FORFEITS

Clubs forfeiting any match must notify the League by 2pm the Friday prior. Any Club forfeiting after this time will be required to pay the umpires fees for that match in full.

COVID CONTINGENCIES

In the event of a Covid outbreak amongst the Umpiring group, the following contingencies have been put in place:

1. Umpires will be asked to double up on matches over the weekend where appropriate and if possible. This is always done on a voluntary basis taking into account fitness levels and individual workloads.
2. The 3 Umpire system will revert to a two Umpire system where possible.
3. Umpires will push up to the next highest Grade as required.

Umpiring have no intention of putting at risk matches going ahead due to a shortage of umpires. This however, cannot be guaranteed. It is possible some colts or womens matches may be asked to find Club Umpires to officiate their matches as a last resort.

PAYMENT

Rates below are set by Umpiring WA. Clubs can use this as a guide and negotiate rates directly with club appointed umpires. Panel and pool umpires will be paid directly by the WA Football Commission.
