PRESIDENT REPORT

HAYDEN RAITT

Another good year in our history with our league side reaching another preliminary final after a terrific season and our reserves side being the dominant team reaching the grand final.

While we can say that's a good year we fell short of what we were after so it's back to our planning and goals for 2018 and beyond.

To all our players and coaches and our tremendous support staff, many thanks for your effort throughout the year.

I would like to take this opportunity to thank our former CEO Stuart Kemp for his efforts at the helm for the past four years and wish him all the best in future endeavours.

And it is great to see one of the great names associated with our club now as our CEO in Tom Bottrell. Tom is a 200-game premierships player and life member and along with his great dad Tom Snr it's a great appointment for our club and we wish Tom all the best in that role.

After 20 years sharing our oval with the Fremantle Dockers and missing out on significant revenue, we now have Fremantle Community Bank Oval back and have been proactively meeting with the City of Fremantle in negotiating a new 40-plus year lease.

This will allow us to conduct events that we have not been in a position to do for some time and provides a great opportunity to generate much-needed additional income.

I would also like to thank members of our board led by Tom for their great work in achieving this outcome. Thanks to Anthony Van Der Wielen, Rory Vassallo, Gavin Jahn and Tom.

We are also very proud of the implementation of the Stephen Michael Foundation.

Although in its infancy work has already started in some of our country zones. The state government has pledged \$350,000 for the foundation which will be used wisely in this great initiative and make our great club proud for years to come.

We could not have chosen a better role model for this foundation other than the great man Stephen Michael and we are so grateful he has accepted the ambassador role.

To Tom, Gavin Jahn and the board great work in establishing this foundation.

Back to football, Haiden Schloithe won this year's Sandover Medal with Tim Kelly a close second. Haiden of course also taking out this year's WJ Hughes Medal and Tim runner-up, a stellar year by both of you.

Haiden, your achievement winning the Sandover Medal has made our club and your family so proud along with the great town of Katanning.

As a club, the board and management team will sit down soon and look at the future direction of this great club.

PRIMERO

CAPTAIN RYAN COOK

This will be facilitated by an external partner and I am hopeful of achieving great outcomes that will allow the club to move forward proactively.

One of the priorities is to look at how we can attract a younger demographic to join our club and the type of social events our members want along with how we intend to reach our intended markets.

We would welcome constructive suggestions from our members that could assist providing input into this very important task.

In closing, many thanks to our board for their tireless efforts and many thanks to David Strom who has retired from the board due to personal reasons.

I would also like to say a very special thank you to a long-standing trustee and life member of this great club, Jim Christie.

Jim has been involved in the club for 42 years and has done an outstanding job assisting in making us the great club that we are. I would like to extend my best wishes to both Shirley and Jim in their future endeavours.

To all our members thank you for supporting our club the way you do.

We look forward to seeing you all again in 2018.

Our membership base forms a very integral part of this proud club continuing in being successful on and off the field.

To our valued sponsors, thank you so much for your continued support of this club. I am also looking forward to seeing you all on board again in 2018.

I cannot forget my Friday night people, I love you all and thank you for your loyal support.

And finally my wife Sue, you have been unbelievable in your support which allows me do this job so thank you.

HAYDN RAITT
PRESIDENT

CHIEF EXECUTIVE OFFICER REPORT

TOM BOTTRELL

Coming into the role earlier this year, I must say it's a privilege to be back at South Fremantle Football Club as its Chief Executive Officer. As such, I have a strong desire to assist in setting us up for the long-term; this includes off-field financial strength along with premiership success, a consistent flow of AFL capable talent and to become renowned for the development of our people.

Whilst we repeated our 2016 finish with a preliminary final appearance for our league team, overall it has been a solid season. We shouldn't be happy just to play finals, however.

Haiden Schloithe winning the Sandover Medal was a fantastic achievement by a player that has developed his game to become a genuine star of the competition. Tim Kelly's tally of 45 votes to finish runner up would have won Tim the Sandover Medal in a majority of other seasons. This was our first one-two finish since 1980, when captain Noel Carter finished behind winner Stephen Michael. To both Haiden and Tim, congratulations from the South Fremantle family on a wonderful season.

Also, the reserves team finishing the home and away season on top of the ladder and playing in a grand final was a great achievement with a very young group of players and a new coach.

REDEVELOPMENT & CITY OF FREMANTLE NEGOTIATIONS

Following several months of negotiations, we are very close to reaching full agreement for South Fremantle to remain at Fremantle Community Bank Oval for at least the next 40 years. There are really only a couple of clauses still being discussed but, in the main, we have been presented with a 40-year licence which also provides financial surety as well as the opportunity to generate funds via large scale

events on the oval and surrounds. With the Fremantle Football Club being here previously, we have been unable to do this, so we are excited about the possibilities ahead.

Further to that, we have recommenced the reference group who will oversee the redevelopment of Fremantle Community Bank Oval and this is a vital chapter in our history.

FINANCIAL OPERATIONS

As mentioned, the opportunity to host large events puts us in a strong position provided we get it right. WAFL clubs that rely on traditional football streams of income will not survive, therefore, we will derive funds from other business opportunities along with the administrative management of the Stephen Michael Foundation.

Non-traditional revenue generation initiatives being explored are as follows:

- Sports Clinic situated alongside our main office on Parry Street. This will

include a Physiotherapist and potentially Massage or Podiatry services

- SFFC Coffee Van. This would be owned and operated by SFFC and includes game days, female football, development squads and special events. Possible to attend local cricket grounds and schools as well

- Increased oval lighting capacity. Night games early and late in the season along with other sports and activities will increase the utilisation of our bar and functions area

- Up to five large events on the oval playing surface and surrounds. This includes such things as food and wine festivals, beer festivals, concerts and outdoor cinemas as examples

CORPORATE PARTNERSHIPS

South Fremantle Football Club is fortunate to have the support of many corporate partners and are pleased to advise that Bendigo's Fremantle Community Bank has agreed to a further two-year term as naming rights partner. This is a significant signing and, along with our long-term major partners Metro Lintels, WA Hino, John Hughes, Primero and Total Eden, we thank them for their support.

Wherever possible, we ask members and sponsors to utilise the businesses within the South Fremantle family and we hope to better communicate this via a sponsor directory.

FEMALE FOOTBALL

I'd like to congratulate the Fairest and Best winners for 2017: League - Lara Rodin-Zimdahl; Reserves - Heidi Schlesniak; Youth Girls - Scout McCormack. The Youth Girls were unlucky in going down in the grand final, however, there is a good spread of up-and-coming players amongst the group.

The speed of growth of female football has been phenomenal and those WAFL clubs that don't integrate with their female club quickly may miss a great opportunity. The WAFC are particularly keen to commence a female football competition that closely mirrors the WAFL and I feel the end result will be that the WAFL club's Football Operations Managers will also have a female team as part of their role. That is, one club with one Board, website, social media and membership. Currently South Fremantle Women's Football Club sit separately to SFFC and has been based at Anning Park in Jandakot, as access to Fremantle Community Bank Oval was difficult due to the Fremantle Dockers being onsite. Given that they have moved into their new Cockburn facility, it allows both SFWFC and SFFC to more closely align and this is something Director Bruce Willis and myself are working on with the Board of our female club.

STAFF AND OPERATIONS

The overall stability of our club was very evident upon my commencing in January. Special acknowledgment and thanks to Jess Nolan who has been with us for over five years and continues to be a vital team member. Darren Winnett (Bar & Functions), Steve McCarthy (Grounds) and Peter Taylor-Thorpe (Volunteer) put in a lot of work to keep the operations ticking and I thank each of them. Steve joined the Bulldogs back in the mid-1990s and has kept the facilities in great order for over 20 years. Lorne McGuinness supports Steve and is another person who has been part of the furniture and his family name is one of the most famous in our club's history.

New to the Administration team in 2017 were Drew Mazalevskis (Corporate Partnerships Manager) and Brooke Lombardo (Administration Assistant). Drew grew up at Fremantle Community Bank Oval and Brooke's family history is also entrenched in the Fremantle area. Thanks also to Aldo Marsegaglia who provides Accounting support.

Football Operations Manager Dave Depane has overseen the rebuild of the club's on-field performances and his relationship with our coaches and players is a strong one. Todd Curley has grown our senior playing group on-and-off field over his three seasons and will continue to do so as we strive to improve on two preliminary finals. Paul Litherland can feel proud of his first season leading the

reserves and was unfortunate that our players fell at the last hurdle in their quest to become premiership players. Colts coach Mark Foster faced a tough season, however his players exceeded expectations to win eight games and show some real courage and determination. Well done and thanks to our coaches and all their assistants.

Jason Pedulla has performed exceptionally well in his role as Talent Manager and whilst he is officially employed by the WAFC now under the new Talent Model, there is an intent from Jason and the WAFC to keep the links between our talent pathway and senior club strong.

Having seen firsthand over many years the amount of care and effort given by the trainers, medical and fitness staff, it's important to acknowledge and thank Physiotherapist Michael Swan, Head Trainer Bronte Gorfin and Strength & Conditioning Manager Ryan Gaias and their respective teams for all they do. Unfortunately, Bronte leaves us to finalise her studies in 2018 and we are hopeful she will return for 2019 and beyond. Thank you to all our volunteers and staff for your efforts in 2017.

PAST PLAYERS & OFFICIALS

To President Ray Van Burgel, thank you to you and the committee of the PP&O for all you do for our great club. I look forward to being involved in planning for 2018 and to build this important club coterie group with each of you.

WAFC, COMPETITION

The WAFC initiated Boston Review has already achieved its first major change. The talent model will shift entirely from being WAFL club run to be fully managed by the WAFC. Whilst initially cautious of supporting a reform such as this, we are confident that the model will not look too different to how it currently operates and there is a financial benefit overall. The talent model captures all development squads from 13s right up to our colts squad and, fortunately for us, our Talent Manager and colts coach were highly rated by both the WAFC and our Board. As such, it should be a seamless transition as we lead into 2018.

To Haydn Raitt and the entire SFFC Board of Directors, thank you for the opportunity to lead the South Fremantle Football Club. I've loved being in red-and-white again and hopefully will be for many more years.

Thanks also to you, the members, for supporting us through the good and bad times and we look forward to a successful 2018.

AWARDS, TRIUMPHS IN 2017 PLENTY TO CELEBRATE FOR BULLDOGS

While the 2017 season didn't quite end up with premiership glory for South Fremantle, there was a tremendous amount to celebrate both in terms of team and individual success.

The Bulldogs once again played for plenty of trophies throughout the season and by winning 16 of 20 games during the home and away season, that meant plenty ended up back at Fremantle Community Bank Oval.

The wins with something up for grabs for South Fremantle included beating West Perth for the Garlic Munchers Cup, Claremont in NAIDOC Week, Swan Districts for the John Todd Cup, and East Fremantle for each of the Foundation Derby Cup, Anzac Day Trophy and Ciccotosto-Uittenbroek Cup.

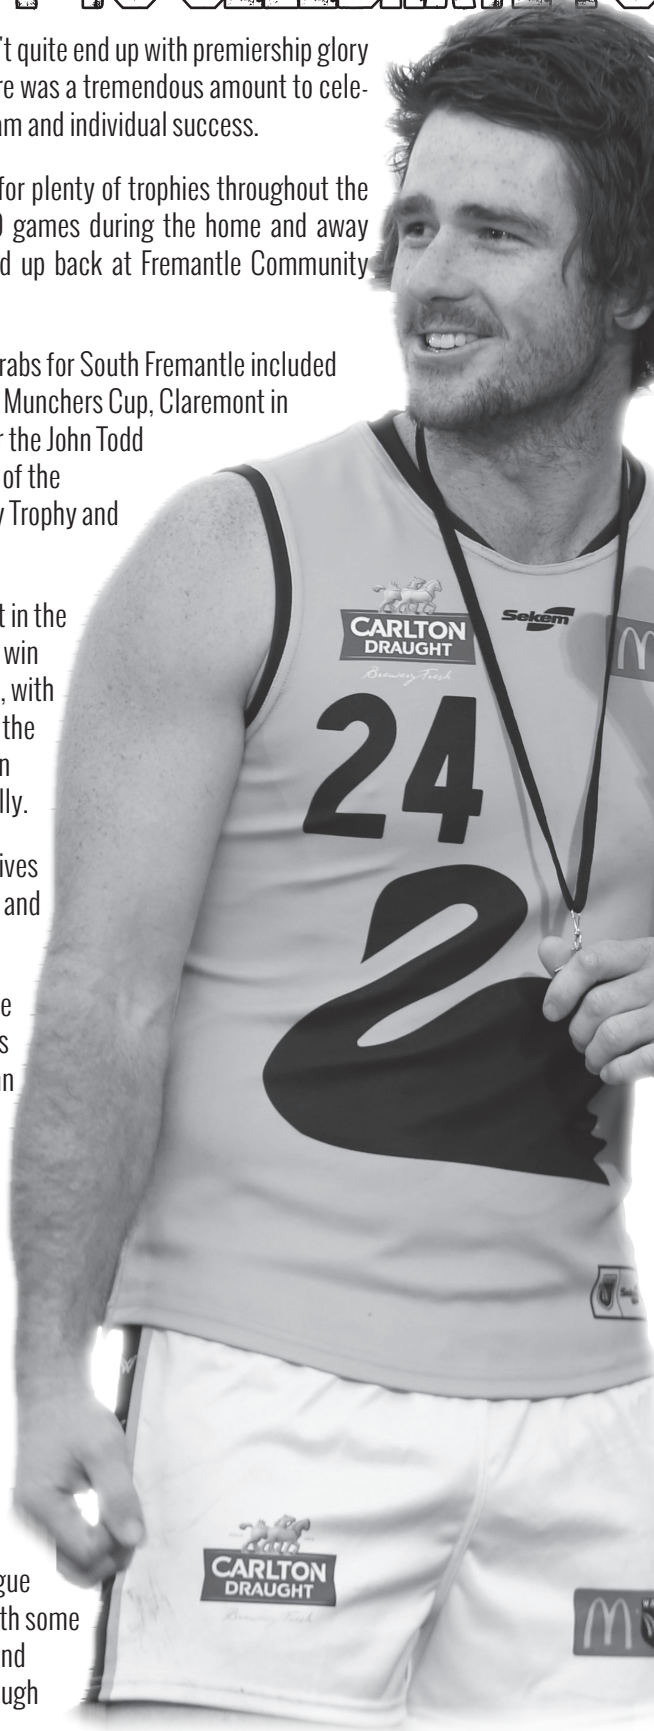

South Fremantle played a big part in the WAFL's breakthrough state game win over the VFL in Melbourne as well, with Ben Saunders (pictured) winning the Simpson Medal along with Haiden Schloithe, Ryan Cook and Tim Kelly.

South Fremantle had representatives throughout the State 18s, 17s, 16s and 15s Schoolboys teams for WA.

The www.wafl.com.au Team of the Year featured six Bulldogs players as well with Luke Moore and Glenn in the Colts Team of the Year.

Haiden Schloithe's remarkable season saw him claim the Sandover Medal, WJ Hughes Medal and represent WA along with bringing up his 100-game milestone along the way. Remarkably Tim Kelly wasn't far from also achieving all that.

What it all shows is that South Fremantle is in the middle of a special era after two straight league preliminary final appearances, with some outstanding experienced talent and plenty of rising stars coming through the ranks as well.

LEAGUE COACH REPORT

TODD CURLEY

The feelings immediately following our exit from the 2017 WAFL finals series were ones of hurt, bitter disappointment and of an opportunity lost. We are all in it to win and the realisation sets in that we have again finished alongside seven other teams that haven't realised our ultimate goal, to firstly make the grand final and then win the premiership.

However as these raw feelings subside and we look at our 2017 campaign in its entirety, everyone involved in our program can be extremely proud of the role they have played in our season. There is still a lot of hard work ahead to continue our improvement but the attitude and actions our players have demonstrated consistently in the past couple of years give me great confidence that they are up for the challenge.

There is no doubt we have continued to grow and improve as a team. In 2017 our league team won 16 of 20 qualifying games with two of our four losses by a single kick. We had four players kick 40-plus goals in the season and another two players who predominantly play midfield

kick 25-plus goals. We were again in the top three teams defensively, finished clearly in second position on the ladder and had victories against every other team in the competition.

Our finals performances in 2017, while not

ultimately successful, were full of character and effort. We couldn't ever really get the game on our terms in the qualifying final against a very well organised defensive Peel Thunder team. The players continued to give their all to get back to a 12-point margin in the last term but unfortunately came up short.

We bounced back very well against Swan Districts in the first semi-final with a comprehensive win and even team performance. That win gave us the opportunity to play in a second successive preliminary final, this time against a Subiaco team only we had beaten in the qualifying rounds. We jumped out of the blocks and played some impressive bold football early in the game to lead at quarter-time but unfortunately a poor second term when Subiaco lifted their intensity found us trailing at half-time.

A couple of key injuries to our midfield in the first half put us under pressure but as they have throughout the season our players dug in and showed enormous grit and character to stay close enough to challenge in the final quarter.

The players again found the energy for one final surge, we dragged ourselves back into the game and 15 minutes into the final term we

were within three goals. But Subiaco is a very good team and were able to settle and end our season.

Our reserves team under first year coach Paul Litherland was also able to win 16 of 20 games with an extremely youthful squad and had a fantastic year. There is some fantastic depth building within our club and some of our youngsters are ready to make the jump and become regular senior players. Although ultimately losing the grand final, the continued improvement in our young players was a real highlight in 2017.

Our group has really grown in the past 18 months. Our leaders have set a fantastic example on and off the field, our player group are very honest and always willing to do the hard work. They have developed great resilience and self-belief, I really admire their courage to continue to try and improve themselves and get better. If they continue to show these traits and behaviours I am sure they will earn themselves another opportunity to play finals and ultimately the opportunity to win a grand final.

Great clubs are a team effort. I would sincerely like to thank the Board of the South Fremantle Football Club for their continued support and faith in me and my coaching team throughout 2017. It is very much appreciated.

To CEO Tom Bottrell and his administration team I thank them for their support and all their hard work to ensure we can concentrate on football. A special thank you to football manager David Depane for his friendship, support and hard work to ensure our football program runs as planned.

A big thank you to my coaching group, the senior group of Brett King, Arthur Maskos, Tony Walters, Geoff Lewis, Shaun Tinsley and Kris Miller, and the reserves coaching team led by

Paul Litherland, Geoff Barry and Mike Hays. I thank you for all your hard work, friendship and banter and hope you enjoyed your involvement as much as I did. Thanks also to Tony Mollica and Ray Smithers for their help in 2017.

Our strength and conditioning team lead by Ryan Gaias have done a fantastic job. Our players have great confidence in Ryan and his team's ability to help them improve and prepare to play. The medical team led by Michael Swan and Bronte Gorfin are the best in the business and give the players and coaching staff enormous confidence. A special thank you to Bronte for all her hard work and we wish her all the best in her new challenges ahead.

To all our fantastic volunteers who make our great club what it is, thank you. Also a big thank you to all our sponsors, members and supporters for all your support in 2017.

To our players who put their heart and soul into their football, thank you for all your efforts in 2017 and I look forward to getting back to training so we can start preparing for 2018. Congratulations to Haiden Schloithe on his 2017 Sandover Medal win and Tim Kelly on coming second, both players had fantastic seasons and will hopefully get a chance at AFL level in 2018.

Finally to my family; Paula, Thalia and Aiden. Thank you for all your love and support that allows me to continue to be involved in footy.

Go Bulldogs!

LEAGUE COACH

SCHLOITHE PPS KELLY FOR 2017 WJ HUGHES MEDAL

Haideen Schloithe's remarkable 2017 WAFL season with South Fremantle was capped off with the 24-year-old announced as the Bulldogs' fairest and best winner taking out the WJ Hughes Medal just ahead of Tim Kelly.

It was shades of this year's Sandover Medal count when Schloithe and Kelly finished first and second, and it was again the case in the running for the WJ Hughes Medal as the fairest and best winner at South Fremantle for 2017.

Schloithe and Kelly had brilliant seasons with both showing that they had the rare blend of being able to win the contested ball, run and carry the ball and deliver it with good skill, and then go forward to kick goals.

That's why they have been so hard to separate throughout all the awards throughout the WAFL season and the South Fremantle fairest and best was no different.

But in the end it was Schloithe who prevailed to claim his second WJ Hughes Medal at a glittering awards ceremony at the Esplanade Hotel Fremantle by Rydges.

Schloithe won his second Hughes Medal going with his victory in 2014. He remained a strong contributor in 2015 and 2016 but ankle and foot injuries saw him miss periods in both seasons.

He was back to full health for all of 2017 and the results have been remarkable. By averaging 28.5 possessions and kicking 27 goals a game, Schloithe's impact can somewhat be illustrated but that only tells part of the story.

He became the most influential player in the league whether he was in the middle winning the hard ball or clearances, proving damaging out in space or being unstoppable in one-on-one contests up forward.

He now can add the Hughes Medal to a 2017 that included him winning the Sandover Medal, celebrating his 100th game and representing the WAFL against the VFL.

Schloithe was also named Player of the Finals and took home the S&D Jewellery Award for Outstanding Performance.

While Schloithe again claimed the major award of the evening, it shouldn't diminish the performance of Kelly in 2017.

The dynamic midfielder claimed the N MacDonald Memorial Trophy as runner-up in fairest and best voting and that goes with his second-placing in the Sandover Medal while he also played in that state game win for the WAFL and was named to the waf.com.au Team of the Year.

Kelly took his game to the next level also in 2017 and was unstoppable around the ball, he ran and carried the ball better than ever before and was dangerous around goals highlighted by his seven-goal haul in the WA Day Foundation Derby.

Dylan Main was rewarded for his strong season in the midfield finishing in third-place. As an inside midfielder most of the season, Main averaged 21.5 possessions a game.

Blaine Johnson claimed the John Gerovich Trophy booting 59 goals while Matthew Parker won the Shearer Family Trophy as Best First Year Player and Jason Maskos took out the Culver Family Award for Courage and Perseverance.

Ashton Hams took out the Best Clubman Award with the 189-game veteran showing that fatherhood agreed with him in 2017.

CAPTAIN REPORT

RYAN COOK

It would be fair to say that 2017 was another great ride for the South Fremantle Football Club, with plenty of highlights but ultimately we fell short of what we wanted to achieve.

We came into the season feeling full of confidence after we returned to the finals in 2016 and made it to the preliminary final. We were disappointed the way we bowed out and felt we had a point to prove and could without a doubt not only back that up, but improve on it in 2017.

And there was plenty to like about the way we played during the home and away season.

We ended up winning 16 games, one more than last year, and went into the finals on a nine-game winning run.

It wasn't just the fact that we were winning that was exciting about our season either, we had stars stepping up all over the field and all at different points of their careers.

You can't go past the seasons two of our ball magnets had in Sandover and Hughes Medallist Haiden Schloithe and new draftee Tim Kelly, when you are looking at the standouts of 2017. Schloithe's accolades throughout the year speak for themselves as to how brilliant he was. But Tim Kelly was every bit as good and I couldn't be happier to now see him get a chance in the AFL with Geelong.

We were far from a two-man show though. Marlion Pickett and Stevey Edwards were brilliant down back, Jason Maskos became one of the best small defenders in the WAFL and Blayne Wilson, Josh Pullman and Adam McIntosh helped make sure we had a strong defence.

He might not get a lot of recognition, but our ruckman Brock Higgins is such a warrior and makes us all walk taller. Dylan Main has to be commended for his season too.

Then to have a forward-line where Blaine Johnson, Cory Dell'Olio, Ben Saunders and Mason Shaw all kicked at least 46 goals says it all about how potent of a side we can be when playing well.

Even the old boy Ashton Hams showed he's still got plenty left to give and I couldn't be happier that he's going around again with us in 2018.

That all meant we went into the finals for a second straight season liking our chances of achieving something special. Unfortunately we once again came up against a very strong Peel Thunder team with plenty of AFL experience. Having said that, we had our chances in that game after a bit of a slow start, so it wasn't as if we were played out of the contest.

We were certainly mindful of what can be an energetic Swan Districts team in the first semi-final and they gave us plenty to think about by quarter-time. We got going to play some of our best football over the last three quarters to take some momentum into another crack at Subiaco.

We started on fire then in the prelim, but we just couldn't maintain it against the hardened, experienced, Subiaco and we once again just fell short of a Grand Final appearance.

We have done a lot right ever since Todd took over as coach back in 2015. He and his assistants should be proud of the work they have done over the last three years to get this group to where it is now. Both on and off the field we have grown massively as a group. While disappointing, there is a lot to be proud of for what we accomplished in 2017 and now we just need to build on that and improve further next year.

CAPTAIN COOK CONTINUES TO BREAK RECORDS

South Fremantle captain Ryan Cook continued to set new records throughout 2017 in his sixth season as skipper at the Bulldogs.

Cook had a record-breaking 2016 which saw him become South Fremantle's longest ever serving captain while also bringing up his 100th game at the Bulldogs since moving west following his time in the AFL with Collingwood.

Cook led the Bulldogs back into the finals last year for the first time since his first season in 2011 and backed it up again in 2017.

The 29-year-old had another strong season leading the Bulldogs all the way to the preliminary final, playing all 23 games to take his tally to 138 and closing in on life membership.

Cook's stunning run of continuing to represent the WAFL in state football kept going too. He played a sixth game for WA in the drought breaking win over Victoria.

In seven years with South Fremantle, Cook has now played 138 games, won two WJ Hughes Medals, been captain for six seasons and played for WA six times.

RESERVES COACH REPORT

PAUL LITHERLAND

We had a young side this year and I was eager to improve players who have the potential to play league football and to further develop those who had a taste of it last season.

We lost in Round 1 and the last game of our season, being the grand final. Though disappointing to miss out on a flag, what happened between those two games offers great excitement for the future. Our consistency was excellent and the determination by the group to get the best out of themselves was a standout.

We played 44 players overall, with 13 who had graduated from colts in 2016. We averaged 10 of those juniors per game across the season, with Kyle Russell and Chad Pearson debuting for the league. Though we had 12 league players join us, either back from injury or missing selection, we averaged just four across the year. This gave me a great chance to develop for the future.

We lost just five games this season, two by a single point. I continued to challenge the group each week and I was impressed with how they responded. It was the culture across the entire senior squad which drove our determination this season. From our youngest to most senior player, the desire to get better individually and as a group was remarkable.

I was regularly impressed with our discipline toward team defence, which statistically was the best in the competition. Chris Ah Siu, Travis Abbott, Noah Strom and Chad Pearson were rock solid down back with the help of newcomers Aaron Cleaver and David Fiamengo. It was not just left to our back six though, the discipline to defend up the ground was driven very strongly by the coaching group and this was enacted well by all players.

Not only did we defend well, we scored more than our opposition, scoring 19 more goals across the season than our nearest rival (Subiaco) and 67 more than the lowest scorer in Peel Thunder. The competitions leading goal scorer was our own Mitchell Dzelebdzic, with a total of 54 goals, 16 clear of his nearest rival. Though this was a great effort by Mitch in his

first season, we were not totally reliant on his accurate boot. We averaged eight goal scorers per game, with midfielders accounting for half of our shots on goal. In Round 12 against Peel, we had 15 goal scorers. This is a massive asset heading into 2018.

The highlight for me this season was our Round 19 win against West Perth. We were undermanned and had 11 juniors and one player with decent league experience. We had two players on limited game time. Not only did we face a relatively strong Falcons side, we kept them to only one goal in the second half, in a game where they only kicked five.

Jake Florenca had another standout season, averaging 28 possessions with a season high of 42 in Round 23. I was rapt to see Jarrod Parry complete a full season after being dogged by injury. Jarrod had a massive year averaging 25 possessions and is

a deserved winner of the Roy McGuinness Medal as fairest and best. Both players are set to be regular league contributors in 2018.

Josh Collard, Kyle Russell, Andre Coutinho, Daniel's Burke and Cabassi as well as Brandon Donaldson, Caleb Datson and Seaton Thompson all deserve special mention for their great seasons. I was also impressed with Tom Vandeleur and Matthew Parker finishing in the league side. They made massive statements midway through the season and it was great to see them continue that form.

Thanks to my assistants Michael Hays (forwards) and Geoff Barry (backs) for your great work. Your transition to senior coaching was seamless and you offered me tremendous support. Special thanks also to Peter Matier, Steve Jones, Dylan Briotti, as well as all our strength and conditioning staff. It would be impossible to get through without your selfless support and professional approach. I am glad that in my first season as head coach, I was able to have such a great group in my corner.

Finally, to Todd Curley and our senior coaches, Brett King, Arthur Maskos and Tony Walters, your mentorship and guidance has been remarkable. The culture being built on and off the field over the past few years is not only driving player success, but also ensures we are continuing to evolve as coaches. Being able to grow in that environment has assisted my coaching tremendously and I thank you for your faith in me this season. I can't wait for season 2018 to begin.

COLTS COACH REPORT

MARK FOSTER

The 2017 colts playing group will leave a strong legacy for all players that follow in their path. As a coach, every playing group leaves its mark on you and this one will be remembered for all the right reasons. While finals football wasn't a feature, their resilience, work ethic and fortitude will leave a lasting impact on all involved.

The colts program kicked off in mid-November with a number of returning players from 2016 who were hungry to make amends for last year's finals exit. Along with a number of new faces there was a positive feeling throughout pre-season. There was a strong emphasis on skill level and contested ball with a number of gruelling sessions. By March our list was narrowed down to 50, all of whom have come from our local and regional district. Bruno Faulkner was named captain with Jacob Warne and Enrique Featherstone vice captains.

Round 1 was quickly upon us. First up was Subiaco. We trailed narrowly most of the game until two late goals in a minute saw us pinch an unlikely victory. The next six weeks were testing and challenging with five heavy losses to Swan Districts (73 points), Peel (68), West Perth (37), Claremont (46) and East Fremantle (49). While performances were below expectation the morale amongst the group remained positive. This attitude was the catalyst for the season to turn around. An old fashion running session around Monument Hill in Anzac week built a strong resilience and bond within the group. It was a line in the sand moment.

The middle part of the season was going to be make or break with a tough run home and wins were important for the groups confidence. A one-point loss to Perth stung but the signs of improvement were there. Kicking eight behinds in a row in the last quarter is what cost us. We followed with another close loss to Subiaco, this time by four points. Now sitting at 1-7 everyone was being tested.

While some players took the easy way out, the core group stuck together. The players were rewarded for their resilience with three straight wins against the top three teams, East Perth, Peel and East Fremantle. The turnaround was thanks to the form of a number of players in particular Michael Redman, Bruno Faulkner, Glenn Byron, Matthew Ward and Luke Moore. Along with some fresh faces coming into the side with Ryan Burrows, Jack Musika, Eddie Pezet and Lachie Feeney.

During the early parts of the season state selectors cast a close eye over the colts group. We had an unusually low representation with only Jonathon Frampton selected in the State 18s squad and Jack Musika in the State 16s, who won this year's championship. Congratulations to both players on representing WA on the national stage.

On the home stretch we needed four wins in a row to get to the finals. A one-point loss to East Perth squashed our hopes. While

finals were no longer in the picture the group remained driven to finish on a strong note. Beating eventual grand finalists East Fremantle and Claremont in the final rounds along with a close loss to Peel saw us do that. It was a disappointing way to start the season but I am extremely proud of the way the group fought out the season to regain respect from the competition.

The players were steadfast in sticking with the program throughout some tough periods. They took a

professional approach into every game and never gave up. It's exciting for the club going forward. Thanks to the playing group for the season, it was an enjoyable year and you were a pleasure to coach.

A lot of work goes into a colts program. I entrust a number of reliable, loyal and experienced people to help make it successful. Thanks to sports science coach Michael Symes who won't be continuing in 2017. Thanks for the profound impact you've had on the program. Thanks to the medical team, Sam O'Neil, Rowan and Haley and the trainers who put in a mountain of work to get the playing group healthy for game day.

The quality support staff we had made it an enjoyable environment to be around. Jeremy Nodari, Jason Osbourne, Rosco, Lou and Harry thank you for all the time and effort you put in. In particular, Jeremy who put on a number of barbecues for the players and donated the weekly best player award.

Once again I was surrounded by quality coaches who provided great support to myself and the playing group. Jye Depane (backs), Barry Stanton (midfield), Andrew Foster (forwards). Their ability to educate, teach and motivate was a contributing factor on the vast

improvement we saw in the back half of the season. Thank you so much for the time, commitment and enjoyment you bring.

One man that puts in more work than anyone is Jason Pedulla. The work he puts into identifying talented players within our district will have a lasting impact on the club. He also runs the elite South Fremantle Development Academy which has improved immensely the last few years. His attention to detail and high standards set a strong foundation for everyone in the SF Development Academy and colts program. Jason, I can't thank you enough for everything you have done for the development academy.

Thanks to the Board, Tom Bottrell, David Depane and Todd Curley. During a challenging season the support the program received from the club was much appreciated.

Can't wait for 2018. Go Bulldogs.

FOOTBALL OPERATIONS MANAGER REPORT

DAVID DEPANE

It would be fair to say that the 2017 season finished in a disappointing manner.

Our league side were impressive all year winning 16 of 20 qualifying games. Unfortunately we could not continue our strong form during the finals. In our qualifying final we came up against a strong Peel side and whilst we did not play well, we had our chances in the last quarter. Back at home the following week we comfortably accounted for Swan Districts in the first semi-final. We then faced the big test against Subiaco at Leederville and whilst we started positively kicking the first three goals, we couldn't maintain our intensity. Subiaco took the opportunity to stamp their authority on the game.

Paul Litherland along with his coaching and support group did a fantastic job with our reserves team. Once again the season finished in disappointing fashion not at their best on the most important day. As per last season we fielded a young reserves side and the results they achieved were outstanding. Whilst we did manage many wins throughout the year it was most pleasing to see the players develop both their team and individual performances. The playing group continually performed and maintained the pressure for spots in the league team.

Well done to Mark Foster, his assistant coaches and all the support team of the colts program. Working with a young group it took a while for the colts boys to play at their best. After a slow first half to the season, the boys finished strongly narrowly missing the finals. Being on the wrong side of a few close games did not help. The pleasing aspect was the boys never gave in and developed their game to the point that they

were one of the best performing teams over the second half of the season.

I must compliment Bruce Willis and our leadership group for their hard work over the season. The group has continued to develop the last couple of seasons and been integral in driving the standards required for the playing group to be at their best. Their will and drive to improve has been one of the major catalysts for both our success on-field and off-field professionalism. I look forward to the group further developing next season.

I would like to congratulate all award winners presented at the WJ Hughes Medal Awards night. The counts for all three grades were exciting and it was not until the finals votes were counted that we found our eventual winners. Haiden Schloithe capped a remarkable season winning the Hughes Medal. Tim Kelly followed closely in second place, a great reward for an

exceptional season. Well done to Dylan Main for his third place after a consistent season. Congratulations to Jarrod Parry on the McGuinness Medal as reserves fairest and best, closely followed by Jake Florenca and Josh Collard. Glenn Byron was a worthy winner in the colts with Matthew Ward capping a consistent season finishing runner-up and Bruno Faulkner in third place. I look forward to these boys progressing to the seniors next year.

Congratulations to Haiden Schloithe and Tim Kelly on their outstanding seasons. Haiden was a very deserving winner of the 2017 Sandover Medal, WA football's highest individual honour. Haiden also was the winner of The West Australian Footballer of the Year. Tim Kelly also had a fantastic season finishing runner-up in the Sandover

Medal and also capping off his year with the WAFL Goal of the Year.

Well done also to our four state representatives - Ryan Cook, Ben Saunders, Tim Kelly and Haiden Schloithe. A fantastic effort by all in what was a historic day for WA football beating Victoria for the first time on home soil. Special mention to our key support staff who travelled with the team and made sure they were well looked after. They will all go down in history.

Haiden Schloithe, Adam McIntosh and Ben Saunders each played their 100th game for the club this season as well. Adam is the ultimate team man, whose team first approach does not go unnoticed. Ben continued to add to his highlights reel with a number of trademark high flying marks. Well done to all the boys, 100 games is a fantastic honour that takes a lot of time, effort and loyalty to achieve.

ANNUAL REPORT AND YEAR BOOK 2017

A massive thank you to the wonderful support staff who we are so lucky to have at our club. It is impossible for me to name them all in this report and my apologies if I do miss someone:

STRENGTH AND CONDITIONING - RYAN GAIAS, CHRIS WING, RUBY ARNOLD AND PETER DJANIS

MEDICAL TEAM - MICHAEL SWAN (PHYSIOTHERAPIST), DR MATT FITZSIMONS (CLUB DOCTOR), BRONTE GORFIN (HEAD TRAINER) AND HER FANTASTIC GROUP OF TRAINERS

PROPERTY TEAM - ROSS ADDISON (MANAGER), PETER TAYLOR-THORPE, PHIL OLDACRES, JOHN JONES, HARRY DRYGAN, JIM MASKOS, LOU TURNER AND LORNE MCGUINNESS

TEAM MANAGERS - TONY MOLLIKA AND PETER MATIER

STATS TEAM - ALAN POWELL AND ANNA KRISTANCIC

TIMEKEEPERS - GEORGE COLE, JENNIFER NIKOLICH AND TERRY TURNBULL

PAST PLAYERS & OFFICIALS - RAY VAN BURGEL AND HIS MERRY MEN

There is no doubt all of these wonderful people make it all happen behind the scenes and we should never under estimate the time and effort they devote to our club.

A special mention to Bronte Gorfin our head trainer for the last three seasons. Unfortunately Bronte will not be returning in the role next season. Bronte has been outstanding in this role after progressing to the head trainer position in 2014. Her expertise, professionalism and fun-loving personality will be missed by us all. A couple of other familiar trainers Bec and Rhiley are moving on due also. Best of luck to all the girls, you all deserve the great things that lie ahead of you.

Finally to the coaching teams, thanks for your support and assistance throughout the season. We have formed and developed a fantastic coaching group over the last couple of years. Your commitment and passion to drive the on-field success that we are all looking for is unquestionable and I am sure that the path we have taken so far in the journey will lead us to sustained success in the future.

LEAGUE - TODD CURLEY (COACH); TONY

WALTERS, ARTHUR MASKOS, BRETT KING, KRIS MILLER (ASSISTANTS); SHAUN TINSLEY, RAY SMITHERS, WARREN MOSCONI (RUNNERS); GEOFF LEWIS (SELECTION CHAIRMAN)

RESERVES - PAUL LITHERLAND (COACH); MIKE HAYS, GEOFF BARRY (ASSISTANTS); STEVE JONES (BOARD/ROTATIONS); ROSS ROWLANDS (RUNNER); DYLAN BRIOTTI (STATS)

A big thanks to Tom Bottrell, Peter Christie and Gavin Jahn for their support and guidance throughout the year with all things football. I must also thank the board for their assistance. Thank you to the people who work closely with me during the day, Jess, Brooke and Drew. You are all great to work with in a day to day environment and it makes my job much more pleasurable and easy. Also a big thanks to Steve who is always around when needed and ensures the ground and facilities are in tip top condition. I must not forget Darren and his bar staff for their continued support and assistance during the year, along with the ladies who are always there when needed.

As always a big well done to Jason Pedulla in his role as Talent Manager. We are very lucky to have the most organised and professional

person in that role in the WAFL. This clearly shows when you look at our academy program in comparison to the other clubs.

I firmly believe that we have built a strong platform the last couple of years for sustained success over the next few seasons. With some selective recruiting, the continued development of our young list and some fine tuning in areas of our game I cannot see why we won't be in a position challenge again next season. We took some big strides this season and will continue to work hard and be relentless to be successful on that One Day in September in 2018.

My final thankyou is to my wife Tania. She did a fantastic job in organising the food for our pre-season camp. I am very lucky to have a wife who is fully supportive of an industry that never stops, and I am sure that my work life would be

far less enjoyable without your constant encouragement and support. You truly are one of a kind.

SCHLOITHE CELEBRATES SANDOVER MEDAL

While winning the Sandover Medal is a sense of pride for Haiden Schloithe and he would dearly love another chance in the AFL, it's only his desire for a premiership with South Fremantle that comes close to matching how thankful he is to the support of his family.

Schloithe originally joined South Fremantle from Katanning to play in a colts premiership before being added to Fremantle's rookie-list for 2012 and 2013.

When he returned to South Fremantle in 2014, he was at the age and of the mindset where he was ready to really make his mark.

The result was a fairest and best winning season for the Bulldogs in 2014 and then despite an ankle injury in the first half of the 2015 season, and a foot complaint through the mid-part of 2016, he continued to be a terrific contributor.

Finishing the season strongly and by getting to play finals at league level for the first time with South Fremantle making the preliminary final only inspired Schloithe further heading into 2017.

He had the best pre-season of his career and hit the ground running to start 2017. He ended up delivering a brilliant season where he proved himself a dominant midfielder who could win the hard ball but also be damaging out in space.

Then when he went forward he proved tough to stop on the lead, in one-on-one battles or at ground level.

The end result was him averaging 28.5 possessions a game, kicking 27 goals and the 24-year-old brought up his 100th game along the way when he kicked five goals against Claremont.

Schloithe won with 52 votes to win ahead of teammate Tim Kelly on 45. He couldn't be prouder to become the first Bulldogs player to win since Toby McGrath in 2005.

While he would embrace another chance at AFL level, he is desperately craving is achieving a premiership with South Fremantle.

Aside from that it's his family and especially his mother Tammy, father Darren and sister Brenna who mean the world to him.

"Besides making the Grand Final and winning it, the best thing in the world for me is having the support of my parents and family," Schloithe said.

"They travel up every Friday night from Katanning to come and support me, and over the last six or seven years they would have missed five or six games in total. Their support and care, and everything they have done for me off the field are all things I can't thank them enough for. I absolutely love them to bits."

Highlighting how much the medal means is that Schloithe knows just how much it would have meant to Ashton Hams when he went so close in 2015.

disappointing that we bowed out, but to come away with the most prestigious individual award in the league is something that I will cherish for the rest of my life," he said.

"I was home the year that Ashton was runner-up and I was really disappointed and upset for him that he wasn't able to win the award on the night because I feel like he deserved that recognition. He's my best mate and to now win this award myself and have him here to support me and be here with me tonight means the world to me."

Schloithe was also proud to occupy the top two spots on the Sandover Medal leaderboard with teammate Kelly.

"Tim is an absolute freak of a player, he's had a fantastic year and it's unbelievable for him to do so well in the count as well. He is a good friend of mine and I wish him nothing but the best for the future. I really hope he gets an opportunity in the AFL," he said.

STEPHEN MICHAEL FOUNDATION

The Stephen Michael Foundation will focus on community development by way of sport based personal developmental programs in schools and in the general community. The programs will vary dependant on the needs of the school or community in which they are delivered. The overall aim is to increase school attendance and behavioural levels of the youth in the SFFC communities and promote retention of students through to graduation age.

For the programs core purpose to be achieved, a strict adherence policy to school attendance and behavioural targets is recommended. If targets are not met individually by the student, they cannot participate in the physical activity component of the programs. In most cases, this will be Australian Rules football, however, other sports will also be offered where there is demand.

Overall, we need to develop more rounded individuals that have skills outside of sport as we see this as a flaw in many current early talent identification models employed. The young person is generally focused solely, in the case of Australian Rules football, on being drafted into the AFL. It is imperative that the person is developed as well as, if not more than, the player.

CURRENT PARTNERSHIPS

Shire of Meekatharra: To date, full support has been provided by the following Meekatharra agencies and businesses- Yulella Aboriginal Corporation, Dept. of Mental Health, Doray Mining, Karalundi Community school, local police, Dept. of Housing, Mission Australia, Dept. of Justice, Shire of Meekatharra and Farmer Jacks. We are very pleased to announce that Westgold Group has committed to partner us and provides much needed assistance for our staff to deliver the program on a monthly basis.

Fremantle College: Opening in 2018, Fremantle College will specialise in Australian Rules Football and Stephen Michael Foundation staff will deliver curriculum based Football and personal development units. This program will be available to both male and female participants and will become more challenging each year in line with all curriculum subjects.

Funding is vital for us to continue delivering quality programs, so special thanks must go the Western Australian Department of Local Government, Sport and Cultural Industries (via Tony Buti MLA, Simone McGurk MLA and Barry Urquhart MLA), along with our fantastic Supporters in Eileen Bond and Joe Rotondella, for providing valuable funding to ensure we launched in 2017. We hope you look on with pride at the results your contributions make over the coming years.

VISION STATEMENT

The Stephen Michael Foundation aims to be leaders in community development through assisting youth to achieve their goals and become valued members of the community. Our programs will develop the youth and young adults as people, as well as sports people, and is inclusive of male and females regardless of race, religion or social circumstance.

EXECUTIVE SUMMARY

The Stephen Michael Foundation was established in 2017, primarily to encourage the development of marginalised and at-risk youth through leadership and development programs run within the South Fremantle Football club's (SFFC) catchment regions.

The programs focus is on developing leadership and coping mechanisms, allowing students to complete their education and graduate from high school. Sport is simply the 'hook' to encourage participation and attendance.

STATE REPRESENTATIVES 2017

FOUR BULLDOGS HELP CREATE HISTORY

The WAFL State Team made history in Melbourne beating the VFL by 63 points with Ben Saunders, Tim Kelly, Haiden Schloithe and Ryan Cook all outstanding from South Fremantle.

It is a first ever victory for any WA team in Melbourne and the four Bulldogs players were all among the best players.

Saunders took home the Simpson Medal after kicking six goals from 16 possessions and eight marks. As if six goals weren't enough, he could have easily reached double-figures had he converted some of his seven behinds.

He has now kicked 16 goals in his three games representing the WAFL and now has the Simpson Medal to add to his three Bernie Naylor Medals.

Schloithe wasn't far behind in Simpson Medal contention kicking three goals from 18 possessions and seven tackles in his second appearance representing the WAFL.

Fellow midfielder Tim Kelly continued his tremendous Bulldogs form for WA as well in his second game representing the WAFL. He finished the afternoon with 24 possessions, nine inside-50 entries and seven tackles.

South Fremantle captain Cook played his sixth state game in his seventh season in the WAFL and again performed well with 15 disposals, four marks, four tackles and a goal.

On 23 previous attempts, WA teams whether they be interstate matches, as part of carnivals, State of Origin or representative clashes they have failed to find a way to beat the Big V in Melbourne.

MILESTONES PLENTY OF CENTURIES REACHED

It was a big season in 2017 for milestones at South Fremantle with Haiden Schloithe, Ben Saunders and Adam McIntosh all reaching 100 games with the Bulldogs, and Shaun Bewick and Brock Higgins also racking up the century in the WAFL.

The first milestone to celebrate was for Bewick in Round 5 for the Good Friday fixture against Claremont at Fremantle Community Bank Oval.

He got to enjoy the occasion with a big win in what is great reward for his dedication having begun his career at West Perth. He has been an important part of South Fremantle mostly on the wing since arriving in 2012 and is proud to have reached 100 WAFL appearances.

“Probably two years ago it definitely didn’t look like I was going to make it and it has taken me eight or nine years, and it’s definitely been a long journey,” Bewick said.

“But I’m glad I stuck it out and I’m definitely proud to make it to 100.”

The next player to reach 100 games was Schloithe as part of his remarkable 2017 that by the end had included a place in the winning WA state side, Sandover Medal and WJ Hughes Medal among a host of other accolades.

He booked his name on the No. 1 locker at South Fremantle in Round 16 for the NAIDOC

South Fremantle footy club, I probably would have said you were kidding yourself,” Schloithe said.

“But here I am and to be able to play my 100th game this weekend with all my good mates is obviously something pretty special.”

Saunders reached both 100 games in the WAFL and 100 for South Fremantle late in the 2017 season to cement what a tremendous move it was for him to come to the Bulldogs from Claremont in 2012.

He is now a triple Bernie Naylor Medallist, three-time state representative and a Simpson Medal winner having kicked 272 goals in 100 appearances with the Bulldogs.

His name will now be etched on to the No. 24 locker and his move to South Fremantle will forever be the best decision he made.

“I was a young bloke and it was a pretty big decision to make. I spoke to a lot of my closest

Week clash with Claremont. He delivered a remarkable performance too with 27 possessions and a career-best five goals.

Getting to 100 games while still only 24 years is a source of pride for Schloithe.

“It’s obviously a pretty special milestone. If you had told me six or seven years ago that I would have already reached 100 games for

friends and family members, and everyone said to go for it," Saunders said.

"It was a hard decision to make and once I made the decision it got even harder because there was a month or so when I wasn't able to train with anyone and there was some fairly aggressive phone calls going back and forth.

"That's the ugly side of training but I was still contracted so it had to happen for me to move. But the second training session I was here I lined up on McGrath and chatted with him, and ran out next to Paul Mugambwa and after that I felt at home here. It's such a good club and I'll never look back. It has been the best decision I've made."

Higgins is another who began his WAFL career elsewhere, with East Perth, but once he joined South Fremantle in 2014 he immediately found his feet and has gone on to become an elite ruckman in the competition.

His competitive spirit and ability to carry the ruck solo so admirably has meant he's become an inspirational figure with the Bulldogs and to reach 100 WAFL games is something he thought he wouldn't get to in some tough times with the Royals.

"It's probably more something that when you've finished to be able to say you've played 100 league games of WAFL is a good achievement, but at the moment it's just another game and I'm thinking bigger things," Higgins said.

When I left East Perth, I was then going to go and play footy in Melbourne before I met up with Hase and he told me to come play with us and I decided to stay. I've never looked back since then. There were times early on I didn't think I'd get anywhere but I'm glad I came to Souths."

McIntosh is another inspirational figure who everyone at the club was delighted to see reach 100 games when he did so in the victorious first semi-final against Swan Districts at Fremantle Community Bank Oval.

After a 2011 knee reconstruction and horrific broken leg in 2016, McIntosh got to his

deserved 100-game mark and was understandably proud.

"It means a lot to get to 100 games. It has been a focus for the last couple of years to try and get there and to get my name on that locker is massive for me," McIntosh said.

"It would have to be one of my biggest achievements outside and inside of footy in my life. I'm proud to have just played one game here, but to now be preparing for my 100th is a massive honour."

ON 100 GREAT GAMES**

DEBUTANTS

The great thing about the South Fremantle league side over the past two seasons has been the stability. That has been key to the Bulldogs making successive preliminary final appearances but again in 2017 it wasn't without some new players grabbing their chances.

It began in Round 1 with South Fremantle starting the season in brilliant fashion defeating Subiaco by 39 points at Fremantle Community Bank Oval.

There were debutants that day too with Kyle Russell impressing having graduated from the colts and Jake Solomon carrying the ruck having joined South Fremantle from East Fremantle in the off-season.

The next debutant came in Round 10 against East Perth also at Fremantle Community Bank Oval. It was a big job for young defender Chad Pearson to come in against an East Perth forward-line including Tom Lamb, Drew Petrie and resting ruckmen Jonathan Giles and Scott Jones.

The last debut was the most exciting of all in Round 19 against West Perth also at Fremantle Community Bank Oval. Matthew Parker lit up the contest and ended up making a sparkling debut kicking four goals in the 47-point victory.

All four players who made their debuts with the Bulldogs in 2017 now look set to have bright futures at the club.

Russell earned his spot in the league side to open the season after a tremendous summer.

The 22-year-old was impressive too in his first appearance for South Fremantle with 14 touches, four marks and 35 hit outs against Subiaco. He backed it up with another 11 touches and 32 hit outs against Swan Districts, and 12 possessions and 14 hit outs against Peel Thunder.

While he didn't make another league appearance for the season and injury saw him miss several weeks, he did make it back to be there on grand final day.

After a season with the Bulldogs, he will look to build on it further in 2018 and was glad to join South Fremantle to continue his family tradition.

"I have some family ties here as well so I'm happy to be here. I have been at East Fremantle since I was 14 years old and it was always quite funny because my family has always bled red-and-white," Solomon said.

The 19-year-old stepped up following a strong colts showing in 2016 and the tenacious yet slight left-footer went on to play the opening five games of the season in the senior team.

He returned for two more appearances in Rounds 8 and 10 as well before a strong finish to 2017 in the reserves side that made the grand final.

Solomon joined South Fremantle over summer and following the best pre-season of his career, was right to go in Round 1 to carry the ruck in the absence of injured duo Brock Higgins and Josh Branchi.

"Dad always refused to clap even if I did anything good for East Fremantle in a derby so he's probably the most stoked out of everyone. Everyone is just happy for me too and dad has always been my No. 1 fan and is always happy for me to be playing footy, but it's an added bonus for him now that I'm at South.

"When I was 12 or 13 years old, I would wear a South Fremantle jersey to my local club footy training. That was the jersey I had but then I hit the age of 14 and I went down to East Fremantle. I was just stoked to be playing and East Fremantle did a lot for me and were great in my development.

DEBUTANTS JAKE SOLOMON, CHAD PEARSON, MATT PARKER AND KYLE RUSSELL SURROUND FOOTBALL OPERATIONS MANAGER DAVID DEPANE

“I owe a lot to them but it’s exciting to be here at South. When I pulled on that jumper for the first time it made me think back to when I used to wear the Red V down to Bull Creek-Leeming training so they are good memories.”

Pearson was thrown in the deep end to play a key defensive role on debut in that Round 10 game with East Perth. But the 19-year-old held his own well in the absence of Blayne Wilson and Chris Luff.

He went back to the reserves after but came back into the league side in Round 18 playing the last five matches of the home and away season. He was so impressive to suggest he will be a key part of the Bulldogs’ back-line for years to come now.

The debut of Parker was remarkable with his four-goal effort and he carried on with it. The exciting forward joined South Fremantle in 2017 and after a good start in the reserves to earn his place in the league side that was second on the ladder, took the most of it.

The 21-year-old from Melville ended up kicking 12 goals in the last seven games of the season, including the three finals, and played the reserves grand final.

He now could very well have an AFL future ahead of him and if not, will be a continued star in the WAFL with South Fremantle.

NAIDOC WEEK

BULLDOGS PRODUCT DESIGNS SPECIAL JUMPER

South Fremantle has a rich Indigenous history and the Bulldogs in 2017 played Claremont in the annual NAIDOC Round clash and wearing an extra special jumper for the occasion.

South Fremantle and Claremont have met now in the annual NAIDOC Round clashes since 2007 and that tradition continued in 2017 with South Fremantle scoring a memorable victory at the newly reopened Claremont Oval.

The Bulldogs wore a new jumper design for the occasion created by South Fremantle product Jermaine Miller-Lewis.

South Fremantle's heritage of Indigenous players includes the club having named its own Indigenous Team of the Century in 2009, having four Bulldogs players named in the AFL's Indigenous Team of the Century and had around 100 players of Aboriginal backgrounds representing the club.

South Fremantle and Claremont have set the standard in the WAFL with NAIDOC celebrations largely because of the Indigenous players historically who have come through their ranks, including Stephen Michael, Wally, Phil and Peter Matera, Jeff Farmer, Maurice Rioli, Nicky Winmar (South Fremantle), and Jim and Phil Krakouer, Irwin Lewis and son Chris (Claremont).

"I'm so happy that they thought about me in that way when the process was coming around and I'm super proud to have my design on the jumper.

"I've been aligned with the club since I came through the young Warriors programs, so to be able to put my artwork on the jumper and express myself as an artist and person means a lot to me.

"Quite often you are just seen your footy abilities and judged by that, but being able to express myself through art humanises everything and lets you focus on your mind, body and spirit."

Miller-Lewis is also proud of the design itself and of the story it tells.

Miller-Lewis has always had a passion for his artwork when he was rising through the ranks at South Fremantle, and then when spending the past two years in the AFL system at Hawthorn.

He took a break from top-level football in 2017 to work out where his future lies, but he was excited by the prospect of designing the Bulldogs' NAIDOC jumper.

"As a club they came to me about the possibility of designing the jumper and Dave expressed their interest in terms of using my artwork for this year's NAIDOC Week game," Miller-Lewis said.

"As for the design itself, what I have interpreted as the Swan River is running through it and that is quite significant to the Noongar people as in that's part of their dreaming stories with the woggle coming to rest in the Swan River for creation time," he said.

"The symbols on the outside represent that South Fremantle is the main meeting place of a travel line of where people come to play. It's a design that holds significance that is close to South Fremantle and myself as well."

MARLION PICKETT, TIM KELLY, MATT PARKER, JOSH COLLARD

AFL PRODUCTS

Tim Kelly has been rewarded for his brilliant 2017 WAFL season with South Fremantle by being selected in the AFL Draft by Geelong.

On the back of 93 league games and 55 goals following a successful colts career with the Bulldogs, Kelly will now enter the AFL system at the Cats.

He could very well get the chance to play alongside Hall of Fame bound midfielders Gary Ablett, Joel Selwood and Patrick Dangerfield. Given his ability, he could provide that extra X-factor they are after.

He wasn't the only Indigenous South Fremantle star to be taken either, with the dynamic Jarrod Garlett earning another chance this time joining Jarrod Pickett at Carlton.

He was taken with he last selection of No. 78 in the AFL Draft. He decided to return home to Perth from Gold Coast in 2017.

After playing some good football with the Bulldogs, he will now have another chance to do what he can do in the AFL from 2018.

Brandon Matera is another Indigenous South Fremantle product who has a fresh start in 2018.

He was granted his wish of being traded following 101 games at the Suns to join Fremantle.

Brendon Ah Chee is in a similar boat having left Port Adelaide following 27 matches to join the West Coast Eagles.

Shai Bolton, Tim English, Callum Ah Chee, Billy Frampton, Jarrod Pickett, Cam McCarthy and Shane Kersten remain in the AFL after starting their careers at South Fremantle.

Ryan Burrows was taken by the West Coast Eagles at selection 13 in the Rookie Draft.

TALENT MANAGER REPORT

COLTS

The 2017 season was a tale of two halves and an extremely frustrating year in general for the colts. Whilst winning is not a focus within the program, we believe in teaching elite habits and playing competitive football to best prepare players for senior football. Early in the season this wasn't the case with blow out losses to Swan Districts, Claremont, Peel Thunder and East Fremantle in particular demonstrating that we were way off the pace and deservedly had a 1-6 start. After the derby against East Fremantle the season could have been lost completely, however, the group stayed strong and whilst we lost our next two games to Perth and Subiaco by one and four points respectively, at least we were playing a more competitive brand of football.

In the second half of the year we went 7-3 and recorded the most wins of any club during that period. Unfortunately, we left ourselves too much ground to recover and narrowly missed out on finals. It was disappointing to not give

this year's playing group an opportunity to perform on the bigger stage, however I think they are mentally stronger and hungrier for success due the disappointment they experienced both individually and as a group. The major positive from the season was the number of games we were able to get into our younger players and we fielded the youngest side within the colts competition. Hopefully this will give these players a head start leading into next season.

Our biggest focus within the colts program is preparing players for senior football and I wish to congratulate Kyle Russell and Chad Pearson who transitioned from the colts team in 2016 to playing senior football in 2017. I wish you all the best as you look to establish yourselves further as league regulars in 2018.

I would also like to make special mention to the following colts players on their personal achievements in 2017:

WA STATE 18S - JOHNATHON FRAMPTON (KARDINYA)

WA STATE 17S - MICHAEL REDMAN (SECRET HARBOUR), KYLE HAMERSLEY (WAGIN), REGAN SPOONER (SOUTH COOGEE)

WAFL COLTS TEAM OF THE YEAR - LUKE MOORE (KARDINYA), GLENN BYRON (CARNARVON)

DAVE INGRAHAM MEDALLIST - GLENN BYRON (CARNARVON)

These boys deserve the accolades that were bestowed on them and I am confident they will have long and successful careers in football either in the AFL or playing senior football for South Fremantle.

ACADEMY SQUADS

The South Fremantle Football Academy aims to continuously identify, develop and provide players capable of playing senior football for the Bulldogs. Our vision is to provide an elite learning environment where athletes can develop their knowledge of the game, grow as a person and learn how to prepare and play the South Fremantle way.

In 2017, we exposed over 200 players to our Academy across the 16s, Year 8, Year 9 and Year 10 Academy Programs. These programs were extremely successful winning 23 out of a possible 27 games which gives me great confidence in the quality of talented footballers who will go on to represent this great club for many years to come.

I would like to congratulate the following Academy players for their personal achievements in 2017:

JIM HURST MEDAL (BEST PLAYER 16s ACADEMY SQUAD) - JACK MUSIKA (COCKBURN)

TONY MOLLIKA MEDAL (BEST PLAYER YEAR 10 ACADEMY SQUAD) - REGAN WARD (JANDAKOT)

TERRY DEAN MEDAL (BEST PLAYER YEAR 9 ACADEMY SQUAD) - JONAS BROWN (WINNACOTT)

PETER O'NEILL MEDAL (BEST PLAYER YEAR 8 ACADEMY SQUAD) - HARRY ELPHICK (KWINANA)

WA STATE 16S SQUAD - DARRYL ANDERSON (NARROGIN), JACK MUSIKA (COCKBURN), MANFRED KELLY (ARMADALE), ROBERT WOODS (BIBRA LAKE)

STATE 15S SCHOOLBOYS - JACOB PLUNKETT (SOUTH COOGEE)

COLTS COACH MARK FOSTER AND HIS TEAM

ANNUAL REPORT AND YEAR BOOK 2017

Also, congratulations to Darryl Anderson (Narrogin) and Jaxon Bellchambers (Bibra Lake) who were judged best afield on the 16s Melbourne Tour as we went undefeated for the second year in a row against Calder Cannons and St Kevin's.

THANK YOU

To every single staff member and volunteer involved throughout all our programs who dedicate their time and effort to helping players achieve their footballing dreams, I say a sincere thank you for your continued dedication in 2017. I wish to make particular mention to:

- Mark Foster for your on-going efforts in coaching our colts and implementing a coaching program all the way down to our Year 8 players. Hopefully we see the fruits of this work in coming years
- Assistant coaches Andrew Foster, Jye Depane and Barry Stanton for your enormous efforts this year with the colts group. You greatly improved the players under your tutelage which is a credit to you as a coaching group
- Colts medical staff Sam O'Neill, Sam Lowman, Rowan Pearce, Hayley Booth and all our support trainers who have helped during the year. Thanks for your efforts in getting the boys over those niggling injuries and out on the field every week
- To Lou Turner and Harry Drygan, thank you for your continued support of the colts. It's always a pleasure to see you both first thing on a Saturday morning
- Jeremy Nodari, I have run out of words to describe how grateful I am for your assistance every year in your role with the colts. You are an absolute legend and I will make sure you keep your word that you will be here with the colts as long as I am!
- Academy coaches Jason Matthews, Simon Maxwell, Brent Irving and Matthew Johnston (16s), Steve Pendleton, Darryl Smith, Ryan Henley and Gary Matier (Y10s), Glenn Kirkwood, Jason Ellis and Jason Corner (Y9s), Beau McCormack, Mick

Cabassi, Sam Buhagiar and Peter Geere (Y8s) - thank you for passing on your knowledge to our Bulldogs of the future and driving elite standards on and off the field

- Troy Douglas for your continued role as Y8/9 Coaching Director. Your professionalism is first class and you have been a massive assistance in helping us grow this program from the top down
- To Leon (Pops) Flanagan for your continued support as 16s team manager and your assistance in planning the Melbourne Tour. It definitely wouldn't be as much fun if you weren't there
- Rebecca Boni, Rebecca Staunton and Richelle Gunawan for your assistance as trainers for Academy Squads
- The board and in particular Peter Christie and Gavin Jahn I thank you for your support and guidance throughout the year
- Tom Bottrell and the other staff in Jessica, Brooke, Darren, Drew and Steve. I extend my thanks for your varied assistance throughout the year. The professionalism you display on a daily basis is a credit to yourselves and it reflects strongly on the culture at the South Fremantle Football Club
- Todd Curley, thank you for your continued support of the colts program and providing your support wherever and whenever required
- District staff in Bradd, Tom, Regan and Robyn I thank you for your tireless efforts working in the district and providing a strong competition for our Academy to draw our players from

JOHN FRAMPTON

- To Ross, Phil, JJ and Pete Taylor-Thorpe, thank you for your on-going support with the property and trying to steal me good footballs where possible
- David Depane for your continued assistance in everything football related and being someone who I can bounce ideas and thoughts off on a daily basis
- To the parents and extended family of all players who give up so much of their own time to drive players to and from training, to games and constantly supporting their son in his dream of playing football at the highest grade possible, and:
- Finally, to the most important people involved the players. Thank you for your dedication, your interest in continually striving for improvement and doing your very best to represent this club with pride every time you walk out on the field

I would like to wish everyone a Merry Christmas and look forward to a successful year down at the Kennel in 2018.

VOLUNTEERS & SUPPORT STAFF

Volunteers continue to be the lifeblood of the South Fremantle Football Club.

From Timekeepers (Below right: Jenny Nikolich, George Cole) to our dedicated stats team (Below: Alan Powell, Anna Kristancic), and everyone in between, the South Fremantle Football Club just wouldn't survive without our loyal and dedicated band of volunteers.

One of the club's most loyal and dedicated servants, Peter Taylor-Thorpe (below middle) was also honoured in 2017 by winning the South Fremantle District Volunteer of the Year Award.

The support staff at the South Fremantle Football Club remains the standout benchmark in the WAFL.

Our medical team led by Ryan Gaias, Bronte Gorfin, Dr Matt Fitzsimons, Michael Swan, Rowen Pearce and their teams do a remarkable job.

Our property team headed up by Ross Addison and Jim Maskos who are dedicated South Fremantle people while the club just can't thank enough the contributions from the likes of Jeremy Nodari, Peter Matier,

RETIREMENTS

ULTRA PROFESSIONAL PULLMAN CALLS TIME

Leadership came naturally to Josh Pullman from the moment he captained Swan Districts to a colts premiership to the past two years as a key defender with South Fremantle, and coaching is something he will pursue one day but not immediately as he announces his WAFL retirement.

Pullman has announced his retirement from the WAFL having told his South Fremantle teammates at the WJ Hughes Medal night to ensure he could tell the group together for their one last official gathering for 2017.

Whether playing as a key forward or the last two years down back, Pullman has been the ultimate professional doing the utmost to get the best out of himself and his teammates along the way both on and off the field.

He retires having played 89 WAFL matches and kicking 77 goals made up of 23 and 31 at Swan Districts, and 66 and 46 with South Fremantle in between a three-year stint in Queensland playing in the NEAFL for Redland. He played 60 games for 175 goals there and was club leading goalkicker for three straight seasons.

On top of that, Pullman was colts premiership captain at Swan Districts in 2007, played in the league grand final at Swans in 2008 and his overhead marking, professionalism and leadership have always made him a popular teammate and respected opponent.

But following a 2017 season that saw him struggle at times to get his body right to play, he just felt the time was right to say goodbye to his football career that while at senior level lasted 149 matches, began much earlier at development squad and colts level.

With an itch to travel and to do things that football doesn't allow, Pullman bit the bullet to retire.

He remains supremely comfortable with that call as he embarks on a journey of self-discovery throughout Europe.

"It was a really tough decision and the

playing group is in a special place at the moment looking at something that could be really exciting over the next couple of years so the toughest thing for me was being able to get the balance right between what I could contribute if I continued on with the team," Pullman said.

"I was fortunate that I could make a clear decision before we all officially wrapped for 2017 and I was able to speak to the boys as a group at our fairest and best night.

"Being able to say thanks to the club for a really great four years that I'm proud to have been part of, and to say thanks to people who have had a big hand in my journey was great. I'm really looking forward to watching the team play next to see if they can continue on the path and see if they can achieve what I think they deserve which is the ultimate success."

After his time with Swan Districts and Redland, immediately Pullman knew he had made the right decision by joining the Bulldogs in 2014. Four years later, he feels like a South Fremantle person as he heads into retirement.

While coaching is something he feels he could pursue at some point and he would be a natural at it, 2018 might be too soon for it.

"I'd like to have some time off and 2018 I've got earmarked as a year where I can try some different things, focus on other projects and my career. But coaching does interest me and it's something I would like to look at further on down the track," Pullman said.

"The common theme throughout my career is that I've really enjoyed that when I've established my spot turning around and helping the next guy up whether it's in my position or a young player in general.

"Your career is broken up into three parts with the first part where you earn your spot on a regular basis. The second part is when individually you are seeing what you are capable of and what most people associate with being in your prime.

"The last part is holding on to that as long as you can and you realise how important team success is. The last couple of years I've realised how great it is to develop the young guys around you. Coaching fits into that really well so it's something I could see myself doing in the medium to long-term."

SOUTH FREMANTLE WOMENS FOOTBALL CLUB

2017 REPORT

South Fremantle welcomed three new coaches in 2017: Brendon Logan (League), Brettley Sheppard (Reserves) and Andrew Mulcahy (Rogers Cup). Their experience has brought a welcome vibrancy to the club.

Whilst not all results went our way, it was definitely an improved effort from our league team with opposition teams commenting on our attack on the ball and appetite to work for one another. Improvement was the message all year and the impressive performances towards the end of the year show signs of a very promising 2018.

The Reserves season was impressive with wins coming against very good opposition. Off the back of some great individual performances saw a number of players debuting in the league team. The Reserves team did well, making finals and unfortunately losing by the narrowest of margins.

The Rogers Cup team displayed a brilliant brand of football all season and held their winning momentum to take them through to the Grand Final.

We take this opportunity to highlight the depth of talent in the club and congratulate the players selected in State teams in 2017. We are extremely proud of all of you.

With the introduction of the AFLW competition nationally, South Fremantle was well represented by Beatrice Devlyn at Fremantle, Tara Morgan at Collingwood and Sabrina Fredrick-Traub selected as a marquee player for the Brisbane Lions. As a club we are committed to providing a pathway for all our players who wish to play at this elite level.

Congratulations to the 2017 Fairest and Best winners whose talent and dedication earned them this well deserved recognition.

Congratulations also to Shakira Pickett who won the WAWFL award for Leading Goal Kicker in the Rogers Cup competition.

We sincerely thank all our volunteers who give so generously of their time and to our sponsors whose wonderful support is greatly appreciated. They were Harts Painting, Pet City, Caprice Maintenance, Altona Plumbing, Fremantle Sardines and The Gate Bar & Bistro.

We look forward to 2018 with new and exciting changes bringing renewed vitality and opportunities.

COACHING GREAT RECEIVES NATIONAL HONOUR

No recognition is too much for WA football legend John Dimmer and the South Fremantle dual premiership-winning coach was honoured with the Lifetime Achievement Award by the AFL Coaches Association.

By the time Dimmer arrived as senior coach at South Fremantle in 2004, he had already put together one of the more remarkable careers.

Following a tough few years for South Fremantle following the 1997 premiership and 1999 grand final appearance, Dimmer turned the culture around.

It began with a first semi-final appearance in 2004 but by 2005, Dimmer's game plan was in full swing with the Bulldogs running hard off half-back, moving the ball quickly and being a strong, attacking team.

The result was a dominant finals performance on the way to the premiership with a 56-point grand final win over Claremont.

South Fremantle again made the grand final in 2006 and again lost to Subiaco in the preliminary final of 2007.

An injury-ravaged Bulldogs lost in the first semi-final to Swan Districts in 2008 but everything came together in 2009. South Fremantle finished with the premiership by beating Subiaco once more in the grand final.

It was back to the finals in 2011 before a first semi-final loss to Subiaco at Leederville Oval that was Dimmer's last match at the helm.

It brought to an end a remarkable eight-year run with seven finals appearances, three grand finals, two premierships and a 108-64 record.

Dimmer was awarded life membership of the South Fremantle Football Club last year.

Tracing back, following success with West Coast Amateur Football Club, Dimmer took over at West Perth in 1995. In five years with the Falcons, he led them to grand finals in 1995, 1998 and 1999 for premiership triumphs in 1995 and 1999.

Dimmer also coached the First XVIII at Christ Church Grammar School and has coached WA in state football.

He won 12 premierships in 25 seasons as senior or assistant at South Fremantle, West Perth, Claremont, Fremantle and West Coast AFC.

He also had a tremendous playing career with 171 matches at Subiaco and East Perth along with five state matches. He was a premiership player with Subiaco in 1973 and captained East Perth in 1983.

Considering some of the other names on the list of past winners includes Mark Williams, Neale Daniher, Russell Ebert, John Todd, Neil Kerley and Haydn Bunton Jr only highlights what a tremendous honour the Lifetime Achievement Award is.

BULLDOGS RECOGNISED COMMUNITY TAB HERO CLUB AWARD

Community TAB was very proud to award South Fremantle Football Club as the 'Hero Club' for 2017 as part of the Community TAB WAFL Halftime Show at the WAFL Grand Final.

Community TAB donated \$2500 to the South Fremantle Football Club for their outstanding work in the WA community, specifically through the Stephen Michael Foundation.

Community TAB also donated \$2500 to the Foundation.

As many WAFL clubs do amazing work in their community, Community TAB will be recognising two clubs, and we will be announcing the other WAFL club who will also be recognised as a 'Hero Club' soon.

Community TAB is very proud to have been sponsor of the WAFL Halftime Show for 2017 and to give back to clubs and not-for-profit organisations through the 'Hero Club' initiative.

PAST PLAYERS & OFFICIALS REPORT

Congratulations must go to our league and reserves teams this year in venturing deep into September during their respective finals campaigns. We look forward to further improvement for 2018.

Please note our major outlay for the 2017 season was the assistance to the football department's David Depane providing \$1023 in funds towards the purchase of match day players training recognition robes.

As with the membership funds raised on game day and foremost to our finances I would especially like to thank our valued sponsors Armando Sports (Armando Abreu) and Jim Kidd Sports (Jim Kidd) along with Sinwa (Peter Dennett) and Meat Direct for their continued support.

A special mention to Brad, Lisa, Pam and Lorne McGuinness for their efforts in providing the meat and continued sponsorship of the Roy McGuinness Family Day in support of the reserves.

Warm thanks must go to our many additional sponsors who donated their time, effort and money providing food for our half-time entertainment - Les Oliveri, Frank Treasure and Phil Skelton.

Hats off again to Ronnie Johnston, Clayton Hopkinson, Pam McGuinness and Margaret Redpath. And in particular the Del Borrello girls - Sue, Kristy and Emmie who are always a delight to have around with club legend Ray Richards.

I personally wish to thank our patrons for 2017 Brian Ciccotosto, Frank Treasure, Peter Thorpe and newcomer Phil Skelton (PFD Foods) who embrace the past player movement in their continued support of South Fremantle.

Importance must also be made to our half-time function guests who came down over the year to keep the past player tradition alive.

I would also like to thank all those you participated in our successful sponsorship fund raising raffle again along with congratulating the relevant winners!

Our membership of 190 was a great result especially in line with the at times frustrating WAFL fixturing but steadied by the on-going club success during the season as we endeavour to keep that level in 2018.

On a sadder note we must respectfully make mention over the season in the passing of Dave Cole and Geoff O'Brien from our 1947 and 1980 premierships sides.

I would especially like to thank Barry Smith (Secretary), Rod Higgs (Barman) and Peter Dennett along with Ronnie Johnston, George Cole and Wayne Delmenico for their support and special efforts.

Thank you Rob Barnsley in assisting with the WAFL Combined PP&O's as a South Fremantle delegate.

In working with the clubs administration I must also acknowledge Tom and Drew, along with Jessica and Brooke for their continued support especially with game day functions and general logistics.

Special mention of the Bar Manager Darren Winnett in for his assistance with our bar fridge and often hectic match day catering.

Over the course of the 2017 season the Past Players and Officials raised funds to provide the following:

- Presentation of two trophies per game as match day awards
- Reserves luncheon in conjunction with the McGuinness Family Day
- Assistance provided to our only State Schoolboys Under 15s representative Jason Plunkett from Emmanuel College
- Annual Colts Encouragement Award to Lachlan Feeney in the form of a \$100 donation and trophy

In conclusion our committee again would like to call on our Past Players and Officials to contact the club or our committee to provide the up to date details for future follow up as we can only succeed if we keep the entity strong and together.

Let's look forward to that ultimate success in 2018 both on & off the field.

RAY VAN BURGEL (DUTCHIE)
SFFC PP&O PRESIDENT

BAR & FUNCTIONS MANAGER REPORT

It was great to have some more home finals played in 2017 at Fremantle Community Bank Oval. Congratulations on another successful year from our league and reserves playing groups and better luck next year.

During the year we have had a few tribute acts on starting with Bon Jovi and Def Leppard, then Pinked which was a fundraiser for MND both have been quite successful. Keep an eye out in the newsletter for upcoming events in 2018.

Unfortunately at the start of the year we lost the TAB facilities due to the lack of use it received. The decision was beyond the club's control. The football commission are in talks about getting the Sky broadcast back, which will be beneficial for those with betting accounts.

Thanks to the Fremantle Worker's Club we have bands playing each Sunday from 11am-5.00pm with happy hours 12pm-1pm and 3pm- 4pm. Their music ranges from 50s, 60s, country, blues and rock n roll.

All members will receive room hire at \$100 less

than our normal room hire. So it will be \$450 for the Griff John Room and \$350 for the WJ Hughes bar (bar must be used and also subject to availability).

The Dockers moving to Cockburn at the start of the year has seen greater availability of the grounds and taking advantage of such we had a few of South Fremantle Women's games played at Fremantle on Sundays. As well as State Schoolboys and the Reclink Cup which was Muso's v the Media of RTRfm.

Attendance at home games this year was down significantly. It would be great to see a few more of our members attending games next year.

I cannot go without thanking the staff in the office - Jess, David, Drew, Brooke, Jason and Tom for their help.

Special thanks to Peter Taylor-Thorpe for his help unlocking the clubroom, gates and scoreboards for all the extra games. Steve McCarthy for his after hours room turnarounds throughout the year. Thanks to all my bar staff

for their tireless work especially on game days.

Finally I would like to thank Marion, Margaret Redpath, Carol, Bertha and Dutchie and the PP & O's for their help with the sausage sizzles and soup on Friday night who have donated their time.

Earlier this year we introduced Jag the Joker to varying degree of success, I am hoping to start it up again at the beginning of the year. There is a three-hour period where your purchases receive a raffle ticket and at the end of the period a ticket is picked and that person gets to choose a card from the board. The Joker wins the jackpot.

Bar opening hours for the upcoming year are Friday's 3pm-7.30pm and Sundays 11am-5.30pm with the only exceptions being Friday December 29, Sunday December 31 and Friday January 5. Looking forward to seeing everyone.

Hoping for another successful year on the ground. Go the Doggies!

DARREN WINNETT

Your Board wishes to express its sincere condolences to all our members who were unfortunate to lose loved ones during the past year. We offer our sincere apologies to any and all people inadvertently omitted.

TREASURER REPORT

You all would be aware of the state of the economy as painted by our State Government and how the lack of business liquidity can affect us all so in saying that our operating loss for October 31, 2017 has resulted at \$50,021, compared to last year's operating loss of \$12,223.

After adding back our depreciation expense for the year of \$54,180 the cash operating profit is \$4,159. In expressing this result, I think it relevant to note that an increase in bad debt write off contributed to \$15,205 of this increase loss.

The administration expenses have decreased overall with savings of approximately \$54,195, mainly attributed to decreases in staff and associated cost. As previously mentioned the increase in bad debts of \$15,205 is reflected in administration expenses.

Revenue within the administration centre is inclusive of expected cost reimbursement for the setup of the Stephen Michael Foundation.

Bar revenue from sales decreased slightly by \$8113 to \$471,737 from last year of \$479,850. With the loss of the pub TAB as it was commission received on this decreased by \$3515 and venue hire decreased by \$7067. Our bar expenses increased by \$19,419 which can be mainly contributed to staff wages and on cost.

Whilst total marketing revenue of \$644,780 remained close to last year, a strategy to appoint special personnel in this area is in its infancy and yet to reach full potential. That reflects an increase within the cost of \$63,182.

Player transfer fees received of \$130,709 and playing three finals resulted in an additional \$62,572 of the total increase of \$74,287 in the football income. On the football expense side, player match payments, coaching fees honorariums and staff salaries with on cost amount to \$642,377 which amounts to 75.5 per cent of the total cost. Playing in additional finals is additional cost to the club that is not fully reimbursed.

Our football development area inclusive of the colts and Warriors remain close to the 2016 cost which in total was \$191,090 for 2017 compared to \$193,854 in the prior year. The PDO grant remains at \$53,316 and expense reimbursement was \$14,027.

Membership revenue fell from 2016 by \$11,930 to \$59,896. It's an area that needs further focus.

Our facilities revenue decreased by \$30,519 with gate receipts of \$41,000 accounting for \$29,276 of this. Ground management parking also decreased by \$5356. The final Dockers recoupment amounted to an increase of \$15,086 over the prior year.

With the Dockers move to Cockburn and the renegotiation of the lease on the oval with the City of Fremantle there lies an opportunity to rekindle some events and functions that in the past helped the club. This is important to longer term financial sustainability.

As this is my final report as Treasurer of this great club I thank you for the trust and confidence you have placed in me.

A lot of good people who go into making it all work.
