Audience: Community Club Committees (Junior Clubs), Coaches and Team Managers
Date: 14 February 2020
Distributed by/to: Email to Junior Club Presidents, Secretaries and Registrars
Contact: Danni Dix
Competitions Officer – Metro North
Ph: 0400 223 307 Email: ddix@wafc.com.au

Summary:

- *The Parent Umpire Program will be run in Year 3 age groups in the Claremont, Subiaco and West Perth Districts, in Year 4 age groups in the West Perth District and Year 3/4 Junior Girls in the Claremont, Subiaco and West Perth Districts.*
- *All clubs wishing to nominate teams in the Year 3 (and Year 4 age groups – WP only), Year 3/4 Junior Girls are required to participate in the program.*
- *Three training courses will be conducted in the lead up to season 2020.*
- *Parent Umpires must be over the age of 18 years.*

Action:

- *Ensure each team nominates a minimum of two parent umpires who are required to attend a training session and be available to umpire during the season.*

Background:

The Parent Umpire Program launched in 2008, where parents were handed the responsibility of umpiring matches in the nine and ten age groups. The introduction of this program was not derived from a shortage of junior umpires but from game environment concerns in modified football. A proposal was put to the WA Football to train parents to umpire in these age groups with clubs recruiting parent volunteers to take on the responsibility (as they would other volunteer roles such as Coach and Team Manager).

The Parent Umpire Program, now in its twelfth year has worked to educate parents (within the team) as to modified AFL rules and in reducing game day environment issues. Game day environment issues have anecdotally been reduced with feedback supporting:

- Parents are less likely to question, berate and abuse a fellow parent from within their team
- The program upskills parents in early age groups as to the role of the umpire creating umpire advocates and supporters with team groups in future years

In 2020, the Parent Umpire Program will be run in:

- Year 3 age groups in the Claremont, Subiaco and West Perth Districts
- Year 3/4 Junior girls age groups in the Claremont, Subiaco and West Perth Districts
- Year 4 age groups in the West Perth District.

All clubs wishing to nominate teams in the Year 3, Year 3/4 Junior Girls (and Year 4 age groups – WP only) are required to participate in the program.

How the program works:

- Each team is required to nominate and supply a minimum of two Parent Umpires to attend training and umpire during season 2020. This is a requirement to register a team in the 2020 competition. Teams can nominate more than two Parent Umpires.
- The Parent Umpire Program is designed to give the parent volunteers the basic understanding of how to umpire a junior match and specifically looking just at the modified rules of Year 3s and 4s football.
- Two Parent Umpires will umpire each match (one from each team). A minimum of one Parent Umpire is required at a match for the match to go ahead however two are preferred at all times.
- Parent Umpires are not to be paid for their role.
- The Parent Umpire Program will receive support from the WAFC with training provided by staff and Umpiring Groups.
- Parent Umpires will be required to wear the Junior Football League approved Parent Umpire Vest and Lanyard.
- Parent Umpires will be provided with umpiring resources including rules manual, whistle and resources.

Parent Umpire Course Dates:

Course 1: Sunday 5th April 2020 – Venue: Claremont Football Club, Claremont
9.00am – 11:00am. Refreshments provided

Course 2: Tuesday 7th April 2020 – Venue: Function Room 1, HBF Arena, Joondalup
6.00pm – 8.00pm. Refreshments provided

Course 3: Sunday 19th April 2020 – Venue: Subiaco Football Club Function Room
9:00am – 11:00am. Refreshments provided

**Please note that parents do not need to register for the course in their club's district. They simply need to register for whichever course is most convenient for them to attend.*
