## PRESIDENT'S REPORT

### GRANT POVEY

#### Financial Highlights

We are delighted to report a substantial profit of \$235,000 for the fiscal year ending 2023. This achievement reflects our commitment to financial stability and responsible management.

Our cash balances have increased by around \$100,000 with a majority of our profit reinvested into the ground lighting and repairs and maintenance of the club.

#### On-field Performance:

While the financial success is commendable, we acknowledge the disappointment of a less-than-ideal finish, losing in the 1st semi-final. This outcome serves as a powerful motivator for the upcoming season, propelling us to strive for excellence on the field.

Congratulations to the Talent Program where we were Premiers in the Colts. It's a credit to everyone involved in the Program led by Ash Clancy, Jordan Smith and Bec Davis.

#### Cultural Focus:

In moving forward, our emphasis lies in fostering a strong culture. The journey to success begins with a collective commitment to each other and the shared goals of the club. Accountability will be a cornerstone in our pursuit of improvement and success.

#### Acknowledgements:

We extend our deepest gratitude to the volunteers whose tireless efforts contribute to the seamless operation of the club. Your passion and dedication do not go unnoticed.

A heartfelt thank you to our sponsors, whose unwavering support has been instrumental in the club's growth. Your belief in our vision propels us forward, both on and off the field.

A heartfelt thank you to our sponsors, whose unwavering support has been instrumental in the club's growth. Your belief in our vision propels us forward, both on and off the field.

A special mention to: Revo Fitness, Foodies, Euroz Hartleys, Hertz, SKG Radiology, H&M Tracey & KRSP.

Our dedicated staff and coaches play an integral role in shaping the character of the team. Your hard work and guidance led by Ash Prescott lay the foundation for the future successes of the Claremont Football Club.

#### Looking Ahead:

As we reflect on the past year, we stand resolute in our commitment to excellence. The challenges faced will serve as lessons, and the successes as inspirations. Together, united as one, we forge ahead into the future, driven by the passion and camaraderie that define the Claremont Football Club.

Thank you for your continued support.

Grant Povey

President, Claremont Football Club

## **NEED A FUNCTION SPACE FOR YOUR UPCOMING EVENT?**

The expansive club rooms have panoramic views over the Tigers home ground. The venue is purpose built to host a wide range of different event types from

### **CONFERENCES, TO SUNDOWNERS, TO PARTIES & MUCH MORE...**

The main room can be fully partitioned by the built-in concertina walls to create a variety of configurations to suit all occasions.

Large numbers can be accommodated for special events in cocktail mode and exclusive sit down premium events can be hosted in a private space away from the main bar.

Claremont Football Club is conveniently located on Davies Rd, near to the Claremont Quarter and train station.

## CHIEF EXECUTIVE'S REPORT

### DARCY COFFEY

It has been a year of resilience, growth, and consolidation for our beloved Club.

The 2023 season was a testament to the dedication and hard work of our staff, players, coaches, and everyone involved in the Claremont Football Club. Participating in Finals in all five grades - along with the Colts ultimate premierships success - our teams showcased exceptional skill, determination, and sportsmanship, making us proud on and off the field. We continue to see remarkable improvements in our player development programs, fostering a culture of excellence that bodes well for the future of the club.

Beyond the scoreboard, our commitment to community engagement has remained unwavering. We have continued to build strong ties with our local Clubs and delivered clinics at 94% of the schools within our Metropolitan district in 2023. In terms of region engagement, we set the standard across the WAFL competition. Our ongoing support of the Great Southern Storm and Kimberley Spirit satellite programs, along with our Fist Regional WAFL games in Broome in over a decade, have ensured our player pathways remain as strong and robust as they have ever been. The club's presence in the community has not only strengthened our support base but has also contributed positively to the lives of those around us.

Investing in our infrastructure is crucial for the long-term success of the Claremont Football Club. Maintaining a state-of-the-art facility does not come without its challenges and I would like to recognise the work of Pat Coffey in particular for overseeing this most arduous of tasks. We continue to explore upgrades aimed at enhancing the training experience for our players and providing an improved environment for our supporters.

I am pleased to report that our financial position remains incredibly healthy. The support of our sponsors, members, and partners has been instrumental in ensuring the commercial health of the club. We continue to explore new revenue streams and partnerships to secure the club's financial future and maintain our ability to invest in key areas that drive success both on and off the field. Special thanks must go to Revo Fitness who have extended their Stadium Partnership for a further 6 years, along with Major partners Foodies and support partners Euroz Hartley, H&M Tracey, Maxima & Hertz.

Our Club is the sum of its parts. To our incredible staff – your care and commitment is unwavering and I am extremely grateful for your support and friendship. Our Board of Directors – who volunteer their expertise – the Club would not be in the position it is without your steady hand and oversight. Our Patrons – your financial and emotional investment are without peer; and finally to our playing groups – the sheer time you commit to your craft is ever impressive and I look forward to you getting the ultimate rewards for this in due course.

In closing, I reflect on our Club values - Care, Connection and Calibre. I truly believe these form the cornerstone of our ongoing success and the demonstration of these in our actions and behaviours is us at our very best. I thank everyone for their contribution to this, I encourage you to keep playing your part, and recognising and celebrating exemplars. Go Tigers.

## FOOTBALL OPERATIONS MANAGER

### KEPLER BRADLEY

Darren Harper did a great job helping our young Reserves group register 10 wins in the home & away season and finishing 4th on the ladder despite an indifferent run of form at the start of the year.

Winning our last 3 games cemented another finals birth for the 8th consecutive year. We played East Fremantle in the first final and after a very slow start which saw East Fremantle kick 7 goals to our 1, our boys fought back in the last 3 quarters to eventually go down by 13 points meaning we were knocked out of the finals series. Joel Western was outstanding and looked a class above throughout the game while Anthony Treacy kicked 3 goals to keep us in the game. Luke Brown was moved to CHB after the first quarter and repelled a lot of East Fremantle's attacks while Ben Clarke was at his gut running best on the wing.

We have a really exciting future with a number of young players developing their games and knocking on the door of league selection. Mitchell Barron was simply outstanding in the first half of the year playing as an inside mid before a wrist fracture ended his season. Menno Inverarity and Finn Moloney showed in their first years that they have massive futures at the club. Ben Clarke continues to improve on the wing while Dylan Mulligan provided a target up forward and became a genuine goal kicker.

For the 6th year in a row our League side made the finals after winning 12 home & away games to finish 5th on the ladder (due to percentage). We won 7 of our 12 games by under 15 points proving once again that the WAFL competition is incredibly close and if you are off a couple of percent you can lose to anyone, as every side found out at certain stages throughout the year. Injuries to key players throughout the year really tested our depth and provided opportunities to players and they didn't let the club down.

We turned our attention to East Perth in the first final at Leederville oval. The game was played with very high intensity with pressure on every disposal and a real ferocity in 1 on 1 contested situations. East Perth jumped to a 2 goal lead at quarter time but for the next 3 quarters we were able to get the game on our terms, play more direct to goal and surging the ball forward to eventually win by 12 points. Oliver Eastland was outstanding in the ruck giving our midfield first use while Anthony Davis and Jack Lewsey continued their form off half back. Jye Bolton lead the way with contested possessions and using his penetrating kick to great effect while Talon Delacey and Zac Mainwaring kicked 4 goals between them.

We headed back to Leederville to face Subiaco in a do or die final. From the first bounce Subiaco were more physical and more desperate in the first quarter going into the quarter time break 3 goals up and all the momentum. To our credit for the next 2 quarters the game was being played on our terms and we kicked the next 6 out of 8 goals to put us only 6 points behind at 3 quarter time. After the break the momentum swung back into Subiaco's favour where they finished off strongly kicking 5 goals to nothing in the last. Anthony Davis' final series was outstanding and was named in the best again. Jack Maibaum was solid in defence with some big spoils while Callan England provided a handful for the opposition kicking 2 goals and Jack Lewsey contributed strongly.

A lot of positives came out of the year with a number of young players making the most of league opportunities. Zac Mainwaring and Talon Delacey became potent small forwards, Daniel Curtin showed the football world why he's so highly regarded with composure beyond his years and Sam Alvarez continued to develop his game on the wing. Anthony Davis had a stella season in the backline while experienced players Jye Bolton, Jack Lewsey and Oliver Eastland's durability and consistency really lead the way for our young group.

Some key facts and highlights of season 2023

- We played 35 players in the League side with 9 players making their League debuts.
- 86% of players were local zoned, once again leading the WAFL competition with the next best at 76%.
- Top 3 in this year's League B&F was Oliver Eastland, Jye Bolton and Anthony Davis
- Top 3 in this year's Reserves B&F was Menno Inverarity, Mitchell Barron and Finn Moloney
- We had 3 state representatives- Jack Buller, Teia Miles and Oliver Eastland
- Jack Buller was mid-season drafted to Sydney Swans
- Milestones achieved by Jye Bolton- 150 games, Alex Manuel- 100 games, Declan Hardisty- 100 games, Ben Edwards- 50 games and Anthony Davis- 50 games

A big thanks to all of our wonderful football support staff who contribute countless hours and truly have the club's best interest at heart. League Coach Ashley Prescott, Anthony Jones, Glenn McCallum & Andrew Foster did another terrific job; Darren Harper for coaching the Reserves and getting them to another finals series was outstanding with the assistance of Damian Crimmins & Shane Yardley helping on game day; Keith Milband and Matthew Arturson as team managers; Jake Shaw as our head S&C; Katie Hanrahan and the wonderful trainers; Chloe Phelps leading physio; Lionel Lim as matchday doctor; Leon Wilson and Ryan Clune as our match day runners; Steve Allsop who runs our Life Skills sessions; Jacob Shaw our nutritionist; Jason Kneebone as our boxing coach; Jack Denton and Trevor Naulls in your work with the property; Jeremy Sims for filming our training sessions; Frank, Andy and Tony as our stats team; Ian Haggerty, Pat Coffey and the Monday Crew; and of course Carol Milband & the Ladies Committee who not only came to the rescue for match day catering but have also supported the football department for decades.

The club is what the people make it, and the people we have are incredible. I look forward to getting stuck into 2024!

## TALENT MANAGER

### JORDAN SMITH

We've reached the end of another busy season for the Claremont talent programs and as always there's plenty to reflect on when it comes to the development of our up and comers.

#### WAFL COLTS

2023 was a special year as we claimed the club's 17th Colts Premiership. This result was a fantastic reward for a group of players who bought in and represented the club with pride and distinction. We had 51 players pull on the jumper throughout the season, and a total squad of 60, but obviously only 23 players got the opportunity to run out onto Optus Stadium on Grand Final day. The way that the playing 23 made their non-playing peers feel included (and the way that those not lucky enough to be playing supported those who were) epitomised the togetherness of the group which was so central to our success this year.

The boys started the season in exhilarating form, winning our first three games by an average margin of 64 points to quickly stake our claim as premiership contenders. The middle phase of the season saw some less attractive victories as we often struggled to produce four quarter performances, but our ability to win even when not at our best was a promising sign. A draw against Perth in Round 20 saw us miss out on top spot by percentage, despite recording our most successful home and away season in terms of winning percentage since 2013. Our finals performances were outstanding, with a gritty Qualifying Final win over East Fremantle followed by a clinical victory against Perth in the 2nd Semi Final. We took on the Demons again two weeks later in the Grand Final and while I can't say we enjoyed the last quarter too much from the coaches box as we failed to even register a score, we had done enough in the first three quarters to run out 11 point winners on a memorable day for all involved.

While premiership success always requires a team effort, we did have plenty of quality individual performers throughout the year who are recognised in full later in this report. I do want to acknowledge though the Top 3 in our Fairest & Best – Riley Disisto, Cody Angove and Ryley Valli – on their terrific seasons. Riley (Forward Pocket) and Cody (Half Forward Flank) were also named in the WAFL Colts Team of the Year alongside Joe Fonti (Wing), Kai Dehavilland (Interchange) and Jaxon Bizzaca (Interchange). Premiership Captain Daniel Curtin

also deserves a mention, not only for his sensational leadership throughout the campaign, but also for a list of achievements that included National Academy Selection, WA MVP honours and All Australian selection at the U18 National Championships, and of course the way in which he seamlessly stepped up into our League side towards the end of the season. To cap it all off, Dan was selected at Pick 8 in the AFL Draft by the Adelaide Crows and will be joined at the highest level by Joe Fonti (Pick 44 – GWS Giants) and Zane Zakostelsky (Pick 51 – Brisbane Lions).

Following a challenging first season in the role, Colts Coach Ashley Clancy is to be congratulated for guiding the team to premiership glory, while I would also like to thank Ash's Assistant Coaches Ricki Smith, Chris Wallace, Ryan Pontifex and Andie Fagan, as well as Runners Ben Willett & Matt Sofoulis. Ash made the decision prior to the finals that he would be stepping down from the role at season's end. I would like to wish him all the best moving forward and am excited that we have again been able to promote from within to fill the role by virtue of Ricki Smith's appointment as our Colts Coach for 2024. We are also indebted to our amazing support staff, namely Team Manager Bern Willett (this was Bern's fifth Colts premiership as Team Manager); Property Managers Jack Denton and Trevor Nauls; Physiotherapist Ben Rushforth; Dr Lionel Lim; Head Trainer Elly Crowhurst and the entire club trainer group; Wellbeing Staff Shane Yardley, Dr Steve Allsop and Ryan Clune; and Head S&C Coach Andrew Jonson and his Assistants Mika Berman and Madi Cammarano. "Jono" is also leaving us after 4 years in his role where he has been an enormous asset to the club. His passion, dedication and ability to build quality relationships with the playing group (even despite the torture he inflicted on them during preseason sessions) will be missed.

#### WAFL FUTURES & DEVELOPMENT SQUADS

Our Futures squad endured a challenging carnival which yielded only one win, however the group invested strongly and were unlucky to lose two games by single figure margins. Congratulations to our 2023 Futures award winners: Encouragement Award – Sebastien Low, Coach's Award – Val Davies, Tiger Award – Charlie Cotter, Developing Talent Award – Benjamin Hall and Emerging Talent/MVP Award – Max Hansen-Knarhoi. Max also earned selection in the WA State 16s squad. Thank you to Futures Coach Ben Willett and his Assistant Coaches Craig Rogers, Ritchie Hore, Tom Willett, Andie Fagan and Head S&C Coach Jackson Edgar.

Our 14s & 15s Development Squad Programs were very successful this year as we reaped the benefits of a highly credentialled coaching staff and were able to return to a more holistic model of both on and off field development that had been the norm within our Development Squad Programs prior to COVID. My appreciation goes to our Development Squad Coaches Brendan Arundell, Brett Wenn, Andie Fagan, Ritchie Hore, Samuel Alvarez, Chris Tan, Joshua Ledger, Oscar Morcombe, Alex Zulberti, Ethan Cooper, Sam Marson, Daniel Curtin, Ben Willett, Chris Bandy and Development Squad S&C Coaches Mika Berman and Madi Cammarano.

## REGIONAL DEVELOPMENT

2023 was the biggest year ever experienced by our regional academies, with both the Great Southern Storm and the Kimberley Spirit fielding teams in the WAFC Regional 15s Carnival and CBH Country Colts Championships. For the Spirit, this was their maiden appearance in the 15s and their first Colts visit since 2012, so a massive thank you to Garnduwa for their work in getting both teams down to Perth. In particular, Kimberley Spirit Program Manager, Ben De Meo, deserves an enormous congratulations for his tireless efforts in getting these trips off the ground. The results across the carnivals were generally very strong, particularly at 15s level, and paint an exciting picture of the talent being developed in our two country zones.

Our annual Colts fixture in Albany was this year played against Subiaco in Round 12 and hosted by the Royals Football Club. Thanks to Darrell Panizza and James McRae (both CFC past players) for their assistance in planning and delivering this event.

## THANK YOU

I'll finish with a few general notes of thanks on top of all those already mentioned, starting with Grant Povey and

his board, CEO Darcy Coffey, FOM Kepler Bradley and Senior Coach Ashley Prescott for all their support. A special mention to Bec Davis who came on board as our Talent Advisor this year and acted as a conduit between our talent programs and the board. Bec's passion and energy made her a big asset to our programs. Thanks also to our front office staff at the club who have all assisted our programs in one way or another throughout the year – Taylah, Lisa, Jack, April, Emma and Mitch.

This year we invested in a new Individual Development Coach position working across our Colts & Futures programs, and Brendan Arundell's efforts in this role were magnificent as he guided many players through improving various aspects of their football – thanks BA.

To the heart and soul of our football club – the Monday Crew, Ladies Committee, and Past Players & Officials Association – thank you as always for your support and assistance throughout the year, and lastly, thanks to all the players and parents of our talent programs for everything you commit. I look forward to seeing everyone in 2024 and wish you all a safe and happy Christmas and New Year.

## SENIOR COACH ASHLEY PRESCOTT

Many football seasons are roller coaster rides, and 2023 was certainly that for the Tigers, we played some scintillating footy, but in game, and week to week consistency, ultimately affected our overall outcome.

Our two finals reflected this, week one versus East Perth is the blueprint for how we want to play, hard, aggressive, quick and direct football. Week two versus Subiaco was an opposite, out worked, out hunted and behind by 30+ points in the first quarter. As a club we continue to be competitive and compete at the pointy end of the year, that is a credit to everyone, but we simply must all get better together to take that next step to the Premiership success we all crave.

Part of taking that next step is the development of our emerging players. A massive positive in 2023, was progress of the Development Team, as a group, and individually, led by Darren Harper it was the youngest group I have experienced in my time at CFC, and if these lads commit to the club, each other, and keep putting the hard work in, the rewards will follow. Well done to the players that made their club debuts in Finn Moloney, Menno Inverarity, Max Mumme, George Graham, Daniel Curtin, Felix Rogers, and Joel Western, Jack Maibaum and Teia Miles who had previously played State league football and made their debuts for the Claremont Football Club this year.

Congratulations to the Colts on their tremendous Premiership year, to Ash, Jordy and all the coaching and support staff, your guidance and support for the group was outstanding. To the players, and that is all of you that contributed throughout the season, you did yourselves and the club very proud. Our club's vision is to see you translate Colts success into future League success in the coming years, and it's exciting to see you all come through.

Our values are, Connection, Calibre and Care, and we do this very well with the quality of people we have, which is across all levels of the club.

Our administration team do a tireless amount of work, Darcy Coffey, Kepler Bradley, Jack Schwarze, Jordan Smith, Taylah Petkovich, April Carey, Emma Woods, Lisa McNeil, Pat Coffey and Adam Crane for his work in capturing the stories during the year on camera, thank you so much. Extra mention to Kepler for always putting up with my ongoing requests and always going above and beyond in his role as Football Manager.

Keith and Carol Millband, for your continued commitment and contribution to the club, you go above and beyond. Property stewards, Jack Denton and Trevor Nualls for doing all things property, and keep the sugar levels high on lolly duty!

Pat Coffey and the Monday Crew, and our wonderful Ladies Committee, your tireless contribution around the footy club is truly amazing, years of unconditional support and service is so humbling and does not go unnoticed by the current playing group and football staff.

To Jake Shaw, Chloe Phelps, Lionel Lim, Anthony McAvoy, Jessica and all the trainers in our Strength and Conditioning and medical teams you have our sincere thanks, in such constantly moving and challenging roles, your management of so many people with great care and detail, is greatly appreciated and does not go unnoticed.

Specialist Coaches and educators in Matthew Ramsden (running), Jacob Shaw (dietician) and Jason Kneebone (Boxing) thanks for the wonderful work you put into the players.

When it comes to these three Claremont legends there are no words that can sum up their contribution, week in week out. Frank Riccelli, Andy Webster and Tony Freidleib take specific game statistics and pass it onto the coaches, its more than just the numbers, it's the care, connection and calibre they bring. Win/loss or draw they take the emotion out and apply the logic which is vital in a football club. I don't thank you enough, you are an extension of the coaching group and have been at our wonderful club for over a quarter of a century.

Our responsibility is to provide the players with every resource possible to help them be the best they can be, the coaching group is a team amongst the team, personally I would be nothing without these people, we lean on each other, and support one another unconditionally. To Anthony Jones and Andrew Foster for the calibre and loyalty they bring, both served the club with distinction on field and now guide the new breed coming through with the Claremont values they were once taught. Glenn McCallum was a tremendous addition to the club, your care for the players goes beyond what they can do on game day, whether it is finding a player work, housing a player, or teaching them how to improve, you live our values.

In Development level coaches in Darren Harper and Damian Crimmins we have two high quality people and coaches, and Shane Yardley's well-being role is not reserved to just the players but extends to everyone at our club, another example of truly living our values in your authenticity and unconditional care. Leon & Oscar Wilson, great Claremont people who add so much to our group and it was great to see Dale Kickett back around the footy club assisting when possible. Special thanks to Ken Casellas, week in week out its tremendous having Ken part of everything we do, his influence, advice, kindness and knowledge is just priceless, he's a Claremont treasure. Club chaplain Ryan Clune was also a great addition to the club in 2023 and we very much appreciate the role he does in supporting our people.

To the playing group, thank you for all your efforts over the course of a long and demanding football year, your commitment and passion is inspiring, a few special mentions

must go to a few people whose contributions have seen them reach very significant milestones for the football club. Anthony Davis, Ben Edwards, Tyron Smallwood played their 50th games for the club, Alexander Manuel and Declan Hardisty registered their 100th games, and Jye Bolton notched up his 150th and life membership. I speak on behalf of everyone in congratulating and recognising you all on your contribution and commitment to the club.

To Ollie Eastland, Jack Buller and Teia Miles, congratulations on representing Western Australia in the State Game at Adelaide Oval, a fine and well-deserved achievement for the quality of football you played in the early rounds.

Our 2023 E.B. Cook winner in Ollie Eastland who put together a magnificent year of football and has so much passion and love for Tigerland, you were an inspiration.

Jack Buller's selection in the AFL Mid-Season draft was just deserved for a young man that dug in and worked exceptionally hard over the last two years to build his strength, fitness, football skills and mental resilience, and from my view he serves as a great example for those that harbour ambitions to break into the AFL system, we wish him all the very best.

We are truly blessed to have a committed group of key leaders in Dec Mountford, Ronin O'Connor, Jack Lewsey, Jye Bolton, Lachlan Martinis, Alex Manuel and Bailey Rogers, men who all care deeply about both the short- and long-term success of the football club and the legacy they are creating and will leave. To Jack Lewsey, we wish you all the very best in your move to Melbourne to further your studies and thanks for everything you bring on and off the field.

To the Board of management at the club, thank you for steering the club in the right direction and your unwavering support on all levels.

With 2023 done and dusted we take our lessons and look forward to the 2024 season. We have built a strong foundation and cannot wait to get stuck into preparing hard over this coming summer. With some exciting and enthusiastic new players, coaches and fitness staff coming in, and a playing group that is committed to getting better together, we relish this challenge.

A final thanks must certainly go to all the members, supporters, sponsors, volunteers, and families who assist and serve our great football Club in so many ways. On behalf of all the players and coaches we can't thank you enough and look forward to seeing you all in 2024.

Eat Em Alive

Ashley Prescott

## COLTS COACH ASHLEY CLANCY

After a strong and consistent year finishing equal top with an outstanding record of 13 victories, 2 defeats, and a draw, securing a position in the finals. We faced a dangerous East Fremantle team who were on a 10-game win streak in the first week of the finals. We recorded 55 to 42 point win to advance. Advancing to the second week, the Colts faced Perth, who were coming off a bye. Our players showcased a cohesive team effort, culminating in a significant 74 to 44-point victory, propelling us directly into the Grand Final.

The Grand Final pitted us once more against Perth. The season's encounters had been evenly matched, with each team claiming a win and one game ending in a draw. Despite Perth's rapid start with two early goals in the final, our players maintained composure and matched the score by quarter-end. We were able to get into a strong position over the second and third quarter to hold a 3-goal lead going into the last. Perth, energized and aggressive, pressed hard in the last quarter, but our players' steadfastness led to a thrilling and well-deserved victory.

Claremont 10 - 7 = 67

Goals: 3 - H Davis 2 - C Angove, W Hayes 1 - S Moody, M Rohr, A Van Der Struyf

Best: Z Zakostelsky, S Ballard, B Banfield, D Curtin, H Davis

Perth: 8 - 8 = 56

The raw emotion witnessed at the final siren at Optus Stadium, marking our ultimate triumph, was profoundly memorable.

While not all everyone was able to run out on the last day it definitely took all 60 squad members to make it happen. Highlighting the unified and team-oriented mindset the players had throughout the program.

Once again congratulations to all the stakeholders that service the country zones. We once again had great representation in our final squad. Claremont continues to lead the competition in this area. It's done by having great partnerships and great people in our regions.

It is great to see that a large group of those players will be returning to the Colts in 2024, but a big chunk will be graduating from the Colts program and heading up to the Seniors. The coaching group has high confidence on the immediate impact these young men will have.

The team's success naturally translated into individual recognition, with several players selected for the State 18s competition. Daniel Curtin, Kai Dehavilland, Joe Fonti, Joe Matthews, Sam van Rooyen, Zane Zakostelsky, Austin van der Struyf and train on squad member Will Hayes. The individual accolades continued with the following players Riley Disisto, Kai Dehavilland, Joe Fonti, Cody Angove and Jaxon Bizzaca selected in the Colts Team of the Year.

Congratulations also to Riley Disisto for being awarded the Tom Richardson Trophy for Best & Fairest. Riley had a strong and consistent year built on a convincing preseason. His leadership and dedication to the program had a massive positive influence on the group and he so be extremely proud of his year. Cody Angove on the Roy Sanders Memorial Trophy for 2nd Place. Cody impressed with ability to impact games and hit the score board. The commitment Cody puts into to his football is super impressive and his hard work has paid off. Finally, Ryley Valli finishing 3rd and taking out the Hugh Buxton Memorial Trophy. Ryley was an influential piece of our midfield group throughout year. He is a smooth mover with great skills which he uses to damage opposition teams.

Our Players' Player Award was awarded to Louis Tangey. The players could not have picked a more deserving player. Louis gave his all every week to make the team and his team mates better. He was an integral piece of the team and the success we had this year.

Daniel Curtin took out the Tony Evans MVP Trophy for the Colts program this year. Dan has had an amazing year. His football speaks for itself, he is a step above. Dan was awarded the WA State 18's MVP, made the All-Australian Team, made his League Debut and was Colts Captain for 2023.

Jaxon Bizzaca was awarded PPOA Encouragement Award. Jaxon had a super consistent year and provided us with a lot of confidence in our back 6. Jaxon ability to

consistently do the 1% was what stood out, he would often cover off for his teammates and hardly got beaten all year.

On top of this great awards there were 3 individuals rewarded with the highest honour by being selected in the 2023 AFL Draft. The club couldn't be happier for Daniel Curtin - Adelaide Crows (Pick 8), Joe Fonti - Greater Western Sydney (Pick 44), and Zane Zakostelsky - Brisbane Lions (Pick 51). We look forward to following their journeys.

I extend my profound gratitude to the entire Colts program, whose collective efforts have been pivotal to our success.

Jordan Smith who successfully leads the Talent program and services the country zones. Ensuring Claremont stays at the forefront of the talent pathways. Bec Davis for her support and passion. She has been a fantastic acquisition for the club. Also, to the dedicated coaching staff who I so much gratitude to who are so invested so much into the program – Ryan Pontifex (Midfield Coach), Chris Wallace (Backline Coach) and Ricki Smith (Forward line Coach). Andie Fagan (Bench Coach), Brendan Arundell (IDP Coach) Ben Willett and Matt Sofoulis (Runners), Bern Willett (Manager). Our brilliant S&C staff Andrew Jonson, Madison Cammarano and Mika Berman, The amazing Medical Group, Ben Rushforth, Elly Crowhurst and the many trainers. Then the best

in the business of the of lot our wonderful property team Jack Denton and Trevor Naulls for all their work behind the scenes.

Thank you to the Ladies Committee and the Past Players and Officials Association, for their unwavering support.

Finally, I would like to thank the Claremont Football Club for the opportunities provided to me. It has been an enjoyable journey over the last four years filled will many memories. I will be enjoying some family time next year and will therefore be stepping away from the role. All the best to the new head coach Ricki Smith and his coaches on season 2024. The program is in good hands.

Ashley Clancy  
Claremont Colts Coach 2023

# PAST PLAYERS & OFFICIALS ASSOCIATION REPORT

As the President of the CFC PPOA, it is my pleasure to present the 2023 Annual Report for our Association.

May I say thank you to our members for not only being Financial Members but also your attendance at the functions we have offered during the year, and coming along to our Fraternization "Get Togethers" at half time in the Graham Moss Room.

A lot of our members have accepted our new offer of discounts for multiple year payments, and we will be working hard this coming year to attract new younger members, some of whom we hope to entice to take on a Committee role. In fact I am delighted to say that Warren Ralph has advised that he wishes to join our Committee and is keen to seek election as President. This makes me very happy because my health issues are suggestive of me standing down, and Warren has youth on his side and plenty of energy to perform as a wonderful President.

In relation to the Committee, long standing Committee members Frank Riccelli and John Peddie have advised that they will not be seeking re-election.

Frank, a Committee member for 36 years, has done a brilliant job as Treasurer for 14 of those years. John has served on the Committee for 14 years and has held the position as President and

Secretary/ Registrar with distinction for many of those years.

Phil Sutton and David Crawford have also advised that they will not be seeking re- election.

Phil has been a Committee members for five years, the last two as Vice President.

David has been a member of the Committee for nine years.

To Frank, John, Phil and David, on behalf of the CFCPPOA, I say thank you for a job well done and we look forward to your continuing involvement as members of our Association.

I am pleased to report that our Association has donated some \$10,000 to the Football Club this year. Major donations and a summary of events are listed below

1. A washing machine which will sit in the Club Rooms so that the property staff can wash Club Jumpers whenever necessary. Rick Hart generously provided the washing machine at a cost of \$1045, which was the cheapest possible price
2. A clothes dryer so that the football jumpers can be dried at the Club and Rick Hart helped out with this as well, providing the dryer at the cost price of \$958.
3. Our Association put together some BBQ'd bacon and egg burger breakfasts for the players to enjoy after their specialized training sessions. The first outing was at Floreat Beach for a Sunday run and swim session and the second was at Claremont Oval for the Colts and Senior squad prior to their finals campaign. Thanks to Andy Webster, Ron Dingwell, David Airey and Graham Moss who assisted with myself in preparing and serving what seemed like hundreds of bacon and egg burgers to hungry footballers. The total value of these breakfasts was \$812.
4. Another very enjoyable experience of being the President of the CFCPPOA was to be invited to the EB Cook Medal presentation dinner where I presented the Club with our annual donation of \$4000. A week later I attended the Colts Awards dinner and presented a further cheque for \$1000 to be directed towards the Colts. Congratulations to the Colts players, coaches and support staff for winning their Premiership.
5. Thank you to Carol Millband and her Ladies Committee for providing delicious sandwiches, party pies and sausage rolls at our half time fraternisation gatherings. We contributed some \$1500 to the Ladies Committee for these meals.
6. The CFCPPOA presented plaques to debut and milestone players at a cost of \$920 and made a contribution to the League team trip fund of \$500.
7. In addition to the above the CFCPPOA made a donation of \$1000 to the Warwick Proudlove Foundation.
8. The Annual Quiz night was another outstanding success with some 150 attendees and raising some \$5,000 for our Association. Thank you to the CFC's Function and Events Manager, Emma Woods, who did another great job of organising and marketing the event. Thanks also to our Committee members who attended the event and organised all the quiz prizes and auction items.

From a financial perspective the Association is in a healthy position. We basically broke even this year and have current bank balance of \$15,400. Membership remained fairly static for the year with 114 members.

It has been my pleasure to serve the CFCPPOA as your President for the last two years. Going forward we need to actively encourage younger past players and officials to join the Association and continue to support the Claremont Football Club which has given so much to us all over its nearly 100 years of existence. I encourage all members to sign up at least one new "younger" past player or official next year, and help double the Association's membership numbers in 2024.

I look forward to following our great Football Club into the 2024 season.

Best regards

John "Buzz" Parkinson

## LADIES COMMITTEE REPORT

The Ladies Committee continued as we did in 2022, catering for the players in all three grades, Coaches and Support Staff, PPO & A half time event and afternoon tea for the sponsors, rolls for the kiosk downstairs and rolls for the upstairs tiger tucker.

Football Clinic lunch time rolls and juice for the School Kids during July School Holidays.

With our small amount of money made in 2023, we catered the players tea on Presentation night in March and sponsored 6 players and went into the Corporate Classic. In \$ terms amounted to around \$5000 that we put back into the club.

Our small surplus this year will again go to helping support the footballers and Kepler again will direct us on how to spend the money.

None of this happens without our volunteers doing their bit and I would like to thank those who made pasta, cakes etc. Kaye Maskiell, Pam Casellas, Vicki England, Anne Manuel, and to Fiona Mountford who helped out when she was in Perth.

My amazing regulars who come on Saturday morning home games Heidi Hardisty, Mariana Hutton and Ann Willis these girls have got things running like clockwork.

Vicki McClements and Gabby Woodcock again did the meet and greet for the sponsors lunch (along with myself) and also if I needed any extra help they were both there to lend a hand so thank you very much.

My biggest thanks again this year to my devoted core committee members Shirley, Bev and Garry, Helen, Carole and Barry, Trevor such devoted volunteers always willing to help out and couldn't do anything without their support and hard work. Thank you also to my hubby Keithy who helped with picking up things and lifting heavy boxes and putting up with me when I get stressed.

Congratulations to the Colts on their Premiership Win great effort from all the players, Jordan, Ash and support people.

Apologies if I have missed anyone and commiserations to the players, coaches and support staff of the Senior Squad, close again but I am sure it will happen this year. All the best to our

retiring/leaving players and thank you for all you have done for the Claremont Football Club.

Thanks to Lisa, Emma, April and Taylah for your support and you are all such a pleasure to work with.

All the best for the festive season, have a safe and happy New Year and hope to see you again in 2024.

Go Tigers.

Carol Millband

# EASTLAND LEAPS TO FAME

BY KEN CASELLAS

In eight years as a Claremont footballer Ollie Eastland has leapt skywards approximately six thousand times in ruck contests which equates to him jumping over the Eiffel Tower about 18 times.

He has gained 206 hit-outs in 23 colts matches, 302 in 20 games for the reserves and 2495 in his 97 league appearances --- and he still loves his weekly challenges against a variety of ruck giants.

The 25-year-old Eastland rose to an elite level this year when he was rewarded with selection for the first time in Western Australia's State team for the match against South Australia and was named in the WAFL Team of the Year.

He also was recognised for his outstanding performance in the round three match against Subiaco when he received the Ralph Honner trophy for upholding the Anzac spirit. And the icing on the cake came when he was awarded the E. B. Cook Medal as Claremont's fairest and best league player for 2023.

Eastland polled 223 votes and was a clear winner ahead of Jye Bolton (190), Anthony Davis (118), Declan Mountford (117), Jack Lewsey (110) and Bailey Rogers (101).

He became the first ruckman to win Claremont's fairest-and-best award since Daniel Bandy was successful in 2006, thus ending the recent dominance of midfielders Jaxon Crabb, Jake Murphy, Luke Blackwell, Bailey Banfield, Kane Mitchell, Bolton and Rogers.

Eastland is only the tenth ruckman to win the award in Claremont's 98-year history, following Ray Nott (1930), Bill Sutherland (1945), Les McClements (1948 and 1950), John Hilton (1958), John McIntosh (1966 and 1969), Graham Moss (1977-78-79-80), Rhys Croxford (1995), Myles Quinn (2002 and 2004) and Bandy (2006).

Not only was Eastland a dominant performer, but he shouldered the responsibility of leading the ruck while long-term injuries kept Steven Miller and Kieran Gowdie on the sidelines for most of the season. Further to that he missed the support of Jack Buller after the big key forward signed with the Sydney Swans early in the season, as well as ruck pinch-hitter Max Minear missing several matches.

Eastland is an interesting footballer. He is a natural right-hander who kicks the ball almost exclusively with his left boot. At ruck contests he leaps off his right foot and has the rare ability of being able to tap the ball with either hand.

He left no stone unturned early this year in making sure he was able to overcome debilitating stress fractures in his back, injuries that had hampered him during the previous two years.

He began at Claremont in 2016, playing for the colts side at centre-half-forward and assisting the No. 1 ruckman Jeremy Goddard. He enjoyed an early success as a member of that side's grand final victory over East Perth at Subiaco Oval.

In his second year Eastland played 16 times for the reserves and five times for the league side. "I was developing as a forward ruck when Goddard and Eddie Simpson were bigger and above me at the time," said Eastland. "And I was the second string to Mitch Andrews in the league side.

"Ever since round four in 2018 I've been rucking. I love the competitiveness of it, and I look forward to the weekly challenge of playing against some giants, including Scott Jones, Brock Higgins, Lloyd Meek and many more.

"Brock taught me many lessons early on when he had about 20 kilos on me. That was what you needed, and it was the only way to find out what league footy is about.

"Percy Johnson taught me the craft of how to win. I wouldn't be here now if it hadn't been for him. And I learnt a lot from Brock, who was so fierce in the contest. He is not as agile as other players, but he certainly knows how to get it done. And Corey Gault from Swans learnt a lot from Percy and was

one of the best ruckmen I have played against."

While Eastland has been a commanding ruckman in the past few seasons, he has also impressed with his excellent ability on the ground, frequently using his agility to gain possession after ruck contests and gaining important clearances from stoppages.

"I played as a smaller player when I was younger and I think I developed skills while playing as a small," he said. "When I adjusted to being a tall,

arguments because I hated doing the same drill all the time.

"But it was brilliant and was what I needed. As soon as you contest the knock you follow up. There are about 70 to 80 stoppages during a match, and it's a pretty brutal game, jumping as a ruckman. I don't think I'll be playing when I'm 30 or 32. Hopefully, there will be a younger kid coming along who can take my spot, enabling me to play as a forward.

"In the ruck you don't have to get up really high, and I enjoy the body contact. I feel that I have got a lot stronger and can compete all game. I always respect my opponents and understand what they can do.

"I've been 98 kilos for the past year and a half, and the goal is to have a big summer in the gym and hopefully be about 100 to 102kg next year."

Eastland said that he received his back injury during the grand final loss to South Fremantle in 2020 and that he owed a great debt of thanks to Claremont's strength and conditioning team headed by Jake Shaw and physiotherapist Chloe Phelps.

"I can't thank them enough, and I wanted so much to be ready for our round one match this year that during the pre-season I spent six or seven weeks, sticking to a specialised diet, not drinking or going out, just focusing on getting my back right," he said.

Eastland said that he owed so much to so many people who have helped him during his career. "Beau Maister springs to mind," he said. "He was really hard on me, getting stronger in the gym and improving my marking.

"In every session he made me take 60 kicks into my hands to get them strong, and if I dropped one, we would go back to zero and start again. Tom Lee taught me the art of forward craft. Jye Bolton is one of my closest mates who has helped me and pushed me and Jack Buller hard.

"And lately all the younger boys have been pushing me, with young ruckmen Kieran Gowdie and Jack Burton pushing me at every training session."

"I have really enjoyed my time with Claremont, particularly playing with a handful of guys around my age over the past five or so years, guys like Callan England, Bailey Rogers, Lachie Martinis, Jack Lewsey, Dec Mountford, Jye Bolton and Alex Manuel.

"They have helped me in building my career," he said. "We have always been there for each other. It's so much fun playing with them and, hopefully, I will be able to play with them for another three or four years."

# MAINWARING AND DELACEY RISE TO THE OCCASION

BY KEN CASELLAS

Mobile mid-sized forwards Zac Mainwaring and Talon Delacey have a lot in common. They celebrated their league debuts for Claremont in round two in 2022 with a remarkable victory over the reigning premiers Subiaco --- and this year they stood tall, particularly after the early-season loss of towering key forward Jack Buller.

Not only do they love kicking goals, but they place a heavy emphasis on tackling, one of the less glamorous aspects of the game.

And this year they met the challenge of becoming influential forwards following the loss of Buller (who was drafted by the Sydney Swans after round five this year) and the absence of Alex Manuel, the club's leading goalkicker in the previous two seasons, who missed seven matches through concussion and injuries.

The 22-year-old Mainwaring and the 21-year-old Delacey each kicked 30 goals this year to head the Claremont league side's goalkicking list, thus joining rovers John Parkinson and Peter Ding as the club's only joint winners of this award.

Parkinson, the 1967 Sandover medallist, and Ding shared the roving and rested in a forward pocket in 1968 when each booted an exact total of 36.29. Ding made a spectacular

debut when he scored seven goals on debut, in Claremont's round one winning match against South Fremantle.

Tyron Smallwood also stood out as a dangerous small forward this year, kicking 20 goals and applying great pressure with a tally of 39 tackles.

Delacey made 52 tackles during his 17 matches this year, while Mainwaring laid 51 tackles in his 20 appearances.

"To lose Buller so early in the season was devastating," said Mainwaring. "He was playing some great footy and was so influential and such a big presence up forward. But we couldn't dwell on his loss for too long because we had games to play, and we worked on other strategies without him. And that ended up working well."

Delacey agreed, saying: "We had to accept it and we moved on quickly. So, we had a smaller forward line and we gelled quite well."

"We are smaller, mobile players. The big boys aren't as mobile, so we've got to do a lot of the tackling, much of which is because we run so high up the ground, which is the role of our high forwards. We try to put pressure on with our tackling. I had a half-forward role, and with a lot of running was able to support the backs."

Mainwaring described himself as a high pressure forward, saying: "I aim to be creative, and I use my speed and

tackling pressure to create scoring opportunities for my teammates and for myself. I feel I'm a pretty selfless forward who does a fair bit of hard running."

Mainwaring played in a forward pocket and on a half-forward flank, and there were a few occasions when he was switched to centre-half-forward. "That's the way our forward line worked this year, and we were adapting to anything," he explained.

Mainwaring and Delacey share something else in common. Each has had the disappointment of playing in a losing colts grand final, Mainwaring in 2020 and Delacey the following year.

"I went through all the Claremont development squads, from under 12s upwards, mainly as a winger or midfielder," said Mainwaring. "In Year 12 at Scotch College I turned into a small forward and ended up winning the goalkicking list. I was lucky because our key forward was injured and missed quite a few games."

He has been on a steady learning curve in his time with the Tigers. "Coach Ash Prescott has been a great influence,

and forward coach Glen McCallum has been huge for me in the early stages of this year," said Mainwaring.

"We had a pretty hard-hitting conversation which went along the lines of 'you've got to drop a bit of arrogance and listen to what the coach has to say; get around your teammates a bit more and focus on the team game which will help you to become a better player.'

"So, I did listen to Glen, and I think that was a massive thing for me and helped me to improve. Alex manual is a mature head who is always so positive and willing to help with advice. I was able to always fall back on him, and he has been huge for me."

Delacey, who was a midfielder in his early days with the North Albany club, agreed with Mainwaring, saying: "I was having a lot of goalkicking struggles at the start of the year with my set shots, and Glen taught me a few things. Mainy and Ty (Smallwood) have also helped me with my goalkicking, while Alex always spoke to me and told me what to do during a game."

Mainwaring and Delacey agreed that they preferred kicking goals on the run, rather than taking set shots. Delacey's favourite major was the goal he kicked in the final seconds of the match which sealed Claremont's two-point victory over Peel Thunder at Revo Fitness Stadium in round nine.

Mainwaring's favourite goal was also scored at home, from the right pocket at the railway end of the ground. "I got a little handball from Bailey Rogers, and I kicked a drop-punt which curled back in," he said.

Both players said they enjoyed taking high marks, with Mainwaring saying "It is definitely a cherry on top when you can take a nice a nice high mark as a smaller type of guy. It shows that you have got something over your opponent, not only on the ground but in the air as well."

Mainwaring has only just cast aside many pre-match superstitions, and his only ritual is enjoying his mother's spaghetti bolognese on the night before every game, while Delacey dines on pasta on the night before a match followed by sushi on the morning of the game.

They have a message for club supporters, saying: "We're going to put in a massive pre-season, like we always do. We have a very committed group."

And Mainwaring urges: "Just stick with us; keep supporting us. We know what we've got to work on. Ash is working hard behind the scenes on a few things. We are all committed to going those few steps further. We are going to work hard, and hopefully we can bring the trophy home."

# CLAREMONT WOMEN'S FOOTBALL CLUB

## RACHEL ASQUITH

2023 marked the start of a new era for women's football and the opportunity for girls in the Claremont District to pursue their footy dreams. In March 2023, at a Special General Meeting prior to the Women's Season Launch, Claremont Football Club voted unanimously to constitutionally merge the women's program into Claremont Football Club. This merger recognised and paid tribute to the women's history and has provided constitutional protection for women's football now and into the future.

Women's history was also celebrated at the 2022 AGM, where Charmaine Rogers and Amanda Robertson were awarded Life Membership for their dedication to the growth of the women's game and their service to our club. It's hard to imagine where we'd be without 'Charmie' and 'Robbo', thank you both, for all you do for our great club.

I'd like to thank the Board for their vision for women's football and their support in the transition process; we have been leading the way and plan to continue to, as the growth of girls and womens football is critical in our new Strategic Plan.

We were excited to increase our investment at the start of this season, with Jack Schwarze coming into the staff team as Women's Football Operations Manager. This alignment of the women's program with the mens allows us to streamline administration, management and operations and creates opportunities for us to learn from each other to keep improving the whole club.

As we started the year, we were in a completely new space. Since the start of the WAFLW in 2019, we have been chasing a Premiership and finally in 2022 we were rewarded. We celebrated hard and enjoyed the off season; it had been years of serious effort. But this success meant that all of a sudden we were at the pinnacle that we have been coveting for so long. Credit where it is due though; no amount of celebration satiated our hunger for success.

Our first game in 2023 was an absolute blast - a trip up to Darwin against the AFL NT Cazalys Representative Team; an opportunity for our girls to experience an interstate game together while building stronger bonds forged in the heat and humidity!

As we got into the home and away season, we hit our stride early and steamed ahead of the pack - eventually finishing minor premiers in an undefeated 16 rounds. We had a number of outstanding individual accomplishments and I'd like to recognise a few:

- Jasmin Stewart, drafted to Port Adelaide
- Matilda Dyke, drafted to Essendon
- Mackenzie Webb, drafted to West Coast
- Jayme Harken, 2023 WAFLW Dhara Kerr Medallist
- Adele Arnup, 2023 WAFLW Leading Goal Kicker
- Ella Slocombe and Eva O'Donnell, 2023 AFL Draft Combine
- Claudia Wright, 2024 AFLW Academy Squad

In the end, while we weren't able to walk out of the 2023 season with another Premiership Cup in the cabinet, we are incredibly proud of the accomplishments of 2023. We finished 2023 with our best ever home and away performance from both grades; 1st in League and 3rd in Rogers Cup. We also had our largest number of debutants, almost exclusively prompted from our Rogers Cup program.

I'd like to thank our valued sponsors and supporters, particularly our platinum sponsor Maxima Opportunity Group who have been with us for the past 5 years and have doubled down on their commitment to the growth of the women's game at Claremont.

As we look to 2024, it's with great excitement and a renewed hunger for success; we have retained almost all of our League and Rogers Cup squads, with a few key position recruits. We are already back on the track and have been impressed with the caliber of training and results from early time trials and fitness testing. 2024 is already promising to be an exciting year; we're hoping to bring you some thrilling games and fixtures to provide some variety; including showdowns under our brand new lights!

Can't wait to see you at the footy,

Rachel

### COLTS VOTING

Votes are awarded by 5 members of the league match committee.

The 5 match committee members vote for their top 5 players in each match.

5 votes are awarded to the best player, 4 to the 2nd best, 3 to the 3rd best and so on.

The best possible score per match is 25.

### WOMENS VOTING

Two pairs of coaches discuss and rate each player in the team based on their impact on the game.

The scale is set as 0-5 with 0 being no impact and 5 being maximum impact.

There is no limit to how many players can receive any number of votes.

Both sets of votes are added together meaning the maximum any player can receive per round is 10.

This system is aimed at rewarding consistent performers as well all positions for their impact on the game.

E.g. a key defender who spoils, smothers and stops a particularly good opposition forward from scoring any goals may only have a few possessions themselves but will be rated to have similar impact to a midfielder with high possessions.

### CLAREMONT BALL LEGENDS

The WAFL Match Ball initiative began in 2001, giving each club the opportunity to produce a special ball for their home games. Every year a player that is considered to have made a significant contribution to the club is placed on the ball. Selection is conducted by the CFC directors of the time by mutual agreement.

2001	GRAHAM MOSS	2010	LORNE COOK	2019	WARREN RALPH

## THE RP RODRIGUEZ SHIELD

The RP Rodriguez Shield honors a distinguished West Australian football administrator and respected contributor to WA Football, Pat Rodriguez. The Rodriguez Shield was introduced in 1957 and is presented to the most consistent team over the three grades of football. Rodriguez began his administrative career with Claremont, and later served terms as senior Vice President and President of the WANFL, and as President of the ANFC. A league team receives 10 points for a win, the reserves 4 points and the colts 4 points. It has been won by the following clubs:

1957	East Fremantle	1970	Subiaco	1983	South Fremantle	1996	East Fremantle	2010	Claremont
1958	East Perth	1971	East Perth	1984	South Fremantle	1997	East Fremantle	2011	Claremont
1959	East Perth	1972	Claremont	1985	East Fremantle	1998	East Fremantle	2012	Claremont
1960	West Perth	1973	Subiaco	1986	Subiaco	1999	West Perth	2013	Claremont
1961	East Perth	1974	Swan Districts	1987	Claremont	2000	East Perth	2014	Subiaco
1962	Swan Districts	1975	Swan Districts	1988	Claremont	2001	South Fremantle	2015	Subiaco
1963	Perth	1976	East Perth	1989	Claremont	2002	West Perth	2016	South Fremantle
1964	Perth	1977	East Fremantle	1990	Claremont	2003	Subiaco	2017	Subiaco
1965	Swan Districts	1978	Perth	1991	Claremont	2004	South Fremantle	2018	Subiaco

## VALE 2023

The Claremont Football Club pays tribute to the following members of the Tigers "family" who passed away during 2023

### KILBURN (Darryl)

Player No. 577,  
63 Games 1966-1972  
(Deceased 7 .1. 23)

### ALLSOP (Kelvin)

Player No. 425,  
54 Games 1955-1958,  
B & F 1956  
(Deceased 31.1 23)

### MCCLEMENTS (Geoff)

A name synonymous with the CFC,  
Geoff was a stalwart Member of the  
CFC PPOA and a Life Member of that  
Association. He represented our Club  
at all ANZAC Memorial services etc.  
Geoff passed away on 21.8 23, aged  
100

## MERIT AWARD

Many prominent members of CFC have been honored by "The Merit Award" bestowed by the Board of Directors on those recognised as having rendered outstanding and meritorious service to the club.

**Claremont Football Club Inc.**  
**Directors' Report**  
**For the year ended 31 October 2023**

The Directors present their report, together with the financial statements, of Claremont Football Club Inc. ("Club") for the year ended 31 October 2023.

**Directors**

The following persons were directors of Claremont Football Club Inc. during the financial year and up to the date of this report, unless otherwise stated:

Grant Povey (President)  
Brian Beresford (Vice President)  
Tony Evans  
Jenny Rogers  
Jeremy Sims  
Tim Sullivan  
Rachel Asquith

**Principal activities**

The principal activities of the Claremont Football Club Inc. continues to be to promote, develop, manage, educate, train and represent community Australian Rules football, particularly throughout the Club's metropolitan and country zoned regions.

The fundraising activities and sponsorship of the Club continues to be important in providing much needed cash for the Club to effectively achieve its objectives.

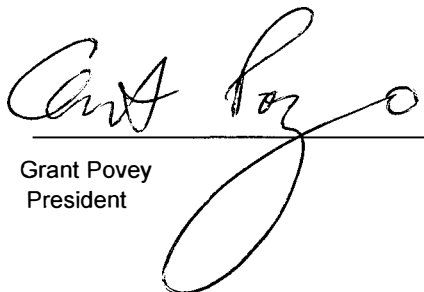

**Significant Changes**

No significant change in the nature of these activities occurred during the year.

**Operating Result**

The Club had an Operating Surplus for the year of \$235,616 (2022: \$250,301) and a Net Surplus for the year of \$164,896 (2022: \$155,833).

On behalf of the Directors

---

Grant Povey  
President

28th November 2023

---

Brian Beresford  
Vice President

**Claremont Football Club Inc.**

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 1. Significant accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**New or amended Accounting Standards and Interpretations adopted**

Claremont Football Club Inc. has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period and effective for an accounting period that begins on or after 1 November 2022. Any new revised or amended accounting standards or interpretations that are not set mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact to the financial performance or position of the Association.

**Basis of preparation**

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Simplified Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB'), the Associations Incorporation Act 2015 (WA) and associated regulations, as appropriate for not-for-profit oriented entities.

*Historical cost convention*

The financial statements have been prepared under the historical cost convention.

*Critical accounting estimates*

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying Claremont Football Club Inc.'s accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 1. Significant accounting policies (continued)**

**Revenue recognition**

Revenue is recognised at an amount that reflects the consideration to which the association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration with the transaction price, if any, reflects concessions provided to the customers such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of the variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

*Sales revenue*

Events, fundraising and raffles are recognised when received or receivable.

*Donations*

Donations are recognised at the time the pledge is made.

*Grants*

Grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and all attached conditions will be complied with.

*Interest*

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial assets.

*Other revenue*

Other revenue is recognised when it is received or when the right to receive payment is established.

**Borrowing Costs**

Borrowing costs are recognised as an expense when incurred.

**Leases**

The determination of whether an arrangement is or contains a lease is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset.

*(i) Club as a lessee*

Finance leases, which transfer to the club substantially all the risks and benefits incidental to ownership of the leased item, are recognised at the inception of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as an expense in profit or loss. Capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset and the lease term if there is no reasonable certainty that the Club will obtain ownership by the end of the lease term.

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 1. Significant accounting policies (continued)**

**Leases (continued)**

Operating lease payments associated with short-term leases and leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short term leases are leases with a lease term of 12 months or less. Low-value assets comprise of office equipment.

**Current and non-current classification**

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in Claremont Football Club Inc.'s normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the Claremont Football Club Inc.'s normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

**Cash and cash equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**Trade and other receivables**

Other receivables are recognised at amortised cost, less any provision for impairment.

**Inventories**

Inventories are measured at the lower of cost and net realisable value. Inventories are accounted for at purchase cost on a first in first out basis.

**Investments and other financial assets**

Investments and Financial assets in the scope of AASB 139 *Financial Instruments: Recognition and Measurement* are classified as either financial assets at fair value through profit or loss, available for sale investments or loans and receivables. When financial assets are recognised initially, they are measured at fair value. The Club determines the classification of its financial assets at initial recognition.

*(i) Classification of financial instruments*

The Association classifies its financial assets into the following measurement categories:

- those to be measured at fair value (either through other comprehensive income, or through profit or loss); and
- those to be measured at amortised cost.

The classification depends on the Association's business model for managing financial assets and the contractual terms of the financial assets' cash flows.

The Association classifies its financial liabilities at amortised cost unless it has designated liabilities at fair value through profit or loss or is required to measure liabilities at fair value through profit or loss such as derivative liabilities.

*(ii) Financial assets measured at amortised cost*

**Debt instruments**

Investments in debt instruments are measured at amortised cost where they have:

- contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding; and
- are held within a business model whose objective is achieved by holding to collect contractual cash flows.

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 1. Significant accounting policies (continued)**

**Investments and other financial assets (continued)**

These debt instruments are initially recognised at fair value plus directly attributable transactions costs and subsequently measured at amortised cost. The measurement of credit impairment is based on the three-stage expected credit loss model described below in note (c) Impairment of financial assets.

*(a) Financial assets measured at fair value through other comprehensive income*

*Equity instruments*

Investment in equity instruments that are neither held for trading nor contingent consideration recognised by the Association in a business combination to which AASB 3 "Business Combination" applies, are measured at fair value through other comprehensive income, where an irrevocable election has been made by management.

Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

*(b) Items at fair value through profit or loss*

Items at fair value through profit or loss comprise:

- \* items held for trading;
- \* items specifically designated as fair value through profit or loss on initial recognition; and
- \* debt instruments with contractual terms that do not represent solely payments of principal and interest.

Financial instruments held at fair value through profit or loss are initially recognised at fair value, with transaction costs recognised in the income statement as incurred. Subsequently, they are measured at fair value and any gains or losses are recognised in the income statement as they arise.

Where a financial asset is measured at fair value, a credit valuation adjustment is included to reflect the credit worthiness of the counterparty, representing the movement in fair value attributable to changes in credit risk.

*Financial instruments held for trading*

A financial instrument is classified as held for trading if it is acquired or incurred principally for the purpose of selling or repurchasing in the near term, or forms part of a portfolio of financial instruments that are managed together and for which there is evidence of short-term profit making, or it is a derivative not in a qualifying hedge relationship.

*Financial instruments designated as measured at fair value through profit or loss*

Upon initial recognition, financial instruments may be designated as measured at fair value through profit or loss. A financial asset may only be designated at fair value through profit and loss if doing so eliminates or significantly reduces measurement or recognition inconsistencies (i.e. eliminates an accounting mismatch) that would otherwise arise from measuring financial assets or liabilities on a different basis.

A financial liability may be designated at fair value through profit or loss if it eliminates or significantly reduces an accounting mismatch or:

- \* if a host contract contains one or more embedded derivatives; or
- if financial assets and liabilities are both managed and their performance evaluated on a fair value basis in accordance with a documented risk management or investment strategy.

Where a financial liability is designated at fair value through profit or loss, the movement in fair value attributable to changes in the Association's own credit quality is calculated by determining the changes in credit spreads above the observable market interest rates and is presented separately in other comprehensive income.

*(c) Impairment of financial assets*

The Association applies a three-stage approach to measuring expected credit losses (ECLs) for the following categories of financial assets that are not measured at fair value through profit or loss:

- \* debt instruments measured at amortised cost and fair value through other comprehensive income;
- \* loan commitments; and
- \* financial guarantee contracts.

**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 1. Significant accounting policies (continued)**

**Investments and other financial assets (continued)**

No ECL is recognised on equity investments.

*Determining the stage for impairment*

At each reporting date, the Association assesses whether there has been a significant increase in credit risk for exposures since initial recognition by comparing the risk of default occurring over the remaining expected life from the reporting date and the date of initial recognition. The Association considers reasonable and supportable information that is relevant and available without undue cost or effort for this purpose. This includes quantitative and qualitative information and also, forward- looking analysis.

An exposure will migrate through the ECL stages as asset quality deteriorates. If, in a subsequent period, asset quality improves and also reverses any previously assessed significant increase in credit risk since origination, then the provision for doubtful debts reverts from lifetime ECL to 12-months ECL. Exposures that have not deteriorated significantly since origination are considered to have a low credit risk. The provision for doubtful debts for these financial assets is based on a 12-months ECL. When an asset is uncollectible, it is written off against the related provision. Such assets are written off after all the necessary procedures have been completed and the amount of the loss has been determined. Subsequent recoveries of amounts previously written off reduce the amount of the expense in the income statement.

The Association assesses whether the credit risk on an exposure has increased significantly on an individual or collective basis. For the purposes of a collective evaluation of impairment, financial instruments are grouped on the basis of shared credit risk characteristics, taking into account instrument type, credit risk ratings, date of initial recognition, remaining term to maturity, industry, geographical location of the borrower and other relevant factors.

*(d) Recognition and derecognition of financial instruments*

A financial asset or financial liability is recognised in the balance sheet when the Association becomes a party to the contractual provisions of the instrument, which is generally on trade date. Loans and receivables are recognised when cash is advanced (or settled) to the borrowers.

Financial assets at fair value through profit or loss are recognised initially at fair value. All other financial assets are recognised initially at fair value plus directly attributable transaction costs.

The Association derecognises a financial asset when the contractual cash flows from the asset expire or it transfers its rights to receive contractual cash flows from the financial asset in a transaction in which substantially all the risks and rewards of ownership are transferred. Any interest in transferred financial assets that is created or retained by the Association is recognised as a separate asset or liability.

A financial liability is derecognised from the balance sheet when the Association has discharged its obligation or the contract is cancelled or expires.

*(e) Offsetting*

Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the Association has a legal right to offset the amounts and intends to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Property, plant and equipment**

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Buildings	40 years
Leasehold improvements	15 years
Plant and equipment	3-7 years
Motor vehicles	5-7 years
Office equipment	3-5 years

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 1. Significant accounting policies (continued)**

**Property, plant and equipment (continued)**

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the Claremont Football Club Inc. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

**Impairment of non-financial assets**

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

**Interest-bearing loans and borrowings**

All loans and borrowings are initially recognised at the fair value of the consideration received less and directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method.

Gains and losses are recognised in profit or loss when the liabilities are derecognised.

**Trade and other payables**

These amounts represent liabilities for goods and services provided to the Claremont Football Club Inc. prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

**Employee benefits**

*Short-term employee benefits*

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

*Other long-term employee benefits*

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

*Defined contribution superannuation expense*

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 1. Significant accounting policies (continued)**

**Fair value measurement**

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

**Goods and Services Tax ('GST') and other similar taxes**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

**Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year.

**Going Concern**

The financial statements have been prepared on a going concern basis which contemplates the continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

For the year ended 31 October 2023, the Club generated a Net Surplus of \$164,896 (2022: \$155,833) and had cash inflows from operating activities of \$263,587 (2022: \$222,022).

The Club has overdraft facilities of \$400,000 which was undrawn at the balance date.

The Board has prepared a budget, which indicates that the Club will have sufficient cash flows to meet all commitments and working capital requirements for the 12 month period from the date of signing this financial report. On this basis the Board is satisfied that the going concern basis of preparation is appropriate.

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 2. Critical accounting judgments, estimates and assumptions**

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgments and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgments, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgments and estimates will seldom equal the related actual results. The judgments, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

**Estimation of useful lives of assets**

Claremont Football Club Inc. determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

**Impairment of non-financial assets other than goodwill and other indefinite life intangible assets**

Claremont Football Club Inc. assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to Claremont Football Club Inc. and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

**Employee benefits provision**

As discussed in note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

**Note 3. Revenue**

	<b>2023</b>	<b>2022</b>

Carrying amount at end	41,556	52,428

**Redevelopment Activities**

In 2017, the Club completed redevelopment activities at Claremont Oval pursuant to an agreement with LandCorp whereby the parties agreed to the cancellation of the Club's lease, and granted freehold title of the Clubhouse land to the Club on a conditional use basis. Redevelopment Activities were funded by Landcorp, up to an amount of \$16.5m, and have not been reflected in this financial report.

As part of the redevelopment, and pursuant to an agreement between the Club, the Town of Claremont and the purchaser of the land immediately to the north of the Club's facilities, the Club was entitled to 81 car bays. In 2021, the construction of the 81 car bays in the basement of the building to the north of the Club's facilities was completed. The Club made a contribution (funded by Landcorp) of \$1m to the cost of their construction. The value of these car bays has not been reflected in this financial report.

**Maintenance Fund**

During 2018, the excess land to the North of the Club facilities was sold by the Government and \$1.5m of the proceeds was granted to the Club pursuant to the terms of a Trust Deed.

Under the terms of the Trust Deed, the Club is required to keep these proceeds, and any interest earned, in an auditable Trust Account. The funds held in the Trust Account (separate to the financial statements) may only be applied to the costs of repairing, maintaining, and renewing the Club's premises in accordance with an Asset Management Plan that has been approved by the Government.

During the year, \$91,158 was expended by the Club on such repairs and maintenance. Of this amount, no funds were sourced from the Trust Account, with the entirety of such repairs and maintenance being funded by operating cashflows. At year end, the closing balance of the Trust Account was \$1,540,379.

	<hr/>	<hr/>

In 2021, 2022 and 2023 the Club received grant monies totalling \$195,332 (being \$62,666 from the Local Government, \$62,666 from Town of Claremont and \$70,000 from WAFC) to assist the Club in procuring and installing new lighting for the oval.

The fund has been fully utilised as at 31 October 2023. No revenue has been recognised in relation to the utilisation of the fund and the expenditure has been charged against the fund during the relevant year that the expenditure was incurred, with the grant monies not being capitalised.

**Claremont Football Club Inc.**  
**Notes to the financial statements**  
**For the year ended 31 October 2023**

**Note 12. Contingent Liabilities**

Claremont Football Club Inc. had no contingent liabilities as at 31 October 2023 and 31 October 2022.

**Note 13. Related party transactions**

*Transactions with related parties*

*The following related party transactions were incurred in 2023 .*

Jeremy Sims \$1,944 paid to Jeremy Sims in relation to reimbursement of repairs and maintenance expenditure and lighting upgrade expenditure

Tony Evans \$ 818 paid to Tony Evans in relation to reimbursement of expenses at staff event

*Receivable from and payable to related parties*

There were no trade receivables from or trade payables to related parties (excluding payroll related items) at the current and previous reporting date.

*Loans to/from related parties*

There were no loans to or from related parties at the current and previous reporting date.

**Note 14. Events after the reporting period**

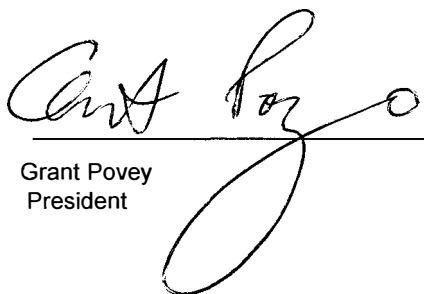

No matter or circumstance has arisen since 31 October 2023 that has significantly affected or may significantly affect Claremont Football Club Inc.'s operations, the results of those operations, or Claremont Football Club Inc.'s state of affairs in future financial years.

**Claremont Football Club Inc.**  
**Directors' Declaration**  
**For the year ended 31 October 2023**

In the Directors' opinion:

- the attached financial statements and notes comply with the Australian Accounting Standards - Simplified Disclosure Requirements, the Associations Incorporation Act 2015 (WA) and associated regulations;
- the attached financial statements and notes give a true and fair view of Claremont Football Club Inc.'s financial position as at 31 October 2023 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that Claremont Football Club Inc. will be able to pay its debts as and when they become due and payable.

On behalf of the Directors

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CLAREMONT FOOTBALL CLUB

### Qualified Opinion

We have audited the accompanying financial report, of Claremont Football Club ("the Club"), which comprises the statement of financial position as at 31 October 2023, statement of changes in equity, the statement of profit or loss and other comprehensive income and the statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, except for the matters described in the Basis for Qualified Opinion section of our report, the financial report of Claremont Football Club is in accordance with the club constitution, including:

- (i) giving a true and fair view of the company's financial position as at 31 October 2023 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards – Simplified Disclosure Requirements, the Associations Incorporation Act 2015 (WA) and associated regulations.

### Basis for Qualified Opinion

#### Revenue Recognition

As is common for organisations of this type, it is not practicable for the Club to maintain an effective system of internal control over cash receipts and payments until their initial entry in the accounting records. Our audit relating to these items was therefore limited to the amounts recorded in the accounts.

#### Redevelopment Activities

We draw attention to Note 7 in the financial report with respect to the Club's redevelopment activities completed in 2017. The funds received and spent on these activities have not been accounted for in this financial report, as such our audit procedures have been limited to that presented in the financial report. As a result, we have not obtained appropriate audit evidence to provide a basis for an audit opinion on the redevelopment activities and the effect of these has not been determined on the financial performance, position and cash flows of the Club.

We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## Other Information

The directors are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 31 October 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Directors' Responsibility for the Financial Report

The directors of the Club are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Club's constitution and Associations Incorporation Act (WA) 2015 and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Club to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Report

Our responsibility is to express an opinion on the financial report based on our audit. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used based on the accounting policies disclosed in Note 1 and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Club to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Club audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
