For significant and outstanding contribution to the success of the North Fremantle AFC in the League.

Tony Misich, OAM started the "Misich Dynasty" at the North Fremantle Amateur Football Club (NFAFC) when he arrived at the club in 1991 with his two sons, Tully and Scott.

Like many fathers, Tony found himself volunteering in roles such as Colts Team Manager, water-boy, boundary umpire and other tasks.

After seven years following his sons in the lower grades, and again helping out week after week, Tony's formidable executive background saw him become NFAFC President in 1997, where he immediately transformed the executive of the club.

Tony Misich was again appointed Club President in 2015 and his five-year stint saw him at the helm of the club in the NFAFC's centenary year. In this position he promoted the Perth Football League across the community through his role in the annual ANZAC Day ceremony at the club, with the North Fremantle Primary School community, and through the wider community by holding special football fundraising events and family days.

Tony was awarded NFAFC Life Membership in 2012.
