With the support of the CFWA, we have introduced a new Supporter Behaviour Governance system. This involves a three-strike policy to ensure that game day environments are positive and provide a family friendly atmosphere.

As the League/Club holding the booking for the venue, we are responsible for the running of any events that occur whilst we hold the booking. As the holder of the booking it is within our rights to control who is allowed on the premises whilst the booking is in place.

We encourage all supporters to attend our matches and support their team, however we wish to keep these games family friendly and create an inviting environment for the whole community to enjoy.

You have been witnessed displaying poor conduct as indicated by the above ticked box. **The purpose of this letter is to advise you that poor spectator behaviour will not be tolerated, and you have now been given your first strike.**

The first strike is considered a warning to you and we advise that you significantly improve your behaviour. If you are found to reoffend you will be issued with a second and potentially third strike with the penalties outlined below.

SECOND STRIKE – A two match suspension from attending club functions, which will ban you from attending any home games that the club is hosting.

THIRD STRIKE – The club will be proactive in implementing a restraining order on you making it illegal for you to attend (*Club Name*) matches. A third strike escalates this to a police matter.

We hope that you consider your actions and how they affect others in the future.

Please contact XXXXXXXXXXXX if you have any other questions.
