CORPORATE PARTNERSHIP DIRECTORY

SOUTH FREMANTLE FOOTBALL CLUB (INC)

“The Premier Family Club”

“Professional – United – Selfless – Progressive”

Introduction

The South Fremantle Football Club is proud to be associated with so many passionate corporate supporters, members and volunteers.

Without the support of our loyal sponsors, members and volunteers, there would be no South Fremantle Football Club or West Australian Football League.

Since our Club’s inception in 1900, our support groups have played a major role in building and enhancing the link between the Club and the broader Fremantle community.

In 2002, the Club officially registered the trademark “The Premier Family Club” and in keeping with this motto, we urge you to support the services of our Corporate Partners wherever possible.

Ideally if we can make this directory your first port of call for any services that you may require then it will not only assist our loyal supporters but will also ensure the financial future of the South Fremantle Football Club by cementing a long-term relationship with our existing and new Corporate Partners.
