The League will support this club development initiative by paying:

- The one-off fee of \$497 to set-up of Xero at your club.
- The annual Xero subscription fee up to \$510.
- 52 weeks technical support over email and telephone for Club Committees.

Where a club seeks to engage Digitbooks for additional assistance outside the scope of this arrangement, e.g. bringing in past year's historical transactions, setting up other add-ons or payment services, additional training, setting up payroll for employees - is outside of this scope and Digitbooks will engage and charge the club separately.

Things you need to know –

- Xero is being setup as a 'clean slate' as at the new financial year.
- Additional support outside of the above scope for things including but not limited to - bringing in past year's historical transactions, setting up other add-ons or payment services, additional training, setting up payroll for employees - is outside of this scope and Digitbooks will engage and charge the club separately.
- The Xero Standard Business Plan subscription is covered by the League, and any changes to the subscription are to be made in writing to the League and Digitbooks.
- During the off-season, your subscription will be reduced to the basic plan. If this is not adequate, please advise.
