

Country Colts Champs - Kimberley show Spirit

The CBH Group Colts Country Champs took place on the 11th and 12th of July in Mandurah and Pinjarra, and saw a young and talented bunch of Kimberley boys travel south to compete against the states best.

The boys, lead by coach Scott Hill (WKJFL President) ended the carnival with 1 win and 3 losses, but as always, it was the way they played and the entertainment factor they brought to the carnival that will be the lasting memory for all who attended .

As preached by the coaching and Kimberley Spirit support staff, the on field result wasn't the measurement of success for this trip, it was the experience, friendships, teamwork and personal growth shown by the players that really counts. Well done to the squad in representing the Kimberley and showing our spirit!

Family & Domestic Violence Awareness Round EKFL/KJFA and KNX Auskick special guest

Cyril Rioli and wife Shannyn looking like some deadly in season recruits for the Waringarri Crows

4 x Premiership player Cyril Rioli and his wife Shannyn were welcome guests to the East Kimberley in June, visiting the region as spokespeople for the awareness of family and domestic violence in the community.

Having a yarn pre game to EKFL teams, attending KJFA junior training night and adding some extra star power to the windup night of the KNX Auskick, Cyril was a highlight to the players and volunteers, and acted as a great leader, mentor and advocate for positive community behaviours. Well done to Petina Pitt-Lancaster for helping organise the visit, and to Gawooleng Yawoodeng Aboriginal Corporation & Binarrig-Gerring Jawalenga-Woorr Men' Program for assisting the event and promoting the right messages in eliminating domestic and family violence.

NAIDOC Round Celebrations across the Kimberley

Clubs and leagues across WA participated in NAIDOC week celebrations, and some highlights from the Kimberley footballing world can be seen to the right.

WKFL Women's put on a show with food, festivities and a Welcome to Country pre game, and how about the oval artwork on display from the Port Wyndham Crocs! Bravo.

Kimberley Cup(date)

The Fuel to Go and Play Kimberley Cup is a multisport carnival held in Broome for high schoolers across the Kimberley. Over four exhilarating days, students from 15 schools showcased their talent and sportsmanship in a series of football matches, facilitated by CFWA, Fremantle Dockers, and Kimberley Spirit.

From Kalumburu to Bidyadanga, the Kimberley Cup brought together a diverse group of high school athletes who competed in 34 thrilling games of football. The competition featured three exciting formats, including AFL 9s, all held at the Broome Recreation and Aquatic Centre (BRAC)

A huge shout-out to all the participants, teachers, and volunteers who made this event a triumph. Your dedication, hard work, and positive attitudes were truly inspiring and contributed significantly to the success of the carnival.
