men. Representatives from NBCF sold merchandise and the Sharks were pleased to donate proceeds from the President's Raffle to the organisation.

HARMONY DAY- Once again, the Sharks celebrated Round 1 with Harmony Day, welcoming all cultures to the football. The Chinese Kung Fu and Tai Chi Academy were the main attraction with a performance before the league match. We also had representatives from Chung Wah Chinese School Leeming and the Indian Society of WA attend our President's Function, while the children featured in the half time little league match. Harmony Day seeks to celebrate those things that make us different and at the Sharks we welcome people from all backgrounds.

Membership and Special Projects

by Bob Uittenbroek - Director

Despite the lack of on-field success the membership numbers were still a positive outcome, the club finishing the season with a total of 1672 members compared to last year's 1888. The club became aware, as the season progressed, that there would be a reduction in membership numbers of 216. It was encouraging that the majority of our loyal members continued to support us. The Board and the Membership committee thank you all for your patronage through these difficult times. As a comparison with the other 8 WAFL clubs we are still in third position on the membership ladder. Whilst there was a reduction in most categories there was a slight increase in social membership (See chart).

I would like to extend a warm welcome to all of our new members. We hope you use your membership cards to obtain discounts on any purchases from our bar, food outlets and for club merchandise and the use of the club facilities.

Further benefits apply to members, especially to those who follow the Colts competition, by purchasing Great White Memberships as this entitles them to free entry, not only at East Fremantle Oval, but also at all away games. The proviso is you must enter the ground before half time of the Colts game for this entitlement.

A recommendation was accepted at the 2016 AGM that former players will qualify for consideration to Life Membership under the following criteria:-

- A player who plays for 10 years in a combination of Colts, Reserves and/ or League with a games total over 150 games.
- A player who plays 100 games of League plus 50 games at a higher grade (eg. VFL or AFL).

To be considered for Life Membership the person must be a fully fledged financial member of the club.

Again, the Membership committee did an excellent job throughout 2017 outside the Main Gate in Moss Street signing up new members and also getting past members to re-sign. We sincerely thank the Membership Committee in Glenn Brown, Angelo

Cuccovia, David and Lyn Edmondson. We also appreciate the help given to this project by injured players who worked at the gate at various times.

Behind the scenes we have dedicated administration staff in Judi Miles (Office Administrator) and Julie O'Brien (Finance Administration Officer) looking after your Membership interests.

We are looking forward to an exciting season in 2018 with the signing of a number of new recruits.

I encourage you to rejoin and to encourage others to become new members of our great club.

Join now. The Sharks are on the move!

In what has been somewhat of a frustrating year with regard to gaining some traction around finding certainty for our future facilities, we believe we are much better situated now than where we have been in recent years.

Members of the East Fremantle Football Club (EFFC) executive continue to regularly engage with key stakeholders and influences around progressing our clear aim of having new facilities for our great club.

This year has been no different in that our focus and commitment to new facilities has been maintained. What has become reality, is that this is not a quick process and we are certainly at the destiny of others when it comes to developing and funding new or upgraded facilities. Whilst this has been a somewhat slow and at times a frustrating process, we are very comfortable that the club, as a result of our involvement in the processes, will eventually achieve a positive outcome.

Our current facilities, like our great club, are not getting any younger. Attracting people to our club and the continued costs of maintenance are certainly key issues that we need to constantly address. The EFFC and the Town of East Fremantle (TOEF) together maintain the facilities and surrounds. Strategies to achieve a medium term and sustainable refurbishment of the EFFC facilities continue to be developed.

During the past three years, EFFC has experienced significant change (and expected change that hasn't occurred) with the TOEF such as the non-amalgamation between the TOEF and the City of Fremantle, three CEO's and a change in State Government. These occurrences have significantly impacted on our ability to negotiate and maintain consistency with regard to our facilities and sporting precinct. With stability and renewed enthusiasm within the TOEF, we are now very confident that a positive outcome can be achieved during the next 12 months.

■ STAY AT EAST FREMANTLE OVAL

Any refurbishment / construction of new facilities at the East Fremantle Oval precinct will need to be funded from sources outside of EFFC and this is the major focus of EFFC to determine the reality of whether this is achievable.

The East Fremantle Oval is home to our three grades of football each week, but is utilised by a large amount of community and junior football organisations throughout the year. (Womens' Football, Development squads, Junior games, Charity games, Auskick carnivals, Junior and Amateur finals, plus Relay for Life in October).

We are in regular contact and are currently in discussions with the TOEF on their vision for the Club, our facilities and surrounds. The TOEF has just commenced an *East Fremantle Oval Precinct Redevelopment Masterplan* to which we are key stakeholders and this process should be completed by June 2018.

In essence, the plan will outline the strategy for the provision of future facilities within the East Fremantle Oval precinct. The general consensus is that the East Fremantle Oval Precinct can be developed as a multipurpose community and recreation facility. The biggest issue confronting this opportunity is that it will require funding from outside existing funds and revenue streams.

■ MOVE TO FREMANTLE OVAL AND SHARE FACILITIES WITH SFFC

The EFFC is also committed to investigate the possibility of moving its administration facilities and playing our 10 home games at Fremantle Oval.

In October of this year, the City of Fremantle formed a joint reference group to discuss and develop the Fremantle Oval Precinct Development Plan. There are 13 members of the group and our CEO (Todd Shimmon) is representing EFFC. The final Masterplan is due to be completed by June 2018.

Currently, there has been a delay in progress with regard to the Fremantle Oval development opportunity and this has been beyond the control of EFFC.

The negotiations with the City of Fremantle and the Dockers to vacate Fremantle Oval was a long and delicate process. As a result of the Dockers vacating and surrendering their lease, the City council will now use the Fremantle Oval Dockers building to house their administration staff. Their tenancy at Fremantle Oval will extend until the completion of Fremantle Cities' King Square redevelopment, which may take up to three years to complete. With this in mind, it appears that the earliest any construction / refurbishment of new shared facilities at Fremantle Oval could take at least five years.

The EFFC Board will work closely with both Councils over the next 12 months to get the best outcome for the East Fremantle Football Club in regards to facilities and the long-term vision for our great football club.

■ STRATEGIC PROJECTS

As a result of the Western Australian Football Commission (WAFC) Boston Report, many outcomes have been developed and one key component is the *New Talent Development Program* across the State of Western Australia. The EFFC has been involved in the process and Todd Shimmon, our CEO, has been part of the working committees and therefore the EFFC have had influence into some of the outcomes.

Another outcome from the Boston report is the *New District Development System in Western Australia*. Again, representatives of the EFFC have been heavily involved in determining the final outcomes as to how these initiatives will be implemented. Members of EFFC were part of the recruiting panel and this program will now commence at the beginning of the 2018 season.

Another result of recent outcomes is the *Western Australian Women's Football New Structure*. Again, our CEO has attended many workshops over the last six months and the EFFC will have influence with some of the outcomes.

Special Events and Fundraising

by David Edinger - Director

The 2017 Corporate Golf Day was one of our best to date! Held on a beautiful day in April, the weather put on its best show as a record number of 22 teams took to the Royal Fremantle Golf Course. Thanks to the sponsors and players involved we raised over \$16,000 for the club.

Our hole sponsors this year were:

- Titan Ford
- Toshiba (Copyworld)
- Retravision
- Panthercorp
- BM & Y Accounting
- Australian Offshore Solutions
- Golf Club Sets
- LM Poole
- Edinger Real Estate
- Classic Contractors

Classic Contractors walked away as the top dogs, while the Retravision team came an achingly close second. Toshiba's team made an impact on the green as well, watch out for them next year!

This a great event to get involved in, especially for all of the golf lovers out there. Royal Fremantle is an exclusive course that usually requires a membership so it's an opportunity to play on one of WA's best greens. Get a team of four together and promote your business over 18 holes, whilst the drink's cart makes its way to you.

To ensure everyone walks away happy, we have a prize to be won at all 18 of the holes made possible thanks to our generous donors.

A special thanks to Toshiba (Copyworld) and Retravision for providing merchandise to get our players through the day.

I'd personally like to thank the events team that made this possible, Director Kim Chatfield, CEO Todd Shimmon and Business Development Officer Renee Ciesla.

Information for the 2018 Golf Day will be out early next year, be sure to keep an eye out and register early so you don't miss out!

I look forward to the year ahead and would like to take this opportunity to wish you a very Merry Christmas and prosperous New Year.

Junior Council and Talent Academy

by Steve Miguel - Director of Academy and Andrew Dodd - Talent Manager

The Australian Offshore Solutions East Fremantle Talent Academy has seen itself continue to be the leader for developing young talented players. Having been in the Talent Manager role for three years myself now and coordinating the development squads along with our Director of Academy Steve Miguel, it has been very pleasing to see the young brigade of talented players making their way through East Fremantle's Talent pathway, from both our metro zones and our Midwest Academy.

This year, like last year, our Academy ran a Talent Identification Open Day in the April School holidays. This day was for any boy in Year 8 living in the East Fremantle district to try out for East Fremantle's Talent Academy Year 8 squad. This enabled the players to be tested in a number of activities which included skills, athleticism and game simulation. The day was run by Academy Coaches, Strength and Conditioning staff and East Fremantle Colts and Senior players.

The players who ranked highly in the Talent Day were then inducted into the Year 8 Development training squad. In June, our Development squads of Year 8 coached by Daniel Richards, Year 9 David Parker and Year 10 Adam Dancey began their training programs in the lead up to the development carnival which would be held in the September/October school holidays. During the programs of the Development squads a number of boys from local clubs living in our district were nominated to train with their age group due to performances at community level.

Before the carnival, our final squads were named and each player was presented with an East Fremantle Talent Academy carnival jumper at the presentation night. The carnival, much like last year, was over four days separated over the two week school holiday period in September/October, involving 5 games of football on any given day. The squads for fixtures were 8Bs, 9Bs, 8As, 9As and 10s. The teams our players played against were South Fremantle (East Fremantle Oval), East Perth (Leederville Oval), South West (East Fremantle Oval) and Swan Districts (East Fremantle

Oval). The carnivals are a fantastic way to see the most talented kids from each WAFL Clubs district and Country zones, and though our Academy is about developing talent from within it was very exciting to see some big wins from our development squads. Well done to our 9As who went undefeated for the carnival which was a tremendous effort. To the Coaches, Assistant Coaches and Team Managers of each squad we thank you for your commitment and the time you have taken to help benefit the Academy, it is greatly appreciated. Year 8 Daniel Richards, Neil Mildenhall, Warren Bank, Chris DeRosario, Ross Cleaver, Tony Watson, Glen Hunter and Mark Connor. Year 9, David Parker, Jason Parker, Ian Hanson, Andrew Browne, Steven Powell, Adam Drake-Brockman and Patty Savy. Year 10, Adam Dancey, Clint Cusworth, Paul Mews, Ryan Kuser, Adrian Ricciardello, Kristy Glover and Kylie Blakemore.

The East Fremantle 16s Academy squad which began training in December 2016 and played their carnival in March 2017 were coached by Larry Cavallo. Larry took the reins this year accompanied by his assistants Jeremy Bruse, Austin Ward, Neil Mildenhall and Daniel Richards. A special mention to Team Manager Carolyn Sharp and S&C Coach Brendan Lewis for the work and commitment to the squad. Our 16s were an impressive group and managed 4 wins from 5 games which is an outstanding effort. Seven players from the squad were selected into the State 16s for East Fremantle; Jeremy Sharp, Trey Ruscoe, Luke Jackson, Luke Dobson, Rueben McGuire, Trent Rivers and Dylan Curley. At the conclusion of the 16s, the players

then went on a rotation in training with the Colts. Three players from the 16s made their debut during the year in Mitch Cusworth, Luke Dobson and Trent Rivers.

During the Development carnivals we had a number of boys represent East Fremantle from the Midwest. It is always pleasing to see the Midwest boys down playing as they get on very well with the metro kids and its exciting to watch them play. Over the carnivals we had a total of 26 Midwest boys join us which is more than in previous years. It is very pleasing to see a lot of them come down and show us what they are capable of and their performances were very exciting. The Midwest 'Shark Pack' Academy team of Craig Walker, Kristian Diction and Adrian Barlett have done a brilliant job with the time and effort you all put in to the program. Its also pleasing to see the transition of the GNFL boys into the WAFL system with the ambition of going on to their next stage of their football.

Our District Grand Finals were held on the weekend of the 15th, 16th & 17th September at Fremantle Oval and saw a number of East Fremantle development squad and Colts players play. The year 8 Grand Finals were won by Canning Vale and Jandakot with Best on Grounds awarded to Kobe McMillan (Canning Vale) and Cade Ravlich (Bullcreek). The year 9 Grand Finals were won by Bullcreek and Kardinya with best on grounds awarded to Samuel Emery (Applecross/Mount Pleasant) and Chris Walker (Kardinya). The year 10 Grand Finals were won by East Fremantle, Booragoon and Freo City Dockers, with Leroy Pigram, Josh Harris-Walker and Clancy Atkins awarded best on grounds. The year 11 Grand Finals were won by Willetton winning their 4th consecutive Grand Final and Winnacott. Mitchell Cusworth and Dane Jenzen awarded best on grounds. A special mention to the following boys who won their age group conference Fairest and Best from East Fremantle Development squads – Year 8 Blue: Kane Fallows, Year 9 Red: Samuel Emery, Year 9 Blue: Keanu Haddow, runner up Fynn Gardener, Year

There is a saying; "Don't let yesterday's shadows spoil the sunshine of tomorrow." In many respects that sums up my view on season 2017 from a senior football perspective.

There is a saying; "Don't let yesterday's shadows spoil the sunshine of tomorrow." In many respects that sums up my view on season 2017 from a senior football perspective.

There could have been no tougher year, with significant injuries to most of our senior players, some big losses along the way, but then there was the unearthing of some quality youngsters who showed plenty, with improved performances over the latter part of the season that suggests the future is bright. Not forgetting either the wonderful win by the Colts, taking out this year's premiership.

So, we started another pre-season, with not too many changes. The league and development league coaching structure remained the same, although we lost two important specialist coaches in Luke McPharlin and Aaron Sandilands, who due to their own study/work commitments could not continue. From a playing perspective Jonathon Marsh returned after three years at Collingwood and we knew what a major impact he would have. Alex Howson and Cameron Symonds returned after time away from WAFL. We were very excited to bring in a couple of youngsters from other clubs, in Nathan Fahey, Tom Omodei, Joel Kalajzic and Jesse Mirco. They will all be better for another preseason and understanding of the "Sharks way." Then we had a group of eager and well-prepared youngsters from the 2016 Colts team, 12 in total of which 8 tasted league football in their first season at senior level.

Our preseason form was solid with competitive losses to Swans (5 points) and East Perth (6 points). At quarter time of round 1, after Marsh's first kick sailed through the goals from 70 metres, despite not having Liam Anthony (ill), Hampson and O'Brien out injured and leading by 19 points there was an air of expectation of what may lie ahead.

However, the season headed south quickly from there. Somehow, we found a way to create new injuries and those injuries, of which 70% were impact type, took their toll early. With key players missing a significant number of games (at season's end 201 games missed to injury) the first half of the season was tough. There were patches of good footy, but the side couldn't stop sides kicking multiple goals in succession. Despite the form line, Rob Wiley and the match committee continued to reward the youngsters playing well in the Development League and it almost seemed a debutant was named every round. In round 10 our boys matched the best team in the competition (Subiaco) for three and a half quarters, a fantastic effort, however the following week we hit a season low, beaten convincingly by our cross-town rivals.

At the half way mark of the season we were sitting 0-10 and anchored at the foot of the table. Round 13 saw the boys register their first win of the season, with many of those youngsters mentioned earlier playing well. The second half of the season saw gradual improvement and saw the Sharks in a winning position in a number of games, however there was only the one further victory leading in to the final round against Swan Districts. A win against the 4th placed Swans would see us avoid the wooden spoon. The Round 23 victory was the most complete performance of the season and a great way to end a tough year.

As mentioned earlier a number of players were given their first league opportunity in season 2017, in fact 20. Of that group, 13 were local products (8 from 2016 colts and 2 from this year's colts). In fact, the club continued to follow a recent trend with the percentage of local talent playing league football increasing to 76%, the highest locally zoned player representation for quite some time. With an expected 15-20

youngsters from this year's successful team making the transition in to senior football in 2018 that could increase even further. We continue to see talent and great work from those in the GNFL, our country zone and through our Midwest Football Academy (led by Craig Walker). We had 21% of our list from Colts to League represented by those from the Midwest. For the second year in a row a Midwest product took home the prestigious Lynn Medal, with Jayden Schofield claiming his first Fairest and Best. Congratulations to all players who debuted and to our award winners.

The Development League, coming off a finals campaign in 2016, would have had high hopes of a successful 2017, but for many of the reason stated earlier (injury etc) that did not quite eventuate. The first half of the year was inconsistent and at the half way mark the boys were 5-5. However, once the injury toll really started taking effect it became a real grind for the development league boys. Some weeks there was only 37-38 players available at senior match committee discussions and there were games late in the season where we had to bring up colt's players to fill a team. For the players and coaches to have the side still in finals contention with a round or two to go, was a great effort.

The senior coaching group are once again to be commended for their drive and passion to want to see success at this club. To Rob, working with you is fantastic. To be on the same page, trying to turn Moss St around to be the revered club it has long been known for, to drive the values and expectations makes it easier for me. While there is still plenty of work to be done, I am confident we are heading in the direction and can turn things around quickly.

The focus post-season quickly turned to making changes and appointments that will help continue this drive to achieving success. Each returning player has been provided with a clear program on how they can improve. There has been a huge emphasis on recruiting and at the time of writing we are far advanced in this space with recent signings of Jonathon Griffin and Jarrad Jansen, along with a couple of young talented players from other WAFL clubs or community

football. Watch this space as there will be more announcements by the time this goes to print. There have been changes to our sports science team, with the appointment of Matt Riley and Tom Newman from Ludus Gym coming on board. At this point I would like to sincerely thank Ashley Cripps for his outstanding commitment to the Club over the past 7 years. I wish you all the very best with your increased teaching load at Notre Dame and no doubt we will see you around the club as a passionate Sharks man. We have made change in our medical department with a new physiotherapy provider in Silas Street Physiotherapy and Pilates coming on board to assist the great work of Ben Grant.

A few players have also decided to move on. Firstly, to Jesse Crichton and Matthew Watson. Your contribution to the club has been first class. Although from interstate the way you immersed yourselves in to the "Sharks Circle" as if the club was your own is a credit to you. Not only have you provided us with on field talent, but just as importantly your off-field leadership and the way you have worked with the younger guys has been acknowledged. Then there is the stalwart, the man who has bled blue and white for the past 13 years at East Fremantle Oval. Andrew Stephen epitomises everything that you want from a player; passion, dedication, hard work and character in spades. After 164 league games, notwithstanding the number of colts and development league games along the way "Stevie" you deserve all the gratitude that comes your way. Four times state representative and Lynn Medallist to go with all of that, everyone at Shark Park says thanks and

all the best with what lies for you in the future.

The Colts just missed the finals in season 2016, and after the first couple of preseason fixtures one could have been forgiven for thinking it was going to be a tough season ahead, but how wrong would they have been. Clay McLernon took the group for the second year, after learning plenty in his first. He had a new look coaching panel, with Larry Cavallo, Adam Dancey and former player Adrian Ricciardello stepping in to coaching roles, along with Paul Hansen, who followed on from the previous few years. The coaches stuck true to their beliefs and structured a very good preseason program, with plenty of time dedicated to individual plans and education in all aspects of what is required of an elite talent pathway program. Round 1 saw our boys take on the 2016 premiers in Claremont and from there our colts boys never looked back. Although the team only dropped 6 games for the entire season, plenty of boys had the opportunity to taste colts football, with 55 players playing during the course of the year. We still had the 4th youngest team in the competition, with 31 of those players still eligible to play colts in 2018 (half of this year's Grand Final team can still play colts in 2018). At the end of the home and away season our boys finished on top of the ladder, won the 2nd semi final against the Tigers, to only face them again in the grand final, which they won comfortably by 54 points.

Special mention must go to Dillon O'Reilly, Josh Ritchie, Chris Scott and Jayden Quill who made the WAFL team of the year. Chris was also awarded the Mel Whinnen Medal for best player in the Grand Final. Tom Joyce (also AFL

Academy) and Chris Scott should be commended for making the State 18's team for 2017.

Congratulations to all award winners from the Club's recent Lynn Medal night. All winners can be found on page 38 and 39 of this booklet, but from me personally well done on your personal achievements. To the 20 league debutants (listed on page 22 and 23) well done on playing your first league game for the club, something that I am sure you'll cherish for the remainder of your career. I hope to see many more games for the blue and white. That sentiment also goes for the 28 players who played their first Colts' game at East Fremantle. I hope to see that transpire in to a League debut at some point in the near future.

There were a few milestones (in terms of league games) in season 2017, with Brock O'Brien playing his 100th game, along with Sean Henson and Jayden Schofield, while Andrew Stephen receives his life membership in playing his 150th.

Each year I hope I do justice in acknowledging the outstanding support and commitment from our volunteers and support staff. Although you are mentioned in this annual report I personally would like to say thanks to you all. Never underestimate your impact for the Club.

Finally, to the staff; thanks once more for another very enjoyable year. We all clearly understand what challenges us at state league level, but I believe we do it as well as anyone, all in a positive and professional approach. I can only hope we see this transpire in to on-field success in the "not too distant future." To Todd, special thanks for your support and the opportunities you provide me to develop not just within the football department. To the Board once again I appreciate all your support in getting this club back to where it needs to be, in particular Michael Brennan, who has been a fantastic sounding board with all football related matters.

I would finally like to thank Andrew Dodd who will be moving on from his Talent Manager's role. It has been a great working relationship. You have worked tirelessly for the club over the past three years in your role, showing commitment and passion for the blue and white. I wish you all the very best with future endeavours in the sporting sphere.

Have a great off-season and wait for the Sharks to circle in 2018.

Our Champion Medallists

LYNN MEDALLIST JAYDEN SCHOFIELD

Jayden began his East Fremantle career with the 2009 Colts, making his League debut in 2012. This year saw him play his 100th League game for the club and he has shown a very consistent and business-like attitude to his role. He has been well rewarded for his work by winning the Lynn Medal.

Congratulations Jayden.

HENRY JEFFERY MEDALLIST BEN HARDING

A great season with Ben making his League debut and playing 3 senior games. He was awarded the Prendergast Medal as the best player in the WAFL Development League and is a worthy winner of that Medal and has capped a great season by taking out the EFFC Development League Fairest and Best medal.

Congratulations Ben.

ALAN TROTT MEDALLISTS ZACHARY JACKSON and JAYDEN QUILL

With our Colts winning the Premiership it was obvious that we had a special group of young men and so it proved with an exciting medal count ending in a draw. Both Zachary and Jayden played with passion and skill throughout the season and thoroughly deserved to share the Medal. We look forward to watching this pair as they move up through the levels. Congratulations and our thanks to you both.

L-R: Zachary Jackson, Jayden Quill, Jayden Schofield, and Ben Harding

OUR WONDERFUL VOLUNTEERS

Again in 2017 we have a great list of members who volunteer their time to assist our club. Their input covers just about all areas of the club, be it on match days or during the week. Be assured the work done by all our wonderful volunteers is greatly appreciated.

MARSH, Jonathon

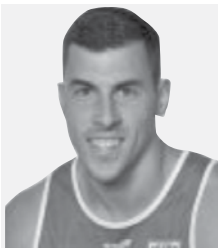

Debut 18 March v Claremont

OMODEI, Thomas

Debut 18 March v Claremont

Recruited from Peel where he won the Prendergast Medal in 2016 playing Development League. Hampered this year by injuries he played 4 League games along with his high ranking for his Development League games.

MIRCO, Jesse

Debut 25 March v Peel Thunder

From Sth Fremantle, a strong forward, aged 20, he managed 12 League games and showed that he can have an impact in the WAFL. A big preseason working on fitness and strength could see Jesse causing opposition backs plenty of headaches. Also can play back.

MORENO, Alexander

Debut 25 March v Peel Thunder

After playing country football for the past couple of seasons he made his debut in round 2. Playing primarily as a forward he played 3 League games before a badly broken finger required surgery that put an end to his 2017 career. Looking forward to 2018.

HOLMES, Corey

Debut 8 April v Perth

Another 2016 colts to debut, Corey played 13 games earning himself the Best First Year Player award. His speed and determination and the fact that he can play from small defender to outside mid or small forward make him a valued team member.

KALAJZIC, Joel

Debut 8 April v Perth

Joel played for Perth before heading bush for a couple of years. He opted for a fresh start with the Sharks when the desire to get back into the action returned. After an injury interrupted preseason he went on to play 7 League games kicking 4 goals making his EF debut against his old Club.

SORRELL, Tyler

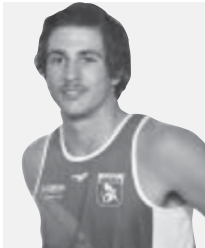

Debut 15 April v Perth

Tyler's speed and forward pressure in his early season Development League games saw him earn a League game against Swan Districts in Round 5 kicking his first goal. Tyler, a product of the Melville JFC, finished the season on top of the Development League goal kicking with 18 goals to his name.

BENNETT, Thomas

Debut 25 April v Swan Districts

Thomas played 16 League games this year. Playing in a variety of positions from outside mid, half forward and even inside mid, he was matched against some of the best midfielders in the WAFL. He averaged 18 possessions per game and finished high on the tackle count. He was voted the Shark's Rising Star for 2017. A great career start.

CLEMENTS, Jye

Debut 20 May v Subiaco

Originally from Perth, Jye came to our Colts program mid 2016 playing 4 games. He worked hard throughout preseason with determination and perseverance to get the chance to stay on the senior list for 2017. His hard work saw him make his League debut in round 10, finishing with 2 League games.

McCARREY, Zac

Debut 20 May v Subiaco

Zac played Colts in 2011-12 coming from the Applecross JFC. He returned from playing community football to a preseason this year. A strong marking forward, played 4 League games finishing 2nd on the D.L. goal kicking list with 16 goals. His outstanding character has been of positive influence around the playing group this season.

FAHEY, Nathan *Debut June v Sth Fremantle*

Nathan came to us from Peel in 2017 to seek greater opportunities to play senior football. After playing Devel. League games he made his League debut on WA Day against Sth,Frem. His standout game was Rd. 13 against Perth with 3 goals, (one a potential goal of the year contender). Nathan is keen to add more League games to his tally in 2018.

PEARTON, Leon *Debut 5 June v Sth Fremantle*

Leon played every round this season, with 8 League games. After 3 seasons in the Colts he quickly impressed backline coach with his ability to read the play and run hard off half back. His League debut came in the WA Day Derby. 2017 saw him make a great start to his senior career.

BAILEY, Lachlan *Debut 10 June v Claremont*

After an impressive Colts 2016 season, Lachlan worked to build his strength to match the more mature forwards he would have to deal with. He gained confidence in spoiling tactics, intercept marking and assisting other defenders. After making his League debut mid season a shoulder injury ended the year for him. He is already working hard in preparation for 2018.

BURTON, Matthew *Debut 10 June v Claremont*

Matthew endured a rough preseason with a foot injury. He worked tirelessly in rehab to overcome this and rebuild his fitness. Hardness and determination saw him earn his League debut mid season. His season came to an abrupt end after a serious collarbone injury .

HARDING, Ben *10th June v Claremont*

From the Attadale J.F.C. Ben won the Prendergast Medal for the Fairest & Best player in the Development League competition after playing 2 League games this year. He followed that by winning our Development League Fairest & Best award, the Henry Jeffery Medal. A great year.

RYAN, Ambrose *Debut 24 June v Peel Thunder*

A talented Winnacott junior who missed most of 2016 with a knee injury. He played the first 7 rounds with the Colts then moved to the Development League for 6 games before making his League debut against Peel.

CRONAN, Michael *Debut 8 July v Swan Districts*

A developing ruckman with a good leap, Michael played the first 13 games of the season in the Development League before making his League debut and playing 3 League games. Another from our Shark's talent pathway who will be working hard for more League games in 2018.

CREASEY, Harry *8 August v South Fremantle*

Came to us from the Bunbury F.C. when he moved to Perth to study. He arrived late in the preseason and between fitness and injuries he did not play Development League until round 9. The left footer made his League debut round 20 and played the last four games of the season in the seniors showing real promise for the future.

O'REILLY, Dillon *19 August v Peel Thunder*

A tall, strong marking, accurate kicking fullforward still eligible for Colts in 2018. He won the WAFL Colts goalkicking and was selected in the Colts Team of the Year. The last 2 games of 2017 in the League side showed his ability to step to a higher level. He kicked handy goals and took strongly contested marks. A Colts Premiership player with a promising future.

by Rob Wiley - Coach

After a promising 2016 season, 2017 proved to be one that was extremely disappointing and frustrating. We will certainly remember it as a season that was injury riddled, with our Lynn Medallist from 2016 only managing one full game and this seemed to set the scene for a year that resulted in twenty debutants and fifty players representing the club at League level. When you put that into perspective our arch rivals South Fremantle played only twenty-nine for the entirety of the year.

As a coach of this proud club, I fully understand that all stakeholders including the board, staff, members, sponsors and supporters expect more and therefore we must all take the responsibility of being able to play our part in rectifying the situation.

There is no doubt that after the South Fremantle game where we were beaten badly that changes needed to be made and that greater commitment and effort was necessary. We continued to blood new comers and the effort and style of football in the latter part of the year indicated that we are on the right track.

In saying that we still need to add some talent and experience to assist in the

development of our youth who were able to get valuable league experience. The Club has been very proactive in making sure we get the right balance of continuing with this youth policy but adding the experience necessary.

Also in reflection, particularly in the second half of the year, there were many opportunities to win more games but we failed at crucial times. Yes, we had many injuries and an enormous amount of inexperience in our team but we must learn to tough it out and have that attitude of a real desire to win. We attempted to do a lot of education over the preseason on belief and mental toughness and even though there were some advancements we still are a long way off the mark. Preseason will be stripped back to the real basics of plenty of skills and challenging players in being able to push through the physical barriers that can only stand us in good stead when games are up for grabs.

There were many positives that we can still be proud of at Shark Park. Firstly, to Clay, his coaches and the players in winning the 2017 Premiership. They had an outstanding year and amongst our 20 debutants that played League

were two of the premiership players in Dillon O'Reilly and Ambrose Ryan. To Ben Harding who played three league games and won the Prendergast Medal, an outstanding effort. Jonno Marsh represented WA in their history making win against the VFL on Victorian soil. Jayden Schofield, Ben Harding, Zack Jackson and Jayden Quill for being awarded the best in their respective grade.

Special mention to Andrew Stephen for his contribution over a number of years to the East Fremantle Football Club. Stevo was a passionate and dedicated player that gave his all no matter the situation. He will be sadly missed but leaves a legacy that he can be very proud of.

To all other players moving on, thank you for your effort and commitment. Also leaving is our Head of Sports Science, Ashley Cripps. Thanks Ash for your passion, professionalism, knowledge and friendship. We have greatly appreciated what you have done and we look forward to keeping our association going with you at Notre Dame that can only continue to make the club better.

No club can survive without help from so many and to all my coaches I can't thank you enough for your total dedication. Ben Grant was appointed Club Doctor and we were very fortunate that Ben went well beyond what was expected and his work with Jon Tan in a trying year was simply outstanding.

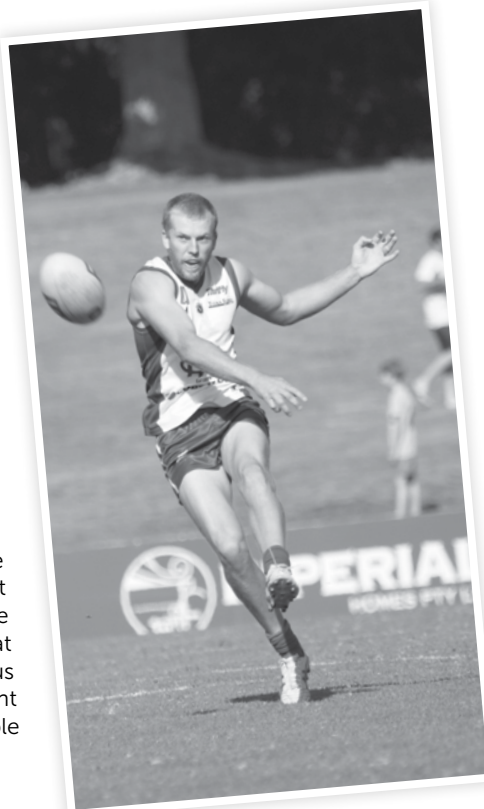

A huge thank you to all the following for their hard work and passion for the football club: Our Team Managers Uldis, Darron and Lindsay, the Sports Science staff, Ash Bannister our Head trainer and her staff, our Statisticians, property staff, Mick Jez and the Past Players, Brenton Boddington and Steve Stanley.

Special thanks to Michael Brennan, Todd Shimmon and Darryn Fry for all their support, commitment and friendship. To Mark Stewart and the Board for their faith and belief in working towards a successful and sustainable culture. We could not do this without the continued support of our sponsors and members.

Lastly thank you to the leadership group and the players for staying positive and sticking together in very trying times.

The players are very aware that we must place higher expectations on the individuals, the team and the club if we want to climb the ladder of success.

I'm very pleased to see some positive signs already in the off season that indicate the group is prepared to make changes. With this emerging talent that we have coming through the ranks plus who we will recruit, I am very confident that 2018 will be much more enjoyable and successful year.

Development League

by Mark Pashby - Coach

The 2017 season finished with the Development League playing a total of 65 players over 20 games. There were 17 players who were eligible for Colts who played up in the Development League during the season.

All 65 of these players gave tremendous effort and performed admirably for the jumper. Of the eligible Colts players Ambrose Ryan also played League.

With a horrendous list of injuries and with players leaving before the halfway mark of the season, the squad was often on the back foot with numerous changes to the lineup each week with on some occasions having up to 10-12 changes from a winning combination the week before making it difficult at times to establish continuity and rapport within the group.

Nevertheless the playing group and coaches always remained positive and focused on developing the boys to the best of their ability at every opportunity. The group played with great pride and team spirit and only fell one win short of back to back finals appearances. It was certainly disappointing not making

finals again as there were 9 established League players eligible to come back into the side to play if the team had qualified making for a very strong and competitive side which I believe would have made it deep into finals.

With 20 debutants in the League side in 2017 many of whom were 2015 and 2016 Colts players the club can look forward with optimism to the future having a list in 2018, whilst still predominantly young, has great depth of talent, further highlighted by Clay McClernon's Premiership winning Colts side.

Congratulations to Ben Harding for winning the Henry Jeffrey Medal as the fairest and best in the Development League. Ben also won the Prendergast Medal as the fairest and best player in the competition.

Runner-up was Peter Delaney, 3rd Alex Montauban, 4th Joel Kalajzic

and 5th Corey Holmes playing only 7 Development League games. Corey also won the Best 1st year player in the Seniors.

Sincere thanks to my coaching team of Kim Beasland, Lindsay Dick and

David Parker who gave great commitment and put in many hours of work watching vision and completing one on one's with players each week. The Coaching group work really well together and without doubt is the most rewarding and enjoyable coaching group I have worked with.

Special thanks go to Brenton Boddington for his great work having the game vision ready for us each week and always willing to assist with queries or problems relating to HUDL.

Despite a tough year for the League side my thanks go to Rob Wiley for his always positive support & guidance and helping keep the coaching team focused on the process. Thanks to Darryn Fry, Michael Brennan, Todd Shimmon and the Board of Directors for their support.

It takes a lot of hard work from a lot of people to have a team ready on match day and the efforts of trainers, Physios, Doctors, statisticians, property volunteers plus more, like Maureen and the Past Players is nothing short of outstanding and is greatly appreciated by the Coaching and playing group alike.

The club can look forward to 2018 optimistically, given the depth of talent coming through the Colts and Development League and with a young Senior group having gained valuable experience with Senior games now under their belt and a group determined to work extremely hard in the pre-season to be in the best shape for Round 1 next season.

by Clay McLernon - Coach

The Colts boys were determined to make the finals in 2017 after narrowly missing out in 2016. With a steely resolve and an eye on development the coaching group went to work to break down the most important improvements that needed to be made for us to reach our goal. The areas for improvement included building strength, skill acquisition, decision making and Leadership.

Season 2017 started slowly with some poor performances in preseason matches. The team showed poor early form, however worked through these early games showing consistent improvement in each game. The coaches and leadership group showed great strength in adversity and started the regular season on a high with a first up win against last year's premiers Claremont. This early form quickly slipped away losing narrowly to Peel Thunder in round 2. From that point on the consistency of performances was high and the boys confidence continued to grow and at the midpoint of the year the boys were sitting comfortably at the

top of the ladder. Throughout the rest of the season the boys played some fantastic football winning 14 games and only having 6 narrow losses for the season finishing the season as minor premiers.

Although not a major focus of the Colts competition, making the finals was a fantastic opportunity for our Colts boys to prove to the rest of the competition that we could play a high level of football at the highest of intensity. The boys had the first week off and then won through to the grand final after beating Claremont by three goals in the semi final. The boys had another week off to fine-tune to achieve our optimal performance in the upcoming Grand Final. The big day arrived and the East Fremantle boys were ready to go and performed exceptionally well. The boys ran out winners by 9 goals and the coaching group were extremely proud of their performance.

The exciting part for the 2018 season is that there will be many boys from

the Premiership team still eligible to play Colts along with some very talented boys making the transition into the senior squad. The club's goal to promote home-grown talent from Colts football, transitioning into senior ranks to ensure the club has sustainable success at senior level, continues to be an objective of the Colts' program.

We played 55 players from both local junior clubs and our Midwest region. From these 55, we debuted 29, which will only help them further develop in 2018. Highlighting the individual development of our players was the interest in up to five of our Colts' players for state selection and big congratulations to our eventual final squad members in Chris Scott and Tom Joyce (also in the AFL Academy).

The Senior coaches have invited 20 players from this year's squad to attend the first preseason session with the seniors and I predict a large percentage of these boys will remain with the senior squads. The rest will return to the Colts'

program to share their experiences and look forward to developing into senior ranks throughout the season.

Whilst the Club has acknowledged those who have given so much of their time to the Club, I would like to thank the East Fremantle Football Club Board, CEO Todd Shimmon and Football Manager Darryn Fry for their ongoing support during the 2017 season. I'd like to also thank the Colts coaching staff in Adam Dancey, Larry Cavallo, Adrian Ricciardello, Yzzy Jacob, Daniel Richards and Paul Hansen, plus my team manager Wayne Atkinson. Thanks also to Rob Wiley and Steve Miguel for their support and guidance and to our medical team, led by Erin, Meg and Alex. Finally to Maureen Gathercole for her gameday and training night food supplies and Mick Jez and the Past Players for their great support of the Colts' program throughout the year.

This year, being my second in the Colts competition, has allowed the coaching group to make the necessary changes required from the lessons learnt in 2016. It has been very rewarding to see those changes making a big impact on overall player and team development in 2017. I appreciate all the support I have been given and have enjoyed every element of the coaching role over the last two years. However due to having a young family and increasing work commitments I will not be coaching the colts in 2018 but wish them all the best in their future endeavours.

1987 Colts Premiership Reunion

It was a pleasure to catch up with some familiar faces at the 30th anniversary of the 1987 Colts Premiership. About 20 of us were able to make it to the day including players, coaches, officials and some parents and partners. A number of people travelled a long way to be there, coming from Esperance, Margaret River and even Thailand.

While all of us are now much older, greyer and larger than we were 30 years ago that didn't stop the stories being told and the memories being shared of what was a hard but successful year. We reminisced about many things including our tough and inspirational coach Coatesy, who we all miss greatly and without whom we would not have achieved what we did. It was great to see Cheryl there mixing with the boys even though Dwain, her son and our star centreman that year, was unable to make it.

Special thanks to Maureen Gathercole and Steve Nugent for organising and coordinating the event, and the East Fremantle Football Club for making it all possible. We look forward to the next one in

10 years time.

1957 League Premiership Reunion

The 1957 boys also celebrated a Premiership Reunion but in a much quieter way and with only 6 of the team able to make the day. Sadly we have lost quite a lot of these boys, after all it was 60 years ago and even the 20 year olds would be touching 80. Steve Marsh, the playing coach along with Harry Regan, Wilson Onions, Len Anderson, Jack Groves and Ray Sorrell enjoyed the reunion especially the stirring speech from Steve. It was great to catch up with them again and memories of that amazing day in 1957 still remain fresh in the mind of many of us.

OUR PHOTOGRAPHERS

One again we thank Phil Elliott (Pixell Photography) for all his work during the year. He has taken thousands of photographs, whether they be game action (both at home or away games), spectator photos, home game luncheons, other club social events or end of season team photos, Phil is the man.

Just about every photo in the Annual Report has been taken by Phil who has generously made his photographs available to the club either on hard drive or CD.

The knowledge that Phil's photos are available to enhance articles and when needed to fill a space, is very much appreciated.
Thank you again Phil. - Editor

LEN ANDERSON

In 2000 the WAFL initiated a match day football programme. Special footballs were to be produced and used by clubs for their home games.

These footballs depict a special player chosen by the club and considered to have made a considerable contribution to the club.

East Fremantle's Match Day Footballs are on display in the Centenary Cabinet in the Function Centre.

Our 2018 Match Day Legend will be LEN ANDERSON.

Len made his League debut for us on 6 October 1956 against South Fremantle at Subiaco Oval.

He played from 1956-1963 including the 1957 winning Grand Final and finishing with 355 goals from 108 games.

He has given a large slice of his life to his beloved East Fremantle as a player, coach, team manager, Director and Vice President.

He was awarded Life Membership of the club in 1979 and of the WAFL in 2002 and inducted into the East Fremantle Hall of Fame in 2012.

A worthy Match Day Legend.

FAREWELL FROM THE EDITOR

As this will be the last EF Annual Report I work on, I would like to thank all who have contributed articles and/or photos over the 20 years I have been involved. I hope all club members have gained enjoyment and information from the magazine and that you will give the next editor as much support and encouragement as you have given me.

To all at Perth Advertising Services, you introduced me to the difficulties and frustrations of being an editor. Thank you for the guidance and friendship freely offered. I was proud of each and every Shark Attack and Annual Report thanks to the care, interest and expertise of all PAS staff.

My thanks also to EF staff who have been involved in a variety of ways and to those of you who submitted copy at various times. Many thanks to the yearly postage teams.

See you at the football. Go the Sharks.

Past Players & Officials

by Mick Jez - President

To our sponsors Golden Eggs, Construction Skills Training Centre, Malaga Print & Copy, Cuccovia Contracting, Top Cut Foods, LM Poole Electrics and SignPoint, thank you for your generosity in season 2017 and we look forward to your continued support in 2018.

For the 2017 season a special thank you to our Patron Matt Gill and Vice Patron Angelo Cuccovia for their donations and patronage.

Congratulations to Len Anderson and Barry Lawler on receiving their well-deserved Life Memberships of the East Fremantle Past Players & Officials Association (Inc) for their outstanding service to the association.

This year our fundraising catering projects included EFFC match day breakfast duties during the season, Landmark Country Week games, Amateur Grand Finals, Football Development squad trial matches and several private catering functions.

2017 cash donations to the club this year was \$20,550. This included \$15,000 to the EFFC, \$2,500 for Development League and Colts match awards and Lynn medal night awards. We also provided \$2000 for entertainment on the Anzac Day Derby and \$1050 for twenty Anzac Derby Wrightson Medals which will be awarded annually to the best East Fremantle player in that game.

A refurbished gas oven was purchased for the downstairs kitchen at a cost of \$2750 and a new glass washer for the main hall bar where we contributed \$1700. Forty new bar stools were purchased for the bar area to which we contributed \$4100. We also purchased 100 new chairs for the Past Players room at a cost of \$2000 for a Total cost of \$10,550.

The Past Player group also provided financial donations to EFFC district representatives in the Women's and Youth girls State teams, Boy's State 18's & 16's, Schoolboy's and Schoolgirls competitions with a total cost of \$2,500.

Catering donations included match day fruit for the players, the GNFL Shark pack meals on their visits to Perth and the Colts match day lunches for both teams and umpires and the EFFC AGM. We also provided catering to several League, Colts and Development Squad functions during the year as well as a fully cooked breakfast to the eighty participants and staff for the MND Drive for Daniher fundraiser for a total of approximately \$3500.

As with last year we also supplied the food and drinks to the EFFC Women's Football Club for their fundraiser at Bunnings at a total cost of \$1200.

A special thank you to those members who provided their services with fundraising events this year. I look forward to your support in 2018.

A donation of \$750 was made to the Motor Neurone Disease Association with proceeds from the raffle of a hamper basket and two Xmas cakes kindly baked and donated by Vi Fairclough.

Mention must also be made regarding those members who kindly donated funds to cover the cost of our half time refreshments. Thank you for your donations and we look forward to your continued support in 2018.

Major projects undertaken this year were the installation of the Merchandise store container next to the can bar. This included a complete fit out with internal walls, ceiling, roller door, power, lighting, air conditioning and signage at a total cost of \$10,000. There were also a multitude of small maintenance tasks undertaken during the year. These projects and maintenance tasks were completed at a total cost of approximately \$15,500. All of these projects and maintenance tasks were completed using labour and expertise from the Past Player group.

I would also like to again thank Gary Stockden and the Grey group for their support with maintenance and cleaning around the club which eases the burden on the Past Players committee.

PP & O Christmas Party

Special thanks to Trevor Cangemi, Geoff Dunstone, Colin Retallack and Harry Bovell for their help with catering the Colt's early morning breakfasts and to Maureen Gathercole and Ivy Anthony for your assistance during the year with the Colts lunch.

I would also like to thank the Ladies committee for their efforts in preparing and serving the afternoon tea at home games and also a thankyou to the wives of the Past Players committee members for their help and understanding during the year.

Special thanks to my committee for another outstanding year in raising money for this football club. Thank you for your support and assistance which made 2017 a very successful year.

by Ken Lally - President

It is my pleasant duty to again report that 2017 was another successful year for the Mandurah Sharks Supporters Social Club. To our members and friends, I thank you all for your continued support of our monthly dinner meetings which have been very strong in numbers attending. We also signed up some new members for 2017 ensuring our club's survival.

I urge everyone to invite your family, friends and neighbours to our dinner meetings as we have done in recent years, to help ensure the future of our club.

To our guest speakers. I sincerely thank you all for donating your time and services which have become an integral and enjoyable part of our dinner meetings. This year we were delighted to have on board Ray Jones (Armstrong Jones), Glenn and Mike Ellis (Wildcats Basketball), Troy Kirkham (W.A. Football Commission), David Templeman (MLA & Mr Entertainment), Phil Matera (ex W.C.Eagles player and part of EF coaching panel), Tamara Bruce (Hall of Fame marathon swimmer), Bob Goodall (journalist / cameraman Channels 7 & 9).

The free bus to Shark Park in August again proved very popular with our members. A huge thank you to Mick, Noel and the boys from the P.P.& O. for preparing a wonderful 3 course meal on the night. The evening was capped off nicely with a most entertaining Phil Matera at his very best.

To the RAAFA, Meadow Springs, Sandy Cove Tavern and the Ravenswood Hotel, which were venues for our meetings, I thank you personally for the service, quality and cost of meals for our members. We look forward to their continued support in 2018.

To our sponsors, whom we cannot thank enough, for their kindness over many years has been and is crucial to our clubs success. We hope to have them all as part of our team for 2018. I ask all our members to support our sponsors whenever possible.

We were able to donate \$4000 to EFFC to sponsor players, purchase some equipment and provide a trophy for the Colts on Medal night

Ken and Shirley Lally

for their decisive Grand Final win, a great highlight of 2017.

To my team of Judy, Jerome and Noel - efficient as always - and their helpers in Phil, Wilson, Kevin and Shirley for organising our raffles, Grace, newsletters and invitations. I salute you. Well done. Our story tellers, Nina, Graeme and Ross certainly enjoy their roles, to the delight of our members.

Financially our club is in a healthy position for the 2018 season.

We look forward to having some 30 year celebrations for the Mandurah Sharks next year.

From humble beginnings in 1988, who would have ever thought that our club could be successful over 3 decades.

CHEERS and THANK YOU.

2017 began with a bang for football in the Mid West.

Geraldton hosted its own AFL JLT Community Series pre-season match in February between the West Coast Eagles and Fremantle Dockers at WA Country Builders Stadium, with 8,800 hearty footy fans braving the 40 degree heat to attend the match.

The GNFL would like to thank all the volunteers who generously donated their time to make it such a successful event. It really built up the hype for what was a great year in the GNFL.

The Northampton pre-season lightning carnival in April gave clubs the opportunity to dust off their cobwebs and blood their youngsters heading into the regular season.

After the initial round robin pool stage, Rovers and Railways faced off in the grand final, with Rovers coming out on top to secure the win. Congratulations to Scott McKay from Rovers who was named player of the carnival.

In June, emerging GNFL footballers were heavily featured in the Northern Suns - a representative Colts side who travelled away to play in the CBH Group Wongan Hills Northern Colts Carnival.

The Suns have an unblemished record at the carnival, having won the grand final each year since its inception.

This year saw that streak almost come to an end if not for the heroics of Railways player Kobi Seller who kicked a goal after the siren to clinch victory.

Congratulations to all the boys who represented the GNFL at this carnival, and congratulations to the ones selected in the All Stars side.

Mitch Boyle

On this same weekend it was the Regional Round Match for the Landmark Country Week Championships.

This year the match was held in Northam against Avon FA. Unfortunately Avon were no match for the pace and skill of the GNFL, with the GNFL winning the match by over 100 points.

Towns representative Gus Devitt starred for the GNFL earning himself best on ground honours.

A fortnight later it was time for the rest of the championships in Perth. The GNFL got off to a shaky start losing its first match of the weekend, before settling well in the second match and coming away victorious.

For the second year in a row, the GNFL missed out on a Grand Final berth by percentage - which is something to build on in 2018!

Ex-East Fremantle (and current) Railways player Mitchell Boyle was outstanding and earned himself selection in the all-star team.

Across all grades, GNFL Grand Final day was something to behold.

In the league decider, Mullewa's run and gun style of play aided them to win the 2017 premiership. In doing this they became the first ever team to go from wooden spoon to premiers in successive years.

They defeated Railways, who featured JJ Clune Medallist Kim Schofield, brother of Lynn Medallist Jayden Schofield.

Kim claimed the award ahead of team mate Mitchell Boyle in what was a close count.

In the reserves, Rovers snapped a premiership drought to overcome Railways, while Chapman Valley recorded their second successive premiership in the colts, defeating Brigades.

The GNFL would like to thank all volunteers, officials, players, supporters and anyone else who contributed to such a successful year.

Bring on 2018!

EF District Football Development Officer

by Daren Bell

It has been another huge year of football in the East Fremantle District in 2017 and we'd like to thank everybody involved in the district for their hard work and commitment over the past 12 months. The District encompasses all aspects of the game from Auskick, Junior Football, School Football, Female Football, Senior Football, Coaching, Umpiring and is successful on the back of the hard work of all our volunteers.

We would also like to commend our Junior Competition Council, comprising of Competition Director: Anthony Doig, Assistant Competition Director: Helen Hunter and Registrar/Treasurer: Susan Cassidy-Parker. They devote countless hours to their roles and continue to oversee the highest quality junior competition throughout WA and Australia wide.

Club of the year Willetton JFC

From a holistic perspective, the Junior Competition falls under the District Football Development Council which is the governing body of all football in the East Fremantle District. Under the guidance of District Chairman Geoff Wolfenden and the East Fremantle DFDC, the future of football in East Fremantle is in great shape. The

foresight and commitment to growing our game through our local people and communities is unmatched by any other sport. A testament to this is the quality programs and growth being achieved in football across the district.

Our junior clubs and their committees also need to be recognised for the mountain of work that goes into running a junior football club and growing Auskick centres. The strong club cultures being built across the district highlight the quality of people we have driving our clubs and they provide the players the best opportunity to develop their football and continue along their football pathway.

There are a few other members we'd like to highlight, who have provided great support to our junior competition. Firstly, our Junior umpiring group managed by Ryan Sinclair. The umpiring group oversee the strongest junior umpiring association in WA with over 160 junior umpires and are a credit to themselves. The quality of umpiring

on display throughout the season speaks for itself and this is echoed by the number of umpires entering the talent pathway and umpiring at WAFL and AFL level. The fantastic work from Kim Beasland our District Coach Co-ordinator, Neale Johnson our School Representative and Lynette Smith our Female Football representative need to be acknowledged as well.

The East Fremantle Football Club has been a fantastic supporter of the district as well, so we'd like to recognise Todd Shimmon and the club for their commitment to the district and assistance across 2017. A special mention must also go the East Fremantle Past Players, who always lend a helping hand to the district. Their hard work doesn't go unnoticed and we are very lucky to have their assistance and value their contribution as volunteers.

Finally, we would like to thank all participants and parents for making 2017 another strong year of football in the East Fremantle Zone. The East Fremantle Colts Premiership is a fantastic sign of the strong player development occurring across the district and the future is bright for the East Fremantle District and East Fremantle Football Club!

Womens Football

by Kate Argent

2017 was a huge year for the East Fremantle Women's Football Club (EFWFC). There were incredibly exciting developments for the whole of footy through the women's game and EFWFC enjoyed another year of success on and off the field.

The Club had 113 players throughout the year across our three grades, the most number of players we've ever had and a 'good problem' for the coaches on selection day. It's great to see so many women and girls taking up the sport we all love.

A highlight of our year was our celebration of the Club's 30 Year history, including an historical match on Supporters Day, where our Past Players took on the WA Masters team. It was fantastic to see so many stars of our Club pull the blue & white on again, and we thank everyone involved for making the day a success.

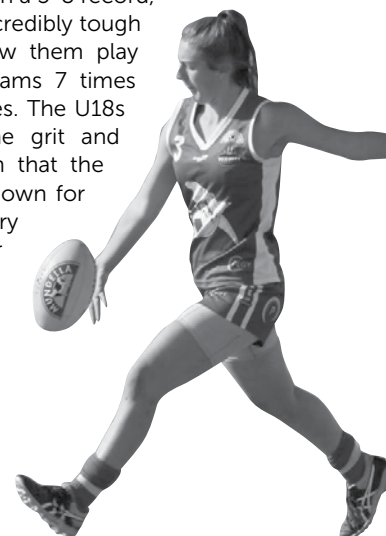

We welcomed new sponsors in Pegy, Parkwood Hardware and Elite Insurance, along with League Sponsors Mundella Foods, who joined existing partners Cuccovia Contracting, The Left Bank, Enhance Physiotherapy, 9 Seeds Café, King Supplement and The East Fremantle Past Players and Officials Association. We thank all of these businesses for their support in 2017.

The Club was delighted with our on field achievements:

League: finished 3rd on the ladder with a 9-5 record. Comfortably won their semi-final against Claremont and narrowly lost the preliminary final to eventual premiers Swan Districts.

Reserves: finished 3rd on the ladder after home & away rounds with a 10-4 record. Won their way through to the Grand Final with wins over South Fremantle and Coastal Titans. Lost the Grand Final by 11 points. This was the first time in the Club's history that our reserves side made the grand final and with 11 of the 24 grand final players being in their first year, the club is in a strong position for the 2018 season.

Rogers Cup (U18s): finished 5th on the ladder with a 5-8 record, despite an incredibly tough draw that saw them play the top 3 teams 7 times over 13 games. The U18s embodied the grit and determination that the Sharks are known for and we are very proud of their progress.

WAWFL TEAM OF THE DECADE

- Steph Walding
- Nikki Harwood
- Caitlyn Edwards
- Melissa Caulfield
- Emma Swanson
- Brianna Green

We also congratulate two of the Club’s stalwarts for their recognition this year:

- Nikki Harwood on her induction as a Life Member of the WAWFL, an accolade very well deserved.
- Narelle Scott on winning the WAWFL Volunteer of the Year Award, for her incredible commitment to the Club over the last 10 years, as Vice-President, Treasurer, Team Manager and much more.

A big part of a Club’s success comes from its dedicated and talented group of volunteers. In addition to those listed below we enjoyed the support of regular runners, water runners, scoreboard attendants and much more. Thank you to all of our volunteers.

Looking to the future, we will have a new look football department, with Steph Walding stepping into our newly created Football Manager role. This appointment brings a new level of professionalism to the Club. The Head Coach position is in good hands, with Nikki Harwood once again taking the helm. Nikki is one of the most experienced female football coaches in WA and the Sharks are lucky to have her talent and experience.

EFWFC continues to be a leader in developing its people and we are excited to announce that we are partnering with Women & Leadership Australia to launch a leadership program for our players and volunteers. This is an incredible partnership and will be a game changer in the WA footy industry. The participants will each undertake leadership projects which will see us connect even more with our community, including our ties with the MidWest region.

The WAFC are planning to introduce a limited teams WAFL Women’s Competition in 2018 or 2019. This will change the face of Women’s Football in the state, and will be a huge boost for the WAFL Clubs who are successful in getting a license; for membership, audience and sponsorship. East Fremantle is a pioneering club in the WAFL and aims to be the benchmark for state level clubs in Australia and our Women’s Club is one of the strongest in the competition, with a professionalism and culture well above that normally expected of an amateur club. Working together, we need to do everything in our power to ensure we are one of the Clubs granted a license in the inaugural season.

Thank you to all of our supporters, members, volunteers, players and sponsors for the 2017 season. We look forward to seeing what 2018 will bring.

Coastal Sharks Netball Report

by Sarah Fowlie

The Coastal Sharks' Region includes Fremantle, Rockingham and Mandurah, Pinjarra and Peel Netball Associations which contributes to an extraordinary depth of talent across all age groups stemming from our grassroots competitions through our junior elite Academy & Cadets programs as well as our WANL teams.

Former Australian National player, Sally Ironmonger retired from her role as Head Coach of the Coastal Sharks at the end of the 2016 Season and fittingly was awarded with the 2016 Netball WA Coach of the Year Award. At the start of the 2017 season we welcomed new Head Coach Belinda Reynolds whose previous roles have included Assistant Coach at the Western Sting (ANL).

Sally Ironmonger and former Region President Yvonne Rate were both awarded Life Membership in 2017 for their dedicated service to the Region over many years.

A major achievement for not only the individual athlete but also the region was the signing of our own Sophie Garbin to the Sydney Swifts for the 2018 Suncorp Netball season.

The League and Reserves teams are still one of the youngest squads in the competition with the average age of 20.7 and three whom were age eligible for the 18's/U squad. The commitment of all our Coaches who nurture the development of our young elite athletes are to be commended.

The majority of games (except for Regional games) are now regularly held at the State Netball Centre which opened in 2015 and provides an excellent competition venue. 2017 saw Coastal Sharks enter in to a training venue partnership with Emmanuel College in which the club were able to access their gymnasium & its facilities for our training sessions this season. In return our coaches & athletes contributed to assisting with the school's netball specialist program.

CNR hosted its 2017 home game at the new Mandurah ARC enabling the Region to showcase its elite athletes back at a grassroots venue deep into the Peel

region where participation numbers are growing exponentially. It was a great success with over 300 spectators through the venue throughout the day.

The Peta Waterman Cup on the 28th July at the SNC was a fiery contest against South East Demons. Coastal Sharks eventually took out the trophy this year winning 57-53. (Peta played 190 games for both Demons [Sparks] and Coastal Sharks during her State League career from 1989 - 2006.)

■ LEAGUE

Team: Natalie Bright, Sophie Garbin, Courtney Kruta, Olivia Lewis, Grace Parker, Jessica Penny (captain) Teagan Phillips Ellie Smart, Brittany Turnbull, Phoebe Wilcox.

Coached by Belinda Reynolds, Donna McPherson and managed by Deb Poole our League team finished runner-up in the Grand Final in a highly contested final which saw a goal disallowed in the final term giving eventual premier's West Coast Warriors a lead-on and then went on to win the match 47 - 43. The club has continued to develop many young athletes this year and 2018 is shaping to be a very exciting and successful year yet again. The 2018 WANL competition will start in May which will see our elite athletes return fully to the squad after completing their state duties.

■ RESERVES

Team: Hannah Burke, Zoe Fisher, Ruby McWilliams, Morgan Millar, Rebecca Nitschke (Captain), Grace Parker, Claire Pickerill, Emily Smith, Katie Swetman, Abbey Thomas, Kirsten Young,

Our Reserves coached by Naomi Pannell, Jodie Nairn and managed by Karen Wheatland defeating West Coast Warriors 50 - 39 in the Grand Final. This makes it an unprecedented 6th year running Coastal Sharks - Reserves having won the premiership.

■ 18/U

Team: Deni Broadhurst, Sarah Burton, Sophie Clancy, Sarah Cain, Natalie Holle, Claire Holliday, Lizzy Hughes, Aimee Littlejohn, Kate Pickerill, Danika Turnbull, Montana Turnbull, Ella Smith, Sophie, Waddington, Ruby Wallace, Molly Warne

Our 18/U coached by Lisa Callaghan, Anne Bowey and managed by Maggie Straus finished 5th and unfortunately missing the opportunity to play in the finals series. The 18/U had an inconsistent season however the coaches continued to encourage player development. In 2017 the 18/U ran a Shark Net development program in conjunction with the 18/U allowing more players and coaches in the Coastal Netball Region an opportunity to progress with their skills in the WANL environment.

■ ACADEMY

Coastal Sharks were premiers up in both Division 1 Academy Cup and Division 2 held at the State Netball Centre on 8th Oct.

■ WEST COAST FEVER ACADEMYS'

Across all divisions of the club 15 of our athletes have been selected in the 2018 Fever in Time State Academy, 4 named in the inaugural West Coast Fever Academy and 2 as West Coast Fever training partners.

The Coastal Netball Region Presentation Dinner was held at the East Fremantle Football Club on Friday 1st September. The following awards were presented to:
