Audience: Club Committees, Coaches, Players

Summary: The League is working with the AFL and WAFC regarding community football for 2020.	Action: Information Only
---	------------------------------------

The AFL have made announcements regarding state level football (WAFL) today.

The Perth Football League, along with other community football competitions, are working with the AFL and WA Football Commission regarding the status of community football for the 2020 season.

We envisage we will be able to inform clubs of the 2020 season within 48 hours.
