PRESIDENT'S REPORT

It is a privilege and an honour to be reporting to the members as President of this great Club for season 2019.

"Challenges are what make life interesting. Overcoming them is what makes life meaningful"

A guiding principle of mine is to recognize that we are all temporary custodians of this great Club, and we have a duty to leave the Club in a better place than when we found it.

The values that the Players have printed on their wall in the Players' Room are worth revisiting and are a good starting point for everyone involved with the club.

Our Players are committed to being ruthless, with the following :

- Invest in each other and build relationships
- Consistent focus on improvement – give feedback
- Commit to enjoying it – celebrate success.
- Make the most of every opportunity – train to win.
- Have TRUST in each other.

When you care for someone else, you will work harder for them and sacrifice for them. The bond of competing together and striving for success is special. There is no limit to what a team with great camaraderie can do.

I just read a paper by Scott Mautz in relation to an 81 year long study conducted by Harvard University which says that staying happy and mentally sharp boils down to one thing.

That ONE thing is "Good relationships keep us happier and healthier. Period."

That leads into the famous saying, "Individually you can do good things, but together you can do great things"

I believe that everyone who is involved with the Club has a passion to keep the Tigers alive and strong. I believe that the board, staff, volunteers, sponsors, patrons, members are working hard to communicate openly as One to keep this great club strong ON and OFF the field.

I would like to thank my fellow Board members for their countless hours behind the scenes. The Board takes their responsibility to the members extremely seriously. The Board is very strong and is not scared to have open and robust conversations.

I would like to thank Kaye Maskiell for 19 years of service on the Board of the Club. Kaye was always a calm voice of reason and her experience will be missed, and I know I can always pick up the phone for advice. We all wish you the best in retirement and look forward to seeing you at the games.

- o Brian Beresford (VP)
- o Tony Evans
- o Jeremy Sims
- o Kaye Maskiell
- o Darrell Panizza
- o Jenny Rogers
- o Tim Sullivan

FINANCES

The Club has recorded an operating surplus of approximately \$240,000 for the financial year ended 31 October 2019. While this was an outstanding result, we are conscious of a challenging economic environment and the need to continue to generate a strong surplus to pay down debt and re-invest in the Club.

We have applied this surplus to continue to pay down the Club's debt position, and invest in our Tiger's Bar. The \$500,000 five-year term loan from Westpac (that was advanced in August 2017 in relation to the completion of our new facility) now sits at approximately \$122,000

While debt reduction remains a priority, there are other demands for capital that we need to manage prudently, including providing the necessary resources and support for our players and staff, and major upgrades of Oval lighting which we are currently investigating.

The Club is still very much reliant on the continued support of our members, sponsors and volunteers. The Club would simply not exist without your continued support.

We are also very excited to have our new Stadium Sponsors "REVO FITNESS".

I would like to thank the team behind REVO, Andrew Holder and George Gelavis for their massive contribution to the Club. They have recently signed a new lease and are currently fitting out approximately 600m2 on the top level to create an exciting HIIT training zone to add to their very popular 700m2 gym space on the ground level.

I ask all members, sponsors and supporters to take a look at their gym offering and get behind REVO FITNESS.

COACHES and PLAYERS

I would like to take this opportunity to again thank Darren for the highly professional approach he adopts with our players and coaching staff. With over 70 players on our Senior list, Darren's performance has been outstanding - building a great culture and team environment. I wish him all the best for 2020.

I would like to thank our Development Coach, Brayden Duckworth. What a great season the Development side had finishing on top of the ladder, and unfortunately just fell short in the Grand Final. We also had 9 League debutants this year. That makes 23 over the past 2 years. It's a credit to everyone involved with the Club that we have an average of 95% local talent playing in our League side each week.

Ross McQueen, our Colts' coach, has again demonstrated amazing commitment to our young talent, by coaching his 6th Premiership. It was a delight to watch the Colts play an attacking style of football and take the game on in their nail biting grand final victory. Ross has accepted a position with the WAFC where he will be working with the State 16s and 18s. We thank you for all your hard work and wish you all the best in your new position.

Also, I would like to express our gratitude to Warren Parker, our Talent Manager. Warren's ability to organize hundreds of young players within our zone, from the age of 13 up to 19, is outstanding. He has an enormous workload, dealing with country kids from the Great Southern to the Kimberley, in addition to the local Claremont District. Keep up the great work.

VOLUNTEERS

We are indeed fortunate to have a team of loyal and passionate volunteers that give of their time to the Club.

- Income from parking at the Royal Show is a critical component of our finances and would not be achievable without our band of brilliant volunteers, ably led by Ron Dingle, Andy Webster, and Ed Coyle. The Club really appreciated everyone who put up their hand to take shifts over the week.

- I wish to express our gratitude to the great catering team, headed by Ladies' Committee CEO, Carol Millband. Carol and her team of passionate, hardworking volunteers had the opportunity to provide match day catering. I would like to thank Carol and the Ladies' Committee for the amazing \$30,000 donation to the Club, and we look forward to their continued support and enthusiasm in 2020.

- Monday's Dad's Army for keeping the club in order as well as keeping me accountable. We all thank you for your hard work with anything that needs to be done.

- I would like to thank the Past Players and Officials, led by Les Gillies, for organizing the past player events and raising much needed cash for the Club.

- A big thanks to time keepers (Eddie Coyle and Geoff Currie)

- Scoreboard attendant (Cooper)

- Property Manager Jack Denton

- Medical team: Dr Lionel Lim and Dr Nathan Luis.

- Physiotherapists: Anthony McEvoy and Dan Webster and Kim Manola.

- Head Trainers : Chloe Phelps and Louisa Paterson and their team.

- League Assistant Coaches: Steve Armstrong, Josh Pullman, Trinity Handley, Percy Johnson.

- League Manager: Keith Millband

- Talent Assistant Coaches: Troy Arnold and Ben Armstrong.

- Talent Team Manager: Murray Willis

SPONSORS, PATRONS, PLATINUM

It's vitally important that we run this club within the resources we have available to us. Without our Sponsors, Patrons, and our new Platinum Club, our Club would not exist.

I would like to thank our Patron, Peter Laurence, and our Vice Patrons:

- o Anne Kyle
- o Phil Crabb
- o Ross Ledger
- o Errol Marron
- o Ian Oldfield
- o Kevin Some
- o Sue Knowles
- o Bill Hassell
- o John O'Connell
- o Ken Venables

I would like to thank Chris O'Brien and Geoff Morgan and their team from Liquor Barons as the Major Sponsors this year.

I would like to pay tribute to Mike Terry who recently passed away. Mike with his wife Dawn and son Kevin have been amazing supporters of the Claremont Football Club for nearly 40 years. I would like to offer my deepest sympathies to Dawn and Kevin and your extended family from the football Club.

A big thank you to Travis Smith (TRAVEL TREE) for donating the Qatar Business Class tickets for our Major Raffle, which is an extremely important part of our fundraising. I urge all members to support Travel Tree with your travel plans.

Thanks to all our volunteers and who helped with the Banquet Auction. It was a great night and raised much needed funds for the Club.

To the 80 plus members of the Platinum Club, that raised approximately \$90,000, we couldn't survive without your support. The Board looks forward to adding to this number and creating an enjoyable business network.

To all our other sponsors - a big thank you. We hope we can rely on you as we head for our next run at the Premiership Cup.

STAFF

I would like to thank Darcy Coffey for doing an outstanding job in his first year as the Club's CEO. Darcy has shown he can handle any situation that is thrown at him. We are very fortunate to have a young, enthusiastic, and smart CEO. I look forward to working closely with him in 2020.

Kepler Bradley has been outstanding appointment as the Club's Football Manager. His ability to coordinate players, keep budgets, and to communicate with coaches and players has put the club in a strong position on the field.

I would like to thank our hard working, loyal staff. Lisa MacNeill (Finance) works very hard behind the scenes to keep our accounts up to date and accurate. We are blessed to have such a committed finance person working with us. Zoe Moss (Business Development), for cranking up the Thursday night Tigers Bar and creating a community hub on Friday nights within our junior football district. She is passionate and hard working. Olivia Zuvella (Marketing) who works closely with Zoe in looking after our Marketing and Communications strategies. Holly Reed (Administration Assistant) who always has a smile on her face at reception and helps out with our Friday night and always keen to help out behind the bar. Nan Walker for all her volunteering hours to help our staff and specifically with our Banquet Auction. Nan's commitment to source prizes for the night is truly exceptional. Will Birkett for his efforts as Bar Manager during the year and now has been appointed Venue Manger. Pat Coffey for being a "jack of all trades" and looking after the

building facilities and tenants. I also would like thank Emily Musca for her 3 years' service at the Club and wish her all the best in the future.

On a final note, lets' all be committed to the "one percenters" that make big things happen. The little things are the crucial details that determine the outcomes of life.

I look forward to seeing everyone down at Tiger Land for a successful season in 2020.

Regards,

Grant Povey

CHIEF EXECUTIVE'S REPORT

As I sit down to write my ninth consecutive Annual Report it's fair to say a bit has changed over the journey. From inheriting the converted creche overlooking the oval from 2011-13 to our showground adventure at the top of the winding stairs from 2014-2017; to now sitting in one of the best state level sporting facilities in the country from 2018; I certainly wouldn't want to be anywhere else. Although my office and title may have changed over the years, the best things about the Claremont Football Club have not – and that's the quality of people. From co-workers, Presidents and Directors both past and present, Monday crew, coaches, support staff and volunteers; their passion for the club is unparalleled. And of course, the players; to follow their journeys both on-field and as people is among the greatest

reward of this job. Arriving back at the club in 2011 with Bailey Rogers, Fraser Gilbert, Dec Mountford, Alec Waterman, Jared Hardisty and Ryan Lim among our 14s & 15s development squads and following their path through to being key members of our League side in 2019 is incredibly fulfilling and I can't wait to see them taste the ultimate success of a league premiership.

But that's enough about me, this is about the year that was, and as Claremont people it's one I think we can all be proud of.

- We have well and truly established ourselves within our new home. The players' gym, locker room, theatre and warm up areas are built for high performance and are adorned with Claremont legends to inspire our next generation.
- Late last year we resumed control of the bar and function rooms, giving us greater flexibility to deliver a quality experience to both our members and the wider community who frequent the amazing spaces we have on offer.
- Under the guidance and leadership of Tony Evans we have developed the Tiger Bar into a premium bar. The timber panelling, painting, artwork and furniture have been incredible additions in making this an outstanding hospitality space. Thursday and Friday nights are a testament to the success of this, with hundreds of local kids, parents, families and residents enjoying a drink and a meal as they watch the players go through their paces on the track.

And don't think naming it was easy! with a million suggestions flying around, the final product was uttered by Kepler over a few beers at the OBH and it couldn't be more fitting.

- In addition to the Tiger Bar, Dollars Deck received a makeover with synthetic grass, the addition of a bar and some exclusive hospitality on match day making this a highly sought location.

- Midyear we were able to negotiate a naming rights partner with Revo Fitness Stadium becoming our new name for the next 3 years. They have been a wonderful tenant since our move into our new building and in taking on some more lettable space and with our common purpose in creating a healthy and active community, linking up to increase our ability to deliver the wonderful programs we do and further activate our space is the perfect partnership.

- 2019 saw the formation of a state women's football league (WAFL-W) with Claremont being one of the five sides to earn an initial licence. Under the amazing guidance of Rachel Asquith and Andrew Di Loreto, the Women's club is already growing into a formidable force in the competition and quickly becoming a first-choice sport for talented female athletes in the community. A premiership for the reserves side in the inaugural year of the comp is a testament to our depth and I look forward to hitting the ground running and further integrating the women's players, families, staff, and supporters into the club in 2020.

- As 2019 marked the 30th anniversary of our 1989 premiership, it was a real treat to see that group return to the club for a reunion. Hosted by current director and '89 premiership hero Brian Beresford, the panel of Gerard Neesham, John Scott, Mark Brayshaw & Peter Mann recounted their memories from the big day in style. The brotherhood and relationships created by these successes form a huge part of our club's culture and having them return and celebrate their success is really important.

- The Development around the ground continues – Mirvac completed their 'Grandstand' development at the end of 2018, Blackburne in the south western corner will be completed before this year is out and Celsius to the north of the club rooms started development in September this year. The buildings around the ground are creating an amazing colosseum effect, further adding to the vibrancy and atmosphere of our home deck.

- Speaking of redevelopment, the oval has undergone a revamp with new reticulation installed in October this year, thanks to a Federal government grant. December will see some further works to improve the soil profile, drainage and surface level which will ensure its increased usage and durability for 2020 and beyond.

- Football results – Congratulations to the colts group on another premiership. Talent Manager Warren Parker runs an outstanding program and the performance on that (second) last Saturday in September and in particular the multiple smotherers in the dying minutes will be remembered for a long time. It also marked the end of Ross McQueen's coaching tenancy at the club (for the time being) as he takes an opportunity with the WA

State Academy program. A wonderful coach and an even better bloke who can take a great deal of credit for the quality of player and human within the senior squad at the moment. You will be missed Rosco, don't be a stranger.

- An outstanding year for the reserves saw us unfortunately fall at the final hurdle. The work of Brayden, Troy and Ben in leading the team throughout the year was incredible and the amount of development and improvement within our playing group is not defined by that final result. Well done boys

- The seniors are on track to becoming a genuine premiership contender, spending the majority of the season within the top 3 demonstrates that. Despite bowing out in the preliminary final, Darren, Steve, Josh and Trinity can be very proud of what they achieved in 2019. These coaches, players and support staff are an incredibly united group, they work their guts out for each other and I look forward to us taking further steps in 2020. Congrats to Kepler Bradley as well for leading the Football Department with aplomb; Like the staff under him his genuine care and investment in the club set a high benchmark in football administration.

- Whilst incredibly sad to see a number of wonderful club servants in Ian Richardson, Jake Murphy, Jack Bradshaw and Jessie Laurie retire, it was a real treat to send them off in style at the B&F. All four have left a formidable mark on the club and have created their own individual legacies that the next generation will strive to emulate.

- Thanks to our incredible staff at the club. Lisa MacNeill, Zoe Moss, Olivia Zuvella, Holly Reed, Will Birkett, Pat Coffey & Nan Walker, they have provided a joyous and unified workplace, they have each other's back and make the long hours spent at the club all worth it. I must also recognise club legend, former CEO and all-round good guy Graham Moss who has been of huge assistance to me since stepping into retirement.

- To President Grant Povey, Vice President Brian Beresford and the entire board of directors. Thank you for your vision, support and commitment to the club. I know very few people have a true understanding of your financial, emotional and time investment into the club but we are enormously grateful. I could not ask for better leadership and I look forward to 2020 under your guidance.

- To our patrons, sponsors and all those who invest time and money into our magnificent club, we are in your debt and you can be confident and comfortable that your provisions are creating the best community organisation in WA.

Thanks to everyone for your support, see you in 2020

Darcy Coffey

MEMBERSHIP, MARKETING & BUSINESS DEVELOPMENT

ZOE MOSS & OLIVIA ZUVELA

MEMBERSHIP

Without our members we don't have a club, so 2019 we began our give back project. 2019 saw us with 1,600 financial members just short of number 1 ranking underneath the Royals. Our first game kicked off with us launching BEPOZ, Australia's leading developer of point of sale (POS) systems. The BEPOZ system understands that our members and memberships are important, and that both should have privileges. This software has built in loyalty programmes and management, which should keep our members coming back. In 2020, we look forward to further engaging with the software to ensure we can communicate with and benefit our members at all times. Plans for 2020 memberships are underway, and we are targeting 2,500 financial members to be a part of the community hub of the Claremont Football Club. We are currently at 20% of our target, leading all clubs within the first month of launching. 2,500 members is ambitious, but as we have settled in to our new home at Revo Fitness Stadium, the opportunities for our members are exciting!

COMMUNITY ENGAGEMENT

2019 has been a year of bringing our community to the football, engaging with Junior Clubs, Schools, Members, and the local community. Introducing 'Friday Night Football' has been an overwhelming success. Giving kids who are the future of WAFL the opportunity to play under lights whilst friends and family watch on as the kids run out to their team song while enjoying a family meal together at the clubs very own, Tiger Bar. The Claremont Football Club is striving towards promoting the gateway to football to our community. The introduction of our Thursday night free footy clinics proved popular with the local community as it allowed kids to engage with our senior football players, creating a strong connection between the youth and our playing group. This initiative would not have been possible without the help and guidance of Tom Curren and Ollie Lines. The Tiger For Life campaign, which ran on from these clinics has a strong future in the club and special thanks to Simon Nimmo for his passion and commitment to the pathway.

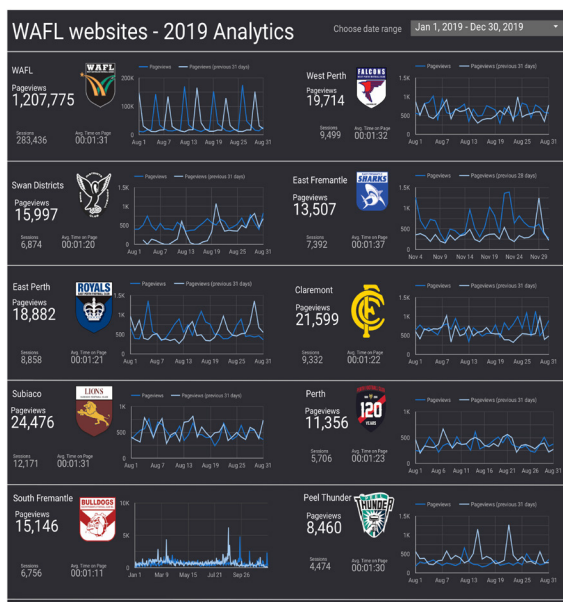

Thursday Night Clinic with Swanbourne Primary School and Bidyadanga Primary School

The measurable success of the community engagement performed in 2019 will be measured by our memberships in 2020.

MARKETING

2019 welcomed our new Marketing Manager, Olivia Zuvela. After completing a 10-week internship, Liv started in her permanent role in April. Preparing the directional marketing plan for 2020, which will lead the club into a uniformed approach across all aspects of the business. The brand guidelines have been developed and a cleaner, fresher approach to our website and all digital marketing in place. In 2019, we have moved from 2,661 Instagram followers to 3,732 followers with a target of 4,000 by the start of the 2020 Season.

2019 WAFL website traffic

Family Fun Day

EVENTS

In March we continued our longstanding tradition with our Season Launch and Player Sweepstakes event. With 25 % profit going directly to the club this contributed \$7,812.50. Our banquet Auction replaced footy boots and gym clothes for heels and suits and offered a great profit for the club \$37,317.00 Special thanks once again to our MC and Auctioneer Tim Gossage, and Jenny Rogers and Emily Musca who managed the successful event.

Ladies Day was a fabulous day with over 100 attending, with Claremont Football Club supporting a great cause "Dressed for Success". With the weather on our side, ladies were able to be sideline in a marquee sipping cocktails and enjoying tunes from the DJ for the win over Swan districts.

We have hosted an array of events in our function centre including Ride for Youth Melbourne Cup who have re-booked for 2020, multiple birthday parties, art exhibitions, school and sporting wind ups, fundraising events and corporate seminars to name but a few. The partnership with Revo Fitness has seen our community engagement flourish, with weekend free outdoor training sessions on the oval. We are looking forward to further engaging in 2020 with the local community and our members.

Our very own Tiger Bar and function centre achieved budget for 2019, with a profit of \$128,556.00.

2019 was an exciting year, and with a great deal of planning going into 2020 we are ready and looking forward to a successful year ahead. The direction of the club for 2020 is looking strong and our future bright!

FOOTBALL OPERATIONS MANAGER

KEPLER BRADLEY

A year full of positives saw both senior teams finish in the top 3 on the ladder but neither team could quite hit the heights we were expecting. The reserves team went the home and away season losing only 1 game and was positioned on top of the ladder. In the 1st Semi-Final our developing Tigers managed to beat West Perth by 77 points, however two weeks later that same West Perth team out played and out muscled us in the grand final to claim an unlikely reserves premiership by 6 points. Our League team finished the year sitting 3rd on the ladder and were eventually knocked out of the preliminary final by the hungry South Fremantle side who have played in a number of preliminary finals in the past years. South Fremantle were able to overcome a really competitive first half by our Tigers at Fremantle Oval and booked themselves in the 2019 WAFL Grand Final.

Whilst winning the premiership was almost expected from the reserves this year, the football they played throughout the year was a catalyst to why our league team finished high on the premiership table. Our league team started the season really strong and after round 17 were sitting 2nd on the ladder. Indifferent form over the back end of the season saw us finish 3rd with the loss against West Perth in round 18 sealing our position on the ladder. The finals series brought great hype to our football club with our first final against South Fremantle. A slow start saw the opposition get out to a 29 point lead just before halftime but the boys stormed home in the last quarter to close the gap to 7 points before the final siren sounded. The Second Semi against West Coast Eagles was the game of the year. West Coast who were littered with 18 AFL players arrived at Claremont Oval full of confidence only to be beaten by a more ferocious, determined and skilled Claremont team. The courageous act from our captain Ian Richardson in the dying minutes of the game was truly heroic. The skipper was helped off the ground with a broken collar bone after he put his body on the line to tap a ball out to space, which resulted in a goal that sealed the 4 point win and booked us in for a preliminary final rematch against

South Fremantle. An exhausted Claremont side was unable to get the job done for the 3rd time in 5 weeks against South Fremantle which bought an end to the season.

There is a lot to like about our 2019 Tigers. 9 players made their League debuts this season following 14 debutants in 2018. Anthony Treacy was a standout in his first year making the transition from the Kimberley to Claremont Football Club a seamless one. Declan Mountford returned after a 3 year stint at North Melbourne to bolster a midfield where he, along with Jye Bolton and Kane Mitchell were among the competition elite. Jeremy Goddard had a standout year in the ruck giving our midfielders first use while Anton Hamp again marshalled a young backline that were hard to score against. Bailey Rogers and Lachie Martinis again showed us how talented they are with their run and carry off half back and Jack Lewsey and Declan Hardisty played their roles as lock down defenders and rarely got beaten.

As we look towards the 2020 season there is a real excitement amongst the group that will see key players return to pre-season ready to train fully after injury plagued 2019 seasons. Jared Hardisty who came 2nd in the 2018 B&F suffered a significant hamstringing tear in a preseason game which saw him only play 6 games this year. Alex Manuel had knee surgery at the end of the 2018 season and was unable to register a League game while Alec Waterman and Harry McCracken missed large chunks of the year with various injuries. I look forward to seeing these guys have great preseasons and add some real fire power to our forward line.

As our excitement grows over the potential of our young group, 2019 also saw the curtain draw on the CFC careers of a few wonderful servants. Ian Richardson will go down as one of the club's all-time greats with countless achievements in his 228 game career which included 2008 best and fairest, 2x premiership player, 2 x CFC leading goal kicker, 6 time WA state representative, Simpson medallist, club captain 2018, club co-captain 2019 and life membership. Ian led by example on the training track and was a great role model for our young group on what work ethic looks like. Jake Murphy, who was renowned as a big game player and was club captain between 2014-2017, finished with 134 games. He's another premiership hero that help lead our young reserves team to the grand final this year. Jack Bradshaw who played his 100th game in round one this year was always a threat around goals and consistently took the opposition best defender. In the end injury ended the 2 x CFC leading goalkicker's career this year and was forced into retirement. Last but not least Jess Laurie who again is a 2 x premiership player and an outstanding leader and person called it quits at season's end. We wish these players all the best in the near future and thank them for their contribution to the Claremont Football Club. Well done gents.

Declan Mountford in the NAIDOC Round.

Jye Bolton during Claremont's NAIDOC Round game against South Fremantle.

Some key facts and highlights of the 2019 league season included:

- We played a total of 38 players in the league side with 9 players making their club debut.
- 95% of players were local zoned, once again leading the WAFL competition with the next best at 83%
- Jye Bolton, Kane Mitchell and Bailey Rogers were our Senior State Representatives
- Jeremy Goddard and Anthony Treacy participated in the AFL combine testing.
- Top 3 in this years League B&F was Kane Mitchell, Declan Mountford and Bailey Rogers

A big thanks to all of our wonderful football support staff who contribute countless hours and truly have the club's best interest at heart. League Coaches Darren, Josh, Trinity & Steve did a terrific job leading the team to a preliminary final; Brayden, Ben, Troy and Dunny for coaching the reserves to a Grand Final; Keith, Murray & Phil in team management; Jake, Oli, Steph & Alaina in S&C; Chloe, Lou and the wonderful trainers; Dan leading physio with help from Kim and Macca, Lionel and Nathan as matchday doctors; Jack Denton in your work with the property; Wayne and Dave as our stats team; Ian, Pat and the Monday Crew; and of course Carol & the Ladies Committee who not only came to the rescue for match day catering but have also supported the football department for decades. Special thanks to Tom Curren who worked with us helping with welfare and player development throughout the year.

The club is what the people make it, and the people we have are incredible. I look forward to getting stuck into 2020!

VALE

The Claremont Football Club pays tribute to the following members of the Tigers "family" who passed away during 2019.

SALE, Mary. Passed away 11/04/19. Mary was a long time tireless worker for the Ladies Committee whose efforts, together with those of her late husband Jim, were recognised by the granting of a Life Membership in 2004.

FARMER, Robin. Passed away 28/04/19. Robin played 58 games for Claremont from 1941-1943, and was the winner of the WAFL's leading goal kicker in 1943, kicking 97 goals & the runner up for the Sandover Medal. Robin was also part of the Old Boys Club at Claremont Football Club.

MCMANUS, Neil. Passed away 02/05/19. Player 435 for the Claremont Football Club & played 3 games in 1955.

CAPORN, Margaret. Passed away 20/05/19. Widow of Club Legend Ken, Player No. 260 (273 games for Claremont, 14 State games, twice Best & Fairest) and mother of Gary (Player no 664, 30 games 1973-1975).

WOLFENDEN, Richard. Passed away 22/06/19. Richard was a Claremont Football Club member and played 14 games 1953-57.

JOHNSTON, Nicole. Passed away 25/07/19.

DAVIDSON, Bev. Passed away 31/07/19. The mother of Peter Davidson who played 66 games for the Tigers and won the league Best & Fairest Award in 1985.

HAM, Brian. Popular member of CFC. Player No. 517 -17 league games (1960 to 1965). Winner of the Jack Clarke Medal in 1960. His son David (Player No.888) played 12 league games in 1992 -1993.

WILLIAMS, Mort. Passed away 18/10/2019. CFC Past Player No. 515. Played 7 League games in 1960-61, and also many reserves games in the 60s. Mort was a great personality and team man.

TERRY, Mike. Passed away. 21/10/19. Mike was a long term supporter of the Claremont Football Club and father of Kevin Terry, director of Hertz Car Rental, who are a long-standing sponsor of the club.

GRINCERI, Anthony. Passed away 30/10/2019. CFC Past Player. Played 16 league games between 1971-1974, as well as reserves & colts.

MITCHELL IS A SHINING LIGHT

BY KEN CASELLAS

Ever since he was starring for the Marist club and won the Claremont district's 14s competition fairest-and-best award in 2004, Kane Mitchell has been a shining light.

The indefatigable midfielder became the 19th multiple winner of Claremont's league fairest-and-best award when he received the E. B. Cook Medal at a celebration dinner in October.

Mitchell, the side's inspirational co-captain, won by a narrow margin from fellow-midfielder Dec Mountford after an exciting count. He received 323 votes, just three ahead of Mountford, who returned to the Tigers this year after three years with AFL club North Melbourne. They were followed by Bailey Rogers (310 votes), Jye Bolton (293), Dec Hardisty (292), Jack Lewsey (291) and Jeremy Goddard (291).

Mitchell, who celebrates his 30th birthday on December 1 this year, won his first Cook Medal in 2012 by a margin of 52 votes from Tom Lee. That was a memorable year when he kicked three goals to help the Tigers to beat East Fremantle by 26 points in the grand final at Subiaco Oval --- six days after winning the Sandover Medal with a record-equalling tally of 58 votes.

He was to the fore again in this year's Sandover Medal count, finishing third with 24 votes, behind the Subiaco pair of Lachlan Delahunty (28) and Kyal Horsley (27). Bolton, winner of the Sandover Medal in 2016 and 2018, finished fourth with 22 votes.

For good measure Mitchell finished second in the Cook Medal in 2010, third in 2011 and third in 2018 after his fifth placing in the colts award in 2007 and second for the reserves award in 2008.

After enjoying league premierships with the Tigers in 2011 and 2012 and a Foxtel Cup victory in 2012, following grand final losses with the colts in 2006 and

2007, the reserves in 2008 and the league side in 2010 and in the Foxtel Cup in 2011, Mitchell was selected by Port Adelaide in the AFL rookie draft in December 2012.

He played 35 AFL matches in four seasons and made 23 appearances for the Port Adelaide Magpies in the SANFL competition (when he finished seventh in the Margarey Medal in 2015 and was equal third in the medal count the following year). He was delisted by Port Adelaide at the end of the 2016 season and spent 2017 travelling the world before returning to the Tigers for the 2018 season after a five-year absence.

The hard-running Mitchell has great endurance, is a hardened professional and a consummate team player. He is a harsh self-critic who leads by example. He is now looking forward with keen anticipation to helping the Tigers in their quest to chalk up their 13th WAFL premiership in 2020.

TALENT MANAGER

WARREN PARKER

It was a busy year in Talent here at the Claremont Football Club as we worked hard to ensure that our Talent Pathway remains one of the strongest in the country. Our philosophy of "develop our own, promote from within" gives us the blueprint of investing heavily in our Talent Pathway and ensures that we continue to provide opportunities for our players to develop on and off the field to become the best versions of themselves as they aim to play football at the highest level that they possibly can.

2019 saw our Talent Pathway evolve yet again with the implementation of the WAFL Futures Competition which took over the 16s Development Squad Program and looks to engage players in the 16th/17th years as they prepare for Colts Football and beyond. The 14s & 15s Development Squads also changed in structure and we've been working hard with the Great Southern and Kimberley Talent Pathways to ensure that we can continue to improve the way that we provide opportunities for our country zoned players to join the club.

I'm really pleased with the direction that we are taking here at the club and I'm looking forward to seeing a number of our graduating Colts boys earn opportunities in 2020 either on AFL lists at the conclusion of the AFL Draft in November or on the Claremont senior list as the club continues to move closer to our next League Premiership.

WAFL COLTS

We will all look back very fondly at the 2019 WAFL Colts Season as our Claremont boys went from a dismal 1-3 start to the season to finish 2nd on the ladder and go on to win the 2019 Premiership in exciting fashion against the strongly favoured Peel Thunder outfit.

Ross McQueen again showed why he is considered one of the best in the business as he and his dedicated assistant coaches and support staff set the group up for success throughout the season. The 2019 flag gives Ross his 3rd WAFL Colts Premiership in 6 years and his 6th Premiership here at Claremont when you include the 3 Reserves flags from 2010, 11 & 12. He's been a great club man we couldn't be more proud or appreciative of his efforts here at Claremont.

The WAFL Colts season was stripped back to 16 games in 2019 which left us with fewer opportunities to expose players to the competition, but we still managed to play 53 players during the course of the season which ranks 3rd amongst other WAFL clubs this season.

We travelled to Albany in Round 16 to take on Perth in a regional fixture which was one of the season highlights and a great opportunity for us to expose a number of players from the Great Southern Region to the WAFL Colts Pathway. It was also fantastic for the region to host the event as we continue to work hard to strengthen our relationships with our regional zones.

A number of players were lucky enough to be selected in the WA State 18s Academy which went on to win the National Championships in another exciting campaign. Congratulations to Liam Henry, Callum Jamieson, Ronin O'Connor, Cameron Anderson, Jack Buller and Joel Western who were selected in the Academy and a big congratulations to Liam Henry who took out All Australian selection for his performances during the Championships.

Liam Henry, Ronin O'Connor and Callum Jamieson were selected to test in the National Draft Combine in Melbourne while Cameron Anderson was joined by Isaiah Butters, Leno Thomas and Jack Cooley in being invited by AFL clubs to test in the State Combine. We wish all of the boys the best of luck in the upcoming AFL Draft in late November.

Although the AFL is the attractive Pathway, our main focus at the club is promoting a pathway for our players to WAFL League Football and I'm confident that 2020 will see a number of our graduating Colts pushing for League selection and representing the club for years to come.

Louis Passera took out the 2019 Colts F&B Award for a strong and consistent season with young speedster Joel Western finishing in 2nd and exciting Kimberley product Leno Thomas finishing in 3rd. The Colts MVP Award was taken out by emerging ruckman Callum Jamieson, Players Player won by the popular full back in William "Billy" Reilly and the Encouragement Award going to Jye Clark after his strong season was cut short by injury.

Finally, I'd like to congratulate all of the players, coaches and staff involved in the Colts for the premiership success. We have been the benchmark of the competition for a number of years now, but premierships are extremely difficult to win regardless of talent and everyone can be proud of their efforts. The game will be watched back many times and "that smother" will go down in folk law as a treasured moment in the Claremont's history.

A huge thanks to the following people who made the season possible. Coaches: Craig Rogers, Dave Filmer, Jordan Smith, Ben Willett, Chris Payne, Percy Johnson and Byron Schammer. Medical Staff: Kara Malkovic and her team along with Anthony McEvoy, Dan Webster, Anna Gould, Dr. Lionel Lim, Chloe Phelps, Louisa Paterson and their teams S&C Staff: Marlee Hedley and her team Team Manager: Bernard Willett. Runners: Chris Tan, Sam Marson, Sam Wallace and Simon Nimmo Property: Jack Denton Ladies Committee: Thanks to Carol Millband and the crew for the rolls and dinners during the season Past Players: Thanks to Les Gilles and the gang for their continued support of the Colts Program in the form of the Quiz Night and Sponsorships.

WAFL FUTURES

2019 saw the implementation of the WAFL Futures Season which is an expansion upon previous season's 16s Development Squads. The season was extended from 6 games to 10 and the age groups which once stood at 16-yr-olds only was opened up to allow for a number of 17-yr-olds to play in each fixture.

There are a number of considerations that we will make going into 2020 on how this program will best complement our pathway, but I for one am confident that we will get the balance right and the Futures will give us a great platform to prepare our players to successfully join the Colts in future seasons.

Tom Curren took on the Head Coaching Role and did a fantastic job while managing his own recovery from a broken neck sustained during the preseason which kept him out for most of the 2019 Senior Season. He was joined by Declan Cormack, Jordan Smith and Callum Hinton along with Sam Cousens who each played a huge part in preparing the players to take the next step in their football journeys.

Congratulations to Jacob Van Rooyen and Jaxon Hayden who were selected for the WA State 16s Academy. Also, a big congratulations to our Futures Season Award Winners in Jacob Van Rooyen (Emerging Talent), Bill Harvey (Most Consistent), Campbell Rogers (Tiger Award) and Tim Hogan (Encouragement Award) who all had strong campaigns and look prospects for the club long-term.

DEVELOPMENT SQUADS

Our 14s & 15s Development Squad Programs continued to provide a platform for players both in the Metro and Regional Zones to train at a high level and compete against some of the top developing players from around the WAFL in their respective age groups.

We again provided opportunities for 150+ players to access these programs with the 14s completing a 7-week training program before competing in a 1-Day Development Carnival and the 15s completing an 8-week program followed by 2 x matches against Subiaco and East Fremantle, respectively.

We also managed to engage a record number of Regional Players in these programs this season as we provided an opportunity for 25 Great Southern Based Players and 8 Kimberley Based Players to play over the course of the Carnivals.

A big thanks to the following people who assisted with the delivery of these programs. Head Coaches: Sam Cousens,

Craig Rogers & Declan Cormack Assistant Coaches: Tony Fitzpatrick, Lewis Daisley, Sam Marson, Benjamin Schuhkraft, Jack Penniment, Brad Gardner, Chris Tan, Jack Beeck, Jordan Smith & Josh Bennett.

REGIONAL DEVELOPMENT

The club continues to foster and build upon our relationships with country-based stakeholders through the relationships with the Great Southern Storm and Kimberley Spirit Programs who provide pathway opportunities to our young developing players in both respective regions.

The Great Southern Storm continued to show why there are considered as one of the benchmarks of regional development programs in WA with some strong on field results in the Great Southern Colts and Landmark Carnivals where they made the Grand Finals but unfortunately could not take out a win.

The Kimberley Spirit Program continues to grow within the Kimberley Region in providing not only structured training and playing opportunities for kids in the area, but also provides a strong off-field presence in educating players regarding habits which will allow them to succeed in their pursuits of playing higher levels of football while being positive role models within their communities.

We will continue to work together with the two programs and the regional leagues to ensure that we provide a strong pathway to WAFL Football for regional players within our zones and I look forward to streamlining the pathways even further in 2020. A huge thanks to all of the staff and volunteers involved in the programs as they would not function without your contributions.

THE CLUB

Finally, I'd like to congratulate the club on what was a successful season.

To Darcy Coffey and the administration staff along with the Board led by Grant Povey, a big thanks on behalf of the Talent Pathway for your continued support and the faith shown in our programs.

To the Football Department in the form of Darrel Panizza, Kepler Bradley and Darren Harris, thank you for all of your efforts throughout the season and I look forward to working together in 2020 to ensure the long term success of the club as we aim for League success in the coming years.

LEAGUE COACH

DARREN HARRIS

It is Sunday the 8th of September. We have just beaten the West Coast Eagles in a home final by 6 points. The Eagles had 20 players with AFL experience. No one expects us to win after our first final loss the week before. But we do, we find a way. We could not be any prouder of our players and our football club.

Our Captain Ian Richardson (in what would turn out to be his last game) puts his body on the line courageously, breaking his collarbone but allowing first year player Anthony Treacy to kick the winning goal. It is only the 14 minute mark of the last quarter but it inspires our players to fight for the next 13 minutes to secure victory without another goal being scored.

All 22 players play their role. Giving everything they physically have to give until the final siren.

As big a crowd as I can remember at Claremont Oval cheer the players off the ground. Ian Richardson is on their shoulders having played his last game at this redeveloped fortress. The race is full of elated people also proud of the teams effort, including the CEO Darcy Coffey, the President Grant Povey, our Development players, our loyal and hardworking staff, our Colts players, parents and families. This is exactly the way it is meant to look. These are the moments you want to savour.

Fast forward 7 days after a Preliminary Final loss to South Fremantle, in which we led narrowly at half time and it is a vastly different scene. The players and coaches sit shattered in the South Fremantle away rooms. Nobody has waited around this week. That's footy. We weren't able to get it right on the day. So close but yet so far. The theories start and everyone has an opinion. That's footy. We are passionate about the game and passionate about our football club. We all want to win. The reality is we aren't good enough yet.

How do we define winning? In our great game of Australian Rules Football you have to win the Grand Final. That's what we are all striving to do and will continue to do. In my tenure as League Coach we have gone from 7th to 4th to 3rd. This doesn't guarantee we will continue on this trajectory. It will require greater 'buy-in' and hard work. We will stay the course. This Football Club is winning in many ways which will form the foundation for future success. This needs to be acknowledged and celebrated.

In 2019 – What winning looks like

- Our Colts win a fantastic Grand Final led by Ross McQueen and Warren Parker. That's 3 of the last 5 Colts premierships. Ross is a coaching legend at our football club. His development of players ensures our future
- Our Development team led by Brayden Duckworth lose a Grand Final but only lose 2 games for the season. They lived our values and are set for bigger things in 2020
- Our League side plays in a Preliminary final for the first time since 2013
- 23 players have debuted in the League side in the last 2 years on the back of the above talent. Coaches like Steven Armstrong, Josh Pullman, Trinity Handley and Percy Johnson work tirelessly to help such a young team have success.
- We play between 95 to 97% of home grown players. The CFC give opportunities to their own. The best opportunities of any WAFL Club by a big margin. This also translates into players drafted
- Our facilities continue to be the best and are also set to improve with the playing surface to be upgraded and lights also on the agenda.
- The Tiger Bar has become an outstanding venue for celebration and the building of stronger relationships. Our game day experience for members is excellent
- Major sponsorships including Revo and the continued development of apartments and people around our oval ensures our financial future. Darcy, Poves and the Board are creating a great foundation to grow.
- Does anyone else have a Monday Crew? Watching the volunteers at our football club commit so much time, including the Royal Show parking is amazing. Then to watch Carol Millband (better half Keithy) hand over more than 30K from the Ladies committee at our B&F is just awesome. We are truly blessed to have this support

Kane Mitchell & Jack Bradshaw celebrating.

So what else does winning look like?

For me it comes in the form of our Mateship. The way our club was able to send off our retiring players who have all been great servants of our football club epitomises this. Jake, Jess, Jack and Ian Cho all spoke glowingly of their time at the club and also of its future direction. The strength of our relationships has meant a love for the game backed up by the support of mates and knowing how much you are cared for. That safe and supporting environment where you can be the best version of yourself will be the foundation of our success. The sending off of these club champions was the best advertisement possible of the Culture that has been cultivated at the Tigers.

In today's world being able to speak up and have someone put their arm around you is extremely important, especially in our age demographic. The way the players, staff and coaches have been able to do this for each other has been quite inspirational. We all play a part in the wellbeing of each other. The comment was made to me several times at the B&F that there was a 'lot of love in the room'. That's because there was. The connection of the players and the fact that it is so inclusive leads to a lot of enjoyment. Our leadership group led by Captains Kane Mitchell and Ian Richardson and the part time role of Tom Curren have fostered this with great passion.

This doesn't mean we aren't striving for high performance. The stronger our relationships the more we can challenge each other. Kepler Bradley (who has done an enormous job by the way) and myself have sat through 65 player interviews post season. The players have been able to challenge us and we them. It hasn't been personal, it has been because we care enough to want to improve and help each other. This is where we will close the gap on the competition. Pushing each other harder to be the best we can be while also having each other's backs.

Season 2020

We will review, we will plan, we will collaborate and we will train to win. It is an elite environment where the

graduating premiership colts will add to our list and to our culture. It is a privilege to play League Football at Claremont and the players will compete again for that honour as has been the case since 1926.

We will do all of this with the effort of all our people who play a part and no one is more important than the other. We will continue to shake your hand and thank you for your help. Staff, Coaches, Players, Board, Physios, Doctors, Students, Strength and Conditioning, Ladies Committee, Monday Crew, Families, Members, Supporters, Volunteers and Sponsors. It is the collective effort that makes us great.

We appreciate it.

Go Well

PERTH BUNBURY ALBANY GERALDTON KATANNING

DEVELOPMENT COACH

BRAYDEN DUCKWORTH

What a season 2019 was! Although we did not achieve what we set out to achieve and the disappointment from that is still very raw, I think we have to understand the amount of development we gained into our list. We had six players make their league debut & played 49 players in the development side this year, including three colts players who showed that they are extremely comfortable at this level.

My main focus early on was to build as many relationships as I could and continue to follow up with players to build a very strong foundation. Throughout many conversations with Harro and the coaches I was able to get a basic understanding of how we wanted to look & move the footy. As we moved to the back end of the preseason it was clear to me that we were going to have a talented development side but the challenge was going to be to ensure these guys stayed the course and didn't lose their way and be impatient with not playing Senior football.

Throughout the year we played some very exciting & tough games of football which I am sure made everyone extremely proud. The focus from me was ensuring that I had good connections with blokes going up and coming down. I also wanted to ensure the whole group understands what we look like at our best which mirrored the senior side and to that we remembered to have fun and love the game for the same reason we started playing it all those years ago.

As we approached the back end of the season it was quiet clear we were going to finish the season on top of the ladder so it was all about ensuring we had a good handle on not letting the group get ahead of itself & to continue to strive to play unselfish team football and continue to put pressure on the senior side.

The first final we played we saw some unbelievable efforts of team football & blue-collar efforts. We commended the boys on their efforts but reiterated that the job was

not done and there were bigger things to come, this was not to be. As briefly touched on above although the grand final did not go the way we were hoping for I think that we would have learned the most from this. We have learned that you must continue to improve, you must continue to be demanding of each other, you must continue to play the same way no matter what pressure is applied & you must continue to make things happen not expect them to. Without the lows the highs are not going to be so bloody fantastic & I'm sure this group has plenty of highs to come.

I would like to say a massive thankyou to the Claremont football club for allowing me the opportunity to coach such an amazing group & club. I have thoroughly enjoyed my time in 2019. I would like to thank my fellow coaches in Ben Armstrong, Kyle Dunbar & Troy Arnold for all their hard work & efforts.

A massive thanks to the league coaches for all there help & assistance along the way and to Harro, mate what an absolute ripper & I hope I have the luxury of being able to learn from you as long as I can.

2019 Reserves B&F winner, Jake Murphy.

COLTS COACH

ROSS MCQUEEN

What a terrific season 2019 was. Full of challenges, disappointing losses, close wins and exciting football.

We continued to celebrate and value the opportunities created to work with our country zones, the Great Southern and the Kimberley as well as our metropolitan area. With the assistance of Claremont Football Club and the WAFC we were able to provide a pathway from community, school and country football to senior football for our squad of 70 young men.

The season in short:

Round 1 v East Fremantle. A tight loss against a very talented EF side (L)

Round 2 v West Perth. A disappointing loss to a team which started well and was more disciplined. (L)

Round 3 v East Perth. First win for the year. Another slow start but a strong last quarter. (W)

Round 5 v Perth. Poor goal kicking is poor football. 3 – 14. Not the result we were looking for. (L)

Round 6 v Peel. Massive finish to beat the previously unbeaten Peel. 6 goals in last 15 minutes. (W)

Round 7 v Subiaco. A strong win to get the season back on track. (W)

Round 10 v Swan Districts. A gutsy 3-point win against another undefeated team. (W)

Round 11 v East Perth. A team harder and stronger at the contest. Made the most of their opportunities (L)

Round 12 v East Fremantle. Big win. 1st win against EF for a couple of years (W)

Round 13 v South Fremantle. Another big win. The team is playing some good football. (W)

Round 14 v Subiaco. A Friday afternoon game. The team played well in the dry conditions. (W)

Round 16 v Perth. Exciting trip to Albany. Wet and windy night. Great result. (W)

Round 17 v Peel. Close loss. Poor discipline against a good side was costly. (L)

Round 18 v West Perth. A strong first half and defensive effort. (W)

Round 19 v South Fremantle. Our biggest win for the year. Team football coming to the fore. (W)

Round 20 v Swan Districts. Another terrific game. One point the difference. (W)

Qualifying Final v West Perth. Wet and windy. Came from behind for a gutsy win. (W)

Second Semi Final v Peel. Outplayed but managed to stay in the game for a long time. (L)

Preliminary Final v West Perth. A tight game but finished with great momentum. (W)

Grand Final v Peel. Terrific game of football full of significant moments for everyone. Great team effort and a reward for the entire club. Really proud of all the players who represented CFC this year in the Colts program.

The Colts Premiers 2019

Ross McQueen & "Tom Richardson Trophy" Winner, Louis Passera

In addition to the team and club success this year, we were able to recognize the individual achievements of a number of our squad members at our first ever Colts & Futures F&B Night separated from the E.B Cook Medal which was fantastic for our young men. These individuals have been outlined in Warren's Talent Manager report, but congratulations to all of the players who represented the WA State Academy throughout the season as well as our season award winners.

I would like to take this opportunity thank a number of people for their commitment and support during the season as without them, we wouldn't be able to run our programs. On behalf of myself and the players, I would like to thank:

- o Warren Parker – Talent Manager CFC
- o Craig Rogers, Dave Filmer, Jordan Smith, Ben Willett, Chris Payne, Byron Schammer, Percy Johnson – Coaches
- o Marlee Hedley, Katie Hanrahan, Ben Narbey, Zac Morgan - Strength & Conditioning Coaches
- o Bern Willett - Team Manager
- o Chris Tan, Sam Marson, Simon Nimmo - Team Runners
- o Kara Malkovic, Dan Webster, Kim Manolas, Anthony McEvoy, Anna Gould, Dr Lionel Lim and their teams
- o Jack Denton – Head Property Manager
- o Andrew Dodd – Talent Administration Assistant CFC

o Past Players and Officials, The Ladies Committee, Volunteers

o Grant Povey, Darcy Coffey, Kepler Bradley, Emily, Hollie, Olivia, Zoe, Lisa, The Board and their teams

o Darren Harris, Brayden Duckworth and the Senior Coaching Panel

o WAFC – Gavin Taylor, Simon Moore Crouch, Mick Ablett, Adam Jones, Peter Sumich

o Parents

o Ida, Abbey and Sophie – My Family

I have said it before and will repeat myself again this year. Football is more than just wins and losses. It's about the friendships and relationships you can make along the way. I look forward to catching up with everyone sometime soon and listening to your successes and challenges.

Remember Boys - It's The Hard Right, Not The Easy Wrong!

Cheers

Rosco

PAST PLAYERS & OFFICIALS ASSOCIATION REPORT

Firstly on behalf of the CFC PP&OA we would like to congratulate all the 3 grades on a very successful season, particularly the Colts who under the guidance of Ross and his coaching staff claimed another Premiership.

To all the Trophy winners from their respective grades ,congratulations.

We would also like to wish Ian Richardson, Jake Murphy, Jack Bradshaw and Jessie Laurie all the best in their retirement and thanks for the great memories.

The cost of our food and drinks for our half time fellowship was well down on last year, thanks mainly to Carol and her band of hard workers. Also Zoe and Darcy for keeping the price of the drinks down. Frank Riccelli will give a more detailed account in his treasurer's report.

The Colts Quiz Night was another successful night, even though the numbers were down on previous years we still managed to make a profit of \$3361.80.

I would like to thank all our sponsors for their kind donations throughout the year with a special mention to Denis McInerney and the Monday crew for setting up the tables etc for our functions.

To Andy Webster a big thanks to you for your help of selling the Game Day Raffles and also all your work on the Quiz Night.

To the PP&OA committee thanks for your continued help and support. To Darcy and Holly we really appreciate all the effort you put in to making things easier for us.

Past Players & Officials Associations

TREACY'S JOURNEY IS ON AN UPWARD SPIRAL

BY KEN CASELLAS

Anthony Treacy travelled a circuitous route and played football in Broome, Sydney and Melbourne as well as enjoying a brief flirtation with rugby union before joining Claremont this year and developing into a quality half-forward flanker who delighted Tigers fans with his deft skills, sparkling speed and strong tackling.

This breakout season in WAFL ranks followed a varied football apprenticeship which began as a youngster in Auskick ranks in Broome and included being a member of the Sydney Swans academy as a teenager and playing for the Swans reserves side in the NEAFL, the New South Wales Rams (an under-18 side which competed in the TAC Cup competition in Sydney and Melbourne) and the North Shore Bombers in the Sydney AFL Premier League.

The 22-year-old Treacy always nurtured an ambition to compete in the highest level of football as possible, but his journey has had its ups and downs. At times, self-doubt and a serious knee injury threatened to wreck his football dreams.

However, he has overcome some of his nagging uncertainty and is looking forward with confidence and great enthusiasm to enjoying the game, either with Claremont or in the national AFL competition, if he is chosen in the draft or selected as a rookie.

Treacy caught the eye of many AFL recruiters and was invited to take part in the State draft combine, a day of testing at the University of WA on October 13 when the participants were timed and measured over 20m sprints, vertical jumping, yo yo and agility tests.

"I will be happy with any outcome," said the athletic Treacy, a charming softly-spoken young man. "If I miss out (at being drafted) I'll be stoked to put on the No. 4 guernsey and play for Claremont. Harro (Darren Harris) is

the best coach I've had and everything at Claremont has made it just so easy to play football ... the way everyone gets along, players, coaching staff and everyone."

Treacy wore the No. 38 jumper with distinction in his 17 appearance in league ranks for the Tigers in 2019 and was rewarded for his efforts with the accolade of Best First-Year Player. He then was overwhelmed when retiring co-captain Ian Richardson handed over the No. 4 jumper to his highly-regarded protégé.

"I couldn't believe it, gave him a big hug and said that I would be more than honoured to take his number," Treacy said. "I love him; he's a gun and is my idol. Since I have been at the club, I have watched the way he played, his work rate, his strict training. He took me under his wing and I have done everything to imitate him, and it has paid off.

"I thought that if I did everything that he does, I should have some success. I have always felt that I had potential and talent, and I wondered how far I could go. I have always said to myself that if I worked as hard as I could and make the most of my opportunities I could succeed. I guess that's what I'm going to find out. If it is just to play WAFL footy I'll be more than happy and do what Keifer Yu did.

"I'm loving it at Claremont and am enjoying my job as a groundsman at Curtin University. I'm also studying various aspects of horticulture at TAFE."

Treacy was born in Perth and grew up with his family in Broome where his father Tony, a highly-respected man and renowned for his work involving indigenous programs throughout Australia, was the principal at St Mary's College in Broome.

"Dad was the principal for pretty much all my time at primary school," Treacy said. "It wasn't until the under-13s in Broome that I began to perform well on the football field. All my Dad's family are from Sydney and learning more about the game in Sydney was part of my football dream.

Darren Harris & Anthony Treacy

Ian Richardson after handing over the No. 4 Guernsey.

"I discussed moving to Sydney with my cousins there and, finally, when I was about 13 I went there and became a boarder at St Ignatius College where I played rugby union on Saturday and football on Sunday."

Treacy became involved with the Sydney Swans academy when he was 13 and 14 before, quite remarkably, he switched his full attention to rugby union. "Football kinda faded away and I concentrated on rugby for 18 months before I decided to go back to football and I got back into the Swans academy when I was in Years 11 and 12," he said.

Former Swans champion Michael O'Loughlin was one of Treacy's chief mentors at the academy. "It was then that I started playing for the NSW Rams and I'd fly to Melbourne for TAC Cup matches on the weekends," said Treacy.

"I got a real taste for AFL and thought about the chances of moving up to a professional level. But I did my ACL (left knee) when I was playing for North Shore Bombers. It was a cheap shot; I wasn't even near the footy and this bloke lined me up and caught me off guard. This required surgery and when I was doing my rehab in 2016 I lost my passion for the game.

"I had graduated from school in 2015 and the following year I got a job in the air conditioning and refrigeration business and still did some sessions with the Swans academy. But I slowly dropped out of that and had thoughts of giving up.

"I moved back to Broome in 2017 and by that stage I was like, yeah, my AFL dream has gone. I had no interest and didn't play any sport that year. I watched Cable Beach

because all my friends were playing for the club.

"At the end of the season my mates wanted me to play for Cable Beach in 2018. Why not? I said. It looked really fun, so I did my own pre-season, riding to the oval every day after work, running and doing my own weights in the garage."

Treacy got himself fully fit and had a marvellous 2018 season with Cable Beach. He won the West Kimberley association's fairest-and-best award, the Bullen Medal, in a three-way tie with former Claremont and Western Bulldogs high-flyer Zephaniah Skinner (Looma Eagles) and Derby Tigers star Wade Wungundin. He also won the Young Guns award as the best under-23 player in the competition.

"The only connection I had with Claremont at that stage was with my teammate CJ Oakley, who told me that he was planning to return to the Tigers," said Treacy, who after some reservations, decided to travel to Perth last December.

"Darren Harris showed me around the club, and I was really impressed. My whole family wanted me to have a crack with Claremont, so I agreed. I enjoyed playing as a half-forward flanker. Initially, I was a bit nervous after a season playing on the ball for Cable Beach.

"I was scared that I wouldn't be able to adjust to the structure Claremont have in their forward line. There is a strict structure and I was nervous about that. I kept listening to all the boys around me. They pretty much guided me and told me where I needed to be. I soaked it all in and listened..."

2019 LADIES COMMITTEE REPORT

In 2019 we were back in full swing at the club on home games and other events throughout the year starting off with the Seniors Camp held at Claremont Oval in February 2019. Busy three days making sure the boys and coaching staff had breakie, lunch and dinner.

Home games saw us back providing afternoon tea for the sponsors, Past Players and Officials half time food, Colts rolls, Development and League players after game food and of course sandwiches for Coaches and support personnel. Towards the end of the season we did a few Wednesday night meals for the colts for when they finished training which I am sure helped them with the Grand Final.

Then there is all the preparation of food that the Tiger Tucker Kiosk needs on home game to feed the hungry supporters on game day and raises the all-important dollars that we can give to the club.

My thanks to Beth, Coralie, Debbie, Janine and Joanne who tirelessly work on the Tiger Tucker Kiosk and the kitchen on home games, couldn't achieved any of the money we raised without them.

None of this is achieved without a wonderful band of Volunteers and this year saw some new volunteers Heidi Hardisty, Bettina Day, Marani Hutton, Carol Beeson, Carole Presnell, Barry Ashlin, Margaret Povey, Vicki Murphy, Mary Lim, Fiona Mountford, and Ann Willis. It was great to have some of the players' mums come along and Heidi Hardisty was fantastic along with Helen Mitchell who bravely turned up again after her baptism of fire at the end of 2018. They were great together cooking up a storm.

My thanks to those who gave us lovely homemade cakes for the afternoon tea and hope you will continue to support us in 2020, it is really appreciated. Also to the Monday crew who help set up, clean the kitchen floor and whatever else needs doing.

Then there were the regulars who keep on keeping on; Bev and Garry Gascoigne, Shirley Medcalf, Helen Rutherford, Margaret Lockhart, Heather Haggerty, Trevor Naulls, Vicki McClements and Keith Millband.

There are no words that can fully express my gratitude for all the help you have given me and the Claremont Football Club.

Thank you also to Emily, Holly, Lisa, Olivia and Zoe and best wishes to Emily for the future.

Well done to all the players, coaches and support staff, it was a good year with all three grades making finals and the Colts coming home with the silverware with a great win over Peel.

So bottom line we were able to donate \$30,000 to the club so in all a good result from a very dedicated team of volunteers.

The Ladies Committee will be here to support you in 2020 and wishing you all the best for the holiday season and see you all back at our club in 2020.

CAROL MILLBAND

FAREWELL TO FABULOUS FOUR

BY KEN CASELLAS

Disregarding any thought of self-preservation, Ian Richardson hurled himself into the path of West Coast defender Josh Rotham as he was about to clear the ball out of danger during the hectic final minutes of the first WAFL semi-final at Revo Fitness Stadium.

The fearless Richardson, Claremont's inspirational co-captain, crashed into Rotham at centre-half-forward, enabling the ball to spill free. It was gathered by Anthony Treacy, who handpassed to Jordan Law, who, in turn, slipped a handpass back to Treacy who booted a goal.

This increased Claremont's lead to seven points and the Tigers went on to record a thrilling six-point victory in a fierce encounter. Richardson's courageous effort was a pivotal moment and this sacrificial act was typical of the uncompromising attitude that has been a hallmark of his game throughout his remarkable career.

Sadly, Richardson paid a heavy price for his bravery. He fractured his right collarbone in what was his final act in his outstanding career with Claremont. He had already made his decision to retire at the end of the season and the dynamic left-footed forward bows out with a proud record of 224 league matches.

He is one of nine men to have played in 200 or more senior matches for the Tigers and he retires with the distinction of scoring 425 goals in league contests, as well as scoring four goals in four Foxtel Cup matches and 13 in six appearances for Western Australia. Only Warren Ralph and George Moloney have scored more goals for Claremont, with Ralph booting 564 goals (549 in 118 WAFL matches and 15 in seven Escort Cup contests) and Moloney scoring 555 goals in 190 matches for the Tigers.

Richardson, who celebrated his 32nd birthday on October 14 this year, is one of four outstanding players who have decided to draw the curtain on distinguished careers, the others being Jake Murphy, Jess Laurie and Jack Bradshaw.

Between them, they played 540 league matches, 27 Foxtel Cup games and eight games for the State. In their 540 league appearances they took 2400 marks, had 5762 kicks, fired out 3550 handpasses, applied 1043 tackles and

booted 685 goals.

We salute this fabulous four who have delighted Claremont fans with their wonderful skills, professionalism, commitment, dedication, leadership qualities and esprit de corps.

They will be missed, but the losses of these much-loved and admired servants will not be insurmountable. Retirements are inevitable and the Tigers have a proud record of rebuilding quickly.

Richardson, a mercurial left-footer who attacked the ball with tremendous ferocity and possessed dazzling skills, was a dynamic forward who made an early impact, winning the Jack Clarke Medal as the fairest-and-best player in the WAFL colts competition in 2006 as well as the club's fairest-and-best award, being selected in the WAFL colts Team of the Year and receiving the Colts Coaches Award.

He was Claremont's colts captain in 2006 after playing a couple of matches as a 16-year-old in 2004 and then shining in the following year when he finished sixth in the club's fairest-and-best award. He was a stand-out performer in the reserves side in 2007 and finished third in the club award before making his league debut in the round one contest against West Perth in 2008.

Few players in the history of the WAFL have made such a magnificent start in senior ranks as Richardson in 2008 when he made a superb interstate debut, winning the Simpson Medal for his exciting performance against Queensland in Townsville and being awarded the E. B. Cook Medal as Claremont's fairest-and-best player.

He also was the club's leading goalkicker with 62 majors, including three bags of seven goals. Richardson represented WA in each of his first six seasons and he also was Claremont's leading goalkicker, with 50, in 2013. Highlights of his great career were helping the Tigers to win the WAFL premiership in 2011 and 2012.

Richardson took a year off in 2014 to travel the world and he returned refreshed and maintained his outstanding form in his final five seasons with the Tigers. In his third-last match for Claremont he showed that he had lost none of his flair or his brilliance when he booted six goals, including four in the third quarter, in the round 20 match against Swan Districts. Richardson's consistency is illustrated in the fact that after his Cook Medal in 2008 he was third in the club fairest-and-best award in 2013 and finished fourth four times and fifth twice.

Jake Murphy in the Reserves Grand Final.

Ian Richardson before Claremont's home game against East Fremantle.

While Richardson remained injury-free throughout his career, apart from a fractured finger a couple of years ago, injuries dogged Murphy (29), Laurie (29) and Bradshaw (27).

Murphy, a robust and tigerish left-footed midfielder, was an inspirational club captain for four years (2014-2017) and he and Laurie were teammates of Richardson in the grand final triumphs of 2011 and 2012.

Murphy and Laurie (from Denmark) came through the ranks together, from the 2005 WA schoolboys team and the WA 16s in 2006 to the Claremont colts in 2007 before they graduated to the league side, one week apart at the end of the 2008 season, during which they were the co-captains of the colts side.

Laurie, a rugged, uncompromising defender and an outstanding team man, was then taken by Port Adelaide as a rookie and in 2009 he played reserves and league football for West Adelaide before Port delisted him. He returned to Claremont and was an outstanding defender in 2010-11-12-13 before he moved to Melbourne to study and gain experience in the film industry as an actor, filmmaker, script writer and producer.

After three years in Victoria where he played in premiership sides with the Melbourne University Blacks (2014) and Aberfeldie (2015), Laurie resumed his career with Claremont in 2017. A great organiser in defence, Laurie's selfless play saw him win the Sacrificial Tiger Award in 2013 and 2018 and the Engine Room trophy in 2017. But hamstring and calf problems forced him to miss many games --- and it was a calf strain which prevented him from leading the reserves side in the 2019 grand final in which the Tigers lost to West Perth by six points.

Laurie did not take a backward step in any of his 83 league matches and eight Foxtel Cup games.

Chronic leg injuries blighted Murphy's career and knee soreness and nagging problems with his right Achilles tendon restricted him to 42 league matches from a possible 81 games in the four years he was captain. He was an outstanding leader who led by example and never shirked the tough physical clashes. He finished with 125 league appearances and nine Foxtel Cup matches in which his hard running, fierce tackling and deft disposal by hand and foot were hallmarks of his game.

He had a breakout season in 2013 when he won the E. B. Cook Medal and finished third in the Sandover Medal, behind East Fremantle midfielder Rory O'Brien and East Perth ruckman Paul Johnson. He also played in his only interstate contest when he helped WA to beat Victoria by 17 points in Northam in May.

After surgery on his right Achilles tendon in February 2018 Murphy took the year off to recuperate, study and gain experience in the business world. But he was hampered by further leg troubles in 2019 and made just one league appearance, against East Fremantle in round 12 when in a typical gutsy and wholehearted display he had 19 disposals and laid seven tackles. He bowed out in style with a spirited effort as captain of the reserves side in the losing grand final against West Perth when he had 14 kicks, had seven handpasses and laid eight tackles.

In contrast to the dependable Murphy, Jack Bradshaw, a bustling belligerent brinkman, was feisty and somewhat of a livewire, unorthodox genius whose career was curtailed by a serious knee injury. He revealed abundant early promise and was named in the WAFL colts Team of the Year in 2010. He was 18 when he made his league debut, kicking three goals against East Perth in round 19 in July 2011.

At the Claremont Showgrounds in July 2014 he scored all of Claremont's four goals in the second quarter against Swan Districts and finished with seven. He was Claremont's leading goalkicker in 2014 and 2015 and experienced a couple of wonderful highs in 2016 when he booted eight goals in a reserves match against West Perth and eight goals in a round 22 league game against East Fremantle.

However, his burgeoning career was cut short in May 2017 in his interstate debut for WA against Victoria in Port Melbourne when he tore the posterior cruciate ligament in his right knee. He finished the match with three goals but spent the next ten weeks with his knee in a brace.

After missing the rest of the 2017 season, Bradshaw took the 2018 season off before making a comeback this year. All went well until late in the season when Bradshaw suffered further damage to his right knee and was unable to play in the first semi-final against the West Coast and the preliminary final against South Fremantle. Medical advice then forced Bradshaw to announce his retirement after booting 200 goals in 108 league matches and ten goals in six Foxtel Cup contests.

Kane, Jess & Ian at the 2019 E.B. Cook.

Tigers celebrating their win & Jack's 100th game - Round 1 Claremont def East Freo.

CLAREMONT WOMEN'S FOOTBALL CLUB

ANNUAL REPORT

2019 has been a milestone year for women's football in Australia. We started the year with record breaking attendances and interest in the AFLW, with the Grand Final reaching an attendance of 53,034 at Adelaide Oval and a television audience of 409,000. Closer to home, the WAFC formally announced the introduction of the WAFLW in February this year. This represented one of the biggest shake-ups in the century-old WAFL competition and a huge opportunity for women in WA to pursue their AFL dreams. It also allowed the WAFL clubs to engage a new audience and deeply engage with the wider football community.

Early in the year, Darcy and I worked closely to secure a bid for a Women's license in the inaugural WAFLW season. Of 9 female clubs in the state, 5 were awarded licenses in 2019. It's a testament to the program we have built and the support we have from CFC that we were awarded this opportunity. I'd like to thank Darcy and the CFC Board their support during this process.

I have received incredible feedback from the WAFC and representatives from AFL Clubs commending us on our work off field. We have all put in a mammoth effort over the past few years to build a positive, inclusive and performance focused culture. This work is paying off in our on and off-field achievements, so I'd like to thank everyone for their commitment to this club.

Our returning sponsors, Maxima, significantly increased their sponsorship of the club this year, which enabled us to invest in equipment, uniform and staff to ensure that the players were adequately supported. I'd like to thank our new sponsors, Standin Room Claremont, for their support and their commitment to maintain their sponsorship into 2020. Chandler MacLeod and The Athletes Foot Claremont have also been outstanding supporters of our club and we'd like to thank Sandbar Scarborough for coming on this year as well.

The competition was financially supported by Optus, the West Coast Eagles, the Fremantle Dockers, Carlton Draught and the Football Commission. Their support has been invaluable, and we've enjoyed working closely with all of them.

This year, we attracted a number of incredibly talented League players and had a gruelling preseason to ensure that we were ready for the 2019 season. The new League format meant that every single game would be a challenge, as all 4 teams we'd play against this season were in the finals last year. We came out of the gates flying and won a number of games early in the season. Defeating the reigning premiers, East Fremantle, in Round 5 was a massive milestone for us.

Over the course of the year, with AFLW players coming back into the competition and with tough fixturing, we struggled to maintain our top ladder position in League and ended up finishing 4th. Our Reserves, however, had an outstanding season, winning their second Premiership in a row. Our U18 Rogers Cup team finished 8th on the ladder.

Emily Bonser against East Fremantle.

Parris Laurie & Amber Goodwin-Wissink celebrating.

I'd like to congratulate our 2020 AFLW Draftees. Vice Captain and 2019 Fairest & Best Emily Bonser and the formidable backliner Sophie McDonald have signed with the West Coast Eagles this year. They will be joining Claremont Captain Parris Laurie in the blue and yellow for 2020. Sarah Garstone, another of our key defenders, was picked up by the Fremantle Dockers where she'll be joining Claremont products Jasmin Stewart, Matilda Sergeant & Laura Pugh. As we look towards 2020, we're excited to build on the success of this year. Primarily, our focus will be on building our community presence and our relationship with Claremont Football Club. We also plan to invest more human resources into our football program, with the appointment of a paid Football Operations Manager. To build our Rogers Cup program, we have developed strong relationships with the Junior clubs in our district and will be attracting more talented, local players for the 2020 season.

Preseason will be starting in early January and I have complete confidence in our coaching teams' ability to develop our existing players, attract new players and focus on performance in the 2020 season. I look forward to seeing what we can build and I hope to see you at the footy!

2019 AFLW DRAFT

EMILY BONSER

Drafted To: West Coast Eagles
23 years old, midfield
Height: 162cm

Our 2019 Fairest & Best, Emily Bonser, had an incredible 2019 season. Elected as Vice Captain early in the year cemented her as one of our key assets this year. She is strong, composed and strategic. She has an outstanding work rate and is an absolute powerhouse in our midfield group. She leads by example, is incredibly humble and has been a pleasure to be around this year.

SARAH GARSTONE

Drafted To: Fremantle Dockers, Pick # 66
19 years old, defender
Height: 175cm

Sarah has been an absolute brick wall in defence for Claremont for the past few years. Sarah has consistently excelled at WAFLW and State Level, representing WA multiple times over the past few years. Sarah sticks to her opposition like glue and has the reach and determination to shut down the best forwards in the competition.

KATE ORME

Drafted To: West Coast Eagles, Pick # 70
30 years old, midfielder
Height: 165cm

One of our Vice Captains in 2019, Kate Orme is an explosive midfielder, with great hands and an accurate kick. Kate is a versatile midfielder/wing and plays an exciting brand of footy. Well known for her pre-game pep talks, Kate manages to combine an incredible focus and work ethic with one of the best senses of humour at the club.

SOPHIE MCDONALD

Drafted To: West Coast Eagles, Pick # 39
19 years old, defender
Height: 178cm

Hailing from Albany, and joining Claremont this season, Sophie has been an incredible addition to the club. Sophie caught the eyes of talent scouts early in the season and continued to shine throughout the year. She is an intelligent player and has saved our bacon multiple times with strong intercept marks and explosive rebounds out of defence.

CLAREMONT DISTRICT FOOTBALL DEVELOPMENT COUNCIL REPORT

PAUL DONOVAN - CHAIRMAN

The 2019 junior football year has once again been an outstanding success for the Claremont District.

While an analysis of participation rates is only part of any sporting story, those rates in our district have been extremely strong. In particular, "club" football, which is the heart of football in any district, saw a 3% growth in participation to a total number of 5,490 participants. There was a 55.84% growth in female club football!

The total participation in AFL for the Claremont District, across all grades and forms of the sport, was a whopping 35,267 people. This represents saturation rates for male players when compared to the total population in the area of 41% in Auskick, 42% in the junior grades (8 to 12 year olds), 26% in youth (13 to 17) and 11% in seniors. This is by far the highest saturation rates of any of the districts across all age groups in Perth.

However, the even better assessment of the health of the game in our area is reflected by the joy and success that our players and teams have had during the year. One only needs to visit a suburban ground on a weekend to see the quality of the footy being played, the enthusiasm of our players and our volunteers and spirit in which the great game is played.

Hearty congratulations and thanks are due to everyone who has given up their time, expertise and sheer hard work to ensure these results have been achieved.

The work done in our clubs is tireless and beyond compare. From presidents, to committee members, to coaches, to canteen workers, to players – indeed, to everyone involved in delivering all the benefits of playing the best sport in the world.

Thanks also to the magnificent work done all year by Andrew Ridley (our Community Development Manager) and his exceptional team of WAFC employees in our area. Not only do they provide the backbone of the support that makes our game so successful; they facilitate a huge number of community engagement activities, including the District Day with the Claremont league team at Claremont Oval, the school holiday clinics, the Auskick Gala Day, the regional female football camp and the "Great Southern Storm" (the coaching and pathway development in the Great Southern region for talented players and coaches).

The support shown to us by the Claremont Football Club has, as always, been fantastic. Darcy Coffey and the Claremont Board has ensured that the involvement of our seniors and football leaders has been both a tangible support to our volunteers and an inspiration to our players. The contribution the club has made to the District Day, the school holiday clinics and the use of Claremont Oval's facilities are examples of the many aspects of the assistance that is always willingly provided.

2019 has also seen the long-anticipated end of the District Football Development Council model and its replacement with

the new Regional Council model. Indeed, over the last few weeks the DFDC has attended to the formal requirements needed to wind up its operations.

This represents the end of a stable and productive form of the delivery of community football across the metropolitan area. However, as part of the WAFC's continuing review of football and the Boston Consulting Group report into the operations of AFL in this State, the new regional model represents the future of the development of the strategies necessary to advance the game in our area. Claremont's region will include the Subiaco and West Perth Districts and a new governing committee is being formed.

Since the sudden initial restructuring of the District model by the WAFC in late 2014, a huge amount of work at all levels has been put into to determining how the game will be best managed for juniors. Unfortunately, the need to focus on important governance issues has limited the focus on what is the most important role of the DFDC (and the new Regional Council), that is, the development and implementation of the strategies needed for junior football.

I am confident that the new structure will now enable a re-focusing and attention on vital issues of significance that must now be tackled for the good of our game. Challenges exist with any new system, and in this case one of those challenges will be to ensure that the delivery of football in the Claremont District remains at its existing level. However, I am optimistic that the calibre of the people who will be the stewards of this new system will ensure that the new model is a great success.

Most importantly, it will enable a concentration of effort on strategic issues of vital importance for our area. These include issues such as youth retention (notwithstanding the great statistical results referred to earlier, there has been a 1.5% decline in male club football participants in 2019), the future of our clubs in the District, developing our elite players, the management of the boom in female football and the impact of PSA football on our junior clubs.

Upon the winding up of the DFDC, it is appropriate that I acknowledge and thank the massive efforts by all those people who have been involved with that system for over 15 years. These include my predecessor chairs, all our committee members and the members of the Junior Competition Council. Special thanks go to the 2019 DFDC members, including Darcy Coffey, John Thurtell, Charmaine Rogers, Rhys Meakins, Rhys Mola, Jodi Haslinger, Michael O'Brien, Matt Neves, Declan Cormack and Kathy Monck. Very few realise the amount of work these people do for football and the contribution they have made to the sport. It has been a privilege working with them.

On a personal note, I want to thank all the people who have supported me as the Chair of the DFDC. The contribution made by people at the Commission such as Gavin Taylor and Troy Kirkham is enormously appreciated. As has been the assistance and support by Andrew Ridley, his predecessor in the Claremont District, Dan Barnes, and all the Commission's employees. I have learnt much and enjoyed hugely working with the other District Chairs and many other people in WA footy.

I want to make a particular mention of my predecessor as Chair, Leo Crohan. Leo is a life-member of the DFDC and much of the long-term success of footy in our area is due to his efforts and inspiration. He has been an invaluable mentor to me for many, many years.

I am sure that I have missed out some people who justly deserve to be included in a reflection such as this. I can assure you that your work is greatly appreciated.

A special thanks should be given to our long-serving District Manager, John Thurtell. John was a very successful president at the Swanbourne JFC and his work as the operations head of junior footy has been Herculean. After many years, John is standing down and handing over the reins to Rhys Mola, who has already shown himself to be a fantastic successor in the role. Thanks again John for all your work. We trust that you will remain in some role in junior footy in our area for many years.

Once again, the biggest thanks needs to be reserved to all our players, parents, coaches and assistants. It's the grass roots of our game that is the true engine room of the success of the sport. We look forward to seeing you all back in 2020.

And in the meantime, have a wonderful Christmas and holiday break!

CLAREMONT BALL LEGENDS

The WAFL Match Ball initiative began in 2001, giving each club the opportunity to produce a special ball for their home games. Every year a player that is considered to have made a significant contribution to the club is placed on the ball. Selection is conducted by the CFC directors of the time by mutual agreement.

THE RP RODRIGUEZ SHIELD

The RP Rodriguez Shield honors a distinguished West Australian football administrator and respected contributor to WA Football, Pat Rodriguez. The Rodriguez Shield was introduced in 1957 and is presented to the most consistent team over the three grades of football. Rodriguez began his administrative career with Claremont, and later served terms as senior Vice President and President of the WANFL, and as President of the ANFC. A league team receives 10 points for a win, the reserves 4 points and the colts 4 points. It has been won by the following clubs:

1957	East Fremantle	1970	Subiaco	1983	South Fremantle	1996	East Fremantle	2009	South Fremantle
1958	East Perth	1971	East Perth	1984	South Fremantle	1997	East Fremantle	2010	Claremont

Independent Auditor's Report

To the Members of Claremont Football Club Inc.

Qualified Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Claremont Football Club Inc. ("the Club"), which comprises the balance sheet as at 31 October 2019, the income statement and the statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information.

In our opinion, except for the matters described in the Basis for Qualified Opinion section of our report, the financial report of Claremont Football Club Inc. presents fairly, in all material respects, the financial position as at 31 October 2019 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 of the financial report, and the requirements of the Associations Incorporation Act (WA) 2015.

Basis for Qualified Opinion

Revenue Recognition

As is common for organisations of this type, it is not practicable for the Club to maintain an effective system of internal control over cash receipts from gate takings (which has been reflected within "*Facilities - Other Income*") until their initial entry in the accounting records. Our audit relating to these items was therefore limited to the amounts recorded in the financial statements.

Redevelopment Activities

We draw attention to Note 4 in the financial report with respect to the Club's redevelopment activities. The funds received and spent on these activities have not been accounted for in this financial report (with the exception of amounts funded by the Club's loan facility as disclosed in Note 8), and as such our audit procedures have been limited to that of the Football Operations as presented in the financial report. As a result, we have not obtained appropriate audit evidence to provide a basis for an audit opinion on these activities and the effect of these has not been determined on the financial performance, position and cash flows of the Club.

bentleys.com.au

A member of Bentleys, a network of independent accounting firms located throughout Australia, New Zealand and China that trade as Bentleys. All members of the Bentleys Network are affiliated only and are separate legal entities and not in Partnership. Liability limited by a scheme approved under Professional Standards Legislation.

We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis of Accounting

Without further modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Claremont Football Club Inc. to meet the requirements of the Association Incorporation Act (WA) 2015. As a result, the financial report may not be suitable for another purpose.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 31 October 2019, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Directors' Responsibility for the Financial Report

The directors of the Club are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act (WA) 2015 and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Club to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our responsibility is to express an opinion on the financial report based on our audit. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used based on the accounting policies disclosed in Note 1 and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Club to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Club audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a special purpose financial report prepared to satisfy the financial report preparation requirements of the Associations Incorporation Act 2015 (WA). The directors have determined that the club is not a reporting entity.

Basis of Preparation

The report has been prepared in accordance with the requirements of the Act, and the following policies:

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical cost.

The following is a summary of the material accounting policies adopted by the club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Cash and cash equivalents

Cash on hand and in banks and short-term deposits are stated at nominal value.

For the purposes of the Statement of Cash Flows, cash includes cash on hand and in banks and money market investments readily convertible to cash within 3 months, net of outstanding bank overdrafts.

Bank overdrafts are carried at the principal amount. Interest is charged as an expense as it accrues.

(b) Trade and other receivables

Receivables are recognised at amortised cost less any Expected Credit Losses (ECL). The club has reviewed its impairment methodology under AASB 9 for financial assets under the new ECL model for all its assets held at amortised cost. There has been no change in the impairment impacts on the financial statements as a result of this change in methodology.

Receivables from related parties are recognised and carried at the nominal amount due. Interest is taken up as income on an accrual basis.

(c) Property, Plant and Equipment

Depreciation is calculated primarily on a straight line basis so as to write off the net cost of each fixed asset over its expected useful life.

Major depreciation periods are:

- * Leasehold improvements 4-16 years
- * Plant and equipment 3-20 years; and
- * Furniture and fittings 5-20 years.

(d) Inventories

Inventories are valued at the lower of cost and net realisable value.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

Operating leases

The minimum lease payments of operating leases, where the lessor effectively retains substantially all of the risks and benefits of ownership of the leased item, are recognised as an expense on a straight line basis.

Contingent rentals are recognised as an expense in the financial year in which they are incurred.

Finance leases

Leases which effectively transfer substantially all of the risks and benefits incidental to ownership of the leased item to the club are capitalised at the present value of the minimum lease payments and disclosed as property, plant and equipment under lease. A lease liability of equal value is also recognised

Capitalised lease assets are depreciated over the shorter of the estimated useful life of the assets and the lease term. Minimum lease payments are allocated between interest expense and reduction of the lease liability with the interest expense calculated using the interest rate implicit in the lease and charged directly to the statement of financial performance.

The cost of improvements to or on leased property is capitalised, disclosed as leasehold improvements, and amortised over the unexpired period of the lease or the estimated useful lives of the improvements, whichever is the shorter.

(f) Trade and other payables

Liabilities for trade creditors and other amounts are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the club.

(g) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the club and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Sale of Goods

Control of the goods has passed to the buyer.

Rendering of Services

Where the contract outcome can be reliably measured:

- control of a right to be compensated for the services has been attained and the stage of completion can be reliably measured. Stage of completion is measured by reference to the labour hours incurred to date as a percentage of total estimated labour hours for each contract.

Where the contract outcome cannot be reliably measured:

- revenue is recognised only to the extent that costs have been incurred.

Interest

Control of a right to receive consideration for the provision of, or investment in, assets has been attained.

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the Cash Flow Statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(i) Income Tax

The financial statements have been prepared on the basis that Claremont Football Club operations are exempt from income tax.

(j) Going Concern

The financial report has been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

For the year ended 2019 the Club made a Surplus of \$150,050 (2018: surplus of \$111,610), generated net cash inflows from operating activities of \$239,374 (2018: inflows \$209,738) and at balance date had a working capital deficiency of \$459,276 (2018: \$417,592). Included in this working capital deficiency is \$206,996 of revenue received in advance (2018: \$111,382).

During the year the Club made principal repayments of \$127,993 with respect to its Westpac Banking Corporation "Westpac" five year secured loan. As at balance date the club has made repayments of \$172,665 in excess of its minimum repayments representing more than one year's scheduled minimum payments. The loan is subject to an annual review by Westpac, however the Directors are satisfied that that the facility will continue over its 5 year term (unless the Club decides to extinguish the loan prior to the end of the 5 year term) and that the Club has complied with all conditions of the loan.

The Club has an overdraft facility with Westpac of \$400,000 which is repayable on demand; and as at balance date the entire amount of this facility was undrawn. The Board has prepared a budget, which indicates that the Club will have sufficient cash flows to meet all commitments and working capital requirements for the 12 month period from the date of signing this financial report. On this basis, the Board is satisfied that the going concern basis of preparation is appropriate.

Redevelopment Activities

The Club has completed redevelopment activities at Claremont Oval pursuant to an agreement with LandCorp whereby the parties have agreed to the cancellation of the existing lease, and the granting of freehold title of the Clubhouse land to the Club on a conditional use basis. Redevelopment Activities were funded by Landcorp, up to an amount of \$16.5m, and have not been reflected in this financial report.

Maintenance Fund

During 2018, the excess land to the North of the Club facilities was sold by the Government and \$1.5m of the proceeds was granted to the Club pursuant to the terms of a Trust Deed.

Under the terms of the Trust Deed, the Club is required to keep these proceeds, and any interest earned, in an auditable Trust Account. The funds held in the Trust Account (separate to the financial statements) may only be applied to the costs of repairing, maintaining, and renewing the Club's premises in accordance with an Asset Management Plan that has been approved by the Government.

During the year, \$38,162 was expended on such repairs and maintenance. At year end, the closing balance of the Trust Account was \$1,495,969.

11. SEGMENT INFORMATION

Claremont Football Club (Inc) operates solely within the sporting industry in Australia.

12. RELATED PARTY TRANSACTIONS

(a) The Directors of Claremont Football Club (Inc) during the year were:

G Povey
B Beresford
D Panizza
K Maskiell
A Evans
J Rogers
J Sims
T Sullivan (Seconded on to the Board on April 23rd 2019)

(b) The following transactions have been made during the financial year to related parties:

A Evans advanced \$13,474 in relation to the refurbishment of the Bar.
He has been repaid the full amount without interest.

J Sims advanced \$1,062 in relation to repairs and maintenance expenditure
He has been repaid the full amount without interest.

13. FINANCIAL INSTRUMENTS

The club's accounting policies, including the terms and conditions of each class of financial asset and liability recognised at balance date are:

(a) Trade Receivables

Trade receivables are carried at nominal amounts due less any provision for doubtful debts. A provision for doubtful debts is recognised when collection of the full nominal amount is no longer possible.
Credit Sales are on 30 day terms.

(b) Trade Creditors and Accruals

Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the economic entity.
Trade liabilities are normally settled on 30 day terms.

(c) Interest Rate Risk Exposure

The club's exposure to interest rate risk is considered minimal. The only financial instruments subject to fluctuations in interest rates are the investments in deposits which earn interest at the ruling rate. All other balances are non-interest bearing.

(d) Net Fair Values

The aggregate net fair value of financial assets and financial liabilities approximate the carrying amount of the financial liabilities as indicated in the balance sheet. There are no unrecognised financial assets or financial liabilities at balance sheet date.
The following methods and assumptions are used to determine the net fair values of financial assets and liabilities.

Recognised Financial Instruments

Cash, cash equivalents and short term investments: The carrying amount approximates fair value because of their short-term to maturity.

Trade receivables and payables: The carrying amount approximates fair value

Short-term borrowings: The carrying amount approximates fair value because of their short-term to maturity.

Long-term borrowings: The fair values of long-term borrowings are estimated using discounted cash flow analysis based on current incremental lending rates for similar types of lending arrangements.

(e) Credit Risk Exposures

The club's maximum exposure to credit risk at balance sheet in relation to each class of recognised financial assets is the carrying amount of those assets as indicated in the statement of financial position.

(f) Hedging Instruments

No hedging instruments were used by the club during the financial period.

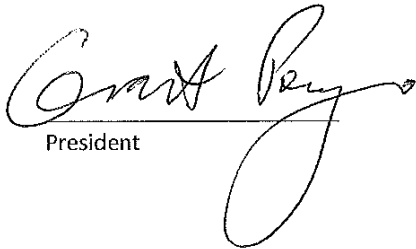

CLAREMONT FOOTBALL CLUB INC.
ABN: 64 028 387 313
STATEMENT BY BOARD OF DIRECTORS

The Board of directors has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board of directors the financial report as set out on pages 1 to 9:

- 1) Presents a true and fair view of the financial position of Claremont Football Club Inc. as at 31 October 2019 and its performance for the year ended on that date.
- 2) At the date of this statement there are reasonable grounds to believe that Claremont Football Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board of directors and is signed for and on behalf of the Board of directors by:

Grant Reynolds

President

Director

Dated this 4th day of December 2019.
