Umpiring in the Great Southern

Umpires are an integral part of the game and here in the Great Southern we have a fantastic pathway promoting junior umpires, and leading them on the path to umpiring senior football. Courtney Gibson from the Umpiring Team at the WAFC, came down to Albany and took the teams training with an indoor and outdoor component, sharing her expertise.

Congratulations to two umpires who have been with the team since juniors, making their League debuts in the GSFL.

The Grand Final is set in the Eagles Cup, with Albany Primary School taking on Great Southern Grammar on Thursday the 13th of June at the Eastern Precinct off North Road (ladder below).
