## 2010

### PRESIDENT'S REPORT

*From the buzz and excitement of last year, to the disappointment and empty feeling for 2010. That's football. While we didn't get the results on the field we all tried so hard for, the effort put in was great.*

Despite the number of injuries, the positives that came out of this year was the number of young and upcoming footballers who got their chance to play senior football.

To all of our coaches for 2010, many thanks for your positive attitudes and tireless effort. Whether we

finish in the four or not the work put in by our support staff is full on and demanding and for that we thank them all.

I would like to thank 2009 premiership Coach Garry Fuller for amazing commitment to our club and although he will be around in some capacity has decided to have a spell from coaching. On behalf of the playing group the board and all members and supporters thank you.

To our dedicated group of footballers, from the very young to the one's getting on many thanks for your effort and outstanding behaviour for the year. To all of our footballers that have put their names into the 2010 AFL draft good luck and if you miss out the SFFC will do all we can and with your help try to get you there next year.

I would like now to thank our Board for their hard working effort. Like our effort in the football department, plenty of hard work but no chocolates it was much the same with our finances, a hard working board with a poor result at the end. We sat down and looked at the expenses at our last Board meeting and how they have increased over the past twelve months and will have to look at many ways of cost saving over the years to come.

Our board realize that next year is important re our finances and is committed to the task as is our CEO Brian Ciccotosto.

#### DIRECTORS:

Peter Christie Vice President

Salvatore Capolingua

Don Pasqua

Brad Collard

Tom Bottrell

Rob Taylor

Anthony Van Der Wielen

Tom Bottrell is retiring as Director, Tom has been a loyal and dedicated director to the club and I thank him for his services.

Many thanks for your loyal support and tireless effort to try and make our club the best. I would like to thank our Administration Manager Amelia for her great support and for her professional approach to all of her duties. Amelia has a great rapport with our members and is a great asset to our football club. We wish Kirsty, now she has left the football club all the best in her future employment and welcome her replacement Jess Persichillo.

To Vido, Bradd, Louise, Boyden & Robyn many thanks for 2010.

To Steve McCarthy, you do a great job for this football club and on behalf of our Members the Board and our players many thanks.

Our football club has all types of pressures placed on it in many ways and it's thanks to our CEO Brian Ciccotosto who has continued to reinvent himself to keep up with the changes placed on WAFL clubs today great job, Cicco.

Another great effort was performed by our Past Players under the leadership of Wayne Delmenico and Bob Bright. They kept performing in entertaining our playing group and raising funds for different groups. Outstanding job.

To our members we are currently in talks with the Fremantle Football club re the development of a complete set of new facilities for our club. The reason for this is if the Fremantle football club is to be successful the need for bigger and upgraded facilities is paramount. In saying that it is the boards responsibility to make sure before any arrangements are made all members will be informed and given the opportunity have a look at all the designs and have a vote on the outcome.

We didn't make a lot of money in the bar this year and unfortunately prices will have to go up with the increases in operating costs and higher prices in product, but the presentation of our bar staff and the way they treated our members was second to none.

In stating the above we are in good shape to turn it all around for next year. Bob Lahiff, to you and your staff well done and we look forward to next year.

I would like to wish our new Football Manager all the best with our club. Brent Dawkins comes to us with a wealth of experience after fourteen years with the Fremantle Football Club.

To Marion and her loyal band of ladies thank you for your continued work and the way you help this football club with your afternoon teas and healthy food.

And finally to our loyal members and sponsors many thanks for putting your money into our football club. You people alone are the life line of our club and we could not operate without you.

And finally the South Fremantle Football Club is a great club to be involved with. But that's not enough. We need to improve all aspects of our club to keep up.

We have a very dedicated number of staff, a committed board and a great group of Coaches. Together we can do this.

As the club's President I have enjoyed my role and realize I also need to improve along with everyone else.

I would also like to thank my wife Sue for allowing me the time to do this role and for coming along and enjoying the club as I do.

**HAYDN RAITT**  
**President**

## 2010 CHIEF EXECUTIVE OFFICER'S REPORT

*Members of the South Fremantle Football Club, on behalf of the Board of Directors, I have much pleasure in presenting for your adoption the club's 111th Annual Report.*

Well we have certainly gone from chocolates in 2009 to boiled lollies in 2010 across the board in all grades in what was a disappointing football season. Nevertheless some positives emerge which relate to the number of outstanding juniors who have now had a taste of senior football.

No doubt the AFL talent scouts were busy during the year watching the likes of Myles Bolger, Matthew Jones, Shane Kersten, Ben Newton, Warrick Andreoli and last year's Colts medallist Jarrod Parry in action which may be a forerunner of many being drafted in latter years.

During the year, Brandon Matera made the journey to play with the Gold Coast and acquitted himself very well as did Ashton Hams and Callum Wilson with the West Coast Eagles. Ashton in particular finished off the season in great style by being judged best on field for his side against Geelong at Skilled Stadium.

Last year I reported that the board was looking at enlarging and refurbishing the club kitchen. This project was only partially completed due to ongoing talks with our co-tenants the Fremantle Football Club over a master plan for the Fremantle Oval precinct.

Over the ensuing months we the board and you the members will be given the opportunity to have input into any further developments at the oval and we will be in a position to stall the proposed plans if we believe it is not in the best interests of the club.

We will communicate our progress or lack off through the club's normal channels and through the clubs weekly online "Bulldogs Banter". Please provide the club office with your email address if you haven't already done so.

### FIRST YEAR PLAYERS

In 2010 twelve players made their league debut including Anthony Collica, Andrew McCarrey, Mitch Carter, Thomas Motlop, Dylan Bairstow, Ross Tungatum, James Klause, Blake Dunkfield, Jarrod Parry, Shane Kersten, Daniel Easter and Matthew Leece.

### BEST PLAYER AWARDS

Congratulations to Nathan Phillips, Mark Miller and Brendan Ah Chee for winning Best and Fairest Medals for the League, Reserves and Colts respectively.

### SPECIAL AWARDS

The Clive Lewington Medal for our best player in the Foundation Day Derby was presented to Hughes Medallist, Nathan Phillips.

The Charlie Tyson (Big Boots) Medal for the best player in the annual game against Subiaco was won this year by dual Hughes Medallist, Kris Miller.

The Strzelecki Group Indigenous Rising Star Award was won by outstanding junior Emmauel Collard.

### STATE REPRESENTATIVES

Toby McGrath, Sam Hunt and Andrew McCarrey represented WA at Medibank Stadium when WA was comprehensively defeated by Victoria.

### LIFE MEMBERSHIP

The Board has much pleasure in recommending in 2010 that Joan Jones and Greg Wootton be awarded Life Membership.

### LIFETIME MEMBERSHIP

The following qualify for Lifetime Membership in 2011 by virtue of continuous 50 year membership: Arthur Lee, Kevin Poller and Eugene Lynn.

Former player Archie McDonald has qualified for Lifetime membership beginning his league career in 1960 and having played 66 league games.

### VOLUNTEERS

Every year the football club relies heavily on volunteer support. This year three qualify for their ten year service certificate. Congratulations to Margaret Smith, Peter Taylor-Thorpe and Steve McAuley for completing a decade of meritorious service.

### DIRECTORS AND ADMINISTRATION

The board continues to be capably led by chairman and President Haydn Raitt.

Two outstanding contributors to the board Terry Dean and Santo Merenda resigned at the 2009 Annual General Meeting to be replaced by former club captain Brad Collard and executive of Lion Nathan, Frank Arangio. Unfortunately Frank's time on the board was short lived due to his transfer in employment to Sydney.

Administration Manager, Amelia Dabrowski ran a very tight ship once again and was ably assisted by Kirsty McGuire before being replaced in August by Jessica Persichillo.

The football department initially led by Football Manager Jason Burton until his departure in July will need to put its shoulder to the wheel over the post season to guarantee a more successful on field outcome in 2011. We believe with the reappointment of senior coach John Dimmer ably assisted by our latest addition to the football department Brent Dawkins and the energetic player development officer, Daniel Vidovich we are on the right track to future glory in 2011 and beyond.

Another significant off field appointment in 2010 was functions manager Bob Lahiff who has brought a wealth of experience to this role. He has assembled an excellent bar staff which is the envy of all WAFL clubs.

Congratulations to our district development staff in Bradd Gardiner, Louise McKenry, Robyn Elms and Boyden Griffiths in another great year of accomplishments at junior level and to Steve McCarthy, the WAFL's best and most respected groundsman.

### WA HALL OF FAME

This year we had great pleasure on witnessing the induction of Sandover Medallist Mark Bairstow.

### CONCLUSION

On reflection, though we performed poorly in all grades in 2010, through astute planning and hard work there is no reason why we can't be a serious contender in 2011.

**BRIAN CICCOTOSTO**  
*Chief Executive Officer*

## 2010

### BAR/FUNCTION MANAGER'S REPORT

*The bar this year has been reasonably successful from an operational point of view, but as in other areas of the Club's operations this year we have incurred a lot of "unbudgeted" expenses – some of our own making, and others in the areas of increased charges and maintenance costs, etc.*

At the beginning of my tenure as Bar Manager at the Club, I considered - as a long time supporter – that the levels of customer service in the bar needed improvement, and that became my major focus as the 2010 football season came around. To do this, I made some changes to the bar area itself - and to our methods of operation – which resulted in some expenses to the Club which were not originally budgeted for. A lot of these were "one offs", and set us up for smooth operating for the remainder of the year.

From the beginning of the season, staffing levels were also increased – again to try and improve the general level of service to our members and visitors on game day. While we were successful in this aim -as evidenced by the amount of extremely positive feedback we received about the appearance and attitude of our bar staff – as the season progressed, we found the staff numbers were too high on occasions. Due to the fact that home games were few and far between in the early part of the season, the "fine tuning" of staff numbers was an ongoing project until the last few games in August.

We had a couple of "bonuses" during the year – those being the Fremantle vs Geelong practice game in March, and the Foundation Day Derby in June. Foundation Day in particular was a big event, as we had two remote bar/function operations happening at the same

time as our Luncheon and normal bar facilities. While it provided great revenue, it also required large numbers of staff at Public Holiday rates, which proved to be another big "over budget" expense.

The CEO and I have analysed our expenses this year, and have started taking steps to reduce costs in areas that we can control. We are also looking at ways to maximize our revenue potential – particularly in the area of venue hire. The Club has been very generous to its clientele in the past in this regard, and I believe that we need to revisit our fees in the light of large increases in running costs. The intended result is an improved profit margin next year.

Thanks to everybody who assisted us this year in one way or another - the Past Players and Don Pasqua (Centurion Club) were a pleasure to deal with, and Peter Taylor-Thorpe was always willing to help out at any time.

In the areas of administration and planning, Brian and Amelia were a great help to me with their experience, knowledge and support.

Thanks also to the bar staff, a lot of whom were new this year. They learnt quickly, had a great work ethic, and genuinely enjoyed working with each other and for the members. My "unofficial" assistant manager Susie Bell – who came to work with us this year – was outstanding, and established a great rapport with all our regulars.

Finally, thanks to all you members who supported the Club this year – both at the footy and in the bar – it's a pleasure to work for you.

## 2009 COLTS REPORT

2010 was a very special year for the South Fremantle Colts.

Firstly, I would like to acknowledge the absolute commitment and passion the players have displayed over the course of a season.

Every player represented the South Fremantle Football Club with upmost distinction in training, games and off-field commitments and I have no doubt many of these young men will continue their outstanding involvement with the Bulldogs.

Colts football is a development program and as a coach, my personal ambition, is to develop fine young men and I think we have achieved that.

We played a total of 61 players and provided opportunities to many young men in our metro and country zones and from the Warriors Academy.

12 players played made a successful transition into senior football playing a handful of reserves games late in the season, and Shane Kersten graduated to league football.

I would like to congratulate the seven players who were selected in the WA State 18s, the highest representation from any of the WAFL clubs, a credit to South Fremantle, the coaching staff and the players involved.

The 2010 season started with a bang as our full strength colts team defeated East Perth (home), reigning premiers Claremont (away) and Perth (home) to be 5-3 after the first round of fixtures.

The next round saw many opportunities arise with the State campaign and injuries change the make-up of the team. Many players from the colts rookie list became regulars and we were fortunate to have a plethora of players from the Warriors program ready for colts football.

Whilst we only won one more game for the season, there were many outstanding efforts and performances against more experienced opposition.

It was a tough way to learn about WAFL football but football is a cruel, demanding game and I have no doubt this learning will pay dividends in the coming seasons.

I would like to personally thank my coaching staff for their diligence, professionalism and good nature this season.

Bruce Fraser, who has gone over and above in his role as assistant coach this season, has guided me through some tough times this season and I sincerely thank him for his contribution to the program.

Assistant coaches Daniel Vidovich, Daniel Gilmore and David Daws all brought an intellect to the coaching panel, various experiences and developed strong relationships with all the boys.

To Sue Jones, who did not miss training all season, I thank you for your outstanding role as colts manager and Lew Turner for his dedication as game day manager.

Thanks to colts chairman Terry Dean, for the enormous volume of work he did behind the scenes, always solving problems and making the environment a positive one for players and coaches alike.

Thanks to Sue Griffiths, Harry and Terry for the important roles that made the game day operation very smooth, we all appreciate your assistance.

To all the training and medical staff who helped out through the year your contribution was invaluable.

I must make a special mention to Colin Griffiths Jnr for his enormous effort as head water boy for the 2010 season. Always smiling, Colin is a fine young man who always lifted the spirits of the group.

I would like to thank all the parents who have supported the program and given me positive feedback through the journey, for a first-year coach I sincerely appreciate your help.

Thanks to John Dimmer and Garry Fuller for their mentorship throughout the season, to have two senior premiers coaches in your corner is an incredible privilege to a young WAFL coach and I appreciate your efforts.

Finally, thanks to Pete Christie, a great football person, who always provided support and friendship throughout the season. I believe the South Fremantle Football Club is very fortunate to have Pete as director of football.

In closing, I wish to thank the South Fremantle Football Club for giving me the opportunity to coach; I have had one of my most enjoyable years of football involvement and have learned more about football clubs than ever before.

Unfortunately, I will not continue coaching in 2011 due to increasing work commitments however I have no doubt the team will be in very good shape and the lesson learned this year will turn the tables in the next.

Good luck to all the boys, we have had a lot of laughs this season and I hope you keep enjoying your football.

## 2010 RESERVES REPORT

Being a successful football club – at any level – requires an enormous amount of organisation and effort, as well as a healthy slice of good fortune. Just as in any match there are pivotal moments that can ultimately determine the course of the game, so there are circumstances and events within a club that greatly affect the ongoing success of the playing group. During the 2010 season the South Fremantle Football Club was tested on many fronts, from front office issues and coaching panel changes through to player retirements and an ever mounting injury list, all of which played a part in shaping our season.

In defending their 2009 premiership, the 2010 Reserves team was again a highly competitive unit. After a slow start to the season the team settled into some consistent football and we had worked our way into a top three position. But, as the season wore on and we were forced to make large numbers of changes to the team week after week, the odds became insurmountable and we slipped out of the finals race. At no stage did the Reserves surrender meekly in a contest, it was more a case of our team being slightly behind in their physical development and game experience to challenge the top sides late in the season.

In our last three matches we fielded a team containing ten or more Colts-aged players, all of whom acquitted themselves well and enjoyed the experience. These players were given the opportunity to train with the senior squad over the last 4-6 weeks of the season and the feedback from them has been very positive in terms of growing their confidence and increasing their awareness about the standards expected within the senior group.

Although we were not successful enough on the field to take part in the finals this year, I have been immensely satisfied with the level of dedication and improvement within the group. We played 62 players in the Reserves team throughout 2010 – surely a “world record” - and those who were promoted to the League team were keen and confident about making a real impact at the higher level. Sometimes success should not be measured purely by premiership points, and I strongly believe that this season is one of those cases. The validity of my beliefs will be tested next season because I expect the group to maintain their level of improvement and surge back into the finals. Anything less would prove my confidence in the group to be unfounded, but I’m prepared to back them in!

It’s at this point that I would usually single out many of the individuals who have given invaluable service to the Reserves group throughout the season. In this report, however, I would simply like to extend my most sincere thanks to all of those people who made a contribution to our 2010 campaign. There are so many levels of involvement, each as important as any other, and I would like you all to know that the players and I appreciate your often thankless efforts.

Congratulations to all of the award winners, particularly Mark Miller and Tyler Hall, both of whom have beaten off setbacks to play consistently good football over the season. The challenge ahead for these guys, as it is for many of the young Reserves squad, is to establish themselves as regular League players next season, through hard work and persistence.

I would like to confirm that I am standing down from the position of Reserves Coach after five extremely rewarding seasons. There have been many highlights and many challenges, and I would like to particularly thank John, Terry and Haydn for their ongoing

support throughout my tenure. The club has provided me with the opportunity to continually develop my coaching skills, under one of the all time greats of the WAFL and surrounded by people of real quality. More importantly, the club has provided me with the support of another “family” throughout a very challenging time in my personal life. I will forever be indebted to you all for that. I am looking forward to taking on another coaching/mentoring role within the club in 2011 in support of our developing talent.

In closing, the adage that ‘the harder you work, the luckier you get’ certainly does not apply to our group of players. During 2010 they worked as hard to improve as any group I have been involved with, and I am sure they will continue to do so. What they are collectively due is an upturn in the luck needed to maintain their best efforts on the field. That said, there is no substitute for honest, hard working players, and I have no doubt that it will be a very determined group that turns out for preseason training in early November. I wish them every success.

## 2010 LEAGUE REPORT

Twelve months is a long time in football. This time last year I was writing about the great success we had had at both league and reserves level, twelve months on and we failed to make the finals in either grade. How can this happen in such a relatively short time?

There is no doubt that injuries certainly took their toll on the team. Key players were struck down with serious injuries from the first game of the season and things did not improve from that point in time. By the end of the season we had three knee reconstructions, two serious ankle injuries, two other knee complaints and a series of soft tissue ailments. This culminated in twenty five players from the senior squad being unable to be selected for the last game of the season.

I also feel that we had some players who were suffering from football fatigue. This fatigue can build up over the years and can be a product of carrying injuries, being delisted from AFL squads or not being drafted when expectations were high that they may well be selected for an AFL list. These factors as well as coming off a premiership and the clubs most successful season since the 1950's culminated in a number of players playing below their true capabilities.

There is, however, no doubt that the season has been an extremely productive one in terms of development. Forty two players represented the club at league level of which twelve were first game players, sixty four played reserves football of which a large number were promoted from the colts. This exposure to higher level football will stand the players in good stead for the future.

It is also pleasing to note that individuals who were in and out of the team last year cemented their place in the team and finished high in the fairest and best awards. This is a great reward for their perseverance and commitment. In particular I would like to congratulate Nathan Phillips for his effort in winning the Fairest and Best Award even though he was struck down with a knee reconstruction and missed a number of games towards the end of the season. Ashton Hams second placing was also reward for a terrific year which saw him consolidate his place in the West Coast Eagles team and because of his efforts we may see even less of him in 2011. Adam Guglielmana's efforts in taking out third place is a tremendous story and example to all players of what can be achieved through a consistent effort and desire to want to be the best you can be. With this approach I'm sure Adam will improve even further and become an elite mid-fielder in the competition.

The challenge for the younger players and those who have now played a significant number of games is to become dominant WAFL players, not just players who make up the numbers, but players who can lead the club to a finals campaign and hopefully a premiership. This takes continual improvement which comes from a dedicated approach to all aspects of the game, anything less and there will be no individual improvement and no change in the position of the team.

Whilst 2010 did not bring the results we were after we still had some great work being done behind the scenes and in this regard I would like to thank a number of people.

Firstly to Tom Bottrell for his work with the leadership group which this year included some new faces in Corry Amato, Kyle Hams and Toby Bairstow along with Craig White, captain Toby McGrath, vice-captain Jaymie Graham and deputy-vice captain

Sam Hunt. Their continual development will stand them in good stead not just in football but in life in general. I would particularly like to single out Toby McGrath for special mention. Toby announced that he would stand down from the captaincy at the end of 2010. He has had a highly decorated career to date and can now put his efforts into returning to top form for next season and helping us climb up the ladder and help someone else at the club become a premiership captain like him.

I would also like to thank Tony Mollica and Carl Micale for their work around the club and particularly with the league team. Both of these gentlemen are great individuals who have a big impact on the senior squad. To Sandy Cuccovia and John Jones in the property room (with the occasional guest appearance of Ron Porter) kept the property room buzzing all year. To our medical staff headed up by Merv Lockhart and physio Greg Wootton well done in what was one of the busiest years on record in the medical rooms

To the coaching staff, well done in a difficult year. The efforts of Tony Walters, Neil Mildenhall, Andy Stone, reserves coach Garry Fuller and assistant Nigel Hamilton along with fitness staff James Bridle and Cas Gabriels were just as dedicated this year as last. The efforts of our runners, particularly Les Olivieri (who often ran for the reserves and league on the same day), are to be commended as well.

It is also important to note the work of departed Football Manager Jason Burton. Jason brought a considerable amount of expertise to the league and reserves teams, particularly through the application of video editing and statistical analysis that was vital for the feedback given to players. This element of player development can never be underestimated and was a real strength of Jason's. Whilst Jason left during the year I look forward to working with our new Football Manager, Brent Dawkins, who brings to the club a great deal of experience from the AFL system and a real knowledge of player development protocols, this augurs well for the future. Welcome Brent.

To all the other members of the South Fremantle staff both paid and volunteers, thank you for your efforts. Hopefully we can reward you next year with a climb up the premiership ladder.

Finally, I would like to thank our Board of Directors. Without their commitment we would not be the great club that we are. In particular, I would like to publically thank them for appointing me as the league coach for the next three years. This show of faith gives stability to the coaching structure and a sufficiently long enough time frame to develop the young players mentioned earlier to the level required to be successful.

2011 is not far away. The challenge for the whole club is to improve in all areas so that we can move higher up the premiership ladder. The playing group have a major role to play in this. Without a dedicated approach, starting in November, success will not be achieved. It is up to each individual to set their goals high and work hard to achieve them, sometimes in the face of difficulties. The rewards that the ultimate success brings is obvious, you just have to look at the players who have tasted premiership success at all levels at the end of 2010 to understand the feeling it brings. No one gives you success you have to go and earn it.

### PLAYER DEVELOPMENT OFFICER REPORT

**I would like to start off saying, a big thank you the club for giving me the opportunity to be a part of the South Fremantle Football Club in 2010. Starting a new job in an industry and at a club that I love, was a dream come true for me. As I am still learning new different ideas each day, I enjoy the challenges this job poses every day.**

#### 16'S DEVELOPMENT SQUAD

The 16's Warriors development program started off with a new coach on board, Jason Ireland. He took over the reigns as head coach at the beginning of January, with a very impressive coaching background coaching through our district and being a head coach for 14's and 15's development squads over the past few years.

With Jason's experience and help from assistant coaches in Peter Robinson and Sam Saffioti the boys were exposed to quality coaching which would help them through the WAFL carnival as well as back into the community levels.

Following the WAFL 16's carnival, Brendan Chen was awarded the Jim Hurst medal for best player in the carnival. We also had 3 players; Sean Lynch, Mason Shaw and Adam Carter represent the State 16's side in Sydney. Jayden D'Vauz was selected to travel to South Africa by the AFL Indigenous program which took part in March this year.

In July the 16's travelled to Melbourne, which included 38 players and eight support staff, which made up of the Player Development Officer, Warriors Chairman, Coaching staff and medical staff.

The tour is an excellent way to expose the players to different levels of competition. We undertook tours of AFL clubs, the MCG, viewed 3 AFL matches at the MCG and Etihad Stadium and were entertained by guest speakers which included South Fremantle great Brad Hardie. This year they were also lucky enough to have past players of the club and current players of the Essendon Football club, Leroy Jetta and Mark Williams speak to the boys while on our Tour of Windy Hill.

The development squad had two games against St Monica's and Xavier College while on tour.

With those games all boys showed great physicality to match the Vic's at their own game winning the two games quite comfortably. It also gave us an indication which boys can take their football to the next level and which individuals require work in certain areas of their game.

Jayden D'Vauz, Emmanuel Collard and Sam Rundle were rewarded with their excellent performances on tour with going into the change rooms after the Geelong, Hawthorn game. Along with the PDO and coaches they were lucky enough to meet and have photos with the likes of Buddy Franklin, Cyril Rioli, Garry Ablett, Joel Selwood and Paul Chapman.

Our travelling umpire Tim Howard, who was rewarded with the trip to Melbourne by being the districts Junior umpire of the year, had an experience of a life time. Tim was lucky enough to be taken through the umpires change rooms before the Essendon and Melbourne game at the MCG, and then was given the opportunity to bounce the football in the middle of the MCG in front of 40000 people.

After the tour some players were asked to train with the colts side, and most were lucky enough to make their debut with the colts which will put them in good stead for next year. Those players were Mason Shaw, Cody Spanjers, Sean Lynch, Sam Rundle, Jayden D'Vauz, Adam Carter, Dale Hamilton, Brendan Verrier and Kallum Mazengard.

#### 14/15'S DEVELOPMENT SQUADS

The 14/15's carnival consisted of 4 teams of thirty players from each WAFL club, which play over the October school holidays.

With these games we get a chance to develop these young players in different field positions to help progress their football for the next year.

Our coaches for this year were; Sam Saffioti, Darrin Bryden, Chris Athanassiou and Jason Ireland. Each team consisting of two assistant coaches and a team manager. All groups are to be congratulated for their time and effort they have put in throughout the carnival.

Congratulation goes out to Sheldon Taylor,

Tim Stewart, Thomas Vandeleur, Jake Friday, Ben Sokol and Marcus Jennings who were selected into the State 15's school boy squad. A special mention goes to Sheldon Taylor who was selected into the All Australian side after the carnival.

#### UGS / GASCOYNE

With a WAFL game being held in Wagin this year, it was a good chance to show off talent from our UGS Rams side and a combined 15's Warriors side who played a curtain raiser before the league game between South Fremantle and Claremont.

The UGS Rams represented South Fremantle for country week in July, taking on other WAFL regional zoned squads from Claremont, Perth and East Fremantle. A big thank you goes out to SFFC District Officer Lou McKenry who managed the squad over the 3 days, and thank you to Rod Nicholson (Head Coach) and his dedicated support staff and team on a wonderful job making the UGS Rams a successful program.

During the year we travelled to Carnarvon and Exmouth to conduct schools clinics, a Level 1 coaching course and view matches including the Grand Final. The trip is a chance to promote the SFFC and identify future talent for the development squads and colts system.

In October the Gascoyne put a under 16's side together to travel to Wickham to represent South Fremantle in the North West Junior Football Talent Carnival. Next year the Gascoyne is looking to set up a development squad like the UGS Rams, which will help kids develop their skill and knowledge of Football.

This year there were 4 players who made their debut playing colts football while still playing for their regional club. Haiden Schloithe (Katanning FC), Sam Fortini (Wickepin FC), Bryce McCallum (Narrogin FC) and Jaxon Forbes (Ramblers FC) made their debut with the colts side this year, and we are looking forward to seeing more of them next year.

#### IN CONCLUSION

I would like to finish by saying a big thank you to all volunteers who put their time and effort into the program. Without your help the program would not be able to run as smoothly as it has. Also to the sponsors of our program, Woolworths,

## 2010 DISTRICT DEVELOPMENT REPORT

This is my 8th year writing a report for the SFFC yearbook and I think it is my responsibility to change it up a little and try something different rather than the same old reporting style from years past. What I will present is a SWOT analysis of the District in 2010 which will give members an insight into the workings of the District, the broadness of our business and the challenges we tackle head on.

Review of 2010 as follows:

### STRENGTHS

- 17 members made up the SF District Football Development Council which is the strongest it has been since its inception in 2003 and again Chaired by Mr Rob Taylor.
- Robyn Elms appointed as the new Junior Competition Administrator, which proved to be a remarkable success with the role supporting all junior clubs and competition.
- Lou McKenry worked very hard again in building a full girls football pathway with close to 200 girls involved from 5 through to 15 years all participating in training sessions and games over 6 weeks or longer. Girls Auskick Centres based out of Armadale and Atwell were again very successful with over 120 girls involved.
- Indigenous Auskick was started at the Champion Centre in the City of Armadale with 75 registering with the program. The 8 sessions involved an AFL Game and a visit to the Wirrapanda Foundation. Program was aimed at Indigenous boys and girls who are not already involved at a junior football club.
- Coaching Unit established for first time where we had Jason Ireland oversee Junior/Youth/Senior coordinators deliver support, resources and mentoring to our 167 junior and senior coaches in the District. Jason Ireland has done an exceptional job with our coaches over the last couple of years and he will be sorely missed as he moves through the coaching pathway.
- 100% accreditation achieved by our coaches which means we have well educated and trained personnel looking after our youth players.
- 27 new umpires recruited to the Junior Competition, which helps provide the 88 umpires needed very weekend in our junior competition. It is a credit to the District Umpiring Manager Mal Hooper that only 6 umpires have moved on from last year which is well down of the average dropout figure for umpires across the state and shows the training and mentoring environment Mal is providing.
- 121 Junior and Senior Club Members present at the Club Development Workshop at the SFFC in May where we covered everything from Volunteer Development, Conflict Resolution, How to Delegate and a number of other subject which helped the clubs run more efficiently.
- 18 Junior and Senior Canteen Managers attended the Canteens WA workshop on the same night which showed how to provide a well balanced and nutritional menu without costing business.
- The AFL Quality Club program has been rolled out which encourages junior and senior clubs to provide evidence that their club is professionally run and by doing so receiving accreditation for their efforts. Congratulations must go to North Fremantle AFC for receiving Bronze and the Silver Accreditation, first club in the District to receive any accreditation. Jandakot Jets SFC and Fremantle Hawks JFC have also received Bronze.
- District Council provided 2 Leadership sessions this year to assist executive members of our junior and senior clubs to become pro-active leaders at their club. Paul Tonich was exceptional and very well received by the 73 in attendance and Bruce Willis later in the year gave our members a slightly different perspective on Leadership and how it related to his defence force experiences.
- Boyden Griffiths our Development Trainee delivered a quality schools program this year and with the help

of Toby Bairstow and Jamie Eggers delivered to 28,000 students over the first 2 terms of this year. Outstanding result and as this is core business for our Council we are very proud of the fact that our schools program has been maintained as such a high level.

- Our brand new club in Hammond Park JFC has doubled in growth over the last 2 years and is looking to continue its roll out into the modified rules competition next year with a possible 3 sides. Auskick numbers are now at 67 which is remarkable effort for such a young club.
- The District has been working very hard with our clubs over the last 5 years to establish and build strong working relationships with Local and State Government Departments to ensure Football is at the forefront of minds when developing new facilities and upgrading old ones. This year we saw some movement on some key decisions and these were as follows:
  - Kwinana Knights JFC move into new \$4 million facility in Orelia, called the Fiona Harris Pavilion
  - Fremantle Hawks receive funding for lighting at Dick Lawrence which will provide 50 Lux for training purposes
  - Fremantle Hawks receive \$500K to upgrade current facility, which will give the club much needed space for change rooms, canteen and functions.
  - Cockburn Lakes receive \$300K to upgrade facility, which is an outstanding result for the District because it gives our Senior Club benefit as well as District umpires who train there every Wednesday during the season
  - South Coogee JFC receive funding to upgrade facility, amount to be clarified
  - Hammond Park facility funding fast tracked to 2012 because of better than expected growth

### WEAKNESSES

- Communication structures; too many stakeholders are not receiving District information due to deficient structures.
- Disadvantaged areas; The District has some areas of disadvantage which results in boys and girls not having the capacity to engage in football.

- Our recruitment vs. population rate target for boys aged 5-15 years is over 25%; Clubs in the District which need assistance and support and are well below this recruitment rate are Armadale (9.6%), Cockburn (8.1%), Lakes (10.2%) and Leda (9.3%).
- Senior Football Engagement; 70% of senior clubs are actively engaged and working with the District, we want to have 100%.
- Transition Rates from Junior to Senior Football; We are still seeing too many players drop out of football all together after finishing juniors, we need the District, JFC's and SFC's working closer together to bridge the gap between juniors and seniors.

## OPPORTUNITIES

- Upgrade District website and ensure we have personnel updating every week with different articles and information.
- Develop and email database for all junior and senior coaches, team managers and stakeholders to ensure information sharing is consistent.
- Provide funding for disadvantaged families in the District to participate in structured football; District already has funding proposal at the WAFC to support this initiative.
- Meet with all Senior Clubs to ensure they have an Memorandum of Understanding with their closest Junior Club which enhances the pathway from juniors to seniors and also ensure they are at least at Bronze level of the Quality Club Program.
- Update current Youth Transition Booklet and disseminate to all stakeholders.

## THREATS

- Facility Development; Too many new developers are not providing adequate space required to house Aussie Rules Football resulting in lack of facilities to cater for an active population.
- Water Shortages; currently have issue in Roleystone where the Senior Oval is running out of water and the City of Armadale is searching for new water sources to solve the issue. This will be a problem which will resonate through

most Local Government Councils as we get less rainfall over the years and we will find more and more sports forced to rationalise facilities and multi-use.

- Volunteer Overload; a number of our junior clubs have had enormous growth over the last 5 years and this has placed increased pressure on our quality volunteers. District needs to keep upgrading its support for these volunteers and ensure that they have the tools to run their clubs as efficiently as possible.

I would like to thank a number of people for their contributions this year, they don't get thanked enough and most of them are volunteers who have full time jobs and are helping out in their spare time.

Firstly like to thank Lou, Robyn and Boyden who have done a sensational job this year. Lou looks after all our participation, coaching, female and umpiring segments which has seen excellent results all round. Boyden has been to more schools than you can imagine and has completed a quality program. Robyn in her first year as Junior Competition Administrator has been nothing short of brilliant, her support, assistance and rapport with the clubs has been first rate and she is a valuable asset to the District.

To the District Council, all 17 members have been active this year and I thank all of you for contributing to the District,

ensuring we stay at the forefront of development in the state.

Special mention to the in Rob Taylor, Shane Harding, Dave Kenny and Sharon Greengrass, it is always a pleasure working with you, your dedication to your roles is unprecedented and I for one am very thankful I have volunteers of your calibre on the team.

To our P&D panel who were new to role this year and did an exceptional job in keeping our reported players honest in Peter Matier, Stephen Goodall, Gary Gough, Murray Vitali and Sheryl Ward we thank you.

To the SFFC in Amelia, Kirsty, Jess, Mike, Bob, Steve, Vido, Cicco, Haydn and the board for all their support and friendship – Thank You!

To the South Fremantle Members, we are building a base for the future which will provide not only quality players to the SFFC, but first class coaches, umpires, volunteers, trainers, administrators, support staff and many more members.

We need to further promote this pathway and ensure we are giving our local talent opportunities.

Bring on 2011!
